## Panhellenic Rushing Opens Tomorrow

More than 200 women have signed up for this semester's rush season, according to Dean Helen Dimmick. A special meeting for rushees will be held Saturday at 10 a.m. in Morris Dalley Auditorium.

Open houses have been scheduled by all sororities for Sunday, with the first parties being held Monday and Tuesday. Second parties will take place Wednesday and Thursday. Saturday and Sunday will be third parties with the final event scheduled to be held by all houses Monday, Feb. 25. Preference day is planned for Feb. 26.

Each day of rush week, Feb. 18-26, the rushees may pick up their bids at the Catholic Women's Center between 8 a.m. and 12 noon.

The two-and-one-half weeks of rushing will be climaxed Saturday, March 2, when the semi-annual presentation of the 12 San Jose State sororities' new pledges will take place.

Monday will begin the Panhellenic "silent period." This is a ruling which states that fraternity women will not have contact with rushees outside of the classroom or living group. Also, that fraternity women will not accompany rushees at any time, with the exception of rush parties.

## Former State Janitor Killed

QUARTZSITE, Ariz. (UP)—Herman F. Caspers, 70, former Librarian Building custodian, was one of four persons killed yesterday at the intersection of U.S. Highway 60-70 and State Highway 95 near here when his car ran a boulevard stop and was struck broadside by a semi-truck and trailer loaded with clay tile.

The accident took place about 9 a.m. Identified in the crash along with Caspers were Henry A. Young, about 16, also of San Jose. A woman passenger was not identified but was believed to be Caspers' wife.

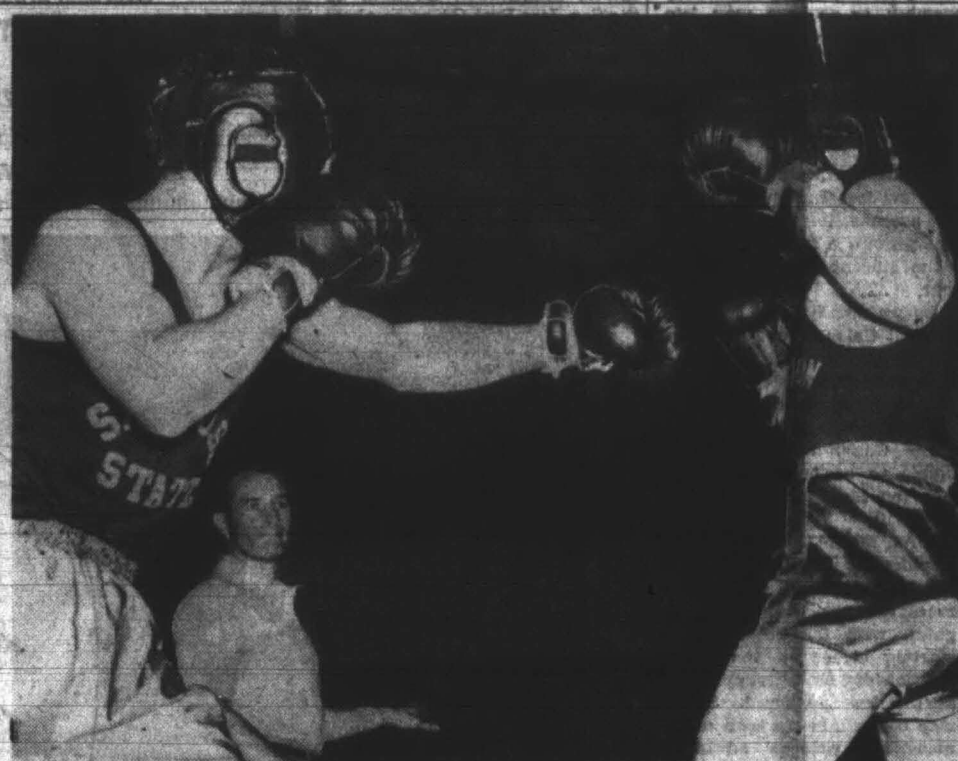

The truck, traveling east on Highway 60-70, smashed into the side of the sedan when it pulled into the intersection. The impact of the collision spun the truck around and overturned it. The truck and tons of clay pipe spilled over the intersection, part of it on the sedan.

Caspers lived at 1172 Delmas in San Jose. He retired from his job on Dec. 31, 1958, after reaching his 70th birthday. He had been employed at San Jose State for five and a half years prior to his retirement.

POLISHED PERFORMERS — Nick Akana is seen drawing in last night's dual meet between SJS and Washington State. The Spartans won 5 1/2-2 1/2. Referee Jim Nutt is seen in the background.

## Spartan Ringmen Wax WSC

By DON BECKER  
Classy little Nick Akana battled Washington State's 132 lb. NCAA champion Dick Rall to a torrid stalemate as the Spartan ring team whipped the Cougars, 5 1/2-2 1/2, before a near capacity throng in the San Jose Gym last night.

The Spartans picked up two TKOs, two decisions and a forfeit victory for the winning margin over the experienced north-erners.

Akana and Rall, easily two of the best college boxers in the country, put on the top show of the night. With more than 200 bouts behind him, Rall was even better than expected. Swift and bullish, he managed two long body punching flourishes in the first round to get a 10-9 nod.

The San Jose soph came back in the second and took the show away from Rall as he scored with left hooks and displayed defensive skills seldom seen in an amateur ring.

**SENDS HOME LEFT**  
Rall broke out at the bell for the start of the third obviously

angered at the judges for giving Akana the second round, and set about to prove he was the champ. He crashed home a left that sent Akana back into the ropes and moments later connected with a solid, thudding left hook to the mid-section of Akana. It looked as if Akana was out of it when midway through the round Rall scored with a bruising hook, straight right combination.

But Akana, was not through. He scored with a left hook and followed with a short shopping right, then did it over again as he pressured Rall into the corner. He swarmed over Rall, who was by this time, clearly befuddled. Referee Jim Nutt separated the pair with both squaring away to go at it again as the bell sounded.

After the bout, Rall, defeated only once in college competition, said he was impressed with the young San Jose boxer, felt the decision was fair, and that he was looking forward to meeting him again in the Cougar ring.

**WINS EVERY ROUND**  
Al Julian, who says his ring idol is Kid Gavilan, but who fights

more like "Sugar" Ray Robinson, won every round from Joe Zeebar as he racked up his fifth straight win of the year in a 147 lb. bout.

Indefatigable Welvin Stroud averaged a punch a second as he decimated rugged Washington scrapper Bill Maloney. Not a heavy hitter, Stroud, with a collection of punches that leads one to believe he also excels as a bowler and a baseball pitcher, had Maloney nearly "out on his feet" in the third and the bout was stopped.

Freddy Burson made quick work of his 178 lb. opponent, Dan Borozan. Burson stiffened Borozan with a left hook in the opening minute of round one, then drove home a straight right that canvassed the Cougar. Borozan got up but his legs were wobbling as if they were manufactured at the Goodyear plant and the referee raised Burson's arm.

In other bouts Pete Cisneros had an easy time with 135 lb. Cougar Jerry Boggan. Boggan scarcely landed a blow as Cisneros carried the fight all the way.

## Group 2 To Take More Polio Shots

The second series of polio shots for members of Group 2 (those with receipts from 1000 to 2000) will be given during the next two weeks in the Health Office, Room 31.

According to Dr. Thomas Gray, health officer, immunizations will be given holders of receipts 1000-1250 on Feb. 19, 1251-1500 on Feb. 21, 1501-1750 on Feb. 23, and 1751-2000 on Feb. 27.

Dr. Gray also reminded those members of Group 2 who have not received their first shots yet that they still may do so by making an appointment in the Health Office.

UNITED NATIONS — The General Assembly's Steering Committee voted yesterday to reject a Russian demand for full debate on a charge that U.S. policy is heading for atomic war.

The vote was eight to six with one abstention.

The Committee first announced the vote as seven to six but later announced an official correction.

The breakdown was: Against — Turkey, Italy, Dominican Republic, Peru, China, France, El Salvador, Denmark. For — United States, United Kingdom, Soviet Union, Czechoslovakia, India, Egypt. Abstentions — Pakistan. Not voting — Thailand.

## OUTLINE FROM BRITAIN

LONDON — Britain yesterday handed its European allies a secret outline of military cuts it hopes to make, because of rapid advances in guided missile development.

The Foreign Office announced that "A certain proposal about the future pattern of our forces" was given to the ambassadors of the Western European Union Na-

tions in London yesterday. No details were released.

## DENY LONDON REPORT

THOMASVILLE — The White House yesterday bluntly denied a London report that President Eisenhower, during the heat of the Suez Canal crisis, threatened economic sanctions against Great Britain.

Viscount Hinchinbrooke, a Conservative member of Commons, said Wednesday that the President used "caustic language" in a transatlantic telephone call to former Prime Minister Anthony Eden.

The British member of Parliament also said the President threatened to use economic sanctions against the United Kingdom in the Middle East crisis.

## Frat Rushing Sign Up Ends Noon Monday

Noon Monday is the last day to sign up for rushing, according to Joe Clark, Inter-Fraternity Council rushing committee chairman.

The sign-up booth is located in the outer quad. Sign ups are also being taken in Dean Robert S. Martin's office, Rm. 116. The \$1 rushing fee will also be paid in Dean Martin's office.

Formal rushing begins on Monday from 7 to 11 p.m., when the following fraternities will hold open-house: Kappa Alpha, Kappa Tau, Lambda Chi Alpha, Pi Kappa Alpha, Sigma Nu, Sigma Pi, and Theta Xi.

The open house program will continue on Tuesday night, 7 to 11 p.m., at Alpha Tau Omega, Delta Sigma Phi, Delta Upsilon, Phi Sigma Kappa, Sigma Alpha Epsilon, Sigma Chi, and Theta Chi fraternity houses.

Attendance at every house is mandatory for all rushees during open house nights. If the rushee loses his schedule card, he may get another in Dean Martin's office. All cards must be stamped by all houses and turned in to the dean's office by Wednesday, February 20.

By noon on Thursday, Feb. 23, the rushee must turn in to the dean's office a list of the three fraternities preferred. Bids must be picked up on Friday, March 1, between 1:30 and 4:30 p.m. in the Student Union.

Other rushing information may be obtained from Dean Martin's office or Clark, rushing committee chairman.

## Homecoming Jobs Open to Applicants

The ground work is being laid for next year's Homecoming Committee, according to Dick Yeager, last year's publicity chairman.

Applications are available at the reception desk in the Student Union for homecoming committee chairman, parade chairman, downtown merchants chairman, and queen chairman.

Students who are interested are urged to file applications by Friday, Feb. 22.

Students will be going to the polls for the second and final day today to pick 10 finalists for Sophomore Doll from a slate of 22 candidates.

This is the first year that the student body as a whole has had the chance to express their preference in this contest.

Voting booths are located in the Inner Quad and near the Engineering Building, and will be open from 9 a.m. to 4 p.m.

From the 10 finalists selected by vote, a four-member judging board will pick a winner February 20. The winner will represent San Jose State at the intercollegiate Soph Doll Dance, to be held March 1 at the Bermuda Palms Motel, north of San Francisco on Highway 101.

## 10,240 Enroll For Classes In Two Days

Registration ended its second day in both full time and limited student divisions yesterday with a total of 10,240 students registering for the spring semester, according to Glen Guttormsen, accounting officer.

Guttormsen stated he expects total enrollment to reach 10,000, a second high in the history of San Jose State College. Last semester 10,986 students attended State, an all-time record.

Guttormsen asserted: "Last fall over a comparable period — two days each for regular and limited student registration — we had 8791 regular students and 1473 limited; this made a total of 10,264."

"At the present we have 8371 regular and 1869 limited students. This shift downward in regular student registrations," continued Guttormsen, "and the increase in limited student registration, is normal."

"The total full-time enrollment (FTE) from autumn to spring will drop because the average limited student carries about one-fourth the full load of 15 units."

"Hence, the shift from the limited to regular student will result in a lower FTE for this semester."

Guttormsen added that because registration procedure for limited students has changed over previous years, it is impractical to compare this spring's limited enrollment with other semesters except last fall's.

Previously, limited students registered by attending class. The current procedure is to register them at night in one large group. The result: last spring 400 limited students registered in a comparable period, while 1473 registered last fall and 1869 this spring, in comparable periods.

Wednesday, February 20, is the final day to register for this semester.

## Play To Open Five-Day Run

The first play on campus of the spring semester will open Friday night, Feb. 22, and will play the 23, 28, and March 1, 2. John Kerr, associate professor of drama, will direct the play "Laburnum Grove," written by J. B. Priestly.

The story is a subtle and amusing mystery comedy about an international counterfeit ring and a lovable old codger who unbelievably turns out to be an international crook — or is he really?

Ivan Paulsen plays George Radford, "counterfeiter." Leslie Robinson is cast in the role of Mrs. Radford and Eli lu Galarza is her daughter, Elsie. Playing supporting roles are: Davey Schmitt, Sylvia Cripe, Richard Thomas, Kenneth Savickas, Edmund Holmes, and John Rudd.

## NOT ASSERTING LAW

## Sororities Stress Genteel Qualities

What is this thing that has a portion of our women students captivated to the point that men, school functions, homework and other activities are relegated to the sidelines? Sorority rushing, of course.

Each semester this activity occurs and to many college women it becomes the high point during their college career. Sorority life has become an important facet of college life at San Jose State since the first two national sororities were installed on the campus nine years ago.

Twelve national sororities comprise sorority campus life at SJS. They are united under San Jose State Panhellenic Assn., a coordinating group of sorority member representatives. The local Panhellenic organization similarly is represented in National Panhellenic.

High academic achievement is encouraged by each sorority. Strictly enforced study tables are maintained and many sororities give added stimulus to study by having scholarship dinners each year, rewarding those members who attain high grade point averages.

Discipline and cooperation are taught through house rules. Lock-out rules are rigidly enforced and each girl assumes responsibility for house care through assigned house duties.

Sorority social life often is misrepresented as the only true function of the groups. Manners, social graces and social poise are items of emphasis in sorority social activities. Social events are varied allowing members to adjust socially to all types of events.

Religious activity is encouraged by the sororities. Religious speakers address the houses during Religion-in-Life Week. High spiritual values are desired qualities of house members.

Philanthropic programs such as aiding the blind, helping underprivileged children and Christmas parties for orphans are carried on by each sorority.

School activities and participation is stressed—not only in activities clearly outlined for Greek competition, as March Melodies, Homecoming, Greek Show and the Pushcart Relays, but in student government, campus clubs and other student body sanctioned activities.

Sorority life has its merits. Little wonder that rushing season plays a large part in campus activity during the year. Not even those who semi-facetiously call it "a time for adding new stock to the herd" can deny that sorority activities are channeled to better adjust young women for the complex world we live in.

## Ski Group Plans New Snow Spree; Picks Dodge Ridge for 2-Day Jaunt

By GARY BUTLER

Skiers from the San Jose State Ski Club, refreshed by the skiing opportunities of the past mid-term recess, will have another opportunity to slide down the slopes next week when the group leaves for its second week end of the season, Feb. 23 and 24, at Dodge Ridge.

Members are hoping conditions at Dodge Ridge will equal those of last year, when the club enjoyed some of the best powder snow skiing available in this area for years. There has been considerable enlarging of the Dodge ski facilities since then, so the trip promises to be equally enjoyable.

The club skied the Soda Springs, Hoyt/Jellet, and Sugar Bowl runs on their January trip.

## Post Office Stamp Cancel Commemorates SJS Centennial

By JIM BRENNAN

Spartans who've noticed the advertisement for San Jose State College on mail coming from the local post office might be interested to know that it's all thanks to the Centennial Committee, and that through their efforts more than 1,000,000 pieces of mail bearing news of the Centennial have been sent throughout the world.

The "ad" is put on with a special cancellation die used by the San Jose Post Office on about half the mail it sends out.

Idea for the mark came from the Centennial Committee last year. "First we tried to get a special commemorative stamp," said Lowell C. Pratt, SJS publications manager.

"When this attempt failed, we

were encouraged by Lionel J. Worden, the San Jose postmaster, who said there was a good chance we could get a special die." The local post office has been authorized to use the die till May 31, by which time the number of letters bearing word of the Centennial should be monumental. And the special imprint hasn't gone unnoticed by collectors. According to Postmaster Worden, the local office has received more than 500 requests for the imprints, at the rate of 10-30 a day.

## Nerves Frazzled? Avoid Coop Time

NEW YORK—(UP)—A physician editor told Americans today that the traditional "coffee break" may be frazzling more nerves than it soothes.

Dr. J. Dewitt Fox, writing in Life and Health, of which he is editor, said the amount of caffeine in one cup of coffee is equal to the dosage given by doctors "to stimulate a patient who has been in a coma, is intoxicated, or is otherwise in danger of collapse."

That's a strong dose, multiplied several times a day, for the average man or woman, Fox said.

# Loyola, San Jose Mix Tonight

## Stitched SJS Center Leads Spartan Mates

By RANDIE E. POE

Loyola of Los Angeles glides into Spartan Gym tonight, hoping to plunge twin daggers into the skimpy CBA title aspirations of San Jose State. The Spartans (6-4) and Lions (3-6) mix at 8:15 o'clock.

Loyola's daggers will be Garnette Brown, rubbery senior who has a 19 point league average, and Dave Benderet, heady jump shooter who cooled 16 fallies per game last season.

COP, 72-69, Wednesday, would be uttering more than a little white fib. It would be a downright lie.

Still, Coach Walt McPherson is hopeful his defense does not spring another leak tonight as it did in the first half against the backsliding Tigers.

If he doesn't get hit by a revolving door, or something, Mary Branstrom will man the SJS pivot. Tree-top (6 ft. 7 in.) Branstrom has had things happen to him this week which shouldn't happen to Elvis. He:

1. Had three stitches taken over his eye after colliding with Jack Rowley in the COP ruse. Rowley was decorated with four.
2. Had three stitches laced on his chin (Courtesy St. Mary's Saturday).
3. Broke the little finger on his right hand in the tilt with COP.

**SLIM JAYCEE CROP**  
Athletic Department recruiting hit a new low when only 10 junior college athletes registered here this week.

Of the new group, four are baseball players, five are grid-ders and one a trackman. Grid Coach Bob Titchenal lauded Tommy Uyeda, all-conference halfback from Valley J.C., Dan Colchico, 210 lb. end from East Contra Costa, Ron Jones, 190 lb. guard from Hartnell, Bob Moore, 185 lb. guard from Modesto and Jerry Murphy, quarterback from San Mateo.

The ballplayers include John Perry, first baseman and pitcher from San Mateo, infielder Harry Haley, East Contra Costa, pitcher Ron Roe, West Contra Costa, and Dale Oaken, from Modesto via the service.

Ken Napier from Bakersfield, a distance runner, is the lone transfer in the cinder sport.

**"ATHLETE OF MONTH"**  
Eddie Diaz was named 'Spartan Athlete of the Month' for January by the Spar-Ten Club.

The junior hoop star has compiled a 15 point game average, second highest in Spartan history. This season the diminutive guard has scored 204 points, only the 12th man in Spartan annals to reach that mark. Diaz has a chance to reach 400 points, a feat accomplished only by former SJS greats, Stu Inman and Carroll Williams.

## Wrestlers Win; Maul Stanford

San Jose State's grappling team meets a good Oregon Stat squad tonight in Spartan Gym at 8 p.m. The Spartan mat demons will be fresh from a 29-3 decision over Stanford Wednesday night.

In letting the Indians have it with both barrels, Coach Hugh Mumby's warriors lost but one match. Ken Spagnola and Marvin Rodriguez scored quick pins against Stanford.

Myron Nevaumont was the only Spartan to taste defeat in the Indian melee. He was decisively pinned by 157-pound Jerry Wright.

## HERE ARE THE FIRST TWO TIE-BREAKERS IN OLD GOLD'S TANGLE SCHOOLS PUZZLES

If your answers to the first 24 puzzles I conformed to the correct list of answers published at the end of the past semester, you can and must submit answers to eight tie-breaking puzzles, in order to compete for the prizes in the tie.

Remember—first prize is a tour for two around the world, and there are 85 other valuable prizes.

The first two of the eight tie-breakers are published herein, according to rule 2(b) of the official Tangle Schools rules:

2(b) In case more than one person solves correctly the same number of puzzles, the prize tied for and as many

subsequent prizes as there are persons tied will be reserved and those so tying will be required to solve a set of tie-breaking puzzles to determine the order in which the reserved prizes will be awarded.

Each of the tie-breaking puzzles will contain scrambled letters forming the names of either one, two or three American colleges or universities.

Do not mail these tie-breakers now! Save them until you have completed all eight tie-breaking puzzles. Details on when and where to mail the tie-breakers will be published with the eighth puzzle.

### HOW WAS THE CROOK TOOK?

QUIMBY, WISC. (March 3). Police today arrested the foul felon who heisted the cash register at Jones' Gas Station. When arrested, the boss servant of the devil kept muttering, "Drat the shirt, drat the shirt."

Let's look at the events leading up to this story. After the holdup, the police quizzed Victim Jones. Jones couldn't identify the yegg. "The wanton jackdaw who cabbaged my cash wore a mask," said Jones. "The only distinguishing feature about him was his shirt. A beauty! The collar was absolutely free of wrinkles. Oh, he was a neat one!"

Meanwhile, the scoundrel, knowing that his wrinkle-free and enviably-neat collar was a dead-giveaway, tried desper-

ately to slip some wrinkles into it. He stamped on it with hobnail boots. He slugged away at it with a club. But not a wrinkle! So later, as he skulked down Main Street, his shirt was noticed, admirably, by a detective and he was arrested lickety-split. Good work, copper!

By now you will have guessed that the miscreant wore a Van Heusen Century Shirt. But of course! It's the only shirt in the world with the soft collar that won't wrinkle ever. It never needs starch, so it's always comfortable. The Van Heusen Century also lasts up to twice as long as ordinary shirts, yet costs no more: \$4.00.
