

Enrollment Drop Seen

Approximately 5900 students will enroll for the spring quarter, C. W. Quinley, acting registrar, predicted Friday. This figure represents a drop of 239 from the 6139 enrolled last quarter.

The estimated spring enrollment also is smaller than that of spring, 1951. The college welcomed 6263 during that quarter.

Quinley attributes the loss of students to scholastic difficulties, a large March graduating class and draft problems. He pointed out, however, that the enrollment decline would be even greater were it not for the influx of high school and junior college transfers whose semester system enables them to enroll in the college in spring quarter.

Chaplin Movie Begins Series

Five Chaplin shorts on Thursday will begin the annual spring series of seven motion pictures to be presented this quarter by the Speech and Drama department, Mrs. Virginia Vogel of the department office, said Friday.

The movies will be shown Thursdays at 4 p.m. and 8 p.m. during the quarter.

Other films scheduled are "It Happened One Night" on Apr. 3, "Open City" on Apr. 10, "Shadow of a Doubt" on Apr. 17, "The Private Life of Henry the VIII" on May 8, "Carnival in Flanders" on May 15, and "Time in the Sun" on May 27.

Season tickets for the series will be on sale this week. They will cost \$1.50 and may be purchased at the Speech and Drama office, Room 57.

Vandals Smash Audio Material

Radio, radar and sound equipment estimated at several thousand dollars was smashed and covered with lamp black during spring vacation when vandals broke into the Audio-Visual Aids storeroom, 201 S. Eighth street, according to Ray Litke, audio-visual aids technician.

Dr. Richard Lewis of the education department and Litke discovered the damage Thursday when they went to check the department's army surplus equipment.

"The culprits apparently entered by breaking off boards covering the basement windows and then departed by the front door," Litke said.

Job Director Says Work Available

Are your friends staking you to meals? Listen to this. Part-time jobs are available now, according to Mrs. Florence Cardoza, director of part-time job placement.

Mrs. Cardoza requested students who will have a change of residence or a considerable schedule change to come in and change their applications.

P.G.&E., of Third and San Fernando streets, wants a young man who lives in the Mountain View area, an accounting or business administration major. The job will pay around \$5 a day for hours from 5 to 9 p.m. about three days a week.

A job, "drawing and sketching and a little color work," is open at the Monarch Match Company, 2300 S. First street. Applicant will have to be a commercial art major who wants to work steady two or three hours in the afternoon. The job could work into a permanent position. The pay rate is open.

Leon Jacobs, 79 S. First street, wants someone to do stock work, sweep, mark sales slips and sell men's clothing on Thursday night and all day Saturday. He is needed for at least 20 hours, will be paid 85 cents to \$1 an hour.

Group Discusses RE Plans

STUDENT CHAIRMEN for Religious Emphasis week are shown here going over last minute plans with advisers. Left to right, in the foreground are Co-chairmen Len Cross and Ann Dench. Standing are James Martin, executive secretary of the Student Y; Doris Raymond, Danforth graduate; and Father John Duryea, Newman club chaplain.

RE Week's Variety Is Work of 29-Man Group

Religious Emphasis week, slated for Mar. 30 through Apr. 4, will feature a variety of activities planned by a committee of the College Religious council, with faculty advisers assisting. Len Cross and Ann Dench are student co-chairmen in charge of planning and carrying out the activities of the week. The kick-off panel discussion to be held Sunday at 7:30 p.m. in the Morris Dailey auditorium, was organized by George Briggs, with Mr. Wilbur F. Luick, instructor in speech, advising.

"This I Believe," a series of speeches by noted religious leaders, was organized by Byron Rose and Ed Klein, Carol Larson and Jean Ann Bailey, with the advice of Mr. Elmo Robinson, professor of philosophy, planned panel discussions.

Movies, which will occupy a major part of the activities on Tuesday and Thursday, were arranged by Bob Fossgreen and Jack Coultas. Alvin Bielby organized the "Art in Religion" program which will take place on Tuesday evening. Orchesis, modern dance group, will perform an interpretative dance based on a scripture. Mr. William Erlendson is adviser for this program.

Morning worship will take place four mornings in the new Chapel, which is to be dedicated at special services this Friday. Tom Berrey is in charge of this activity. Morning worship on Friday will be held in Newman hall.

Friday evening's banquet was planned by Bob Friedman, with Jeanne Saxon, Mary Ruth Morse, and Elaine Swanson in charge of dinner. Don Frevert and Dave Cone are in charge of tickets. Members of Spartan Spears and Spartan Shields will wait table.

Financing is in the hands of Lauren Swanson and Ronnie Kuykendall. Publicity is under the direction of Gerry Sartain and Ed Wright with Lowell Pratt, college public relations officer, as adviser.

Bob Dean is in charge of posters and Nan Granewich arranged for programs. Visitations to fraternities and sororities was planned by Grace Griffel and George Coakley, and to other living groups by Beverly Blockie.

A display of religious art and books is to be shown in the Library and in front of the Morris Dailey auditorium. Diane Reece is in charge of the display.

Ushering will be done by members of Alpha Phi Omega and Blue Key fraternities. The Seekers, Methodist organization, will be hosts Tuesday night.

Grade Photostats

Students are asked to bring photocopies of grade with them when they register to facilitate the registration process and save time, C. W. Quinley, acting registrar, said Friday.

Spartan Skiers Return Home From Trying Week at Donner

The last remnants of a 170 Spartan ski group returned to San Jose over the weekend after spending a snowbound and partially unilluminated week's vacation at Donner Summit.

A mild epidemic of respiratory disease was one of the many unexpected hardships braved by Spartan Ski club members during the week, according to Bill Cancilla, club president.

Cancilla, along with the majority of the club members returned home late Thursday. Approximately 60 persons stayed on in order to get in some skiing time he said. Up until the time Cancilla left, there had been just three hours of permissible ski weather.

In addition to the epidemic, telephone and power lines were cut off at the summit.

First word from the snowbound group was received by the mother of Don Crawford. Crawford phoned from a nearby store, where he and Cancilla had hiked to seek a

Library Hours

The Library will be open today and tomorrow from 8 a.m. to 5 p.m., Miss Joyce Backus, head librarian, announced Friday.

Beginning on Wednesday, regular hours of 8 a.m. to 10 p.m. will be observed during the quarter, she said.

Ruling Will Affect Technical Students

Technical students will not be permitted this quarter to sign into any one and one-half-hour class or into any class numbered 100 or above, according to Dr. Harrison F. Heath, coordinator of technical services. The ruling was made recently in Sacramento.

Only one, two or three-hour classes may be taken by these students.

Dr. Heath also said that the new mimeographed technical bulletin will be available at the technical table on registration days to aid the students with the new J numbers.

SAN JOSE STATE COLLEGE

Vol. 40 SAN JOSE, CALIF., MONDAY, MAR. 24, 1952 No. 108

SJS To Dedicate Chapel on Friday

The almost-completed Chapel will be dedicated by special ceremony at 11 a.m. Friday, Mar. 28, James Martin, chairman of the Chapel Dedication committee, said last Friday. Because of limited space, the service will not be open to everyone.

Each campus organization is invited to appoint one representative to attend the dedication, according to a committee decision. These representatives must obtain tickets from the Graduate Manager's office on or before Thursday, he added. Shortly before the dedication begins, ticket restrictions will be removed and members of the student body may fill the chapel if they wish, Mr. Martin said.

Spring Dance To Be Tonight

Tonight (Monday) the spring quarter registration dance will be held at the Civic auditorium from 9 to 12 o'clock.

Admission to the dance is free to all ASB card holders. Dress will be campus wear.

Music is to be furnished by Merle Howard and his orchestra. Nick Esposito will be the featured performer.

Howard has played with Spike Jones and his orchestra and with bands of Tommy Dorsey and Henry Busse.

The dance is sponsored by the Social Affairs committee, of which Cliff Lindsey is chairman.

Chaplain Howard Scholten, now on active duty at Mather Field, will speak. Chaplain Scholten was formerly assistant pastor of Trinity Episcopal church in San Jose.

The Chapel is to be dedicated so that it will be available for morning worship services during Religious Emphasis week. It also can be used for weddings, fraternity initiations, morning communion services and evening vespers.

La Torre Booths To Take Orders

Students will have the opportunity to order 1952 La Torres at gym booths during today's and tomorrow's registration, according to Norman Brown, yearbook business manager.

Brown stated that 500 fewer yearbooks will be printed this year than last.

Organizations who have not yet had their photos taken are cautioned, by Co-editors Arturo Moreno and Jane Scott, to observe appointments without fail, as it is too late to reschedule appointments.

Organizations scheduled to have photos taken this week include: Spartan Chi and Phi Mu Alpha, Tuesday; Sigma Kappa sorority, Wednesday; Alpha Chi Omega sorority, Thursday, and Chi Omega sorority, Friday.

The Weather

Today is National Be Kind To Lapidary Majors day. Don't sneer, Sturdley, if you register late you may be one yourself. Like I always say there's nothing like curling up with a lapidary on a cold day.

Prediction: Something will happen. Better you should spend time with popcorn, sauerkraut juice reading up on the "Social Life of the Lapidaries" by I.M. Rock.

Class Schedule Changes

Following are the class schedule changes for spring quarter as released by C. W. Quinley, acting registrar:

BUSINESS: 10:30 Bus. 183 is Sales Management (not Buying for Retail Stores as shown in schedule).

ENGLISH: Add: 1:30 Engl 78. Intro to Shakespeare MWF 244 So. Eighth Pearson (3). Change: 4:30 Engl 226 (By arr.) Changed from 3 units to 4. Drop: 3:30 Engl 1B. English Comp MWF 7 Pearson (3).

HEALTH & HYGIENE: Change: 11:30 HH 11 should be 1 unit, not 2.

JOURNALISM: Change: 11:30 Journ 60C. MWF moved from 305 S. Fifth, Rm. 10, to B94.

MATHEMATICS: Change: 8:30 Math 136 should be Adv. Calculus, not Algebra.

NATURAL SCIENCE: Change: Chem 1C. Changed from 11:30 to 2:20 MW to 11:30 to 1:20 MWF S124. Bact. 150 Serology. Changed from 9:30 to 12:20 MW 16 10:30 to 1:20 MW. Physics 10B. (Lab.) Changed from 2:30 to 5:20 Th to 2:30 to 5:20 F.

WOMEN'S P.E.: Add: 9:30 P.E. 2A. Begin Swim MW WG16 Prange (1/2). Change: 9:30 P.E. 2 Inter Swim WF WG16 Coombe (1/2) should be P.E. 2B.

PSYCHOLOGY: Change: 8:30 Psych 2 should be 2 units, not 3. 9:30 Psych 117B should be Intelligence Test Practice, not Abnormal Psych, in B74, not B94. 1:30 Stat 60A, changed to Stat 60B.

A Short Winded Note

No, this ain't gonna be the traditional, long-winded editorial pleading for a studious spring quarter.

Instead, it is going to be a short-winded editorial.

You probably already have received the time-worn lecture on the merits of study from your parents, your counselors, and your professors. We won't repeat their words of truth.

We are going to tell you, bluntly and simply, that you are a "darn fool" if you fail to take full advantage of the educational advantages which are available to you.

All we can do is to repeat the words of our high school civics teacher who spoke more wisdom than we realized then.

He said, "An educated citizenry will always be free." B.G.

College To Give 3 Audio-Visual Demonstrations at Conference

Elementary, secondary, and college teachers of English from San Francisco, San Mateo, Santa Clara and Alameda counties will be on campus Saturday, Mar. 29, when the central section regional conference of the California Association of Teachers of English meets.

San Jose State college will take the spotlight at the afternoon session with three demonstrations to be presented by the Audio-Visual center under the chairmanship of Dr. Richard Lewis, associate professor of education and head of the Audio-Visual center.

Use of films for teaching motion picture appreciation, a program of recorded literature and new visual materials for the teaching of elementary school reading will be demonstrated.

The morning's general meeting will feature a panel discussion of "Teaching the Language Arts Today." Chairman will be Margaret Ryan, supervisor of the teaching of English at the University of California.

Discussion groups on "Teaching Materials" and "Desirable Learning Experiences" also will be held in the morning.

Dr. Lucia Mirrieles of Palo Alto, author of "Teaching Literature and Composition," will speak at a luncheon at the Catholic Women's center. Her topic will be "Protecting Students from Failure."

Student Y To Hold Spring Open House

"Open House" will be the theme of the first Student Y meeting for spring quarter, to be held Wednesday at 7:30 p.m. in the Student Y, Katie Lambert, president, said Friday.

Get-acquainted games, group recreation, ping pong and singing are scheduled evening activities under the direction of George Erhart, recreation chairman. Refreshments will be served.

"All new students, as well as old-timers, are invited to come for an evening of fun and friendship," Miss Lambert said, "and to learn about the Spring Planning day scheduled for Saturday."

Graduate Plans Air Force Career

After trying the sea and ground forces, Lt. Francis M. Wildman, 1950 Spartan graduate, has decided to make the Air Force a career, according to a public information release from the Northeast Air command.

Lieutenant Wildman is a squadron adjutant at Pepperrell Air Force base near St. Johns, Newfoundland.

Joining the Marine corps in 1940, he served in Iceland and New Caledonia before transferring his allegiance to the Navy Air corps. He returned to the Marines after three years in the Navy.

Wildman left the service and entered San Jose State college in 1948, receiving an AF ROTC commission at the June, 1950, graduation. He then returned to the active duty with the Air Force.

Just Among Ourselves

By DR. T. W. MacQUARRIE

The Memorial Chapel will not hold all of you so we'll have to do some rationing. However, it is the hope of the Chapel committee that all groups interested will have at least one representative at the dedication exercises Friday morning at 11 o'clock.

The committee recently has received so many inquiries about marriage dates that it has decided to hold the dedication right away.

Not more than 100 persons can be accommodated. It will be necessary to invite a good many off-campus people, alumni and other friends, and that will leave space for just about 50 of us.

With all campus organizations which would like to be represented—student body, classes, societies, clubs, social and professional organizations—please select one member to attend? The name of this person should be reported to the Graduate Manager's office immediately, certainly not later than Wednesday. Then, if we have space, others will be invited. If certain individuals have special reasons for attending, they also should hand in their names, with a bit of explanation.

Will all group officers who may have this responsibility, please make their selection right away?

Now is a good time for the dedication. While the Chapel is not finished, it is in pretty good shape, and, anyway, Religious Emphasis Week begins next Monday.

Chaplain Howard Scholten, whom many of you know, will make the address.

NYU Health Head To Address Clubs

Dr. Jay B. Nash, head of the department for health, physical education and recreation at New York university, will speak at the college on Thursday, Mar. 27, at 7:30 p.m. in Room 22 of the Women's Physical Education building.

The talk is sponsored by the men and women majors in physical education and recreation and the Women's Athletic association.

Dr. Nash is the author of many books on physical education, recreation and camping. He is director of the summer camp for graduate study in health, physical education and recreation at New York university and is a pioneer in the American Camping association.

SJHS Seniors Will Inspect College in April

Students from San Jose high schools will get a birds' eye view of campus activities and advantages when they tour the campus Apr. 22 on the college's annual visitation day.

Miss Helen Dimmick, dean of women, will describe college activities and Dr. Dwight Bentel, head of the journalism department, will show a pictorial history of the college to the seniors during a general assembly in the Morris Dailey auditorium at 8 a.m.

Welcoming addresses will be given by Dr. T. W. MacQuarrie, college president; Lud Spolyar, student body president; JoAnn Keeler, AWS president; and Marvin Scarper, AMS president. Dr. Earle P. Crandall, superintendent of schools, will preside.

The students will spend the remainder of the morning touring college departments in which they have shown a particular interest.

Summer Terms Stress Shops

The college summer session from June 23 to Aug. 29 will feature five special workshops in kindergarten-primary methods, school supervision, cafeteria management, cafeteria supervision and citizenship.

Dr. Raymond M. Mosher, dean of education services and summer session, stated that students may earn a full quarter's credit of 15 units by attending both the six-week session from June 23-Aug. 1 and the four-week session from Aug. 4-Aug. 29.

A demonstration school for student teachers and graduate courses for those seeking credit for M.A. degrees also will be included in the program.

The workshops on cafeteria management and supervision will be given during the second session starting Aug. 4. Subjects covered will be equipment, state and federal policies, training personnel, planning, menus, nutrition, accounting, and general management.

Campbell Quits Congress Race

Dr. Earl C. Campbell, professor of political science, declared last week that he is out of the race for a seat in the House of Representatives from the 10th Congressional district.

His decision not to run came shortly after an announcement that he would not seek re-election to the Santa Clara county Board of Supervisors, on which he has served one four-year term.

"A combination of circumstances... both personal and professional" which would be "of little interest to the public" brought Dr. Campbell to his congressional decision. These circumstances, he said, "will not permit me to seek office at this time."

Teacher Trainees

Elementary student teachers will receive orientation notes for spring jobs this morning at a meeting in the School Administration building of the San Jose Unified School district, Miss Doris Robinson, director of teacher placement, announced Friday.

One hundred and seventy-five teacher-trainees will be placed in city and county elementary schools this afternoon for the first practice period of spring quarter. The period ends May 2.

Cal Vets Find Used Textbooks Assist Budgets

More than ever before, now that they must pay cash for books and supplies, veterans under the California State Education Program are realizing that California Book Company is synonymous with the secondhand textbooks that stretch their budget dollars.

CalBook each term scours the country's college bookstores for secondhand texts, especially those never before used on this campus, for the benefit of students with limited finances, who now include CalVets despite increases in their subsistence.

To assure themselves of getting used texts, slide rules, drawing sets and many similar supplies, students must go to CalBook as soon as they've registered, for secondhand items sell out rapidly.

At CalBook they need only to hand a clerk their registration cards, specifying that they want used books wherever possible, and the clerk, by referring to course requirement lists, will obtain all their needs for the term at one time.

Full refunds are given by CalBook on all purchases for the first 10 days of each term to protect students who drop or change courses.

Meetings

AND ANNOUNCEMENTS
P.E.—Recreation Majors: Dr. Jay B. Nash, head of the physical education department at New York university, will speak at 7:30 p.m. Thursday in the Women's gym.
Revelries' Production Staff: Meeting today at 4:30 p.m. in Room 8 of the Bible college.
Student Y: Open house to be held Wednesday at 7:30 p.m. at 272 S. Seventh street.

College To Give Comedy, 'There's Always Juliet'

"There's Always Juliet," J. Van Druten's humorous comedy, will be the first spring quarter presentation of the Speech and Drama department, according to Mrs. Virginia Vogel of the department office.

The play will be presented Apr. 25, 26, 28, 29, and 30 in the Little Theater. Miss Elizabeth Loeffler, assistant professor of speech, will direct.

Story of the play deals mainly with the adventures of a young

attractive English lady, Leonora Perrycoste, and the handsome American, Dwight Houston, who first meet at a tea party. After two days of lunching together, dining together, and motoring in the country, they fall in love.

Principals in the cast will be Ruth Dougherty as Leonora Perrycoste and Gerald Charlebois as Dwight Houston. They will be supported by Joan Skrobecki, who will play Florence and Douglas Murray, who will enact the role of Peter Walmsley.

Drama followers will remember Miss Dougherty, a freshman, for her roles as Mrs. Savage in "The Curious Savage," Sybil

in "What Every Woman Knows," Louise in "Nights of Wrath," and Bianca in "Othello." Her outside dramatic experience includes four years in the San Jose Theater Guild, during which she played leads in "Arms and the Man," "Night Must Fall" and "The Hasty Heart."

Charlebois, also a freshman, has had roles in two college plays. He played Othello in "Othello," and Rivoire in "Nights of Wrath." He has done five years of theater work in the Repertory Playhouse in Seattle.

A freshman and the youngest player in the cast, 19-year-old Miss Skrobecki will be enacting her second role at the college. Her only other part was that in "Thursday Evening." She has had experience, however, with the Detroit Contemporary Theater.

Murray, a junior, has performed in three college plays. He played Andrey in "Three Sisters," Shem in "Noah" and Gratiano in "Othello."

Student Y Will Offer Course On Summer Camp Counseling

A special course on Summer Camp Counseling will be offered again this spring quarter by the Student Y, according to Miss Carolyn Lawson, chairman of the planning committee.

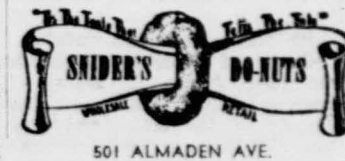

Starting on Wednesday afternoon, Apr. 16, the class will meet on five successive Wednesday's from 3:30 to 5 p.m. at the Student Y, 272 S. Seventh street.

Purpose of the course, Miss Lawson stated, is to give prospective summer camp counselors an introduction to what they may expect and what is expected of them as a counselor.

The philosophy and organization of various types of camps, working with groups of normal children, how to handle camper problems, nature study, camp crafts, health

and safety, a cook-out and camp-fire program and an all day camping experience will be included in the course.

Students wishing to enroll are urged to sign up at the Student Y some time during this week, Miss Lawson said. A registration fee of \$1 will be charged to cover expenses for the cook-out, mimeographed course notes and individual certificates.

Teaching Position Interviews Slated

Secondary school candidates interested in placement at San Diego county, Fresno, or Siskiyou county will have an opportunity to talk with school administrators from these areas soon, Miss Doris Robinson, director of teacher placement, announced Friday.

Representatives from elementary schools in Los Angeles and San Mateo counties, San Lorenzo, and San Diego also will be on campus to discuss jobs with teacher trainees, she said.

"Anyone who wishes an interview should check with the Placement office, Room 100," she said.

Ice Age Returns

The return of the ice age? It was for members of the Death Valley Nature school. According to a post card sent to workers in the Natural Science department the amateur scientists spent their holiday digging for crustaceans and basalt through layers of snow.

The message from Mrs. Marion Donnan, secretary in the Science department, and Jeanie Nieri, general elementary major, read "It's snowing."

Eleanor Stone, Robert Brady Wed in Stockton Ceremony

Eleanor Stone became the bride of Robert Brady in a double-ring ceremony Mar. 16 at the Morris Chapel in Stockton. Dr. Benjamin Smith and the Rev. Marvin E. Smith officiated at the wedding.

Matron of honor for the bride was Mrs. James E. Brown of Stockton. Betsy Amich, sorority sister of the bride, and Mrs. George Rolkes of Stockton were bridesmaids.

Kenneth Brady served as best man for his brother. Guests were seated by Don Stone, brother of the bride, Dick Morris, member of Sigma Nu, and Ron Rico and Ed Dickenson, alumni of Sigma Alpha Epsilon.

Daughter of Mr. and Mrs. Alonzo W. Stone of Stockton, Eleanor is a senior education major on

campus and a member of Kappa Alpha Theta sorority.

Robert, son of Mr. and Mrs. D. M. Brady of Weaverville, formerly attended San Jose State college and now is employed in San Jose. He is an alumnus of Sigma Alpha Epsilon fraternity.

DZs To Greet Other Groups

Members of the Gamma Lambda chapter of Delta Zeta sorority will serve as hostesses for the annual state day to be held Apr. 26 at Hydda Lil' in Los Gatos.

Sorority chapters from the University of California, UCLA, USC, and San Diego State college will participate in the affair.

Registration will be followed by discussion groups for both college and alumni chapters. After a 12:30 p.m. luncheon, the San Jose chapter will present a skit with a "New Orleans" theme which will be used throughout the program.

Charleen Little Is Ex-Spartans Say Vows Bride of W. Arnberg

Charleen Little, assistant to Public Relations Director Lowell C. Pratt, and Seaman William L. Arnberg became Mr. and Mrs. on Mar. 8, when they eloped to Carson City, Nev. The wedding ceremony was performed by the Rev. John L. Harvey, pastor of the First Presbyterian church.

The daughter of Mr. and Mrs. George Little of San Jose, Charleen was graduated from San Jose State college in June, 1951, with an A.B. degree in journalism. She has been employed by the college since September.

Seaman Arnberg presently is serving with the United States Coast Guard at Government Island, Alameda. He is the son of Mr. and Mrs. Fred Arnberg of Gilroy.

The couple are living in San Jose.

Dale Dyke became the bride of Robert Craddock in a candlelight ceremony recently at the Church of Christ in San Jose. The Rev. Elmore Evans officiated.

Maid of honor for her sister was Diane Dyke, and Ed Craddock, brother of the groom, served as best man.

Ushers were Howard Burkhart, George Raney and Dennis Dyke, brother of the bride.

A reception was held in the church social hall following the wedding.

The daughter of Mr. and Mrs. Elbert Dyke of San Jose, Dale was formerly a freshman education major at San Jose State college

and a member of Delta Zeta sorority.

Her husband, also a former Spartan, is now employed in San Jose, where the couple will make their home.

Students Save 25% Buy Texts Before First Class Meets

Savings of 25 per cent, plus one-trip buying convenience, are realized by a growing number of students who have learned California Book Company's course-requirement lists make it unnecessary for them to attend classes before getting their needs.

By coming in immediately after registering, they have the best chances of obtaining used texts before they are all sold. California Book Company, through its contacts with all the nation's other college stores, obtains fine second-hand copies of many texts never used on this campus before.

To protect students who drop or change courses, CalBook gives full refunds for the first 10 days of each term. So wise students have nothing to lose and everything to gain: "Come early, hand a clerk your Reg-Card and save money, get everything in one trip, avoid the class-day crowded rush," CalBook urges.

Many courses do not require texts or supplies, and the CalBook lists state so. Moreover, additional savings of from 25 to 50 per cent can be realized by selling texts back to CalBook at the close of the term.

Smoke Signals

Alpha Tau Omegas recently held a new version of the "smoker" at the chapter house. Four boxes of El Refo cigars were passed to announce an engagement and three pinings. Jack Holland, assistant professor of commerce and adviser to the fraternity, first revealed his engagement to Miss Lillian Lytle, of the commerce business office.

Brothers Bill Pitcher and Rich Bryan tossed their cigar boxes into the "ring" with the announcement that Kathy Santiago and Diane Hansen, Delta Gammas, now are wearing their fraternity pins. Nancy Ann Childrey, Kappa Alpha Theta, now is owner of "Bachelor" Bill Arnell's ATO pin.

Lambda Chis "lose" pins

Tony Chiavetta, Lambda Chi Alpha, is now pinned to Sally Davis, sophomore general education major. Church Milis recently gave his Lambda Chi "ewel" to Carolyn Kuni, Chi Omega. The girls each were presented with a white rose, the fraternity flower.

Be Happy-GO LUCKY!

I study hard for each exam,
And all I get is C.
But I get A's on smokers' tests
With L.S./M.F.T.
Barbara J. Mayer
University of Wisconsin

The play was o'er, the curtain drawn,
The cast was now at ease.
Said seconds, stars and stagehands, too,
"A Lucky, if you please!"
Stan Book
West Virginia University

In a cigarette, taste
makes the difference —
and Luckies taste better!

The difference between "just smoking" and really enjoying your smoke is the taste of a cigarette. You can taste the difference in the smoother, mellower, more enjoyable taste of a Lucky . . . for two important reasons. First, L.S./M.F.T.—Lucky Strike means fine tobacco . . . fine, mild tobacco that tastes better. Second, Luckies are made to taste better . . . proved best-made of all five principal brands. So reach for a Lucky. Enjoy the cigarette that tastes better! Be Happy-Go Lucky! Buy a carton today!

L.S./M.F.T.-Lucky Strike Means Fine Tobacco

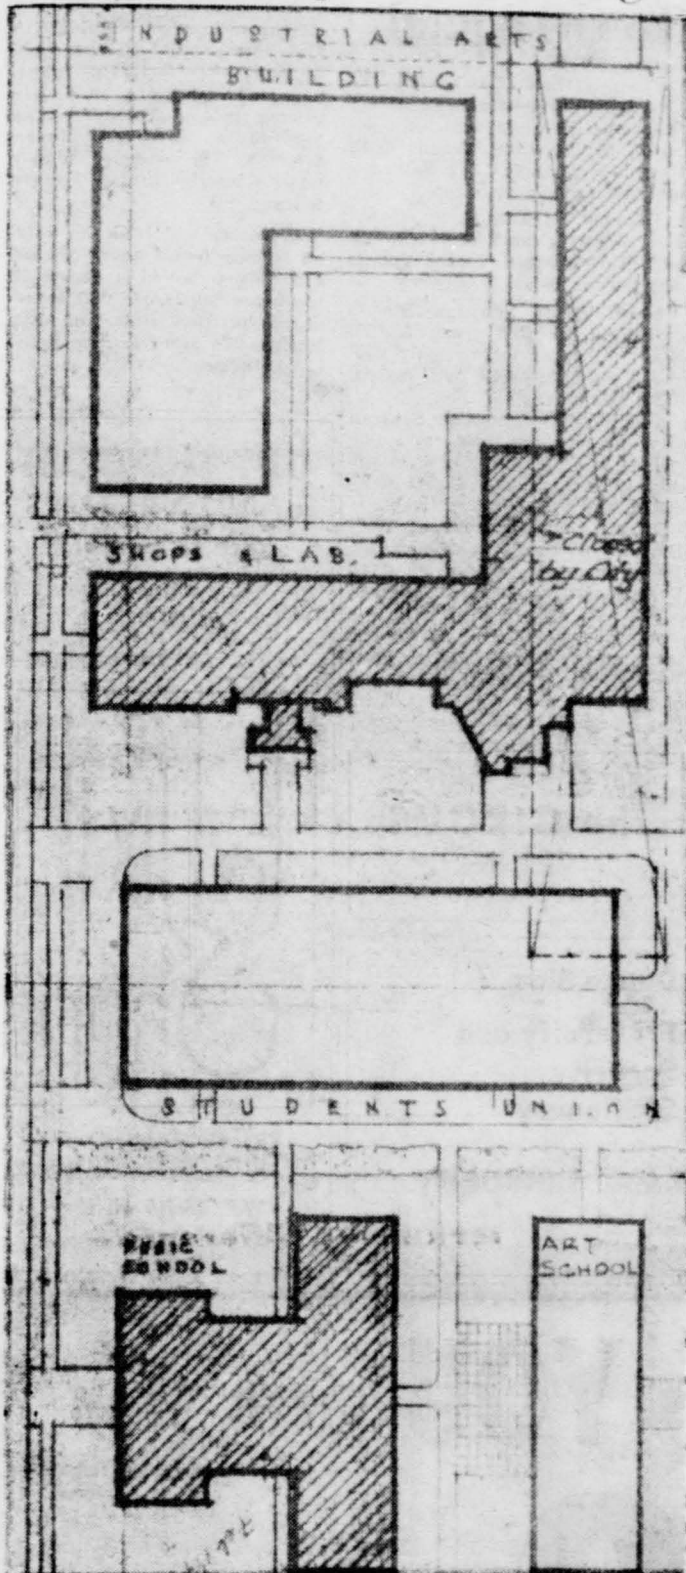

When politicians rave and rant,
I just sit back and gloat,
For better-tasting Lucky Strike
Will always get my vote!

Plans of Proposed Buildings

CRYSTAL BALL GAZING—When proposed construction is completed, part of Spartan campus will look like this. Cross-lined areas show buildings already under construction—the Engineering structure on S. Eighth and San Antonio streets, and the Music building between San Antonio and San Carlos streets, and Seventh and Eighth streets. The Industrial Arts, Student Union, and Art edifices are included in the "master plan" of the future. The Industrial Arts structure will be on S. Seventh and E. San Fernando streets, where the Technical high school now is located; the Student Union will be on S. Seventh street, across from the Home Economics building; and the Art building will be built at S. Ninth and E. San Fernando streets. These edifices are seen through a rather cloudy crystal; their construction is marked far down on the list of future classrooms for SJS students. In particular, plans for a Student Union are formulated with few concrete details but with much hope and enthusiasm. At present, committees are hard at work on realizing the project.

Speech, Drama Building Next on List

NEXT IN LINE to be constructed at San Jose State college is the Speech and Drama building, to be located between the present Student Union and the San Jose Technical high school. Letting of bids for the \$800,000 building is slated for Apr. 15, a change from the Mar. 21 date, requested by Ruel Taylor, college plant adviser for the State Department of Education.

Clubs To Initiate Leadership Talks

A four-week leadership training program will begin this quarter on Apr. 8, Don Kortez, student chairman, announced Friday. The series ends Apr. 29.

"We would like all on-campus organizations to send at least two representatives to the series," he said. A sign-up sheet will be at a booth outside the Men's gym, at the Student Union and at the Student Y on both registration days.

Five topics will be covered in the Tuesday 3:30 p.m. sessions in Room 8 of the Women's gym, Kortez announced. They are planning helps, leading a group discussion, conducting a meeting according to parliamentary procedure, skills and qualities a leader should have and giving a presentation or talk.

The program has been planned by representatives from Student Council, AWS, Alpha Phi Omega, Student Court, junior class, Pan Hellenic, and Student Y. Students participating are Lud Spolyar, Carol Larson, Virginia Cox, Margaret Murphy, Lee Leidig, Bob Dean, Ingrid Andersson, and Kortez.

Zags Upset in Finals

Boxers Win PCI Tournament

By WALT ROESSING

Coach Dee Portal's Spartan boxers came through when it counted most in a brilliant windup to upset Gonzaga's highly touted Bulldogs for the Pacific Coast Intercollegiate championship Saturday night in Sacramento's Memorial auditorium.

Led by Chuck Adkins, Jerry Stern and Don Camp, who won individual crowns, the Golden Raiders rang up 31 points to runnerup Gonzaga's 24 markers. Washington State followed in the point column with 23 tallies, with Idaho scoring 20, Idaho State 18, UCLA 5, and California, Cal Poly and Cal Aggies, 0.

The Spartans had five men entered in Saturday night's finals while the Bulldogs had qualified seven contestants for the ten-bout affair. Gonzaga fell completely apart, however, and only 165 pound Roy Kelley was able to win his division crown.

Adkins, San Jose's top boxer, had too much class for Arlen Poole of Gonzaga and easily won the championship bout in the 139 pound class. It was strictly no contest as Adkins waltzed through three rounds with his foe. The crowd of 6500 was dazzled by the clever Spartan's class and skill in making the title bout appear as just a gym workout.

In the 147 pound bout, Stern had to go all out to defeat Bob Dossey of UCLA. Stern who was forced to box his best to win close quarter-final and semi-final decisions, went into the final round of the match with only a slight margin.

The classy Spartan slugger came tearing out of his corner as the bell sounded for the third round, to pummel his opponent into submission with every punch in the book and had the Bruin reeling on the ropes at the finish.

Camp, 125, had a comparatively easy time of it in the finals against Gordon Simanton of Gon-

DEE PORTAL
... Boxing Coach

zaga. Using a solid left jab and hook to keep his foe at bay and countering with blazing right crosses and hooks, Camp rocked his foe on numerous occasions but was never quite able to put him away.

In the 112 pound event Ernie Paramo dropped a decision to hard hitting Victor Kobe of Idaho State while in the 165 pound match Kelley of Gonzaga finished fast to stop a game but quickly tiring Stan Marcell.

Al Accurso, Vic Harris, Bill Mendosa, Darrell Dukas and Paul Reuter, were unable to win any bouts in their divisions in the quarter-finals Thursday or semi-finals Friday of the PCI.

Spartan Teams Score Wins

Golden Raider swimmers and boxers registered impressive wins during the vacation period.

Last week the locals journeyed to Tucson and took a double triumph from the University of Arizona natators, by scores of 72-12 and 52-31.

Wednesday night the Spartan swimmers were dunked by a strong California Bear squad, 58-26, in the campus pool.

The boxing team pounded out a 9-2 victory over San Francisco State on Thursday night in an Exchange Club benefit program at Redwood City.

Only three members of the varsity boxing team competed in the event which saw Vic Harris turn in his best effort of the season by scoring a technical knockout in 1:58 of the first round over San Francisco's Bill Ravilla.

State College League Slated

A proposed conference of state colleges tentatively was approved recently by representatives of ten California state institutions in San Francisco.

The new league was named the California College conference. It would be split into two divisions if approved by the College Presidents' council meeting at San Diego, Apr. 23-24.

As proposed, the conference would be split into Northern and Southern divisions. In the former set-up would be Humboldt, Sacramento, San Francisco, Chico, San Jose and Fresno. In the Southern division would be Cal Poly, Los Angeles, Long Beach and San Diego.

Other colleges may enter the conference if it is officially established.

President T. W. MacQuarrie said Friday that such a league appeared likely. "Something of the kind will be done," he said.

Track Team Drops Opener To OC Squad

Opening their 1952 season, the Spartan track and field team dropped a 76 to 55 dual meet decision to a veteran laden squad from the Olympic Club Saturday afternoon at Spartan Field.

Winning six first places, Coach Bud Winter's tracksters showed surprising strength in the sprints and middle distance runs.

Herm Wyatt, San Jose State's candidate for this year's United States Olympic team, easily won the high jump event with a 6 ft. 4 3-4 in. mark.

Bob McMullen, another Spartan Olympic hopeful, was a double winner with victories in the mile and two mile runs. Times were 4:29.1 and 9:51.8, respectively.

Setting a new meet record, Walt Burnett garnered the 440 in 49.7. Ivan Summers, a transfer from Pasadena City college, sprinted to a 21.7 win in the 220 yd. dash.

A product of last year's college intramural meet, husky Jack Wenzel paced the Spartan sweep of the javelin with a 179 ft. 1 in. toss.

Krikorian in Tennis Loss

Spartan tennis ace Butch Krikorian was upset in the semi-finals of the Northern California Intercollegiate Tennis Championships at Berkeley on Saturday by Cal's Cliff Mayne, 6-1, 6-4. The campus netman was runnerup in last year's tourney.

Krikorian will lead the Golden Raider tennis team against Cal Poly today in a match on the home courts. He will be assisted by Don Gale and Bob Phelps, two other leading Spartan netmen.

College Nine To Battle Oregon, USF This Week

San Jose State college's baseball nine will attempt to play three contests this week in the Municipal stadium if rain doesn't once again force cancellation.

The Spartans are scheduled to face the University of Oregon club Thursday and Friday and the University of San Francisco Dons Saturday in day contests at Municipal stadium.

Because of the lengthy rainy season this year, the local club has had difficulty getting into shape for the forthcoming baseball campaign. Inclement weather has disrupted practice and has forced cancellation of all but two of the 10 games slated prior to the opening of spring quarter. The five-game trip to Merced, Fresno and San Luis Obispo was rained out last week.

The Oregon club has been rated as a darkhorse in the Pacific Coast conference race this season and poses a tough obstacle for the Spartans to overcome.

Rated as one of the top baseball clubs in the West, the San Francisco Dons come to the city Saturday with an unbeaten record. The Bay City team's record has been only marred by a tie with Stanford.

Ed Rommell, an outstanding third sacker, and Don Thollander, a top pitcher, are the pacesetters on the San Francisco nine.

Coach Walt Williams still is experimenting with the Spartan lineup, since the locals have only been tested in two games so far this spring. The Spartans dropped a 7-6 decision to Stanford and a 7-2 tilt to the alumni team.

A transfer from San Mateo, Bob Poole, is set as the club's catcher. Two lefthanders, sophomore Johnny Oldham and senior Jim Collins, head the pitching staff, backed up by hurlers Pete Fazio, transfer from Santa Ana, and Lloyd Brown, transfer from Oregon university.

Clair Parkin, highly touted transfer from Stockton, has been granted a reprieve from Army duty until summer and his re-

turn will add considerable strength to the pitching staff.

Battling for the first base spot are veteran Ed Hallberg and Jack Goetting, a transfer from Santa Ana. At the keystone sack freshman Jack Richards and sophomore Ron Palma are battling it out for starting honors. Cookie Camara, junior letterman, is firmly entrenched at shortstop, with Senior Bob Glaves and Sophomore Bill Pitzer vying for the third base position.

Andy Miller, the leading swatter of the '51 nine, and Joe Bon-

JOE BONFIGLIO
... veteran outfielder

figlio, a seasoned veteran, have apparently cinched outfield positions. The other garden post is being sought by Bill Fielder, a converted catcher, Ralph Cleland, veteran flychaser, sophomore Milt Manoukian and freshman Dick Brady.

Red Sox Rookie

Walt Johnson, Spartan captain last season who caught and played both infield and outfield, will report for practice Mar. 27 with the San Jose Red Sox baseball club, Bob Freitas, the team's business manager, has announced.

Golfers Will Face Oregon In First Match Tomorrow

The Spartan golf team will receive its first test this season with a match tomorrow against Oregon, followed by the annual Northern California Intercollegiate at Stanford Thursday and Friday.

A sprinkling of veterans and several good, new men comprise this season's aggregation, which Coach Walt McPherson hopes will prove comparable to the stellar links teams which have represented San Jose in previous years.

The locals were edged out by Stanford last year for the NCI crown. Stanford will be favored to take the tourney this season with the Spartans, twice winner of the NCI, the closest threat.

Ken Venturi, currently the

California Amateur champion and one of the top golfers in Spartan history, is the squad's top competitor. Last season, when the locals amassed a 12 won and 2 lost record, Venturi averaged less than 69 strokes a round.

A prime contender for the Walker Cup team, Venturi won the individual NCI crown last year and will be favored Thursday and Friday to take medalist honors.

Behind Venturi is Gordy Williams, young sophomore, who has won a host of junior honors in northern California matches. Veteran Bill King, like Venturi a graduate of Lincoln high school of San Francisco, will probably play in the number three spot.

Gene Broderick, another soph-

omore and like Williams from San Jose's Lincoln high school, is next in line on the squad.

Currently competing for the fifth spot on the team are veterans Bucky Levin and Wally Regan. Stan Gum, a teammate of Williams and Broderick at Lincoln high, also is stroking for the number five position.

A possible late starter is Henry Solario, one of the most highly-touted juniors in California, who is due to register here this week as a transfer from Modesto junior college.

Artie Christopher, Jerry Melser, Pat Milligan, Bob Snyder and Gus Zongus are other leading candidates for the golf team.

Campus Interviews on Cigarette Tests

No. 36...THE OTTER

A usually mild-mannered and easy-going lad, he really made the fur fly when he realized the trickiness of most of the so-called cigarette mildness tests! He knew there was one honest test of cigarette mildness. Millions of smokers everywhere know, too — there's one true test!

It's the sensible test . . . the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke — on a pack-after-pack, day-after-day basis. No snap judgments! Once you've tried Camels in your "T-Zone" (T for Throat, T for Taste), you'll see why . . .

After all the Mildness Tests . . .

Camel leads all other brands by billions
