

SPRING ENROLLMENT--6852

ARTIST'S CONCEPTION OF the \$612,000 two-story addition to the Men's gymnasium is pictured above. It faces San Carlos street and is attached to the main gymnasium.

"Plans have not moved along as rapidly as we had hoped they would," Executive Dean C. Grant Burton said Friday. It is expected this construction will begin within the next month. Estimated finish date is March 1956.

This addition will be 128 feet long, 109 feet deep, and 29 feet high. The first floor will contain the coaches' offices, equipment room, showers, toilets and 2200 lockers. The second floor will hold two small gymnasiums for boxing and wrestling and two classrooms. Equipment for this building will cost \$66,000, according to Dean Burton. This addition will fill two main purposes, according to Glenn "Tiny" Hartranft, men's physical education and recreation department chairman: locker space for 2200 men and two additional activities gyms.

SAN JOSE, CALIFORNIA, MONDAY, MARCH 28, 1955

No. 109

Reg Dance Tonight

A registration day dance will be held tonight in the Student Union from 8:30 to 11:30 p.m.

Admission to the dance will be by student body card—either Winter or Spring quarter cards are acceptable—and 25 cents per stag or 35 cents per couple. The event is sponsored by the Student Y and will feature recorded music, according to the Rev. Jim Martia, executive secretary of the Student Y.

Tomorrow Night

Music Faculty To Play Instrumental Ensembles

Three small instrumental ensembles will be presented by the Music Department of San Jose State College at 8:15 p.m. tomorrow, in the Concert Hall. Admission is free. The program, to be presented by four members of the faculty assisted by the wives of two of them, will include a sonata for cello and piano by Bach, and a two piano sonata and a trio for piano, viola and clarinet by Mozart.

These seldom heard compositions will be performed by Donald Homuth, cello, Patrick and Doris Mejerotto, piano, Thomas Eagan, clarinet, Frances Robinson, viola, and Edith Eagan, piano.

Homuth, who joined the college

La Torre on Sale Outside Men's Gym

La Torre, placing its art work as the main feature, will be on sale outside the Men's gym during registration, according to Co-Editors Bobbie Gough and Trudy Staples. Price is \$6 in full or \$4 down, and the balance before May 31.

Next week the year book staff will hold a La Torre Week in a final effort to push sales.

Reg Begins Today; 84 Drop Out

The usual noises of college again hit campus this morning as students began to register for spring quarter—the Santa Cruz quarter.

Estimates from the Admissions and Registrar's Offices tab the enrollment to be 6852. This figure is 250 below last quarter's official enrollment total of 7102, according to Leslie W. Ross, registrar.

Registration began at 7:30 o'clock this morning and will end at 3 o'clock tomorrow afternoon.

Newly admitted students are divided into two main divisions: 220 students entering SJS for the first time, and 170 students re-entering after attending at some other time.

The final enrollment figure was arrived at by adding these two totals and 6462, the number of students carried over from winter quarter.

Eighty-four students were disqualified for various reasons, according to Registrar Ross. This figure is low compared to the 200 students who were dropped from school fall quarter.

Enrollment figures for last winter and spring quarters were 6708 and 6676, respectively.

Spartan Shop Work Goes On

Forms were removed from the proposed Spartan Shop's foundation Friday, heading a busy week of SJS construction, on and off campus.

As much as 1800 gallons per day of top quality water from the newly dug well behind the Buildings and Grounds Office soon may supply the entire college, according to George J. Dietele, constructing supervisor, who termed the well "extraordinary."

Complete installation of a sprinkler system fringing the Speech and Drama building is expected by April 1, Dietele added.

He also reported a "test drill" had been made successfully toward the digging of the Spartan Stadium's new well, clearing the way for full-scale development of the project.

State Approval of 8510 FTE Students Next Year Foreseen

Final approval of enough money for 8510 students this fall at SJS is expected to pass the State Legislature in late April or early May, according to Dr. Fred F. Harclerod, dean of instruction.

"It looks as if the \$334,127, which will provide instructors for the increased student body, will be approved," he said. With

this increase, the total budget for next year would be \$4,232,613.

The State Senate subcommittee endorsed the budget boost March 16. This was a major hurdle. Next steps for the budget are to pass the Senate Finance Committee and the full Assembly and Senate.

SJS construction advances include:

Executive Dean C. Grant Burton received preliminary plans for Classroom No. 1, a three-story building to be constructed along San Fernando street to the west of the Speech and Drama building.

He expects the Library addition plans to be ready for bids this week.

Concerning the purchase of Eastfield Children's Home by SJS, things received a boost. A survey of the home indicated the building structurally sound and suitable for dormitory use. Assemblyman Bruce F. Allen (R-San Jose) introduced in the Assembly last January a bill for purchasing the building and lot, \$275,000.

The Assembly Ways and Means Committee approved \$1,352,968 for SJS for future projects which include: A new administration building; equipment for a science building; an addition approved last year and currently in the planning stage, \$500,000; minor construction, improvements, repairs and equipment, \$69,268.

Seniors Sign Up For Class Briefing

All seniors are required to sign up at registration for Senior Briefing (formerly Senior Orientation), which will be held this quarter every Thursday at 11:30 a.m. in the Morris Dailey auditorium, according to Pat Spooner, president of the Senior class.

This Thursday's meeting is particularly important, according to James Jacobs, Senior class co-adviser. Much of the time of the first meeting will involve locating each of the nearly 500 seniors, Jacobs said.

Speakers for the briefing sessions include Dr. John T. Wahlquist, April 7; Mrs. Doris K. Edgar and Dr. Vernon A. Oullette, April 14; city and county officials, April 21; and Rabbi Gitin, April 28. Speakers for May will be announced at a later date.

APhiO Book Exchange

Buy at Two-Thirds Purchase Price

"Try us first," says Ron Flagg, Alpha Phi Omega book exchange chairman, "before you purchase new texts."

The exchange, now in operation in the Student Union, handles used texts for almost all current courses. Students desiring texts purchase them at two-thirds the last purchase price.

A wide variety of books is now available and more are being brought in to be sold every day. Students desiring to sell old texts or in need of books are urged to stop by the Alpha Phi Omega book exchange in the Student Union.

Hours are from 9 a.m. to 12 noon and from 1 to 4 p.m. daily through the school week. The project terminates on April 8.

The exchange has been in operation at the beginning of every quarter since 1947 and last quarter a total of \$2311 passed through the exchange in book sales. The fraternity charges a 10-cent service charge on each book sold.

Education Sign-up

The Education Department's sign-up booth will be located in the Folk Dance gym of the Women's gym during registration, according to O. D. Sawyer of the Registration Office.

The department's booth was formerly in the Men's gym.

Editorial

Expose on the Newest Campus Fashion

On the subject of faces—as they seem as good as anything with which to start the first editorial of the spring quarter—we notice that some changes have been made.

There are some new faces here, and some of the old ones are gone (Army, booted out, etc.). But most interesting of all, everyone seems to be wearing his face a shade or two darker now—must be the fashion.

The expose here is that these persons with the red noses and brown faces have just completed the prerequisite for entering the oldest class known to SJS students—Sunshine 30, Room SC (no units).

The class was so named back when San Jose (Sub) Normal School had a football team which used an unbalanced line.

The Sunshine part is obvious. The 30 is the miles to class which is located in Santa Cruz.

The one rub is that no units are given—but what the heck, there are no mid-terms or finals, either.

Tickets are now on sale for Sigma Delta Chi's second annual Deadline Dinner to be held April 14 in Newman Hall, according to Dick Jones, president of the journalism fraternity's SJS chapter.

The program for the banquet will be a complete turkey dinner with all the trimmings, humorous skits on the actions of various SJS faculty and students and a guest speaker who will be announced next week.

Tickets can be purchased for \$3 in the Spartan Daily office, J-107, or from any Sigma Delta Chi member. Beginning Friday, tickets will be on sale in the Graduate Manager's office.

The purpose of the skits, which are one of the dinner's major attractions, is to "roast" persons who have been active in the history of SJS during the past year.

Plenty of Housing For SJS Students

There is plenty of housing of all types for students this quarter, Mrs. Izetta Pritchard, housing supervisor, told the Spartan Daily Friday.

If students need housing or are unsatisfied with their present accommodations, they may obtain housing lists in her office, she said.

There is a recommended list for women students. Houses must be supervised by house mothers before they may be placed on this list, she said.

Education 391

Education 391, Teaching of Elementary School Social Studies, will be offered this quarter at 12:30 p.m. MWF in Room 157 of the Education building for three units, according to Dr. William G. Sweeney, head of the Education Department.

This is the only time the course is being offered this year, Dr. Sweeney said. It is not listed in the schedule of classes.

'Lifetime' Players Named

Tentative castings for "Once in a Lifetime" have been announced by Director James Kerr, associate professor of music. Forty-two students finally were cast after extensive try-outs.

The show will be produced April 29 and 30 and May 4, 5, 6 and 7 at 8:15 p.m. in the old Little Theater. Admission is 50 cents for students and 75 cents for adults.

The first rehearsal will be Wednesday at 4:30 p.m. in the old Little Theater. All those cast in the show are eligible to register for Drama 9—190.

Appearing in the first main play of spring quarter will be Sandra Teboe as May; Kenneth Rugg as George; Darwin Hageman as Jerry; Robert Gordon as Porter; Leslie Robinson as Helen Hobart; Marilyn Johnson as Susan; James Highway as the electrician; Carl Williams as the second electrician; Louise Hays as the first girl; Celeste McAdam as the second girl; Rosemary Pileher as the cigarette girl and the first bridesmaid; Bonita Camelia as the coat check girl and the second

bridesmaid; Gretchen Given as Phyllis Fontaine; Jacqueline Wood as Florabel Leigh.

Jeri Welch as Phyllis' maid and the third bridesmaid; Merle Morris as Florabel's maid and the fourth bridesmaid; Don Keeney as Phyllis' chauffeur and cameraman; Harold Harris as Florabel's chauffeur and the second cameraman.

Don West as bellboy; Millard Madsen as Earnest; Celia Cross as a woman; Stanley Finberg as Mesterstein; Diane Slater as Miss Chasen; Lee Deven as the policeman.

Mary Campbell as sixth bridesmaid; Ramona Puccinelli as Mrs. Walker; Jim Bertino as Norton; Jim Dunn as Glogauer; Patricia Branch as Miss Leighton; Craig Thush as Lawrence Vail; Richard Wilson as Weis-

koff; Delberta Tipton as the first page; Shirley Spiller as the second page; Robert La Crosse as Art Sullivan.

Harold Garcia as Moulton; Lewis Campbell as Fulton; Fred Engberg as Kammerling; Robert Montilla as Mrs. Flick; Nancy Stephens as George's secretary; Antoinette Wood as the reporter; Barbara Squibb as the artist, and Nadine Betker as the biographer.

No Final Approval

Most students will not have to receive final approval of registration booklets today and tomorrow from the Dean of Instruction. Final approval for all students except those on graduate status will be given by the student's department head or adviser, according to Dr. Fred F. Harclerod, dean of in-

Engagements

MASSIE-MADRID

Betrothal of Eleanor Rose Madrid, a freshman from San Lorenzo, to William Joseph Massie was announced at her home last week. Massie is with the Army at Fort Bliss, Texas.

KNOERNSCHILD-MUNROE

Joy Munroe, Peixotto Hall, passed candy last Monday to announce her engagement to Harvey Knoernschild. Joy is a junior.

SMITH-CARTER

Two SJS June graduates, Garry Smith and Mary Carter, passed a heart-shaped box of candy on Val-

entine's Day, revealing their troth. They plan to wed late in August.

ERICKSON-MORROW

Marilyn Morrow, Phi Mu, used the customary candy-passing means of announcing her engagement to Ernie Erickson, a Pi Kappa Phi now in Germany with the Army.

HERSH-LAMPOR

Charlene Lampport informed Sherman Hall recently of her troth to Ed Hersh, Alpha Tau Omega. They plan to wed in July.

KETTENRING-BRIDGES

Donna Bridges, a senior, is engaged to Gordon Kettingring of the U.S. Navy, her parents announced

recently.

KRANSKY-REINHARDT

Senior Eleanor Reinhardt's engagement to Valere J. Kransky was disclosed by her parents in Mountain View. Kransky is a graduate student at SJS.

HOCKETT-SOUDEN

A toast in champagne proclaimed the engagement of Patricia Florence Souden, a primary education major, to Lloyd C. Hockett last week. Hockett plans to enter SJS this quarter. A May wedding is also planned.

PENNINGTON-DAGGETT

Junior Robert Paul Pennington, Sigma Tau Gamma, will marry Patricia Gail Daggett July 3, according to present plans of the engaged couple.

Marriages

ARNOLD-DAVIS

Sophomore Gretchen Davis became the bride of Clifford H. Arnold in the College Chapel Feb. 25. The Rev. Chester Ham of Willow Glen Methodist Church officiated.

MENDIVIL-SCOGGIN

Two SJS students, Anthony J. Mendivil, international relations major, and Yvonne Scoggin, education major, exchanged nuptials in Los Gatos First Methodist Church Feb. 12.

CLARK-DOHEMANN

Senior Bonnie Jean Dohemann, Delta Gamma, was wed to George Byrd Clark at Westminster Presbyterian Church.

ALKIRE-BRENDEL

SJS student Alan Alkire recently married Barbara Ann Brendel of Alamo.

Lent Booklets Out

Daily devotional booklets, for use during the last two weeks of lent, are being given free to students during spring registration, according to Ed Wright, Student Christian Council president.

The booklets, written and prepared by SJS students, are one of SCC's major projects. The council is a representative group of interdenominational faiths on campus.

SPARTAN DAILY 3

Beaux Arts Ball Bids on Sale This Week, \$1.50 Per Couple

Official selling of bids for the Beaux Arts Ball, which will be held April 1 at Alpine Lodge from 9 p.m. to 1 a.m., was scheduled to begin today at booths on the campus, according to Pat Collins, general chairman for the costume event.

Bids will continue to sell this week at \$1.50 per couple and may be purchased by any member of the student body. Members of Alpha Gamma and Delta Phi Delta, campus art organizations sponsoring the event, are also selling bids.

Students attending the dance may wear any type of costume which fits the chosen theme: "Fool's Paradise." Any new and original ideas are welcome in the way of costumes, according to Miss Collins. Prizes will be awarded the best-costumed couple attending the event.

Music for the evening's entertainment will be provided by Buddy King and his orchette.

Handbills and posters were made by members of the art organizations to advertise the dance. The

bids were designed as portfolios. Ralph Homan recently won the contest for the best handbill and his design is being used to advertise the dance.

The Beaux Arts Ball is an annual costume event sponsored by the two art organizations for the entire student body.

Dick Francis Seeks National AAU Crown

San Jose State's Dick Francis is scheduled to compete in the National AAU wrestling tournament in Amityville, N.Y. this weekend after having lost a close decision in the second round of the NCAA tourney at Cornell University in Ithaca, N.Y. Friday.

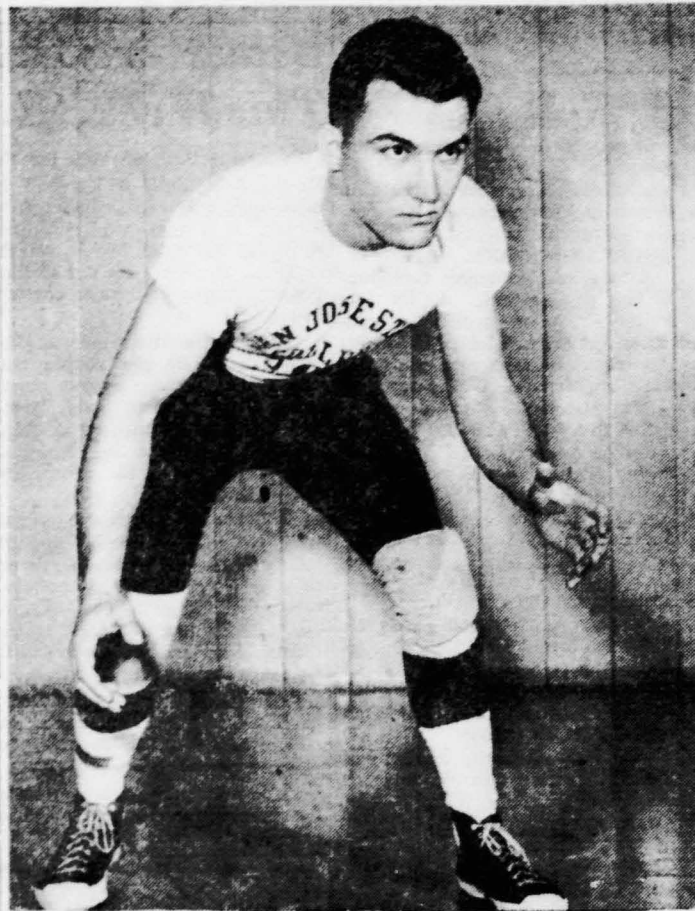

Francis, two-time Pacific Coast Intercollegiate champ and winner of the Western Regional Pan-American Games trials, was edged by John Krufka of Penn State, 7-6. Krufka went on to take second place in the 177-pound class, losing to Dan Hodge of Oklahoma in the finals.

In the first round of competition, Francis drew a bye.

Varsity Net Squad Meets Modesto JC

Coch Hugh Mumby's varsity netters will take on the perennially strong Modesto Junior College tennis team in Modesto tomorrow.

Last week Jack Darrah and Marty Halfhill captured two matches in the doubles competition of the Northern California Intercollegiate Tennis Championships at the Berkeley Tennis Club before bowing to Cliff Mayne and Stan Haek in the semi-finals.

STELLAR SPARTAN MATMAN Dick Francis prepares for a shot at the National AAU crown in Amityville, N.Y. this weekend. The Spartan, who is also a member of the San Jose Fire Department, was sponsored on his trip to the NCAA and AAU tourneys by local firemen and other friends.

Boehner To Face Bears Tomorrow

Doug Boehner probably will get the starting mound assignment when the Spartans meet the University of California in Berkeley tomorrow in an attempt to extend San Jose's win streak to five games.

The Spartans, led by the booming bat of catcher Jerry Clifford, captured four of their five games during the spring vacation, grabbing two from the University of Oregon Ducks, and single games

from San Francisco State and Oregon State College. S.F. State dropped the Spartans in the first game of their doubleheader, March 19.

Clifford pounded out three home runs in pacing San Jose in its wins over the Ducks. Friday Clifford drove in five runs with a pair of homers as the Spartans won, 5-2. Wednesday San Jose rapped the Ducks, 7-3.

Reese Dick hurled the win Wednesday and came back in the ninth inning Friday to protect winner Bill Kline's victory. Dick retired Oregon's George Shaw to squelch the Ducks' rally.

Against the Oregon State Beavers Thursday, Boehner twirled four-hit ball, pitching a shut out after giving up one run in the first inning. The Spartans won, 4-1.

SJS Golfers Post Victories

Don Glass shot a pair of two under par 68's to pace the San Jose State Spartans to victories over the University of California and Portland State College at the San Jose Country Club Thursday and Friday.

The Spartans bested the Bears, 21½-5½, and took the Portland Staters into camp, 22-5.

The pair of wins put the Spartans back on the winning trail after they bowed to the Fort Ord Warriors, 17-10, Wednesday on the Fort Ord course.

MECHANICAL DESIGN ENGINEERS

NEEDED FOR BERKELEY AND LIVERMORE LABORATORIES
UNIVERSITY OF CALIFORNIA RADIATION LABORATORY

Positions available for qualified mechanical engineers: The Radiation Laboratory at Berkeley and Livermore employs over 100 mechanical engineers engaged in the design of a wide range of equipment for use in fundamental and applied scientific investigation.

This work includes nuclear and thermonuclear test devices and instrumentation, high energy particle accelerators, ultra high speed cameras, large scale high vacuum equipment, devices for remote control in high radiation fields, equipment for remote handling and processing of radioactive materials, and accessory equipment for nuclear reactors.

Organization is on a project basis with close contact between engineers and scientists and the extensive laboratory shops. Emphasis is not on designing for production manufacture. The work calls for an understanding of principles and ingenuity rather than the application of standard practices. The projects of the laboratory include practically all aspects of nuclear engineering.

Inquiries should be addressed to: Professional personnel office, University of California Radiation Laboratory, Berkeley 4, California.

Spartan swimmers trounced the Fresno State Bulldogs, 67-17, in Fresno, March 19.

Spartan baseballers split a doubleheader with the San Francisco State Gators in San Francisco, March 19, losing the first game, 8-7, and winning the second, 9-5.

Spartan trackmen edged the University of Arizona, 68½-62½, in Tucson, March 21.

Spartan swimmers dunked the University of Arizona, 122-46 in a two-day meet in Tucson, March 21 and 22.

Spartan golfers bowed to the Fort Ord Warriors, 17-10, at Fort Ord, March 22.

Spartan baseballers whipped the University of Oregon Ducks, 7-3, in Municipal Stadium, March 23.

Spartan trackmen downed Arizona State College, 71 1/3-59 2/3, in Tempe, March 23.

Spartan baseballers nudged the Oregon State College Beavers 4-1, in Municipal Stadium, March 24.

Spartan golfers waxed the University of California Bears, 21½-5½, at San Jose Country Club, March 24.

Spartan baseballers turned back the University of Oregon Ducks, 5-2, in Municipal Stadium, March 25.

Spartan golfers out shot the Portland State College linksmen, 22-5, at the San Jose County Club, March 25.

Spartan Ringmen Enter National Glove Tourney

PCI CHAMPION Dick Bender, left, and Max Voshall are preparing for their assault on the national titles in the 156-pound and 165-pound divisions. The two champions will lead a five-man Spartan delegation in the NCAA tournament in Pocatello, Idaho, Thursday, Friday and Saturday.

Dick Bender and Max Voshall, SJS's 1955 PCI boxing champions, will lead a five-man Spartan team in the NCAA boxing tournament at Pocatello, Idaho, Thursday, Friday and Saturday. Kim Kanaya and Al Julian, PCI finalists, and Dave Fanner, who lost a close semi-final decision to champion Gordy Gladson of WSC, will round out the Spartan squad.

Despite winning two individual titles, the SJS ringmen were forced to take third place behind Idaho State and Washington State College in the PCI boxing tournament held March 17, 18 and 19 in Sacramento.

Idaho State took tournament team honors with 38 points and three individual titles, WSC was

second with 28 points and two crowns, while the Spartans totaled 26 points and took two titles.

Bender, who is the first Spartan boxer ever to win two PCI championships, lost in the finals of last year's national tournament, and ranks as a strong contender for this year's 156 lb. crown. Voshall, after handing L. G. Neal of Idaho State his first defeat of the season in gaining the 165 lb. title, rates as a threat in his division.

Julian lost in the finals to Dan Axtman of Idaho State, while Kanaya was defeated by defending champ Eddie Olson of WSC in the 125 lb. match. Fanner dropped two-time national champ Gladson in the first round of their semi-final bout, but Gladson came on to cop a one-point decision.

In other PCI action Al White lost a 147 lb. semi-final bout to Ted Contri of Nevada, the eventual champion. White was leading in the second round when

he was penalized for a low blow, which possibly cost him the bout.

Bob Harris lost a 119 lb. semi-final match to Ed Labastida of Cal Poly, while 132 pounder Joe Rodriguez lost his opening match to Bill Wiswall of Santa Clara, who went on to take the crown.

WOMEN J MAJORS

All women journalism majors are invited to come to the first spring quarter meeting of the 39 Club Wednesday, at 3:30 p.m. in Room J-101.

SJS Natators Capture Three Tank Victories

The Spartan swimmers took all but two events on the second day to wallop the University of Arizona 122-46 in a two-day swimming meet at Tucson, March 21 and 22.

SJS took eight out of 10 events in the opening round, which it won 62-22.

Art Lambert and Carl Yates starred for the winners. Lambert won both the 50-yard and 100-yard freestyle events Monday and came back Tuesday to take the 150-yard individual medley. Yates won the 440-yard freestyle Monday and the 220-yard freestyle Tuesday.

Spartan Dick Threllfall gave an outstanding performance in winning the 200-yard breast stroke.

The Spartans prep'd for the invasion of Arizona by dropping the Fresno State Bulldogs 67-17, in the Fresno tank, March 19.

Led by Yates' victory in the 220 yard and 440-yard freestyle events, the Spartans captured nine out of the ten first places. Cedric Gabriel's win in the diving was the Bulldogs' lone first.

Cindermens Grab Pair of Victories

SJS's spikemen worked hard over the vacation, winning dual meets against the University of Arizona, 68½-62½, at Tucson, March 21, and Arizona State College, 71 1/3-59 2/3, at Tempe, March 23.

The Spartans had two double winners in the Arizona State meet in Ray Goodwin and Ed Kreyenhagen. Goodwin won the high jump at 6 ft. 1½ in., and the broad jump with a leap of 22 ft. 11½ in. Kreyenhagen took the 120-yard high hurdles in 14.7 seconds and won the 220-yard lows in 24.5 seconds.

Other SJS winners in the Tempe meet were Billy Joe Wright with a toss of 51 ft. 3 in. in the shot-

put; Charles Hightower in the pole vault at 13 ft. 8 in.; Jack Albani in the 440-yard dash in 50.1 seconds; and Don Hubbard with a 9:49.8 two-mile.

Kreyenhagen and Goodwin also paced the Spartans to their win over the University of Arizona.

Goodwin cleared 6 ft. 3½ in. for a first in the high jump, and leaped 22 ft. 9 1/8 in. for a second in the broad jump. Kreyenhagen copped the highs in 14.8 seconds, and placed second over the low barriers.

Billy Joe Wright again copped his speciality with a heave of 52 ft. 1 in. Other SJS winners were Don Hubbard with a 4:27.1 mile; Lynn Green in the javelin with a throw of better than 209 feet; Don Malinoff with a discus flip of over 147 feet; Harry Wade with a 10 flat 100-yard dash; and O. W. Rhodes and Chuck Hightower with a tie for first in the pole vault at 13 ft. 9 in.

Wilson Schedules Volleyball Meeting

A meeting of students interested in entering teams in the intramural volleyball competition are requested to attend a meeting at 3 p.m. Friday in the Men's gym, according to Wade Wilson, student intramural director.

Present plans call for games to be played weekly Monday through Thursday at 4 and 5 p.m. on the volleyball courts behind the Police School Barracks. No entry fee will be charged, according to Wilson.

Intramural softball is slated to begin play the middle of next month, with the organization meeting tentatively scheduled for April 4.

Fraternities, Sororities Unite in Blood Drive

By CLAYTON PETERSON
Here at SJS students, faculty, college administration and their families in need of blood have a source of supply, thanks to blood drives carried on since the beginning of the year.

Next month a third phase of these 1955 campus monthly drives begins with an Inter-Fraternity-Panhellenic campaign, sponsored by Sigma Pi fraternity.

The drive will be held April 7, as the Red Cross Blood Mobile Unit rolls onto the campus to receive the donations from 1 to 5 p.m. The unit will return the following day, however, if the blood donors prove too numerous to be handled in one day.

A booth will be set up in the hall outside Morris Dailey auditorium this week, where blood pledge cards may be obtained. Students under 21 must have the written consent of their parents in order for them to join in the donations.

The blood drive to be held in March was canceled because of the ending of winter quarter. It is felt by campaign members that preparations with final examinations would conflict with the drive.

The first two phases of the drives this year were held by campus military detachments in the fall, and the Veterans Club in the winter quarter.

Pat Seawell, co-chairman of the campus campaigns, said 240 pints have been donated this year.

Facilities for receiving the donations will be set up in the Student Union building, according to Walt Ackemann, drive chairman.

All students are urged to take part in the campus-wide drive, but only fraternities and sororities will enter on a competitive basis, he reported. These organizations will be competing for trophies, which will be presented to the houses donating the most blood per house. The foot-high trophies are donated by Sigma Pi.

Donated blood goes into the college Blood Credit Club, unless donors specify the blood go to another source. Blood that is placed in the Blood Credit Club may be drawn upon by any member of the college student body, faculty, administration or their families, whether or not they individually gave blood.

"There is no limit to the amount of blood these people may receive," Maxine Smalley, Red Cross representative, said while praising SJS for its "terrific job" in previous campaigns.

She reminded that the blood reserve is in desperate need of "A" negative type blood. "The supply is coming along all right on other blood types," she added.

Alpha Eta Sigma, accountants' honorary society, has scheduled Thursday, April 7, for its first spring quarter meeting. Pauline Parlier, second vice president, announced. A field trip is planned by the group.

At the last meeting, amendments to the constitution were discussed and tabled for further study. Slides of Mexico and New York were shown to members by Arthur C. Kelley, professor of business and former faculty adviser. Refreshments were served by the Social Committee.

In 1929 entering students were required to take one intelligence test as compared to the many phases of testing now.

Today the Personnel Office has undergone the usual growing pains of an expanding department with increasing student enrollment needs to meet. Counselors, both regular and clinically trained, are available to students for almost any type of problem. Recently the office has begun photostating of student charts for departmental adviser's use in counseling.

JOHN AITKEN, 1953-54 ASB president, is in training at Naval Officer Candidate School, Newport, R.I. He was chosen outstanding member of his fraternity during his senior year here. He left San Jose three weeks ago, and will be commissioned a Navy ensign upon graduation from school. He then will commence three years of active duty.

Students: You're Being Checked on

By GLORIA ALEXANDER

There's someone interested in you! Interested enough to plot and chart your capabilities and find out such things as whether you have a city hall in your town and how many older brothers are in your family.

Results of this interest are filed behind a glass door marked Personnel Office Room 116. This office is one of the first departments entering students meet when coming to SJS.

Each year the Personnel Office compiles up to 3500 new files on students. All files are kept confidential and are open only to the individual student or his instructors.

Currently students take several hours of intelligence, reading and personality tests which, when the last calculation is made, reveal the potential and background of the student with the thoroughness of a Scotland Yard report.

"The aim of these tests," says Dr. Harrison Heath, testing officer, "is to try and find out as much about the student as possible in order to help him when he requests counseling or change of objective advice."

In 1929 entering students were required to take one intelligence test as compared to the many phases of testing now.

Today the Personnel Office has undergone the usual growing pains of an expanding department with increasing student enrollment needs to meet. Counselors, both regular and clinically trained, are available to students for almost any type of problem. Recently the office has begun photostating of student charts for departmental adviser's use in counseling.

She reminded that the blood reserve is in desperate need of "A" negative type blood. "The supply is coming along all right on other blood types," she added.

Cadets Prepare for Big Dance, Federal Inspection, Scholarship

The Military Ball on May 14, a federal inspection on April 21, a cadet picnic, and the announcement of a \$100 Cadet Scholarship award will highlight the spring quarter for AROTC cadets, according to Col. R. M. Bristol, professor of air science and tactics.

Air Science classes will deal with the following subjects, according to Col. Bristol: A.S. I, International Tension and Security Organization; A.S. II, Air Force Bases; A.S. III, Air Navigation; A.S. IV, Military Aspects of World Political Geography.

A.S. I and II courses will be given for two units, while A.S. III and IV courses will be given for three units.

Chem 1C Offered Only 3 More Times

Chem 1C will be given only three more times for credit under the quarter system, according to Dr. Benjamin F. Naylor, professor of chemistry.

The course, part of the year of basic chemistry, will be given this quarter, during the summer session and fall semester next year. However, he warned that those who began the sequence last fall should complete it this quarter.

If Chem 1C is not completed by the fall semester, students who have taken the first two quarters' work will lose units to cover the remaining material, he said.

Convair Men Here

Representatives from Convair, division of general dynamics corporation, Pomona, will be on campus today from 9 a.m. to 5 p.m. to interview seniors majoring in mechanical or electrical engineering, according to Dr. Vernon A. Ouellette, placement director.

Wednesday from 9 a.m. to 5 p.m. representatives will be here to see seniors who are interested in working for Northwestern Mutual Life Insurance Co.

SJS Teachers Trained With Dual Control Car

By TERRY SWEENEY

Want to learn to drive? Well, you can—and it won't cost you a cent.

All you've got to do is be one of the first 18 people to see Robert P. Johnson, instructor in industrial arts, today. If you've got the time, Johnson has the instructors.

Actually, the course, Ed. 192-292, at 9:30 Tuesdays and Thursdays, is to prepare teachers of driving education for junior and senior high school, Johnson ex-

plained.

The course is comprised of three hours of lecture a week, and three hours at any other time.

The course is beneficial two ways, Johnson said. It gives the person who wants to teach driving a chance to teach, and the person who wants to learn a chance to learn, he declared.

There is no fee, no sign-up for those who desire driving instruction, he emphasized.

The course fills requirements for

ROBERT P. JOHNSON, instructor in industrial arts, shows student Robert McKeown (seated) the dual control clutch and brake pedals. This car will be used this quarter for driver education.

—photo by Williams.

College Cafeteria Open for Students

Are you starving to death? If so, why don't you amble over to the college cafeteria and renew old friendships and make new ones, while you quiet the hunger pangs?

The campus cafeteria, located on the main floor of the Home Economics building will be open today and tomorrow from 11 a.m. to 1 p.m. for students and faculty who are hungry, according to Mrs. Fern Wendt, manager.

a safety credential, according to Johnson. If a person takes this course now and safety education in the summer and has a safe driving record, he can obtain the new safety credential by writing to the State Department of Education.

With this credential, the person may teach all forms of safety in junior and senior high schools.

Basically intended for any teacher major, the course is open to anyone with a valid California license, said Johnson.

Meetings

Gamma Pi Epsilon: Meet Wednesday, 3:30 p.m., Room 117. Dues will be collected and election of officers. Refreshments.

Student Y: Registration Dance tonight, 8:30-11:30 p.m. in Student Union. Open to all students. Prices, 25 cents stag, 35 cents couple.
