Solicits Rummage

Sorority houses will be solicited for articles today for the Junior Class rummage sale, according to Bruce Carradine. The collection teams will appreciate donors having contributions prepared for the collectors, he said.

Stegner Speaks Tonight, 'The Ruin of the West'

Dr. Wallace E. Stegner, author of "Beyond the Hundredth Meridian," will turn his oral guns on the ignorance and inflexibility which have caused the ruining of part of the West. He will speak tonight at 8 o'clock in the Concert Hall of the Music building under the auspices of the college lecture committee.

Dr. Harold P. Miller, professor of English, will introduce Dr. Stegner. His subject will be, "The Second Opening of the West."

Student Court To Try Lyke

The case against Lyke for violations of the advertising code March 2 is scheduled to come before Student Court this afternoon at 3:30 o'clock, according to Stan Croonquist, chief justice.

The court accepted an indictment at its meeting last week charging Lyke with having posters in excess of the prescribed number in illegal positions on campus.

Alleged violations occurred before the passage of a law shifting responsibility to the individual in charge at the time of violation instead of to the whole committee and therefore will not come under its jurisdiction, Croonquist said.

Play It Safe; Get Your Shot

Do you know that the rusty nail theory has been debunked? According to Miss Margaret Twombly, director of student health, only the tetanus bacillus causes tetanus, and the most usual method of infection is through wounds of any kind contaminated with dirt in which this organism is present.

Miss Twombly added that students may buy cards in the Graduate Manager's Office for \$1 until Friday which will entitle them to shots for diphtheria, tetanus, smallpox and typhoid.

Smallpox vaccinations will be given April 19, diphtheria-tetanus shots will be given April 21, 28 and June 2, and Typhoid fever shots will be given May 6, 13 and 20. Three inoculations are necessary for immunization against diphtheria-tetanus and typhoid, Miss Twombly concluded.

Wahlquist Reports To State Prexies

College President John T. Wahlquist will report this week in San Diego on how to handle the admission situation if the number of applicants exceed that provided for in the budget.

His report, along with reports from three other committees of which he is chairman, will be presented to the Council of State College Presidents. On Thursday the council will meet with the State Board of Education.

SJS Represented In Cancer Drive

Sixty students, representing SJS social and service organizations, will take contributions to the Cancer drive downtown today from 11:30 a.m. to 12:25 p.m., according to Vern Perry, Public Relations committee chairman.

Buttons will be given all persons contributing to the drive and a special prize will be awarded them following the announcement of the Holiday contest.

The speaker has been hailed by the New York Herald Tribune as one of the most talented writers in our midst. Joseph Henry Jackson in the San Francisco Chronicle believes that his latest work should have an excellent chance to qualify for the Pulitzer award. He now is teaching at Stanford University as Professor of English and heads the Creative Writing Center.

Dr. Stegner is a bitter foe of any unnecessary invasion of national park resources. He also is a strong proponent of conservation. Dr. Stegner feels the national parks are among the few places where one can live with nature instead of using her ruthlessly.

Tomorrow night, Dr. George A. Muench, SJS associate professor of psychology, will deliver a public lecture at 7:30 p.m. in the Concert Hall. "The Search for Security in a Restless World" is the title of his speech. He will be introduced by Dr. Charles W. Telford, head of the Psychology and Philosophy division.

Academic Group Elects Officers

New officers of the Council of Academic Societies were elected recently according to Bob Hocker, past chairman of the group.

Art Winterling heads the organization as chairman, while Donna Larsen is the new vice-chairman. Other officers include Diana Grohs, secretary, and Hocker, treasurer.

Tomorrow night at 7:30 o'clock, the organization will hold a meeting in B-23 to begin work on a brochure which will be put out next fall.

All non-member organizations who are interested in joining the Council are urged to send representatives to the meeting, Hocker said.

Honorary organizations in the charter membership include Beta Beta Beta, with Winterling as representative; Chi Sigma Epsilon, Miss Grohs; Alpha Phi Upsilon, Miss Larsen; Epsilon Pi Tau, Dick James; Phi Alpha Theta, Larry Clemens; Psi Chi, Hocker; and Tau Delta Phi, Larry Gildea.

Dr. Fred Harclerod, dean of instruction, is adviser for the Council.

Dr. Salk, Francis Release Reports On Success of Anti-Polio Vaccine

ANN ARBOR, Mich., April 11 (UP) — Dr. Jonas E. Salk has prepared a scientific report which shows that his anti-polio vaccine is a success in the vast majority of cases, it was learned today. As in the case of many other vaccines, it may not be 100 per cent effective.

The New York born scientist will read his report tomorrow at the same meeting at which Dr. Thomas Francis Jr., will deliver his long-awaited report on last spring's mass testing of the vaccine in 1,800,000 children.

Dr. Salk's report is based on the doctor's testing of his vaccine among more than 8,000 children and adults in the Pittsburgh area. It was prepared without knowledge of the contents of the Francis report.

DeVoss To MC

James C. DeVoss, SJS Executive Dean Emeritus, will be master of ceremonies for the Deadline Dinner Thursday night at 8 o'clock in Newman Hall. Dean DeVoss "was graduated" at last year's Sigma Delta Chi's dinner in contrast to the "funeral of the quarter system" as a feature this year.

The dinner will provide belly-laffs for the audience by skits lampooning certain faculty members. A turkey dinner will be served.

Pre-Registration

Pre-registration for fall semester IA courses is scheduled for tomorrow.

Pre-registration cards will be available in all current IA classes, and in the IA Department office. These cards must be filled out and returned to the IA office by 12:30 p.m. Thursday, April 14.

A separate card must be filled out for each course wanted. The list of courses to be given can be obtained from each instructor.

Blood Donations End Today, States Chairman Ackemann

Last minute blood donations may be given today at the Santa Clara County Red Cross Chapter for addition to sorority and fraternity totals, according to Walt Ackemann, chairman of this phase of the campus blood drive.

Trophies will be awarded the top fraternity and sorority on a percentage of contribution basis, he stated. The awards will be presented following final tabulations of donations this week.

Spirit Kick-off

Pre-Prom Party Hailed Success

Enthusiasm for the Junior Prom, April 22, began on a high note yesterday afternoon when the Junior Class entertained more than 125 students and faculty members at a free party in the Student Union.

The "Pre-Prom Party", emceed by John Marken, heralded the coming of "Mood Indigo" at Castlewood Country Club and publicized that the affair is open to all students.

Providing entertainment at the party were Chi Omega's "Dull Skulls," a singing group; the Hawaiian Club; Johnny Arriola and his ukelele; and Rosemarie Magnasco and Bruce Carradine playing popular piano selections.

Concluding the party, class president Bob Lindsey and Gini Watson, last year's Intercollegiate Soph Doll, urged guests to "come to the Prom . . . guaranteed to be great."

FRESH PLAN PAPER DRIVE

Freshmen approved April 25-29 yesterday as the week for the fund-raising paper drive at their regular weekly meeting, 3:30 p.m. in Room 117. With approximately 60 freshmen attending, Bill Benson wound up final plans for the paper canvassing.

Wednesday at 3:30 p.m. the steering committee and the publicity committee of the Freshman Class will meet in the Student Union to get the drive underway. The meeting was adjourned early to attend the Pre-Prom Party in the Student Union.

SENIORS TO GET BEEF

A full course roast beef dinner will be served at the senior banquet this spring, it was announced at the Senior Class meeting yesterday.

The dinner will cost \$3 per plate and the caterer, Frank Muller will pay the cost of the hall and the insurance for the event, James Jacobs, class adviser explained. The banquet cost is included in graduation fees for seniors.

Pat Spooner, class president, announced the Senior Ball will be open to all students, instead of just seniors, this year. A limited number of tickets will go on sale in the Graduate Manager's Office a month before the dance scheduled for June 10.

SOPHS SIGN TO SERVE

Sophomore Class Council members signed up yesterday to serve on one of three committees; activities, financial and publicity.

Starting Monday, each committee will meet separately, and elect a committee chairman to serve on the Sophomore Executive Council.

The first week in May, 1956, was voted by the class as a tentative date for next year's Junior Prom.

P. R. Group Will Discuss Mass Meeting

Tonight's mass meeting of representatives from all fraternities, sororities, fraternities and organizations will be the main item on the agenda of the Public Relations Committee today at 3:30 o'clock in the Student Union.

"The services and aids the committee offers to all on-campus groups will be explained at this mass meeting," said Vern Perry, committee chairman.

Letters have been sent to all organizations asking one representative of their organization to attend the meeting in S-112 at 7 p.m. The new blank required by the Committee for the approval of all off-campus advertising by campus groups will be explained. It parallels the activities of the Student Activities Board which okays only on-campus advertising.

The first report of the newly formed litter-bug committee under Joe Vallenari also will be heard, at the Public Relations meeting, along with plans for stopping the discarding of student trash on private property neighboring the campus.

The final plans for showing SJS to 950 high school students on a high school visitation day Tuesday, April 19, also will be discussed.

Tentative plans for the day include an assembly followed by a tour covering all the highlights of the campus and student life. Students then will be given a chance to meet with the chairmen of the departments they would like to enter. Lunch will be served on the lawn between the library and the Student Union.

Faculty To Attend Open House at 'Y'

An open house for all faculty members this afternoon from 3 to 5 o'clock at the Student Y, 9th and San Antonio streets, was announced yesterday by Miss Frances Gulland, assistant professor of education, and chairman of the affair.

Mrs. Stanley C. Benz and Dean Helen Dimmick will serve as hostesses at the open house which will give faculty members an opportunity to look over facilities at the "Y's" new location.

Why not spend your own money?

Students attending their respective class meetings yesterday, spending money, making policies, and in general, representing the classes in all school functions totaled: Seniors, 13; Juniors, (held pre-prom party, no meeting); Sophomores, 60 and Freshmen, 62.

We realize that it's beach-time, but why didn't you (yes, you, not the guy next to you) go to your class meeting?

Stanford's Rathbun To Lead Student Y's Mountain Seminar

Sign-up sheets are available at the Student Y and Wesley Hall for those students wishing to attend a one-day seminar to be held at Ben Lomond, located in the Santa Cruz mountains, Saturday, according to the Rev. Jim Martin, Student Y director. Interested students must sign up by Thursday.

Social Science Faculty Moves Home Offices

All Social Science division faculty members soon will have their offices at the northeast corner of the intersection at Seventh and San Carlos streets, according to Dr. Leo Kibby, chairman of the division.

The office building is being repaired, but Dr. Kibby expects the move to be completed within two weeks.

Dr. Kibby added that he is well pleased with the new quarters because the department will be centralized in one location, and because the atmosphere is quieter. He said that other faculty members who have already made the move have voiced similar satisfaction.

The department's former main office, Room 30 in the Administration Building, has been assigned to the business office.

Job Mart

The Fidelity Mutual Life Insurance Co. of San Francisco will hold campus interviews Thursday, from 9 a.m. to 5 p.m. They are interested in insurance salesmen for training programs. Seniors should sign up for interviews in the Placement Office.

The Aetna Life Insurance Co., San Francisco, will hold campus interviews Friday from 9 a.m. to 5 p.m. Aetna wants insurance salesmen and management trainees. Business administration seniors who are interested should sign up for interviews in the Placement Office, Room 100.

Thrust and Parry**Reschedule Election**

Dear Thrust and Parry:

According to the Spartan Daily, the ASB elections are scheduled tentatively for the first week in May. I believe that this date, if approved by the Student Council, is fine except for one detail. This joker can be found in the fact that the week of May 2-6 is mid-term week. Holding the election during this week may work a hardship on the candidates and particularly on the persons who have to man the polls and tabulate the ballots.

I realize that professors don't always strictly follow the mid-term schedule, but holding the election the first week in May may be courting unnecessary difficulties.

I can find no stipulation in the ASB constitution that would restrict the election to that particular week, unlike last quarter's mix-up!

In the face of student apathy and the "apathy polls," I hope that the date can be re-scheduled in an attempt to increase student interest and not to add to the causes of the apathy.

Leo Fancey—ASB 7618.

AWS To Welcome

All new women students will be welcomed Wednesday by AWS at this quarter's Big and Little Sister party. The party will take place at 4:30 p.m. in Room 17, according to Miki Murphy, Big and Little Sister chairman for AWS.

Refreshments and entertainment will be featured.

Camp Miniwanca Offers Free Trip To Frosh, Sophs

Applications are now open to freshmen and sophomores interested in going to Camp Miniwanca, tuition free, a summer leadership training camp in Michigan.

Deadline for filling out applications at the ASB Office in the Student Union is Wednesday, April 20.

One sophomore and freshman girl and boy are selected to go to the camp, designed to train future leaders in student affairs on campus. Partial cost of transportation to the camp will be paid by the Camp Miniwanca committee and complete tuition is paid by the SJS student body.

"The program is geared to the level of young people of leadership capacity," said Sherry Neurenberg, chairman of the Camp Miniwanca committee. "After two weeks of living and training with a group of fine young people from all parts of the continent, the camper returns home with an entirely new outlook on life and his campus."

The camp for women will be held August 1-14 and men's camp will be August 15-28. Delegates to the camp come from all over the United States, Canada and various foreign countries.

Ryan To Stage Concert In Montgomery Theater

Thomas Ryan, associate professor of music, has completed preparation of the program for the concert he will present tonight at 8:30 o'clock in Montgomery Theater at the Civic Auditorium. The concert will benefit the Family Service Assn. of Santa Clara County. It is the second such concert to be held. The program was inaugurated last year.

The program will open with four Scarlatti sonatas, short works of one movement, most of which were composed for Queen Maria Barbara of Spain.

The second offering of the evening will be the Beethoven Sonata in E Major, Op. 109.

The Intermezzo in C, Op. 119, No. 3, and the E flat Rhapsody, Op. 119, No. 4, Brahms' last two compositions for the piano, will

serve to illustrate the contrasting elements found in the works of the composer.

"Excursions," by Samuel Barber, young American composer, will be the evening's contemporary offering.

Concluding the concert will be "Forest Murmurs" by Liszt and "La Campanella," Liszt's free adaptation of a theme by the violinist Paganini.

Ticket Sales End Tomorrow For SDX 'Deadline Dinner'

Tomorrow is the deadline to purchase tickets for the Sigma Delta Chi Deadline Dinner at the booth in the library arch, according to Dick Jones, president of the local chapter of the national journalism fraternity. The booth operates from 8:30 a.m. to 1:30 p.m.

Tickets sell at \$3 apiece and may be purchased in the Graduate Manager's Office or from Sigma Delta Chi members after the booth closes. The dinner will be held Thursday at 8 p.m. at Newman Hall.

Final arrangements now are being made for the event which will feature a turkey dinner, parodies of faculty members, and a speech by John B. Long, general manager of the California Newspaper Publisher's Assn.

Members of 30 club, women's journalism organization, will serve for the dinner.

Tryouts for Plays Begin Tomorrow

Tryouts for student-directed one-act plays will be held Wednesday and Thursday in the Speech and Drama Building, according to Dr. James Clancy, professor of drama.

Any student may audition for parts in the nine plays, which will be presented sometime after the middle of the quarter, Dr. Clancy said. Scripts are available in SD-100, and exact place of the tryouts will be listed on the department bulletin board.

The plays to be given are Wurzel-Flummery, Minuet, Summer Comes to Diamond O, Maizie, Joint Owners in Spain, Aria da Capo, Fallen Bough, and an original dance mime by Ramona Pucinelli.

Vet Policy Changes; Clements Clarifies Plan

"Korean veterans may no longer include courses for which they do not receive credit in their programs for subsistence allowances," Dr. E. W. Clements, veteran adviser, said yesterday.

Previously, vets could count the units for subsistence allowance although the credits were not actually received, when a survey or

refresher course was taken. Now, an additional class must be taken to cover the non-credit class to qualify for maximum subsistence allowances, Dr. Clements warned.

This policy is new, he explained, and he is attempting to get it clarified by contacting other colleges and universities.

Another change put into effect limits repetition of courses in which a "D" grade is received to those classes in which the college administration considers a "D" grade unsatisfactory. This primarily will affect these vets majoring in mathematics, engineering and science were a "C" grade must be maintained in basic courses, which are prerequisites for advanced classes, Dr. Clements commented.

Dr. Fred F. Harclerod, dean of instruction, has asked all department heads for a list of the courses in which a "D" grade is unsatisfactory in the department, but not considered unsatisfactory by the college administration.

Department Calls For Play Ushers

Ushers still are needed for "Once in a Lifetime," Speech and Drama department's next production, according to Miss Helen Mineta, department secretary.

Girls may sign up for positions in SD-100, department office. The play will be given April 29 and 30 and May 5, 6 and 7. Girls must usher for at least two performances, Miss Mineta said. Costumes will be provided by the department.

Apply for Positions

Applications for director of Spartacamp and editor of "Spartan from the Start" will be taken in the ASB Office in the Student Union until tomorrow.

Indian J.V.'s Beat Spartans, 9-7 on Errors

Errors again cost the SJS junior varsity a baseball game, as the Stanford J.V.'s edged the Spartans 9-7 yesterday on the Indians' diamond. Only two of Stanford's runs were earned, and they got only six hits off of losing pitcher Bob Chrisco.

The Indians got off to an early lead, scoring one run in the first inning and four more in the second. Then in the fifth inning, with the score 5-3, Stanford iced the game by scoring three un-earned runs.

With two out and two walked batsmen on base, Benny Pierce overthrew first base on a ground ball, and two runs crossed the plate. Seconds later another error allowed the third Stanford run.

The Spartans' big inning came in the sixth, when they scored four runs on three hits and pulled within one run of the Indians. Bruce Little started the rally with a double, and Chrisco followed with a walk. After two men had been put out Ron Walters doubled two runs across. A walk to catcher Tony Teresa and an error combined to give SJS its final tally.

J.V. Golfers Snap Modesto's Streak

The SJS junior varsity golfers defeated the defending state champion Modesto JC team yesterday, 15-12, at Modesto in a high wind that kept the scores up. The Spartan win snapped a 16-game Modesto win streak.

Bob Henning and Ed Duino recorded 75's for SJS, and Henning tied his match with Modesto's McMullin, the individual state junior college champ.

POWER HITTER Dick Brady carries in his bat one of the Spartan hopes for climbing back on the win trail today when they meet the Eugene Emeralds at Municipal Stadium at 3 p.m. Brady, who is batting at a .298 clip, displayed his power against USF Tuesday when he delivered a 285-foot homer.

SJS Nine Battles Eugene Emeralds

With its win streak broken, the Spartan nine will attempt to snap back to winning form today when it meets the Eugene Emeralds of the newly formed Northwest-League at Municipal Stadium at 3 p.m.

Coach Walt Williams has selected senior Doug Boehner to the rubber for the Spartans against the Oregon team which is going through its spring training paces at Santa Cruz.

Boehner has a two win, three loss record this season, having

fallen victim of six Spartan errors Saturday as Santa Clara topped San Jose, 8-2.

The Spartan batters who managed only nine hits and two runs against Stanford and Santa Clara over the weekend hope to find Emerald pitching more to their liking.

Jerry Clifford continues to lead Spartan batting although he dropped from .433 to .405 last week. Bill Rahming and Tuck Halsey are both batting over .300 with .356 and .352 marks, respectively.

Ed King, who recently took over the starting duties at first base, has a .438 average in only 16 times at bat.

The Spartans will battle the USF Dons Thursday in San Francisco. Reese Dick is scheduled to do the pitching chores against the Dons.

'Mural Softball Members To Meet

The intramural softball meeting, originally scheduled for yesterday, will be held this afternoon at 3 o'clock in the Men's gym, according to Wade Wilson, student intramural director. All independents interested in entering teams in the softball league should send a representative to the meeting.

Tentative plans call for game to be played on Monday afternoons from 5 to 6:30 o'clock, Wilson said. However, if enough teams sign up, play may be extended to other nights.
