SAN JOSE STATE COLLEGE

## Barbecue Tickets

Tickets are now on sale for the annual California Assn. of Health, Physical Education and Recreation Barbecue to be held Wednesday in front of the Women's Gym. The price of the tickets is 25c for CAHPER, 15c for Epsilon Kappa and Tau Gamma members.

## Grad Interviews

June graduates interested in naval aviation commissions may apply today and tomorrow from 9 a.m. to 3 p.m. in the Outer Quad. A U.S. Navy Officer Candidate Interview Team will be here between those hours to provide information about the Navy's program.

VOL. 44

SAN JOSE, CALIFORNIA, MONDAY, MAY 13, 1957

NO. 124

## History Prof. Compiles SJS Groups' Stories

The stories of more than 150 SJS groups will be told in "Centennial History of College Organizations," a four-volume, 1200-page work compiled and edited by Mrs. Mildred G. Winters, assistant professor of history.

The second volume of the mammoth typewritten history was published recently, with two copies placed in the Library and a third in the Activities Office.

Volume One, which will be published by the end of next week, will contain the histories of more than 40 campus organizations, including service, honor and religious groups. Highlights of this volume will be a 25-page history of the ASB and a 40-page history of the Campus "Y".

Volume Two, already published, tells the stories of the SJS sororities and fraternities, and includes 30 full-page photographs.

The department clubs are featured in the third volume, work on which is now in progress. Volume Four, soon to be completed, will tell the histories of faculty and alumni groups.

Work on the series was begun in November, 1955, Mrs. Winters said.

"This is the first time a comprehensive history of campus organizations has been written," she remarked. Most of the histories were written either by the groups' adviser or by members of the group.

Binding of the volumes is being done under the supervision of Daniel C. Lopez, associate professor of industrial arts.

## Musicians Recital

Advanced students from the Music Department will present a recital Wednesday, May 15, at 8:15 p.m. in the Concert Hall of the Music Building. There will be no admission charge.

The program will feature 15 numbers by vocalists, instrumentalists, and pianists. It will include works by Mozart, Handel, Scarlatti, Debussy, Verdi, and many others.

## Class Meetings Will Discuss Plans For Social and Business Activities

Senior Adobe Day, May 24, the first of the Senior Class year-end activities, the Senior Ball, and the Senior Banquet will be discussed at today's Senior Class meeting at 3:30 p.m. in Room 33.

President Tom Bonetti and his chairmen of the activity committees are entering the final stages of the planning for these events. All seniors are urged to attend today's meeting and help with the activities.

**VOLUNTEERS WANTED**  
Jerry Sibes, recently elected president of the Junior Class will call the class meeting to order for his first time today when the Juniors gather in Room 24 at 3:30 p.m.

The discussion probably will center on the progress of the Juniors' coffee concession which is located outside the Business Department wing every morning during the 9:20 and 10:20 o'clock class breaks.

Volunteers will be accepted to

## Piano Students Will Perform Tomorrow in Concert Hall

Advanced piano students of Thomas Ryan, associate professor of music, will perform music of Claude Debussy and Bela Bartok during the Survey of Music Literature Class tomorrow at 11:30 a.m. in the Concert Hall of the Music Building.

Players will be Harriet Shaw, Ernest Gonzales, Patricia Tapay, Merdene Ballard, Karen Kirk, Janet Collins, Sally Seaver, Carole Levine, and Sandra Campbell.

At the Thursday class meeting the Piano Trio by contemporary American composer Walter Piston will be played by Ryan, W. Gibson

RECALL PAST — Dean Joe H. West, Centennial chairman, Miss Helen Dimmick, associate dean of students, and Mrs. Mildred G. Winters, assistant professor of history, look at one of the four volumes of "Centennial History of College Organizations."

The 1200-page history, prepared under the supervision of Mrs. Winters, tells the story of more than 150 campus organizations. One volume of the history has been published already, with the other three to be released soon. —Photo by French

## Non-Prejudice Housing Petition Begins Today

The Student Y's non-discriminatory housing petition drive for student signatures begins today, according to Mel Powell, Pledge-Petition Committee chairman.

Handbills will be distributed and speakers will be sent to fraternities and sororities to explain the petition and to recruit volunteers for the drive.

Campus organizations and living groups will be contacted by volunteers and committee members beginning tomorrow, Powell said. In addition, student volunteers will be posted around campus to contact students not reached through other organizations. Some classrooms will be visited by volunteers Wednesday.

Composed by the committee several weeks ago, the petition states that:

"We, the undersigned, believe

that democracy is a way of life demonstrated in everyday living by profound respect and concern for every human being.

"More specifically, we are willing to accept as neighbors and housemates any persons of good character regardless of race, religion or cultural background.

"Finally, in view of the fact that San Jose State College is an integral part of this community and that the administration has already shown its attitude of inclusiveness in the selection of faculty personnel, we urge that the college administration further use the weight of its influence by adopting a policy effective Sept. 1, 1957, opposing any kind of discrimination in housing based on race, religion or national origin which may be practiced on its students by members of the community."

Powell also asked for volunteers to help in the drive which has a goal of 5000 student signatures. Students who are willing to help circulate the petition can sign up at the Student Y and indicate the place and time they will be available, he said.

## SOPH SNOW SALES

The Sophomore Class will hold snow cone sales Monday through Thursday from 11:30 a.m. to 3:30 p.m. in the Outer Quad until the end of the semester.

After-meeting entertainment is being planned by the class.

## TRIAD TICKETS ON SALE

The Frosh will meet today at the Barbecue Pits at 3:30 p.m. instead of at their usual meeting place in Room 55; feature of the meeting is that refreshments will be served.

The Grand Triad Friday will be discussed and tickets for the event will be on sale during the meeting.

Following the meeting the Freshmen will challenge the Sophomore Class to a volleyball game. Last week the Freshmen won by a single point, 21-20.

## Reunion To Show Death Valley Pix

Students and faculty members who attended the West Coast Nature School at Death Valley during Easter vacation will "re-live their experiences on the desert" Wednesday evening at 7:30 o'clock in the Student Union.

Dr. Gertrude Cavins, school director, said the main purpose of the reunion is to "live in Death Valley for a little while again."

The feature events for the evening will be the showing of colored slides of the outing taken by Dr. Dwight Bentel, head of the Journalism and Advertising Department, and movies filmed by Marv Horton, student photographer who attended the school under the direction of the Photography Department.

Dr. Cavins has viewed some of Dr. Bentel's slides and termed them as "tremendous—the most outstanding pictures of the desert I have ever seen."

Refreshments will be served at the reunion, according to Dr. Cavins.

Another nature school is planned for Mendocino-Woodlands for June 16-22, Dr. Cavins added. Applications are currently being accepted.

## Movie on Mexico Shows Free At College Theater Tonight

"Time in the Sun," a movie directed by Sergei Eisenstein in Mexico in 1939 will be shown in the College Theater tonight at 7:30 o'clock. There is no admission charge.

Eisenstein, a Russian director, was brought to Hollywood to direct "Time in the Sun." Unaccustomed to working under the pressure system of American film making, he soon found himself at odds with his superiors. After months of work he had finished only about 75 per cent of the projected movie, but had exposed enough film for five or six full-length pictures.

His producers finally dismissed him from the job. Eisenstein returned to Russia and made films until he came under the displeasure of Stalin.

Marie Seton, film critic, has reconstructed Eisenstein's projected epic of Mexico from a portion of the original footage.

The prologue deals with ancient Yucatan before the coming of the Conquistadores. The first novel deals with Cortez and the settling of Spanish life on the old Indian culture. The second novel is about the survival of the ancient matriarchy of Tehuantepec.

The third novel deals with a day of Corpus Christi and is a story of the brutality and exploitation typical of feudal Mexico. The

fourth novel which was to deal with the revolution was not filmed. The epilogue presents the traditional festival of All Soul's Day.

## Cupid's Arrow Brings International Romance

By TOM BRUFFY

Two persons from different sides of the globe met at San Jose State during the past semester and are celebrating their engagement party today. They are Max Blesch, from St. Gallen, Switzerland and Celia Ann Mathias from Bombay, India.

They met at an I.S.O. social function at the Sainte Claire Hotel where Miss Mathias performed an Indian dance; she has attended SJS only since February.

Miss Mathias is a graduate student in education and received her B.A. degree from Bombay University. Blesch is a Freshman Industrial Arts major.

Miss Mathias has been in the United States since the first of the year. She said that the reason she picked San Jose State was because her pen pal, who lives in San Leandro, suggested the school.

Blesch came to the United States from Switzerland in 1954

## 50 Coeds Tryout for Five Spots As Rally Committee Song Girls

### Drama Dept. Tells 1957-58 Play Schedule

The 1957-1958 drama season has been announced recently by the Speech and Drama Dept.

"Man and Superman," by George Bernard Shaw opens the season. This comedy of the love game as seen through the eyes of one of the wittiest of modern playwrights is being directed by Miss Elizabeth Loeffler, associate professor of drama.

Dr. Paul Davee, who will join the drama staff in the fall, is directing "Angel Street," by Patrick Hamilton. This is a spine chilling thriller set in nineteenth century London.

"The World is Round," by Armand Salacrou is the third offering of the regular season. This struggle between the world and the spirit in 1492 is Savanarola's Florence has been translated by Dr. James H. Clancy. Dr. Clancy will also do the directing for this show.

Dr. Davee's second assignment is "My Heart's in the Highlands," by William Saroyan, one of California's own playwrights.

"The Crucible," by Arthur Miller is being directed by Miss Loeffler. This is a dramatic play of the witch hunts in early American history.

The last play of the season is being directed by Dr. Clancy. "The Italian Straw Hat," by Eugene Labiche, a famous French farce in the problems of getting married completes the 1957-1958 season.

## O.T. Club Holds Bar-B-Q Honoring Seniors Saturday

The annual Occupational Therapy Club barbecue honoring seniors will be held next Saturday from 1 to 6 p.m. at Alum Rock Park, according to Lillian Juanitas, social program coordinator.

Tickets are 40 cents for spring semester paid-up members and 95 cents for those who have not paid spring semester dues and for non-members. Tickets may be purchased from anyone on the ticket committee including Christopher Minard, Phil Shannon, Ina Niemann, Yo Handa, Margaret Runge, Carol Stevens, Mariam Johnson, Margot Stubblefield, Stephanie Pressler, Anne Haramaki, Donna Wolford, and Alice Martinez.

Signups for transportation may be made in B-72 for those who need transportation and for those who can provide transportation.

Song girl positions for 1957-58 will be decided Wednesday and Thursday evenings in Morris Dailey Auditorium when an expected 50 girls tryout for the five open spots.

The preliminary tryouts will be held Wednesday, with candidates being eliminated to 20 for the Thursday evening finals. The judging will begin at 7:30 o'clock both nights.

Sponsored by the Rally Committee, the tryouts will be judged by the Committee Executive Council, the Committee members, the Student Council and the four class presidents.

## P.E. Alums Fete Retiring Dept. Head, Dr. Palmer

Dr. Irene Palmer, retiring head of the Women's Physical Education Department, was honored Saturday at the department's annual alumnae get-together luncheon for her 20 years of service at SJS. The highlight of the event was the presentation of the Irene Palmer Library plaque which came as a surprise to Dr. Palmer.

The plaque will be placed in the Irene Palmer Library in the Women's Gym, which is being maintained by the Major Club. One hundred and seventy-five alumnae from all over California and from as far away as Massachusetts were present for the luncheon held at Mariani's Restaurant in Santa Clara. The alumnae have been asked to donate either money or books to the library.

Among other things, a salute to Dr. Palmer, appearing in the alumnae's newsletter, pointed out her interest in helping each student to find the right place for herself in the professional field and of Dr. Palmer's great influence in creating the Recreation Department.

The luncheon was jointly sponsored by the Major Club and Tau Gamma, the women's physical education honorary society.

Dr. Palmer is now planning a full time insurance selling career after her June retirement. Dr. June McCann, from the University of California at Los Angeles, will become the new department head in September.

## ROTC Holds Military Ball

More than 200 couples are expected to attend the annual Military Ball which will be held Saturday at the Hotel Leanington in Oakland.

A joint Army-Air Force ROTC affair, the dance will last from 9 p.m.-1 a.m. Jack Sava and his band will furnish the music.

The dance is open to all cadets on campus. Before the dance, the Air Force group will hold a dinner and the Army cadets will attend a cocktail party.

Nancy Frahm, elected last month, will reign as queen of the ball.

## Newman Club Has Spring Installation

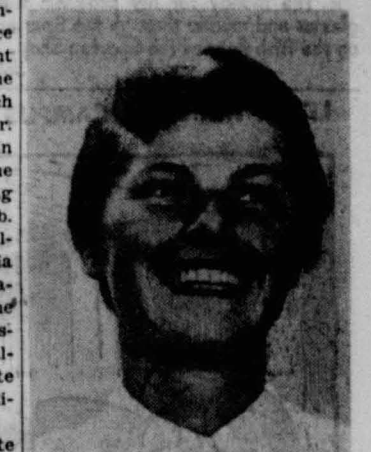

The Newman Club will inaugurate its newly elected 1957-58 officers at a dinner-meeting at the Hawaiian Gardens, Wednesday at 6:30 p.m., according to Walter Phillips, outgoing president.

Dr. Albert Castro, one of the club's faculty sponsors, will speak at the dinner, and awards of the John Henry Newman Honor Society membership will be announced.

The new officers will be invested by Father John S. Duryea, Newman chaplain, after closing remarks by Phillips.

New officers are Dick Russo, president; Patti Kelly, vice president; Florence Bianco, secretary; Bob Link, treasurer; Jim Duran, sergeant-at-arms; and Joyce Flores, historian.

Other activities being planned by the club are a cookout supper at Alum Rock, May 22; the annual Costa Ranch barbecue, June 1; and a camping trip in the Sierras after finals week.

JERI BULLOCK ... Head Song Girl

showing them routines. A practice session was held last Thursday for a reportedly "shallow" turnout.

Girls who have not already indicated a desire to tryout should do so immediately by signing up at the Student Activities Office, Rally officials said.

Any woman student is eligible for a position as long as she is in clear standing, according to Gary Waller, chairman of the Rally Committee. He stressed that candidates do not have to be a member of the Rally Committee.

An added enticement for candidates, Waller added, was that the Committee plans on sending spirit representation to the U. of Oregon football game at Eugene this fall.

## Radio-TV Major Receives \$1000 M.A. Scholarship

Larry R. Baker, a senior radio-TV major, has been awarded a WGBH-TV Scholarship for \$1000 to do graduate study in public relations and communications at Boston University.

Ten scholarships were awarded in the nationwide competition. Baker will be working toward an M.A. degree. The Spartan City dweller and veteran of four years in the navy, is married and has two young sons.

He will report to Boston on June 17. WGBH-TV is an educational television station owned jointly by 10 Eastern Universities. Baker will be doing internship work at the studio for 25 hours per week.

## Stanford Prof To Give Talk

Next Thursday at 8 p.m. Dr. Coladorci of Stanford University will give a speech in the Concert Hall of the Music Building under the sponsorship of the Psychology Department and Psi Chi as part of the Centennial lecture series.

Dr. Coladorci's speech, which is entitled "Language Problems of Exceptional Children," will be followed by a panel discussion with Dr. Charles Telford, professor of psychology, and Richard Outland, assistant professor of education. Dr. Bryant Clark, professor of psychology, will act as moderator.

Max Blesch and Celia Ann Mathias are celebrating their engagement party today. Blesch is from St. Gallen, Switzerland and Mathias is from Bombay, India.

**Raven Randie?**

Dear Thrust and Parry:

May we respectfully suggest the establishment of a journalism scholarship program, awards to be given on the basis of column inches a student writes of cliches, outmoded syllogisms and sloppy construction?

Being the advocates, we also submit our choice for the winner, Randie E. (no relation to Edgar A.) Poe. He has by far outstripped his puny competitors in the battle vs. the preservation of the English language.

This plan is not a spur of the moment thing. We have watched Poe's form progress all semester and feel the time has come for official recognition of his great talent. His recent reference to Wes (need some money, honey) Santee, and to the possibility of the 100 yd. dash "pilfering" the excitement, reveal his attainment of the acme of journalistic stagnation.

Kit Brown, ASB 11590  
Lee Devin, ASB 7905

**Paving Politician**

Dear Thrust and Parry:

I take this opportunity to announce my candidacy for student body president a few years hence.

I intend to run for office on a solid concrete platform. My first plan is to pave the inner quad. The second step will be laying another freeway from the barbecue pits to the aviation buildings. Few persons ever go directly from one to the other. Next will be construction of a freeway running diagonally across the girls' athletic field. The area is well fenced and the path should prove completely useless.

To economize, I propose to remove the trees marring the campus, using old saws from Randie E. Poe's sport column to cut them into form lumber.

The money for my program will come from the sales of dark glasses and murine through the Spartan Medical Center, to be located on the fifth floor of the Spartan Shop.

John Wilson, ASB 4751

**HISTORIC BEAR** — Bonnie Mc Ardell and Carolyn Lindstrom, left to right, seem to like the bear which was the symbol of San Jose Normal School before the Name Spartans was adopted in 1925. The plaster of paris bear was found in the home of Clarence R. Soderstrom, 501 S. 5th St., and donated to SJS. It is now on exhibit in the Library. —Photo by Blaisdell

**Movie Has Variety of Stories, Huge Cast**

By JIM DRENNAN

It may seem a little late in the game to get around to talking about "Around the World in 80 Days," but since there's no hope of this three-hour Mike Todd epic ever playing in San Jose in its present form, we thought a little friendly persuasion might coax a few Spartans to take the trip to San Francisco to see it.

"Around the World in 80 Days" is a western, a sea story, a detective story, a travelogue, an adventure epic and, most of all, one of the funniest comedies to come along in years.

The trouble with most big pictures like this is that the producer spends so much time on the scenery, the color, the big screen and assembling a "cast of thousands" that there's little time left over for a story. This is not the case in "Around the World in 80 Days."

The story comes from the novel by science fiction pioneer Jules Verne, and is the tale of one Phileas Fogg (David Niven), the punctilious member of a London social club. Out of an innocent conversation among the members grows a 20,000 pound wager that Fogg can't make a round-the-globe trip in 80 days. He accepts and starts out on the unheard-of voyage with his valet, Passepartout (played by Mexican comedian Cantinflas).

**MODES OF TRAVEL**

Before the madcap tour is over, the quartet (Fogg and Passepartout pick up a suspicious Scotland

detective, played by Robert Newton and an Indian princess, Shirley MacLaine on the way) has used practically every form of transportation in existence, including steamship, train, elephant, junk, ostrich, jinrikishaw, cavalry horse, sail train and a hot rod Venezuelan cotton boat.

But through it all, a fine thread of consistency is maintained by Fogg's predicability and Passepartout's unpredictability. Fogg is the stiff-upper-lip Englishman epitomized, retaining his British demeanor and customs (including 4 o'clock tea) through thick and thin, creating a real comedy of contrasts. And Passepartout is the opposite, the irrepressible Latin epitomized, whether fighting the "boots," ogling girls in 20 countries, or desecrating a Buddhist temple.

**HAS MANY ACTORS**

Besides being a very impressive movie, "Around the World in 80 Days" piled up some pretty impressive statistics in its making. It included a cast of 68,984 people (50 of them major stars) in 13 countries, 7959 animals, 74,685 costumes and Edward R. Murrow.

The product of all this effort: A bon voyage.

"Around the World in 80 Days" is now playing at San Francisco's Coronet Theater, with Sunday performances at 2 and 7 p.m., a morning show Saturday at 10 o'clock, matinees Wednesday and Saturday at 2 p.m., and regular evening showings Monday through Saturday at 8:30 o'clock. Prices range from \$1.25 to \$3.50.

**SJS Beat 'Ol Oski To the B'ar Symbol**

The San Jose Normal School athletic teams were known as the "Bears" before the University of California began to use the symbol, according to Claire Hinze, a former professor at SJS.

A recent addition to the historical exhibit now on display in the library shows the plaster of Paris Bear holding the N.S. (Normal School) plaque.

**Scientists Produce Siamese Rats**

MADISON, Wis.—(UP)—Scientists at the University of Wisconsin are joining pairs of rats-Siamese twin fashion—and learning more about cures for breast cancer.

Thirty-day-old rats are joined at the shoulder blades in a short operation. The operation is performed so the blood vessels of each rat grow together, linking the two blood systems.

Scientists can then study effects of hormones shot into one rat

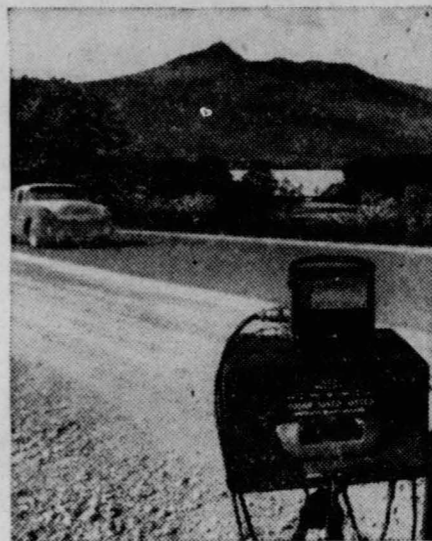

which travel into the other. The "Siamese twins" have already produced a promising new chemical. Called "19-nor-testosterone," it may inhibit growth of breast cancer.

**CAR WASH**

Approved Minute-Man Service  
American Car Wash Co. Inc.  
21 NORTH FIFTH STREET  
Open Daily—Sunday A.M.

See what happens...

**Switch to Shell!**

**Before TCP...** The car above was bought brand new and driven about 3000 miles on a competitive premium gasoline. Then its rate of acceleration was checked by radar. The pick-up was poor because of engine deposits, which caused the spark plugs to "miss."

**After TCP...** The same car now performs after it has been run on a few tankfuls of Shell Premium with TCP, which overcomes engine deposits. Radar checks on this and other cars showed in most cases a 6 to 18% increase in pick-up after TCP additive had overcome pre-firing and spark plug "miss."

Today's high-powered, high-compression engines are really rarin' to go, but they're especially sensitive to engine deposits.

Within about 3500 miles these deposits can short-circuit your spark-plugs—causing them to "miss." The result: power loss. Your almost new engine has lost its fine edge.

The picture above of a radar-locked acceleration test shows how TCP additive restores this lost power, delivering up to 18% faster acceleration—"pick-up" that even

the most careful driver sometimes needs for safety.

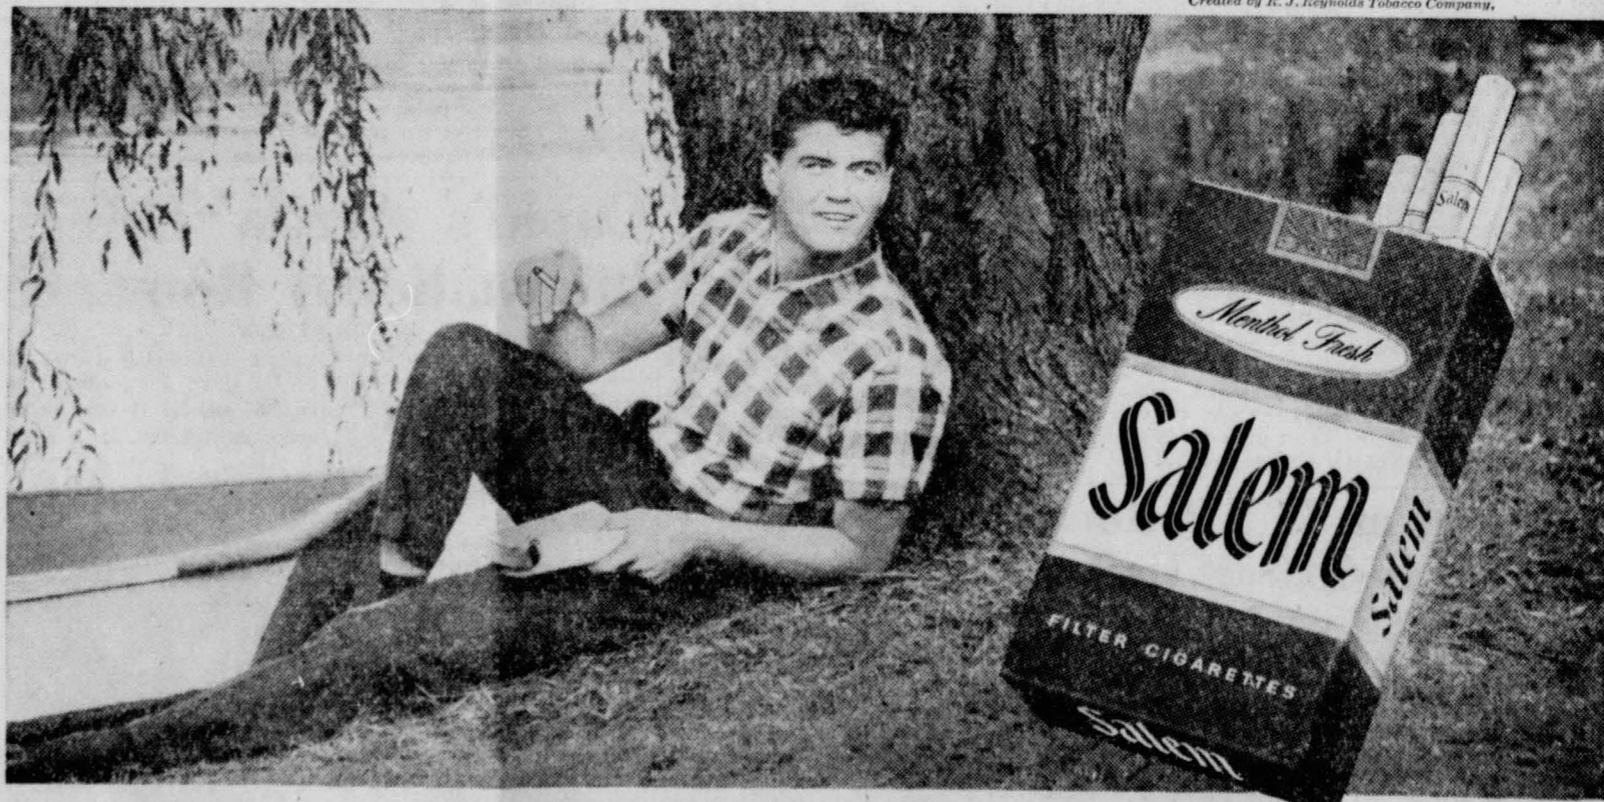

Try Shell Premium with TCP and re-power your car while you drive. See your Shell Dealer.

\*Shell's Trademark for this unique gasoline additive developed by Shell Research. Patent applied for.

## Housewife Solves Diaper Problem

DOWNEY, Calif. (UP)—Young housewives usually merely complain to their husbands about putting in a hard day's work around the house cooking, bathing baby and washing diapers, diapers, diapers and more diapers.

But Mrs. Nancy Joyce Stoner, 20-year-old mother of two, really got "fed up."

"It was diapers, diapers all the time," she said. "I finally blew my top and did something about it."

What she did brought the Fire Department and the Sheriff's Arson Squad racing to her home.

Mrs. Stoner told authorities she set fire to seven piles of diapers and dirty clothes on the floor of her home. The series of bonfires got rid of the clothes all right but could have destroyed the home. Quick action by firemen limited damage to \$2000.

## S.F. To Affiliate With Nippon City

TOKYO (UP)—San Francisco and the big Japanese city of Osaka are expected to become affiliated as "sister-cities" soon, a prominent citizen of the American city said.

Architect John S. Bolles said he will submit a resolution proposing the affiliation adopted by the San Francisco Board of Supervisors to Osaka Mayor Mitsuji Nakai next week.

He said he will also convey to Nakai a letter of greeting from San Francisco Mayor George Christopher.

The resolution proposes the affiliation between the two cities because it would "provide excellent opportunities for the people of the cities involved to learn about the community life of each other through the exchange of cultural and token gifts . . ."

Bolles is head of a four-man San Francisco Chamber of Commerce delegation now visiting this country. From Japan the group is scheduled to go to Hongkong and the Philippines before returning to San Francisco on May 28.

Under the "sister cities" affiliation, the two cities will exchange photographs, recordings, movies, books, magazines and various other cultural material.

Contrary to popular belief, anthropologists do not contend that man descended from the ape but that both had a common ancestor. According to the anthropologists, actual progression from ape to man would be impossible.

Contrary to popular belief, the American Indian probably did not migrate from Asia through the Aleutians to North America, according to recent scientific findings.

The student-faculty directory, or "Sparta Key" is published each year by the Public Relations Committee. It contains names, addresses, both local and home, and phone numbers of all registered students and faculty members.

The Social Affairs Committee is responsible for all social events sponsored by the ASB. Some of these are the Registration Dances, the Coronation Ball and Wintermist, replaced this year by the Centennial Ball.

## Golfers Lose Dual Contest On Indian Turf

The Stanford Indians finally topped the San Jose State golfers Friday on the Stanford Course, although it took almost unbelievable shooting by the Indians to turn the trick. The Spartans lost the dual match by a score of 16½-10½.

Earlier this season SJS and the Indians battled to a tie and more recently the Spartans topped Stanford in the Northern Intercollegiate.

Stanford's Ron Luceti grabbed up the medalist honors with a four-under par 67 after being hard pressed by SJS's Jack Cummings in the first six holes. Cummings birdied five holes out of the first six of the day and ended up with a par 71 but Luceti caught fire after the sixth hole and went six under par in the next seven holes.

Also playing in the top foursome, Spartan Ernie George was blanked by Bill Senor, Stanford's finalist in the recent Northern California Intercollegiate championships. George racked up a 74 and Semnor a 72.

Coach Walt McPherson's golfers gained most of their points in the second foursome as Eddie Duino and Ross Carley added 5½ counters to the SJS score, dropping 3½ to Indians Alf Burtleson and Bernie Magnusson.

San Jose State's Jim Clark toured the Stanford greens in a one-over par 72, including a sharp back nine of 33 strokes, in the third foursome. Clark's teammate Dave Cranston turned in a 76 but was buried by his opponent Woodgie Reich of Stanford who shot the second best round of the day with a one-under par 70.

San Jose State's Jim Clark toured the Stanford greens in a one-over par 72, including a sharp back nine of 33 strokes, in the third foursome. Clark's teammate Dave Cranston turned in a 76 but was buried by his opponent Woodgie Reich of Stanford who shot the second best round of the day with a one-under par 70.

## Short Snorts

By RANDIE E. POE

We hope those who want SJS to return to the temple of purism will accept our football defeat next fall in the true spirit of amateurism.

If Coach Titchenal wins four games with his current crop, let us demand that he receive the Medal of Honor.

Yep, this is truly our Centennial year. 100 years of attempting to become a major athletic power.

## Spartan Sports

Daily Report of Spartan Athletics

Monday, May 13, 1957 SPARTAN DAILY Page 3

## Backs Sparkle In Football Fray

Benny Guzman, Dick Vermeil and Mike Jones led the underdog second string White team to a pleasantly surprising 39-20 win over the Blues in a hustle filled intra-squad game at Spartan Stadium Saturday.

With Guzman carrying the load on the ground and Vermeil directing the offense, the Whites jumped off to a 20-0 lead before 15 minutes of the two hour tilt had elapsed. Mike Jones took over at quarterback when the improving Vermeil broke his left arm. Jones led the Whites to their final three scores, two of which came on aerials from the strong armed soph. Vermeil was the only casualty of the day. He is expected to be ready again by September.

Guzman, called the best back on the field by Coach Bob Titchenal, scored twice on runs and once on the end of a 50 yard Jones toss.

Other standouts praised by Titchenal were Bob Moore, the small husky guard from Modesto J.C.; Jim Riley, halfback on last season's Spartan eleven; Dan Colchico, end and transfer from East Contra Costa; Al Chapman, letterman fullback; and guard Keith Boyer and tackle Nick Sanger, both members of the 1956 Spartan team.

The Spartans will hold their final intra-squad tilt next Saturday.

## Baseballers Finish Successful Season

Hal Kolstad twirled a stingy three-hitter as Coach Ed Sobczak's baseballers crushed USF, 11-0, in the first game of a doubleheader Saturday at Municipal Stadium.

Rain brought action to a close in the second tilt with the score knotted at 1-1 in the seventh inning. The pair of games brought the locals' season to a close. The Spartans finished the year with a creditable 18-9-3 record.

In notching his eighth win of the year against two setbacks, Kolstad struck out 15 Dons and got plenty of support from his mates who made their 11 safeties good for as many runs.

Jerry Clifford slammed a three run homer for the big Spartan blow of the day in the first game.

In the second game, Tuck Halsey and Fred Kara hooked up in a tight pitcher's duel. Halsey limited the Dons to but two hits while Kara allowed only four.

## Independents Open Softball Season Today

The Independent League portion of the 1957 Intramural Softball League will get under way this afternoon with three scheduled games. The two fraternity leagues have their openers tomorrow.

Today's games:

The IFT Dukes will play the Anemic Nine at 4 o'clock on Spartan Varsity Field; the Spartan Hall Spastics will battle the 405 Club on the same varsity Field at 5:15 o'clock; and in a contest on the Spartan Frosh Field at 4 o'clock, Pi Kappa Alpha—this year's basketball champs—will play Theta Chi.

The Diamond Dufos draw a bye in today's action.

The Spartan Varsity Field is on 7th Street across from Spartan Stadium, and the Frosh Field is adjacent to the former.

## Frosh Diamondmen End Season With 8-8 Mark

San Jose State's freshman diamond squad ended the 1957 baseball campaign with a won-lost record of 8-8, according to team statistics.

Coach Bill Gustafson's batters amassed a team average of .265 during the 16-game season, collecting 136 hits from 514 at-bats.

John Jurivich paced the hitters on the SJS frosh nine, slugging the ball at a .365 mark, 100 points above the team average. Jurivich also led in another division, grabbing six stolen bases.

Jurivich and Mike Jones shared the most-hits department as each rapped out 15 safeties. Jones, who

held down the third base position, powered a pair of homers, one triple and three doubles during the season. Jones' average for his 49 times at-bat was .306, placing him third behind Mike Navone, who knocked out 11 hits for 31 attempts. Navone led the squad in RBI's with 14.

Larry Williams was credited with four of the eight wins but the ace chucker also was touched for six losses.

Jurivich and Jerry Baker added their talents to the mound duties, each sporting a 2-1 mark.

Here are the 1957 frosh statistics:

PLAYER	AB	H	HR	RBI	Avg.
Martin	1	0	0	0	1.000
Jurivich	41	15	0	7	.365
Navone	31	11	3	14	.355
Pena	12	4	0	3	.333
Jones	49	15	2	10	.306
Ulrey	40	12	3	12	.300
Stilwell	49	13	1	4	.265
Andrews	46	12	0	4	.261
Richman	39	10	0	4	.257
Baker	47	11	0	4	.234
Williams	44	10	0	2	.227
Piazza	47	10	0	2	.213
Burkhalter	16	3	0	4	.188
Madden	33	6	0	3	.182
Briggs	12	2	0	1	.167
Medina	7	1	0	2	.143
Totals	514	136	9	85	.265

## English Dept. Proffers \$50 Student Prize

A scholarship prize of \$50 will be awarded by the English Department to a student who plans to enroll in the Shakespeare Institute to be held during the summer session, June 24 to August 2. Scholarship applicants should submit a formal letter stating need, scholastic background and particular interest in attending the Shakespeare Institute. Letters of application are to be submitted to the English Office, H 26, by May 31, the deadline.

## AFROTC Names New Staff Officers

Cadet Darrell Clement has been named group commander of the campus AFROTC detachment, according to a statement released yesterday. Clement replaces Anthony Cook, who served as commander for the first half of the semester.

Clement's new staff includes: William Reese, executive officer; Charles Hartford, inspector; Lawrence Curtis, information service officer; Robert Pianalto, adjutant; William Lynn, assistant adjutant; Thomas Burns, personnel officer; Neville Griffin, personnel sergeant; Alfred Ottaviano, operations officer; William Sturgeon, operations sergeant; and David Parker, sergeant major.

New squadron commanders are Richard Alber, Donald Johnson and Robert Armond.

A senior, Clement will receive a commission in the Air Force upon graduation in June. He is a member of the Arnold Air Society and is presently serving as chairman of the Military Ball.

## MEETINGS

Eta Mu Phi will meet Wednesday at 2:30 p.m. at the Club Almaden for its annual picnic. Admission is free to members. There will be a steak barbecue and plenty of swimming.

Institute of Radio Engineers will meet this evening at 7:30 o'clock in Room E118 for the election of new officers.

Hillel Foundation will meet this evening at 7:45 o'clock at the Student Y for a miniature golf tournament.

Occupational Therapy Club will meet Saturday at 1 p.m. at Alum Rock Park for the annual barbecue. Those interested should sign up in Room B72 now.

## 'GOP in South To Stay,' Demo's Give Way—Ike

LOUISVILLE, Ky. — (UP) — President Eisenhower said Friday the Democrats no longer control a "solid south" and Republicans will continue to gain strength in southern and border states.

"The Republican party is . . . in the South to stay and I earnestly hope it will become ever stronger from year to year," the President said.

Eisenhower spoke by telephone to a Louisville, Ky., regional conference of Republicans from 12 southern states — the fourth such meeting sponsored by the Republican National Committee.

National Chairman Meade Alcorn echoed the president in a speech prepared for delivery at the conference.

He said the Democrats "used to brag that the 'solid south' would never be cracked" and added: "the Republican party is here to stay and to grow . . ."

Eisenhower took the opportunity to campaign once again for his record peacetime budget which has faced stiff going in Congress from economy advocates.

"Of course all of us want a smaller budget," the President said, "but it costs a lot of money to preserve our security and to

wage peace. But the price is inconsequential compared to the cost of waging war. This budget is a budget for peace—for the defense of our nation and the free world."

Eisenhower said that even with heavy defense costs and foreign aid essential to a campaign for permanent peace, the budget for 1958 would be balanced for the third time in a row — the first time three consecutive balanced budgets have been achieved since 1930.

Eisenhower told the Dixie Republicans that he was happy after the first four years of his administration to let the people judge for themselves "as they look around at the strong, free, prosperous and happy America we have today."

"Let the people decide whether they are getting what they want—whether they are steadily advancing in living standards and in every kind of opportunity."

Participating in the conference were Republican state leaders from Alabama, Arkansas, Florida, Georgia, Louisiana, Mississippi, North and South Carolina, Tennessee, Texas, Virginia and Kentucky.

## Placement Cor.

Representatives of the Redwood Empire Council of Camp Fire Girls, Sonoma County and Napa, will hold interviews for camp counselors tomorrow from 9:30 a.m.-3 p.m. in the Placement Office, Room 100.

Complete details and applications are available in that office. The jobs will last from June 23-July 28.

A number of other summer jobs also are available now, according to Mrs. Phyllis Hedland of the Placement Service. All jobs are listed in the Placement Office and students should check the listings regularly, she said.

Jobs for men include accounting, sales, business and junior engineering trainee positions, gas station work, cook and baker jobs and lifeguard jobs.

Jobs for women include fountain and waitress jobs and sitter jobs.

Camp counselors and national parks jobs are available for both men and women, she said.

## Sex Killer Abbott's Widow 'Marries' Oakland Trucker

OMAHA, Neb. (UP) — Mrs. Georgia Abbott, widow of Burton K. Abbott, executed March 15 in the gas chamber at California's San Quentin Prison, has begun life anew here with her son and a new husband.

The 34-year-old woman said she left Oakland, Calif., last month because she wanted to give her son, Chris, 5, a new start away from the limelight.

She told reporters for the Omaha World-Herald that she married Clifton H. Northam, 39-year-old former Oakland trucking executive, about a month ago in Nevada.

Although Mrs. Abbott insisted that she and Northam are married, a divorce suit filed in Oakland a week ago indicated that he is still married to his first wife, Burnice.

Mrs. Burnice Northam, herself a trucking executive, accused her husband of extreme cruelty and asked for a division of the community property.

Mrs. Abbott, suffering from a broken foot received in a fall here, said she did not believe her former husband committed the kidnap-slaying of Stephanie Bryan, 14-year-old Berkeley schoolgirl, for which he was executed.

It was Mrs. Abbott, however, that gave police the first clue. She found the girl's billfold and other effects in the basement of their home.

Abbott, a University of California student, died about two minutes before a reprieve was granted by California Gov. Goodwin Knight.

# DATEBOOK

**MONDAY, MAY 13**  
CSF will meet in Rm. 24 from 7-8:30 p.m.  
Soph Class will sell snow cones in the Outer Quad from 10:30 a.m.-3:30 p.m.

## ISO's Select Prexy Hopeful

The Nomination Committee of the International Students Organization selected Benard Bos as candidate for president at a meeting Friday, according to Dorothy Hutchings, publicity chairman.

Mrs. Hutchings said that other nominations may be made at the next meeting of the organization.

Others nominated Friday were: Kihulu von Prince, vice president; Chung Hoi Wung, Juan Aquina, and Jimmy Ling, Treasurer; Celia Ann Mathias, Social chairman; Dhyanawati Sujuano, recording secretary; Pearl Tseng, Corresponding secretary and Peter Chung and Jimmy Ling as publicity chairman.

Elvis Presley is one of a set of twins. His brother died when but a few months old.
