Seniors Swing Into Action on Plans for Trip

Plans for the Senior Overnight took form Monday in the Senior class council meeting. The Overnight will be held Feb. 7 and 8 at Strawberry lodge near Lake Tahoe. Alice Dougherty, committee chairman reported.

Registration will be Dec. 1 to 12. A nonrefundable deposit of \$5 will be required at that time.

Total cost of the Overnight—transportation, food and lodging—will be \$15, Miss Dougherty said.

The council gave final approval to a proposed constitutional amendment which enables the council to drop persons from membership "who have not attended three consecutive meetings sometime during the three quarters previous to removal."

Council members feel it will be easier to raise a quorum now that it is possible to drop members inactive more than three quarters.

Baccalaureate Committee Chairman Ed Jacobowsky reported he was unable to contact the right authorities in regards to securing the use of the Rose Gardens for June baccalaureate.

The committee will report next week.

Rita Raggazino was appointed chairman of the Senior Ball committee and Mary Lou Carli was appointed chairman of the Senior Gift committee.

Students Drop Anti-Meter Petition Action

Withdrawal of opposition to the immediate installation of parking meters on portions of Fifth and Sixth streets in the vicinity of Santa Clara street was the result of a compromise, according to Jerry Ball, student body representative on the joint college-city parking committee.

Arthur Philpott, city traffic analyst, has given his approval to plans for angle parking on Eighth street between San Antonio and San Carlos streets. This move, if passed by the City council, will give the college nearly 50 additional spaces. This, along with the removal of parking restrictions around the old high school, will more than offset the number of spaces lost to the meters, Ball said.

"The college gave the city the go-ahead on the installation of the meters because we realized that a solution to our immediate problems was near," Ball added. "This will allow the merchants to receive the benefits of the meters during the Christmas rush."

Eighth street will become one-way between San Antonio and San Carlos when Mr. Philpott's recommendations are accepted by the council. A similar arrangement for portions of Fifth and Sixth streets south of the college now is under study by the committee.

"The parking situation is a problem of the city, the merchants and the college and not of anyone group alone. By working together we are coming to solutions which are agreeable to all parties concerned," Ball said.

Rally Becomes Talent Show

A pre-Montana game rally will be held in Morris Dailey auditorium at 8 o'clock tomorrow evening. Chuck Wing, Rally committee chairman, reported yesterday.

"This should be the most entertaining rally presented this year," Wing predicted. It will be a variety show, and will feature some of the talent from the very successful Homecoming variety show of last week, he said.

Ron Wren and Jerry Ball are in charge of the show.

Box Brought Back

—photo by Parker

VIA PADDY WAGON (believe it or not) San Jose Police returned one missing Spartan Daily box and Senior bench base to the Daily office Friday. The articles were picked up with three Fresno State college students by the city's finest following the SJS-Bulldog tilt, Oct. 10. Gaping in amazement at the return of the box is Ed Wright, ad representative, as (l. to r.) Officer Russ Fannucchi, Ed Walthers, business manager, and Gelso Gualco, ad representative, help unload the missing box from the paddy wagon.

Daily Editor Escapes Injury in Auto Collision

The Spartan Daily nearly lost its top man early Monday morning when Editor Walt Roessing was involved in a 50-mile-per-hour head on auto accident on the "Bloody Bayshore."

Driving down from San Francisco at 6:30 a.m. to make an early morning class, Roessing's car momentarily went out of control when he attempted to stop for a red light

in an area of heavy fog and damp pavement near Holly road—the San Carlos turn-off.

The Daily editor-in-chief's 1941 model club coupe spun around and came to rest facing back toward San Francisco. "I gave a big sigh of relief," said Roessing, "and then looked up to see this other car coming right for me."

Braced for the collision, Roessing received only a bruised right knee. The driver of the other car, Morris Martin, 406 Arlington road, Redwood City, was knocked unconscious at the moment of impact when his head struck the windshield of his '50 model sedan.

On regaining consciousness, he estimated his speed as 50-miles-per-hour when he saw Roessing's stalled car appear out of the fog.

Both cars were heavily damaged about the front end and had to be towed away. Investigating officers made no citation.

Roessing rode the tow-truck to a nearby garage, telephoned his wife to pick him up, and came on to San Jose.

But too late for that early class.

Court Status Being Probed

A special Student Court committee met with President John T. Wahlquist Monday morning to consider clarification of the court's position in student activities, according to Chief Justice Don Binder.

Dr. Wahlquist was interested in the problem, Binder reported, and urged further investigation and analysis of it.

Future action will be taken by the committee, which plans to probe into details of the clarification, according to Binder.

'Key' Is Orange

Twenty-five hundred Blue Key student directories will be available to students Friday. The directories, done in orange leatherette, will be sold by members of Blue Key, honorary service organization for 35 cents a copy.

Juniors Select Nigro's Band

"Tony Nigro's band has been selected to play for the Junior class-sponsored after-game dance Friday in the Women's gym, it was announced at Monday's meeting of the class council, Dave Doerr, class president, announces.

John Furey, a representative of the Fairness committee, spoke to the group, discussing the purpose and function of the committee, Doerr said.

An "Old Fashion" theme has been selected for the Junior-Senior mixer to be held in January, Doerr disclosed.

Announced at the meeting was the selection of Dec. 29 as the date of a Junior class-sponsored registration dance.

Drama Society To View Film Comedy

"You Can't Take It With You," the first in a series of movies sponsored by the Players' club, drama society, will be shown at 4 and 8 p.m. today in the Little Theater. Admission is 30 cents.

The still-famous Broadway comedy concerns a madcap family and their formula for happiness. The movie version stars Jean Arthur, Jimmy Stewart and Lionel Barrymore.

Student Body Card Admits Fans to Game

Student admission to the Montana University-San Jose State college football game Friday night at Spartan stadium will be by ASB card, according to the Graduate Manager's office.

All seats will be reserved and faculty members will be given tickets free upon presentation of a faculty card at the Graduate Manager's office.

Reserved tickets are priced at \$1.20 and can be obtained at the Graduate Manager's office this week.

Tickets to Thanksgiving day's San Jose State-Santa Clara traditional, Nov. 27, may be obtained at the Graduate Manager's office, starting today. Price of the ducats is \$1 and evidence of owning an ASB card. All seats are reserved for this contest, according to Miss Mary Ellen Martinez, ticket manager.

Sections V, W and X will be reserved, as usual, for the Bronco contest.

Guest tickets are \$2.40 and \$1.20.

Proposed Program For J.C. Topic of Conference Today

Proposed curricula for San Jose Junior college will be discussed today in the city schools office in the first major organizational step concerning the J.C. split at the college.

Representatives from the State Department of Education, San Jose Unified School district, and SJS will participate in the meeting.

According to Dr. James C. DeVoss, executive dean, the session will initiate "solving of curricular matters" and pave the way for decisions on "faculty status" concerning some campus instructors.

Registrars Tour

Dr. John T. Wahlquist, president of the college, was to have greeted approximately 100 college registrars and admissions officers Monday at a reception in the Student Union after they toured the campus, according to Miss Viola Palmer, chairman of hospitality.

The tour was held in conjunction with the Pacific Coast Association of Collegiate Registrars' convention, which ended here today.

Trygve Lie Resigns As United Nations Secretary-General

UNITED NATIONS N.Y. (UP)—Trygve Lie Monday announced his resignation as Secretary-general of the United Nations.

"I am quite sure that this is the time to leave without damage to the U.N.," Lie told the full General Assembly when it opened its session this afternoon, "and it will be better for the U.N. if I do so now."

"It had been my intention . . . to take this step at the opening of the seventh session of the General Assembly (last Oct. 14). I have delayed until today when the foreign ministers of the five permanent members of the Security Council are all present for the first time during this session."

Russ Sound Off
UNITED NATIONS, N.Y. (UP)—Russia's Andrei Y. Vishinsky declared Monday that American in-

ASB Studies Homecoming Expenses

Homecoming this year cost more than had been allotted for it, the Student Council will learn this afternoon.

Bill Cancilla, assistant chairman of the Homecoming committee, revealed Monday that the committee had gone over its budget. Cancilla will ask a clarification on whether the Social Affairs committee will pay the cost of the Homecoming dance or whether it will come out of the Homecoming budget, he said.

The Spartan Oriocci, Japanese-Chinese organization, will ask the council to consider granting their request of on-campus status. Members of the organization say that they already have administration approval of their request.

"Such an outstanding organization as the Oriocci will be welcomed on the campus," said Tom Evans, Associated Students president.

A projected Alpha Phi Omega Christmas Seal dance, to be planned with the aid of the Social Affairs committee, will be discussed informally after the meeting. At last week's meeting, Del Bowles asked that the committee be allowed to help plan the affair and was granted permission.

In a letter dated Nov. 1, Marilyn Lind, chairman of the Social Affairs committee, submitted her resignation "on doctor's orders." "I recommend that Del Bowles take over the chairmanship of the committee," she wrote.

Miss Lind wrote that she will continue to work on the committee.

Civic Leaders To Promote Ticket Sales

In an attempt to help make the annual SJS-Santa Clara football game a sell-out, civic leaders have formed a football committee to promote the ticket sales of the Thanksgiving day contest.

A. P. (Dutch) Hammann, San Jose city manager, will head the group. Included on the committee are Mayor Parker Hathaway, Supervisor Ed Levin, Publisher J. B. Ridder, Mercury-News, Al Ruffo, Leon Jacobs, Bill Fiest and Louis Duino.

Mr. Glenn Hartranft and Dennis Heenan will represent the respective athletic departments of SJS and Santa Clara.

"We of this community ought to make this game a civic project," Hammann was quoted as saying. The group's slogan will be "A turkey in every pot, a fan in every seat."

The city leaders will contact the various manufacturing firms, service clubs, merchants and professional groups in an effort to make the game a sell-out.

Housing Committees Should Consolidate

The Student Council committee on housing has been invited by the Housing Standards committee, the largest and most active of the housing groups, to send representatives to Standards committee meetings.

The council group is to make its recommendation for solving the housing problem at the Student Council meeting this afternoon.

We suggest that all of these widely-scattered housing committees get together and form one powerful group really capable of solving the current problem. We believe that the Student Council group should dissolve itself today and send representatives to meet with the Housing Standards organization, instead of attempting to do a "lone-wolf" job.

The Standards committee is more capable of handling the touchy situation. It now consists of Dean of Men Stanley C. Benz, representatives of the IFC, Panhellenic, Student Council, AMS, AWS, an independent housing group, two representatives of persons renting to men and two representing persons renting rooms to women, the college housing supervisor and John Chambers of the Student Activities board.

As you can see, this impressive list of campus experts is more qualified to handle the housing problem than ANY OTHER Sparta committee.

Homecoming Was a Highpoint

This year's Homecoming was by far the most impressive and well-handled affair held on campus thus far this quarter.

The committee which planned the week's festivities showed the students of the college how ingenuity and hard work can put over a successful Homecoming.

Every event was outstanding. The variety show, downtown parade, bonfire rally, football game and dances—all received thunderous acclaim from past, present and future Spartans.

Congratulations are due each member of the Homecoming committee for this terrific job. Next year's Homecoming will have to go a long way to exceed this season's fabulous affair.

'Touch' Football—Intramural Style

Some of the intramural grid contests this quarter have been played more like tackle than touch football games.

This has occurred for two reasons.

One, there has been a lack of capable officials at these "rugged" tilts. Very few penalties are called. One fraternity squad has had only one lone penalty assessed against it in six games, that for offside.

Many of the fouls have been of the variety that cause serious injury. But these clipping, illegal use of the hands and holding violations still continue to be ignored by the majority of officials.

Second, in many instances competing teams have been forced to supply the officials for games. These hastily-picked referees are very biased and have a tendency to call no penalties. The contests therefore get out of hand.

Capable officials are necessary if the game is to be played by the rules. Such has not been the case in many intramural games this quarter.

The students in charge of running this quarter's intramural league should take action before someone is seriously hurt. Earlier this season, two gridgers were carted off to a San Jose hospital following a mid-air collision in a game. Neither was hurt seriously, however, and were released.

But an injury of a more critical nature is bound to happen soon if officials at the games don't take more responsibility and "call them as they see them." Let's eliminate unnecessary hazards from intramural football now.

Homecoming Heads Deliberate Deadline Set For Entering Hobby Show

—photo by Battle

PRINCIPALLY RESPONSIBLE for last week's huge Homecoming success is the group pictured. Seated around the table in the Student Union making final plans for the Homecoming are, left to right, Tony Trieste, secretary; Bill Cancilla, queen contest chairman; Joe Juliano, alumni director; Joe Brockmann, secretary; John Aitken, parade chairman, and John Bishop, Homecoming chairman. Standing, left to right: Art Lund, Chuck Wing, Rally committee head; Barbara Matney, variety show director, and Nancy Gibson, open house chairman.

Today is the deadline for entering the hobby show, sponsored by senior recreation majors, according to Norm Hirschman, publicity chairman.

Entry blanks must be returned to the ASB, Women's Physical Education, or Men's Physical Education offices before 5:30 p.m., he said.

All students and faculty members who have a hobby are invited to enter the non-professional event.

The hobby show will be held from 7:30 to 9:30 p.m., Nov. 18, in the Women's gym.

Foreign hats, rave books, children's toys from various countries, chopsticks and knitting are some of the faculty hobbies which also will be shown.

Various types of balls will be on display in the patio. The balls will be numbered and a prize will be given to the person who can identify the most balls.

Interviewed recently by the Hobby Show committee concerning his hobby which is writing, he has written three books, which have not yet been published.

President John T. Wahlquist was

To Quell Rebellions: Win the Troublemakers

By DAVE ELAM

"Take the trouble-makers, win them over and make them leaders of the people, as teachers do with students in class rooms."

This would be the best method of quelling native revolts in Africa, thinks Miss Clara Hinze, associate professor of geography.

Native uprisings from French-held Tunis to Kenya in British East Africa have recently been reviewed in newspapers and news magazines across the country. From all indications, these revolts are unconnected, but inspired by the same feeling — hatred of the white men who have exploited the African resources and people for centuries.

"The Europeans in Africa have no understanding of the natives," Miss Hinze said. "These native troubles are not new; they began with the break-up of the old European colonial system," she said.

Miss Hinze feels that there will be native demonstrations throughout Africa until the rights of the natives are recognized by the white men there.

"In fact, the natives are growing stronger all the time," Miss Hinze stated. "Members of different tribes have been moved in together on work projects, with a resulting break-down of old tribal differences," she explained.

There are now alliances across old tribal barriers, and the natives will grow stronger in revolt, Miss Hinze added.

New Face on Lyke

Lyke, the campus feature magazine, will wear a new face this quarter, co-editors Bob Kimura and Bob Miller reported yesterday.

The editors describe the cover feature as a tiny photograph of a prominent person, surrounded by an exotic design. Kimura admits the project as his own.

According to Kimura and Miller, the four pages of "pilfered pics," which will be found inside the cover, are "great." In addition, they say that the "Round-The-Square" section will contain "gobs and gobs of interesting and intimate material."

Early European explorers of the western hemisphere first found sweet potatoes, then widely cultivated by the Indians.

Pianist and Accompanist

With some experience in composition and arrangement. Part-time. Write full details, Joseph Guarino, 551 Hilmar, in Santa Clara.

Seniors Have Pics Taken Tomorrow

Tomorrow will be the last chance for seniors to have pictures taken for La Torre, Carole Simmons and Dick Zimmerman, co-editors of the yearbook, announced today.

Any senior who has been notified that a re-take is necessary must also appear Thursday, the co-editors said.

The Keith Cole studio will be open from 9:15 a.m. until noon, and from 1 until 4:25 p.m., according to Zimmerman and Miss Simmons. The studio is located at 41 N. First street.

SPARTAN DAILY 3

Mumby Announces Net Slate for All-SJS Play

Tournament Director Hugh Mumby announced Monday the match play schedule for today and tomorrow in the All-College men's singles tennis tournament. All matches are played on the Spartan City courts.

Competition in the tournament is on a double elimination basis with a championship and consolation bracket.

Mumby has announced that trophies will be awarded to the champion and runner-up and also to the winner of the consolation bracket and his opponent in the finals.

Today

2:30—Hal Zamzow vs. Stew Winn, Paul Tietzen vs. Henry Mock, and Frank Seeley vs. Herb Haight.

3:30—Bob Bell vs. Earl McKinstry.

Thursday

2:30—Lee Lehmkuhl vs. Bob Maden, Jim Shepardson vs. Mearl Lucken, Bill Mullens vs. Dick de Lambert, and Lonnie Manning vs. Harry Bruhn.

Results of the first two days of play were as follows:

Nov. 10

Bob Maden def. Jim Shepardson, 6-1, 6-4.

Bill Mullins def. Lee Lehmkuhl, 4-6, 6-4, 6-0.

Mearl Lucken def. Dick de Lambert, 6-1, 6-4.

Nov. 5

Hal Zamzow def. Henry Mock, 6-2, 6-0.

Stew Winn def. Paul Tietzen, 6-1, 6-4.

Bob Bell def. Bert Haight, 6-1, 6-4.

BOB HAMILTON, No. 64, Spartan fullback, carries the ball for nine yards in the first period of Friday night's game against the Brigham Young university Cougars. Hamilton left the game shortly after with a rib separation. Coming up on the right to help clear the way for Hamilton is Dale Summers, No. 74, right guard. Summers also left the game early, suffering a slight concussion. The Spartans go against the Montana Grizzlies this Friday.

Uchida's Judo Team Sweeps Berkeley Meet

Coach Yosh Uchida's judoists made a clean sweep of the Berkeley Invitational tournament held at the Berkeley "Y" Monday night. SJS men won all seven of their matches to amass seven points and edge the runner-up Berkeley team by two points.

The Spartans were captained by Chris Bell, who looked very good in his match. Bill Thompson made the outstanding showing among the San Jose men, according to Coach Uchida.

Other SJS winners were Win Dahl, Harp Didier, Bill Hubbard, Pete Silva and George Taylor.

Next tournament on the judo team's schedule is the Northern California Promotional Sunday afternoon at the San Francisco Judo club. The event is sponsored by the Northern California Black Belt association of which Uchida is president.

San Jose will be represented by approximately 25 judo men in the tournament including the seven men who performed so well at Berkeley Monday night.

In regards to the NCP tournament, Coach Uchida said, "Off our winning performances against Cal and at Berkeley Monday, I am very optimistic about our chances in the coming tournament."

Spartan stars Lyle Hunt and James Foster will be attempting to further their first degree black belt ratings.

Spartans Prepare For Grizzly Tilt

Spartan footballers took no holiday yesterday but held a full-scale morning workout in preparation for the Montana Grizzly game Friday night.

The Golden Raiders boast a season mark of five wins and two losses following their 44-27 victory over Brigham Young university. The score was hardly indicative of the difference between the two teams. The Cougars scored all their points in the wild fourth quarter after Coach Bob Bronzan either had pulled out his first stringers or they had been removed from the game suffering from injuries.

Lynn Aplanalp, the Spartans fine field general, left the game shortly after the second half started with a rib separation. Bob Hamilton, fullback, came out of the game with the same type of injury. Dale Summers, the Raiders right guard, suffered a slight concussion as did his replacement, John Anastasia. Sal Cardinali, tackle, and Benny Pierce, defensive halfback, both are suffering from minor leg injuries. All six men are expected to play in the Montana game.

Rebounding from their unproductive game the previous week, Coach Bronzan's Spartans banged out 465 yards on the ground and 123 yards in the air for a total offense of 588 yards. The outburst sent the Spartans' total offense average to 440 yards per game and their rushing offense to 291.7 per game. These figures should enable the Golden Raiders to rise from the national ranking of fourth in each category.

Montana, the Spartans' Friday night foe, was beaten in their first game of the year by this same BYU team, 28-7, but has been steadily improving since that meeting. It's big game of the year came when it tied the University

of Oregon, 14-14. Its record now reads five losses and one tie for the season. It fell prey to the University of Idaho, 27-7, last weekend.

The locals have played the Grizzlies from Missoula once before. They clashed in Honolulu in 1950 in a Police benefit game in which the Spartans triumphed, 32-7. Montana was a late addition on the Raider schedule, taking the place of the cancelled Pepperdine game.

Dick "Freight Train" Stults, the Spartans bombing fullback, amassed a total of 196 yards in the BYU and came out with a 14 yards per carry average. He broke loose on runs of 70 and 61 yards to go all the way. He also scored two other tallies. Stults was awarded the Wiley Smith bag by the San Francisco Examiner for the outstanding Bay Area performance of the week.

Coach Bronzan said in the locker room after the game that he was proud of the way they played and was very happy with the outcome.

Mac Martinez

Mac Martinez, one of Coach Dee Portal's prize ring products in the last few years, was appointed the boxing coach of Santa Clara university it was announced last week.

Martinez won the NCAA featherweight title while boxing for SJS and went on to become national AAU champion in that weight after he was graduated.

The former Spartan ace will attempt to build up the boxing program at the nearby school. One of his top prospects is Marv Gregory, a hard-hitting heavyweight now performing on Coach Dick Gallagher's grid squad.

Plan Extension of Summer Session

Next summer's SJS session at Hartnell college in Salinas will be a resident session, according to Harold Seyferth, coordinator of extension and field services.

Resident extension credit, unlike the extension credit granted last year at Hartnell, is accepted in unlimited quantities in working toward a degree.

The session, June 22-July 31, is designed to benefit present students at SJS who will find it more convenient to attend a summer session at Hartnell, or students who live in San Benito, Santa Cruz and Monterey counties who plan to attend SJS.

Courses in the session will probably be confined to upper division classes, except for such lower division fields as art and political science, which are required for a credential. The junior colleges in that area can handle most of the lower division subjects which need to be offered, Mr. Seyferth said.

The Council of State College Presidents, and the President's Council here, have approved making the session a resident extension or "branch."

The extension services would appreciate expressions of course preferences from students interested in attending the session, Mr. Seyferth said. "Attending the session in Salinas will be very little different from attending our summer session here," he added.

Last summer the enrollment was 407, but a considerable increase is expected this time because of the change to a resident center.

Fees last year were \$16 for each course. Each course was for three quarter units. The normal load was nine quarter units, or from one to three courses.

Daily class sessions were one hour each except for natural science courses, which included one Sunday field trip.

OC Water Team To Battle SJS

San Jose State will host the San Francisco Olympic club tomorrow night in a water polo double header. The Freshmen lead off the evening at 8 o'clock against the OC jayvees with the Varsity game slated to get under way at 9 o'clock.

Student Y To Hold Retreat

The Student Y will hold a membership retreat at Camp Campbell in the Santa Cruz mountains Nov. 14, 15 and 16, Marilyn Kristensen, chairman, said yesterday. Signup deadline is today.

The theme, "Dynamic Living In a Shaken World," will be discussed in four phases.

Mr. Lloyd Swanson, instructor in psychology, will lead the discussion on "Resolving Inner Conflicts;" Dr. H. Murray Clark, associate professor of chemistry, on "The Atom and the World Today;" and Dr. Edward P. Shaw, associate professor of economics, on "A Planned Economy versus Free Enterprise."

Camp fee will be \$5, according to the Rev. James Martin, Y adviser.

Meetings

Alpha Chi Epsilon: Sign up on AXE bulletin board to attend potluck supper at Lowell school kindergarten tomorrow. Meet at 4:25 p.m. at the Women's gym to walk over.

Second in Series Of Marriage Talks Scheduled Tonight

Father John Duryea, Newman club adviser, will present the second in a series of talks on marriage and marriage problems tonight at 8:30 o'clock in Newman hall.

He will outline the place of marriage in relation to church laws, he said.

This will include a discussion of the procedure of preparing for marriage, divorces, separations and annulments; revalidation of marriages, and the relation of church marriage laws to civil laws. **gressed through the years.**

Father Duryea will give a historical survey of types of marriages and marriage forms as they have progressed through the years.

Everyone, regardless of religious faith, is welcome to attend the meetings in this series, he said.

Last Wednesday Father Duryea spoke on "Marriage in the Natural Law."

PR Office Editing Faculty Bulletin

The Campus Digest, a weekly bulletin for San Jose State college faculty and staff, began publication last week under the editorship of Lowell Pratt, college public relations director.

An introductory article by Dr. John T. Wahlquist, college president, stated that the Campus Digest should fill a void in the administrative machinery of SJS; no longer will it be necessary for each campus agency to prepare and circulate notices and announcements.

P.E. Majors Meet

All recreation and physical education women majors are urged to attend the Major's club meeting tonight at 7 o'clock in the Women's gym.

Entertainment and refreshments will be provided.

Bibliophiles Make Xmas Scrapbooks

Bibliophiles, librarianship majors club, will compose Christmas scrapbooks for children patients at Santa Clara County hospital for the organization's yearly charitable project, according to Marilyn Hinkley, club vice-president.

The project, will be completed at a pot-luck supper and work party tonight from 5 to 8 p.m. at SJS library classrooms.

Lorraine Miranda is president of the club. Club adviser is Miss Dora Smith, librarianship department head.

Officials Here To Advise Vets

Representatives from the California Veterans Assistance program and the Veterans Administration are to be on campus today, according to John Ames, Veterans Administration training officer.

Ames will be in Room 108 every Wednesday from 9:15 a.m. to 3:15 p.m. to speak to disabled veterans enrolled at the college under Public Law 16.

J. D. Murchison, representing the California Veterans program, is to be available today, and once a month thereafter, in Room 34 from 9:30 a.m. to 12 noon. Glen Guttormsen, college accounting officer, said today.

Distance Is No Barrier To Travel--UAL Official

"In less than 50 hours a person can be flown anyplace on the face of the earth."

This was a declaration of Mr. William Hecht, college service department representative from United Air Lines, in a speech given before Introduction to Aeronautics class recently, according to Mr. Thomas E. Leonard, assistant professor of aeronautics.

"Due to the ease of moving about by plane, timewise, it is possible for people to discuss business in all parts of the world," Hecht stated. "Today, travel is no barrier to people. Language is, however."

Hecht discussed before SJS aviation students the impact of aviation on the world from a social and economic point of view. Business is now conducted on an international scale because of aviation's influence.

Explaining the scale of air transportation today, Hecht told students that more than 3000 persons leave San Francisco airport daily by plane.

The public figure most popular with cartoonists is Jimmy Durante, according to a vote of the National Cartoonists Society.

Elks Offer Scholarship

The Elks scholarship for occupational therapy majors is being offered for the first time in the history of the college, Miss Mary D. Booth, head of the Occupational Therapy department, announced today.

Scholarships will cover books, tuition, and living expenses, Miss Booth said.

Although any OT major may apply for the scholarships, Miss Booth warns that preference will be given seniors and students who are in clinical training.
