SAN JOSE STATE COLLEGE

Early Fog To Lift

The weatherman says cloudy again for today. He predicts early morning fog and cloudiness with a sunny afternoon. The high for today will be from 60-70. The low tonight will be 37-47. There will be gentle winds throughout the day.

Last Day To Sign

Today is the last day to sign up for the all-college volleyball tournament which will be held April 3. Tonight at 7:30 o'clock all managers of the tournament will meet in Room 3 of the Women's Gym to discuss the event.

SAN JOSE, CALIFORNIA, WEDNESDAY, MARCH 27, 1957

NO. 99

Class Officers Must Re-run

"Everybody runs" (well almost). The Student Court yesterday ruled that class officers and junior justices elected in the March 14-15 balloting will have to run again because the ASB amendments which were voted in at the same time stipulate that elections for these offices must be held in the forthcoming April 30-May 1 ASB elections.

Applications also will have to be opened for class representatives to replace those who were elected last May. However, representatives elected in the March 14-15 balloting will not have to run again; their terms end next February.

The officers and justices must re-run because the amendments pare down all-school elections from three to two. Applications deadline has been extended until Tuesday to accommodate the students who must run for office again, according to Gary Clarke, chief justice.

Only eight students had applied for candidacy in the April 30-May 1 ASB elections by 5 p.m. yesterday, according to Mrs. Darlene Harris, Student Union receptionist.

Those applying for office thus far include Don Ryan and Richard Sandretto, ASB president; Cal Callaway, ASB vice president; Liz Bell and Joan Oeser, ASB recording secretary; Bob Hosfeldt and Bill Sturgeon, male representative at large; and Herb Efron, senior male justice. No students had signed for ASB corresponding secretary, female representative at large, or female senior justices.

To hold an ASB executive office students must be members of the associated student body, have completed at least 45 units at the time of election, must have a 2.25 grade point average the previous semester, must be on clear standing and have been enrolled at SJS at least one semester at the time of taking office. In addition, executive offices can hold no other major elective or appointive ASB office.

Some officers, elected in the March 14-15 elections may be ineligible to run for office again because of the 2.25 grade point requirement which goes into effect April 1, according to Clarke.

TV Play Tryouts

Tryouts will be held tomorrow afternoon at 3:30 o'clock in the T.V. Studio, SD117, for a one-act television play to be produced May 8.

Scripts for the show are available in the Speech and Drama office, Room 100.

K-Vets Must Sign

Attendance forms for the month of March will be signed for one week only, March 25-29, in the Korean Veteran's Office, Room 122.

ASB Officers Will Welcome Rally Students

ASB President Ray Freeman and Rally Commissioner Gary Weller will deliver welcome speeches to some 800 northern high school students who will participate in the fifth annual Rally Convention to be held at SJS April 27, according to Ted Terzakis, convention chairman.

The rally convention, sponsored by the San Jose State Rally Committee, will host approximately 50 high schools in the northern California area, with an expected 15 delegates from each school.

Terzakis also reported that the various committees have been set up to handle the registration, welcome assembly, workshop and discussions, lunch and entertainment, and the general assembly.

At the welcome assembly, Terzakis will introduce the adviser from each high school.

Skits will be acted by the high schools in an assembly in the Morris Dailey Auditorium later in the day.

Three trophies will be given away to the top schools at the convention. The schools will be graded during the day for participation and discussion in the convention.

Awards Program Under Fire Today

Student Council debates the merits of the awards program today at 2:35 p.m. in the Student Union. The Awards Committee has been under fire by the Council for exceeding the \$4500 allotment designated for awards.

The Council is expected to make recommendations to the committee today on ways to reduce awards. A special meeting was held by the ASB Executive Council Monday to discuss the situation.

Last Wednesday Jim Curnutt, acting chairman of the Awards Committee touched off Student Council indignation when he requested over \$1800 in additional funds to complete this year's awards program.

"The committee missed the boat 100 per cent on the job they were supposed to do," according to ASB President Ray Freeman.

Women's Groups Will Present Annual Song Festival Tonight

March Melodies, the annual women's living group song festival, takes place tonight in Morris Dailey Auditorium at 7:30 o'clock. Barbara Fisher will introduce the 11 novelty presentations.

Dorothy Cook is the chairman for this Women's Week event. An award will be made to the group judged best by A. M. Ferguson from Ferguson's Music House, John W. Thompson from Sherman

and Clay and Judge W. W. Jacka. The groups participating and their directors are as follows: Kappa Alpha Theta, Judy McKnight; Phi Mu, Beverly Yelverton; Gamma Phi Beta, Shirley Caletti; Alpha Phi, Margaret Dutch; Chi Omega, Pauline Tedeo; Delta Gamma, Sandy King; Alpha Omicron Pi, Kathy Ferguson; Kappa Kappa Gamma, Diane Davis; Delta Zeta, Joan Tibbetts;

Alpha Chi Omega, Pat Swanson; and Sigma Kappa, Jann Fraser. Women's Week will conclude tomorrow with the Fashion Show and Tea honoring women faculty members. Eighteen models will show the latest in spring fashions from downtown stores at 3:30 p.m. at the Catholic Women's Center. Nan Goodart is the general chairman for the show.

UNITED PRESS ROUNDUP

British Close in on Rebels

CYPRUS — British Security Forces yesterday were reported closing in on a rebel Greek-Cypriot band led personally by George Grivas, leader of the Eoka underground. His capture was expected.

Reports reaching Nicosia said about 3000 British troops had sealed off a 50-square mile area in the Troodos mountains and were moving in on the rebel leader who goes by the name of "Digenis." The reports said a regimental patrol of the Staffordshire regiment had seen Grivas and that he was "definitely" trapped.

The near-legendary 55-year-old Greek Cypriot chieftain has evaded capture a score of times before.

YOUTH VOTE MEASURE KILLED

SACRAMENTO — The Assembly refused yesterday to revive a measure which would give 18 year olds the right to vote.

Needing 54 votes to reactivate his measure which was defeated in the lower House last week, Assemblyman John A. Buserud (R-San Francisco) could muster only 43 while 29 members of the Assembly voted against it.

Buserud pointed out during the debate that President Eisenhower, Gov. Goodwin J. Knight and

both major political parties advocate the right of 18-year-olds to vote.

BECK REFUSES TO TALK

WASHINGTON — Teamsters boss Dave Beck refused on grounds of possible self-incrimination yesterday to answer charges that he "may have misappropriated" \$320,000 in union funds.

The portly chief of the nation's largest union refused on constitutional grounds to give his personal records to the Senate Rackets Committee. He also refused for the same reasons to answer questions about his financial dealings with the union.

REDS TOLD TO STRENGTHEN

LONDON — The Soviet Communist Party organ "Pravda" said yesterday some party members are displaying an irresponsible attitude and lack of discipline.

Moscow radio said the paper called on the party to "strengthen its iron discipline."

It was the latest indication of unrest in the Soviet Union and led to immediate speculation in London that it may foreshadow a purge.

The Editorial warned that party members "must not tolerate even the slightest deviation from the party's Policy."

'Provisions Not Illegal'—Court

The Student Court had a judicial jubilee yesterday afternoon when it handed down a negative decision on the ex-post facto controversy over the newly passed ASB amendments; placed the Social Affairs Committee and the Freshman Class on probation for the rest of the semester, held junior treasurer candidate Vivinne Andres in contempt of court and argued with Alpha Phi Omega fraternity for over an hour on a charge of violating the campus advertising code.

The Court agreed unanimously that the seven amendments which were approved in the March 14-15 election were not ex-post facto laws. In so doing, the Court interpreted the 2.25 grade point amendment to be a general amendment rather than a specific amendment and ruled the word, "seeking" (ASB offices) did not supercede the word "holding" (ASB) offices for which the original provisions provided.

The Court ruled that the 2.25 amendment did not take away a privilege granted under the older provision and that the amendment did not constitute retro-

spective law. In other action involving the amendments, the court, acting on the advice of ASB President Ray Freeman, who had consulted a lawyer on the matter, maintained that class officers and junior justice candidates who were elected in the March 14-15 elections would have to run for office again because the amendments which were voted on at the same time demand that elections for these offices be held along with the April 30-May 1 ASB elections.

The Court placed the Freshman Class and the Social Affairs Committee on probation when both groups pleaded guilty to charges of violating the campus advertising code. In addition to being placed on probation, the Freshman Class was fined \$16.

Because of a controversy with Alpha Phi Omega, the Court postponed other advertising violation hearings scheduled for the day, but held Miss Andres in contempt of court for failing to appear for her hearing involving delinquent campaign posters.

Opera Singer Invited To Sing For Centennial

Irene Dalis, San Jose State College graduate, who recently made her debut with the Metropolitan Opera Co., has been invited to participate in the Centennial celebration.

Miss Dalis was graduated from San Jose State in 1946 with distinction and honors in music. She studied voice with Maurice Thompson and piano with William Erjendson, both associate professors of music.

Miss Dalis made her debut in March singing in Verdi's "Don Carlo" in which she portrayed Princess Eboli. According to New York newspapers she received a prolonged ovation following her rendition of the aria "O don fatale."

Howard Taubman of The New York Times called Miss Dalis' debut "one of the most exciting of the season."

Miles Kastendieck of the New York Journal-American stated that "As much an actress as she is a singer, Miss Dalis created real excitement while singing the famous aria."

Louis Biancolli of the New York World Telegram stated that "She is a young lady of conspicuous gifts — strong, deep-hued voice, confident technic and, most of all, a marked theatrical flair of the opera. This is one of the most exciting and refreshing temperaments to emerge in seasons."

Ski Club Plans Weekend Trip

Ski Clubbers are reminded that the buses to Squaw Valley for this weekend's ski trip leave the Student Union Friday at 5 p.m.

No sleeping bags need be taken on the trip, according to Bill Schott, club treasurer.

The club met last Friday and made plans for a skating trip to Berkeley Ice Land April 15. Students interested in attending may pay a \$1.25 transportation fee in the Student Affairs Business Office, Room 16, or at the club meeting next Tuesday night.

The meeting will be the last one this semester. Elections of next year's officers will be held.

Priest To Lecture

Father John S. Duryea will speak on "Church Laws in Marriage" tonight at 9 o'clock in Newman Hall. Tonight's talk will be the fourth in a series of six which are part of the Newman Club's Annual Marriage Series.

Plays To Be Presented On Closed Circuit TV

A closed circuit television hookup will be used this afternoon to telecast two student directed and produced one-act plays. Frank Davidson is directing "The Valiant" and Bob Whitehead is directing the "Portable Phonograph."

The special hookup will be made to Room 118 of the Speech and Drama Building. The plays may be seen there at 3:50 o'clock.

The productions are projects for a class in television directing under the supervision of Frank T. McCann, assistant professor of Speech and Drama.

"The Valiant" is the story of a man condemned to die and of his struggle to keep his family unaware of his crime. The cast includes Grant Salzman as the warden, Doug Coleman as the priest,

Jim Davis as Dyke, Eilulu Galarza as the girl, Mike Sanders as the attendant, and Neil Derrough as the announcer.

Bob Whitehead has adapted the "Portable Phonograph" for television production. The play is a social tragedy concerning the last four men on earth. The drama delves into each of these men's minds, and then builds to a surprise ending.

The Professor is played by Phil Lipton. ("he holds four beautiful books and that beautiful portable phonograph.") Don West plays the Musician. ("Oh God, it isn't fair.") The Writer is Robert McNamara. ("and then there was the night I came home early.") James Dunn is the Consumer ("New York was all right.") Gordon Perry is the announcer.

Patrons To Hear Talk on Research

Dr. Benjamin F. Gilbert, associate professor of history, will be the speaker this afternoon at a meeting of the Patrons of San Jose State College in Room 314 of the Library.

Dr. Gilbert will speak on the research work he did before writing the new history of the college, "Pioneers for One Hundred Years," which will soon be off the press.

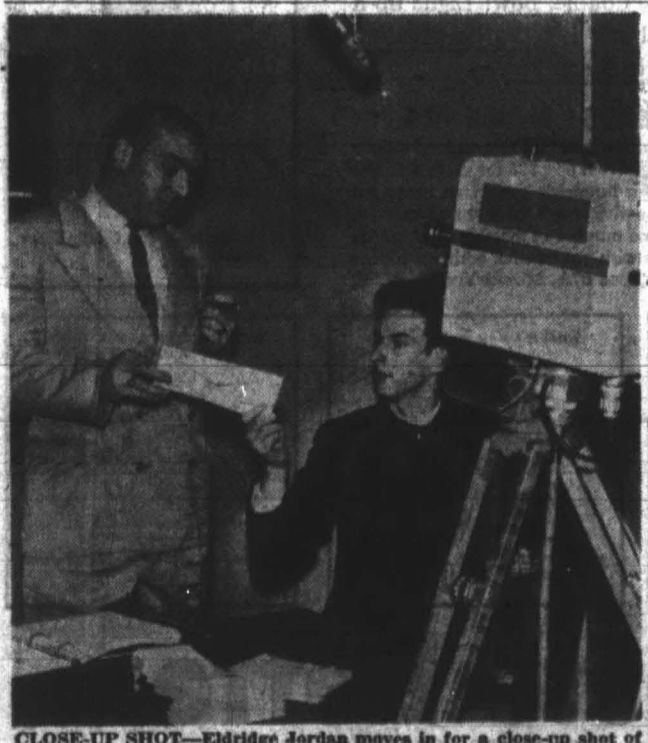

'Evil' To Be Topic

Presbyterian affiliated students will discuss the topic, "Why Is There Evil?" tonight at 7 o'clock in the Presbyterian Student Center, 99 S. 11th St.

Dinner will be served at 6 p.m., followed by the discussion according to Pete Couchman, president.

IRENE DALIS TO SING—A noted opera star who is a San Jose State graduate, Irene Dalis, will participate in the SJS Centennial celebration. Miss Dalis recently made her debut with the Metropolitan Opera Co.

CLOSE-UP SHOT—Eldridge Jordan moves in for a close-up shot of (l. to r.) Grant Salzman and Doug Coleman, who are rehearsing a scene from "The Valiant," which can be seen at 3:50 p.m. in Room 118 of the Speech and Drama Building over a special closed-circuit television hookup. —Photo by French

On Modest Bob

Dear Thrust and Parry:
As a friend, boon-companion and fellow husher of the currently controversial R. Montilla, I feel called upon to defend him against the recent blast of Mr. O'Connor. In fact, I feel this attack is of a much deeper significance: the Journalism Department pitted against the Drama Department. "Alleged actor?" Death and fire! If the truth must be told, the lad has unerring judgement when executing a "full front" and, when called upon, will eagerly discuss the relative merits of the Sophocles is Racine theory.

As for my worthy opponent's charge that Mr. Montilla begs for publicity, I say "Faw!" There never trod the Spartan campus a more disarmingly modest fellow. And to the fraternities I extend another hearty "Faw." Independents divide. United we fall.

The Drama department has been unjustly slandered. I hereby challenge Mr. O'Connor and any five journalism colleagues of his choice to a duel in the Quad at high noon—printer's ink or scenery paint.

PAT GARVEY, ASB 7482

On Extra Copies

Dear Thrust and Parry:
The Careers-in-Education Conference held last Saturday, judging from the comments of the nearly 400 high school students who participated, was a complete

success. Among the many people who deserve thanks for their help are Dr. Wahlquist, Sweeney, Ford, Keith and Ryan; 20 faculty members from nearly every department of the college, 10 teachers from nearby schools; and Delta Kappa Gamma, local teacher's sorority. Bay Section CTA co-sponsored and financed the conference.

Student groups who helped include Kappa Delta Pi; the A Phi Os, who served an excellent meal; and especially the many CSTA members who worked long hours. The song girls, yell leaders and pep band donated a Saturday afternoon to provide school spirit. The men's PE Department presented a gymnastics demonstration and the Speech and Drama Department presented a closed-circuit TV demonstration.

The SPARTAN DAILY deserves praise for its cooperation in reporting the conference and for making arrangements for the purchase of 1000 extra copies of the DAILY. Doug Hill turned in his usual fine job of reporting.

The SJS student council deserves special praise for their refusal to appropriate a mere \$15 to cover the cost of printing the extra copies of the DAILY. Pat yourselves on the back, council members; the public relations effort was accomplished without costing the student body a cent. CSTA picked up your tab.

LITTLE MAN ON CAMPUS by Dick Bibler

"FIRST PERIOD CLASSES AIN'T SO BAD—BUT GET HERE ON TIME—THIS GUY LOCKS TH' DOOR AFTER TH' BELL RINGS."

Group Plans To Cope With Quakes, Tells How To Act When SJS Rocks

ED. NOTE: Friday's tremor makes the following story on campus earthquake procedure especially pertinent. The feature, written by Walt Taylor, was published originally in the Spartan Daily last fall.

What are the chances of an earthquake rocking SJS? In 1906 the walls of the college came tumbling down as the result of the historic tremor of that year. Most of us agree that a quake of the same magnitude could rumble through the campus again—without a warning.

Suppose a quake should strike this minute. The earthquake's utter unpredictability makes this a possibility. What would be our first action?

Fortunately, a plan for this type of emergency has been devised by the college Civil Defense and Disaster Control Committee. The Committee, under Disaster Control Coordinator Dr. Frank G. Willey, has issued a set of earthquake procedure instructions to all college personnel.

WHAT TO DO?

What you should do if a major tremor suddenly hits depends, of course, on where you are, the Committee points out. If indoors, cover under desks and tables should be sought to minimize injury from falling objects. Additional protection may be gained by covering your head with your hands, arms and books.

But suppose the tremor should strike while you are outdoors — between classes, perhaps? Your first move should be away from buildings; away from a greater distance than the height of the walls, the Committee informs.

If the earthquake is severe and causes plaster, brick or other materials to fall, all buildings should be evacuated as soon as the pronounced movement has ceased. Evacuation should not be made, however, until it has been determined that all exits and exit approaches are clear of fallen or falling materials. The greatest point of danger, the committee warns, is just outside of entrances and along the sides of buildings.

EVACUATION METHODS

Evacuation of buildings must be calm and orderly, under the supervision of instructors or administrators. In the absence of official personnel, certain students should take charge. Evacuation supervisors should, by their own behavior, convey a feeling of calmness. The Committee emphasizes that panic must be avoided.

What about those persons re-

ceiving injuries? Great care should be exercised in moving injured persons, the Committee cautions. Evacuation of those unable to move under their own power preferably should be under the direction of persons with first aid training.

The security director and safety director will take charge of damage control, fire fighting, rescue work and medical assistance as soon as possible.

Buildings which have been damaged by quakes should, under no circumstances, be re-entered until inspected by buildings and grounds personnel, the Committee warns.

Since the suddenness of earthquakes inhibits the cooperative action of all affected, the Committee feels that earthquake procedure practice is essential to condition students and faculty for such an emergency. In view of this, department heads have been made responsible for periodic drills.

Survey Shows 60 Per Cent of Students Don't Graduate

Sixty per cent of American college students do not graduate, according to a nationwide survey of campus averages made by Dwight L. Arnold, director of Kent State University guidance testing.

The United Press reports that Arnold finds most high school students failing to attain a high level of certain abilities and skills, particularly the mechanics of English.

"Too many students do not decide to attend college until they are out of high school and it's too late to get the necessary preparation," Arnold said.

He added that the gigantic waste of time and finances by the great number of college failures, chiefly in the freshman and sophomore years, must be stemmed in the eighth and ninth grades and again in the 11th and 12th high school years.

The Kent survey further revealed that students who have marks below a B in high school English usually lack academic skills necessary for completion of college work.

Arnold said the 12th year high school studies should be revised to include at the very least a semester English course to fresh-

en students for college placement tests.

Spartans Crush Fresno State, 5-1

Clifford Belts 420-Foot Homer to Pace Locals

By DON BECKER

San Jose's red-hot pro prospect, Jerry Clifford, belted a tremendous 420-foot three-run homer to lead the Spartans to a 5-1 triumph over Fresno at Municipal Stadium yesterday.

Clifford's big clout came in the first inning off one of Bulldog pitcher George Millhorn's belt-high and outside fastballs. The ball went out of the park in deepest center field, landing 30 feet beyond the fence.

Hal Kolstad, scattering seven hits and hurling extra tough in the clutch, went the distance on the hill for the locals. Kolstad only struck out three, well below his normal mark, but the visitors never could solve his offerings for any sustained rally.

Freshmen Top Hartnell Nine

Coach Bill Gustafson's San Jose State frosh baseball team outlasted Hartnell College of Salinas, 9-7, yesterday at the Spartan diamond. It was the locals' first win after two straight setbacks.

John Jurvich hurled the first six innings for the Spartans and was replaced by Jerry Baker in the seventh. Baker gave up two ninth-inning tallies but preserved the victory.

Two walks, a bunt single, and a pair of errors led to Hartnell's ninth-inning runs. Naish Piazza came up with an outstanding defensive play to protect the SJS triumph.

Thinclads Battle Stanford, SCYC

By RANDIE E. POE

With a bit of friendly persuasion, Coach Bud Winter's spike squad might make things uncomfortable for haughty Stanford when the Indians pull into the Spartan playground for a tri-annual meet Saturday. The Santa Clara Youth Center will be the other entry.

Only one man is definitely out of the meet for San Jose State, Paul Webb, promising hurdler-polevaulter, is still suffering from a painful ankle sprain. Webb was coming dangerously close to 14 ft. 6-in. at Tucson when he hit the crossbar and fell with a thud to the ground. He'll be out indefinitely.

BOTH DEPTH AND TALENT
Payton Jordan's Stanfords drew loud acclaim for their win over the San Francisco Olympic Club and SCYC last week. They have both depth and talent. Many of Jordan's hirelings were hoofing at mid-season form Saturday and that could be a devastating omen for SJS.

BOND-GRAVES DUEL
Wes Bond should be ready to give Stanford's Maury Graves a stiff test in the two-mile. Bond has shown consistent improvement since his 9:58 clocking in Arizona and we wouldn't bet against him. The school mark is 9:38. Graves, who seemed to be concentrating on the mile last week, recorded a 9:59. He gunned to a 4:19 mile, however, and could be devoting his attention to the shorter haul this year.

DU Ties ATO For Frat League Lead

Delta Upsilon trounced Kappa Alpha by a 72-26 score to tie the Alpha Tau Omega—which was idle tonight—for the first place lead in the Intramural Fraternity League last night in the Spartan Gym.

With four games remaining to be played in the Fraternity League, both teams now have 6-0 records. They will meet next week on Thursday, April 4, in an attempt to decide the championship.

In other Fraternity League contests, Sigma Nu beat Kappa Tau, 38-24; Delta Sigma Phi romped over Lambda Chi Alpha, 57-19; Theta Xi, nipped Phi Sigma Kappa, 39-33; and Sigma Chi edged Sigma Alpha Epsilon, 38-37.

With only two games remaining for each team in the two Independent Leagues, the Sparvets have clinched a tie for the Inter-Coast League championship and need only a win over the Bruins tonight to win the title outright. The Sparvets have a perfect 7-0 record.

In the Pacific Coast League, Pi Kappa Alpha needs only a win over the Red Sox to clinch a mathematical tie for the title tonight and extend its record to a perfect 8-0 mark.

The two Independent League title holders will have a playoff, the winner meeting the Fraternity League champ for the Intramural crown before Easter vacation.
