## Air Meet Plane Takes Off

—photo by Parker  
TAKING OFF from San Jose Municipal airport is this Cessna airplane, one of the two entered in the First Annual SJS Intercollegiate Air Meet, sponsored by the Flying 20 club. Bob Kruse, club president, is at the controls. Seven colleges will participate in the air meet to be held this Sunday at Warm Springs airport.

## Aviation Clubs To Sponsor Air Meet Sunday

By CLAUDE PARKER

The first annual SJS Intercollegiate Air Meet will be held Sunday at Warm Springs airport, announced Roy Hodges, publicity chairman for Alpha Eta Rho, honorary aviation fraternity.

The seven-college flyfest, the largest in Spartan history, is sponsored by the Flying 20 club and Alpha Eta Rho. Participating colleges are to be UCLA, California, USC, San Mateo JC, Hartnell JC and SJS.

The meet will consist of five events, Hodges explained. The first will be power wheel landings. In this event the pilot must land his plane on three wheels, with the engine operating.

The second event consists of flour bombing, in which flour sacks will be dropped from planes at a 1000 foot altitude at a ground target. The third event consists of 180-degree, side approach, spot landings. Overhead approach, 360-degree, spot landings will compose the fourth event.

Final event of the meet will be a unique navigation problem.

Nearly 15 airplanes will fly in the air meet. For Sparta, the Flying 20 club will enter its two craft, and Spartans Bill Bailey and Don Frier will fly their own planes. A fifth plane for SJS pilots will be rented, Bailey's plane, a BT-13, is now on display for the meet on the college grounds between the Chapel and Men's gym.

Admission to the air meet is free, Hodges said. Warm Springs airport is located seven miles north of San Jose on the Oakland highway.

## Coed Screams; Prowler Flees

Mary Ellen Risell, 20, junior education major at the college, reported to police that she was awakened from her sleep early yesterday morning by a prowler who stood at her bedside in her room at 332 S. Seventh street.

She told police that the man said, "Don't say anything and you won't get hurt." She said she screamed and he ran away, through a bedroom occupied by Betty Jennings, a junior business major.

Miss Risell stated that the prowler was about 20 years old and 5 ft. 10 in. tall, and had black hair and medium build.

## Dr. Letzter Retires After 15-Year Stint

Dr. Margaret C. Letzter, professor of speech and director of remedial speech for the last 15 years here, has announced that she will retire from teaching at the end of this school year.

Dr. Letzter has made no definite plans for after her retirement. She will take a six-month vacation, and after that may travel or write. She plans to make her home in San Jose.

She received her A.B., 1915, A.M., 1930 and Ph.D., 1937 degrees at Northwestern university.

In 1937, Dr. Letzter came to the college, and was put in charge of remedial speech work and speech correction. She later became coordinator of speech science, and until recently, was the director of the speech clinic.

Her 15 years at the college were very happy ones, she said, and

## Heavy Balloting Marks First Day of Voting

Heavy balloting highlighted yesterday's first day voting in the college's two-day elections for 1952-53 officers, with 942 students parading to the polls. Voting resumed at 8 a.m. this morning and will conclude at 4 p.m. this afternoon.

Eight polling booths, including six new ones especially built by the Alpha Phi Omega service fraternity for this election, overflowed during yesterday's voting. Harlow Lloyd, Student Court chief justice, reported that arrangements may be made with the county board of supervisors to obtain more booths for today's balloting. He said he expects total votes to be approximately 2000.

Preferential ballots greeted students as they made their way up the long lines to the polls. Voters were asked to state first, second and third choices for each office. Also available to voters was a space for write-in candidates.

Spirited campaigning reached its heights last night with several rallies planned for the five presidential candidates: Seymour Abrahams, Ingrid Andersson, Tom Evans, Walt Morse and Rick Vaum. In addition, each candidate has had extensive campus campaigning during the week.

Lloyd reminded all candidates that their campaign posters on campus must be removed by 6 p.m. today.

## Paratyphoid Shots

The final shots in the typhoid-paratyphoid immunization series being offered by the Student Health service, will be given today, according to Miss Margaret Twombly, Health service director.

Shots will be given at half hour intervals beginning at 10:15 o'clock this morning and concluding at 4 o'clock this afternoon, Miss Twombly said.

she will always remember the fine friendships she formed here and the cooperation and backing she received in her work.

## Nine High Schools Send 1000 Seniors To Inspect College

More than 1000 seniors from nine Santa Clara county high schools will be on campus Monday to inspect the facilities and opportunities available to students of the college.

Lowell C. Pratt, director of public relations said that student guides are needed urgently to conduct the visitation day campus tours. He said students who are willing to assist and who do not have 10:30 a.m. classes may sign up as guides in Room 13A.

Participating high schools will be: Mountain View, Campbell, Santa Clara, James Lick, Live Oak, Los Gatos, Fremont, Gilroy and Washington in Centerville.

## Reed Magazine Fairness Group

The 1952 issue of The Reed, literary magazine published by the English department, will go on sale Wednesday morning at 7:30 o'clock, it was announced yesterday.

Material included in the student publication was selected from stories, articles and poems submitted to the Phelan contest.

## United Press Roundup

## Congress Passes Bill To Boost Service Pay

Washington — Congress yesterday passed and sent to the White House a bill increasing the pay of the Armed Services 4 per cent and rent and food allowances 14 per cent.

### A-Blast Postponed

Las Vegas — Unfavorable meteorological conditions apparently have led atomic scientists to postpone the 18th test of a nuclear device at the southern Nevada A-bomb proving grounds. The test was scheduled for this morning.

### Repudiates Red Concessions

Washington — Army Secretary

Frank C. Pace Jr. directly ordered Gen. Mark W. Clark to repudiate concessions to Red prisoners of war on Kojima island, an informed source said yesterday.

### USSR's Tokyo Mission

Tokyo — Japan may formally notify the Soviet Union through Sweden that there is no longer any need for the USSR to maintain a mission in Tokyo, foreign office sources said yesterday.

### New U.S. Population

Washington — The population of the United States was 156,405,000 Apr. 1, the Census Bureau estimated yesterday. The figure was up 2,706,000 over Apr. 1, 1951.

### Comic Books Get Blame

Phoenix — The mother of a young would-be train wrecker blamed blood-and-thunder comic books yesterday for sending her Indian son on the war path.

## Dr. Wahlquist Arrives July 1

Dr. John T. Wahlquist, who will succeed Dr. T. W. MacQuarrie as president of the college, will not be on campus until after July 1. He recently wrote Dr. MacQuarrie that his duties at the University of Utah, where he is dean of the School of Education, will prevent him from visiting California until July.

Dr. Wahlquist, appointed to the presidency Apr. 24 by the State Board of Education, will be named executive vice-president of the college as of July 1. He will serve in that capacity until Sept. 1, when he will become president.

Dr. MacQuarrie will end his 25th year as head of the college on Aug. 31, but he will leave campus at the end of July for a month's vacation. He has been named president emeritus as of

## Advanced Acting Class Stages 'A Midsummer Night's Dream'

By MARV HALL

The speech 44-144, Advanced Acting class, should all get "A," on the basis of their performance of Shakespeare's "A Midsummer Night's Dream" last night in the Studio Theater.

Outstanding among those with major roles in last night's production were Richard Rizzo as Lysander, Merle Rossman, Demetrius; Cherie Brigham, Hermia; Shirley Gross, Helena; Doug Murray, Oberon; Joan Malloy, Titania; Marilyn Miller as Robin Goodfellow; Bill Coleman as Quince and Robert LaCrosse as Bottom.

The play itself is a delightful mixture of comedy, witchery and

romance. The cast, under the excellent direction of John Kerr, associate professor of speech, kept the show up to pace all the time, and showed the capacity audience to some examples of ingenious stage business.

The elaborate Shakespearian costumes were designed by Jack Byers, a member of the class, under the supervision of Berneice Prisk, assistant professor of speech.

The play will be presented tonight and tomorrow night at 8:15 and tomorrow afternoon at 2. Tickets are on sale now at the Speech office, Room 57, for 30 cents.

## Banquet, Show Highlight 1952 ISO Day Action

Wednesday's "International Day," sponsored by the International Students organization, went off successfully with approximately 165 students attending the evening banquet, according to Freidoum Pirzadeh, publicity chairman.

After the meal, a talent show was presented by Spartan students and little Judy Yuki, 7, performed a Japanese dance in native costume.

Virginia Mijares presented two Mexican dances; Ingrid Andersson led community singing; the Villaruz troupe gave a Philippine bamboo dance; Leona Crouch did a Hawaiian dance; and Jim Foster performed a Japanese judo act.

Folk dancing was directed by the Spartan Spinners and Dr. Carl D. Duncan, adviser.

In charge of the day's events were Herbert Perry, general chairman and ISO president; Leona Crouch and Doris Lee Raymond, co-ordinators; Si Nownejad and Terry Payton, class speakers.

Johanna Felber, cultural displays in Library and Science buildings; Freidoum Pirzadeh and Guido Augustus, movie and publicity; Joe Azzaoui, tickets; Barbara Dorbandt and Dr. William Zoller, assistant professor of English, cooks.

Spartan Spears and Shields, servers of the dinner; Azzaoui and Crouch, talent show; German club, Don Frevert and Barbara Miner, refreshments.

Exhibits were set up by Augustus and Maija Bergs, Latvia; Paul Vuosalo, Estonia and Finland; Pirzadeh, Iran; Felber, Germany; Santos Abuan, Simeon Castillo, and Bob Villaruz, Philippines; and Kazuo Hara, Japan.

Foreign students Helen Pigarow, Augustus and Felber gave talks during morning classes on their respective homelands Russia, Latvia and Germany.

Sept. 1, 1952, by the State Board of Education.

In conferring the title upon Dr. MacQuarrie, the board adopted a resolution commending him for his long and faithful service to the college and to the cause of public education in California.

## Thrust and Parry

### Ostrich Campaigns

Dear Thrust and Parry:

We have observed with great interest the platforms outlined by the various candidates for student office. We are sure that most people will agree that the themes of the various candidates hinge on an increased social program, bigger and better rallies, better dance bands, bigger and better bonfires, and the like. Nearly every phase of social activity is given consideration in these campaigns. But among all this rah-rah publicity, is there any indication by the candidates that they will attempt to gear themselves to the present world crisis?

It appears that we are willing and able to embark on an orgy of spending in order to gratify our own personal desires, while the security of our nation is threatened from both Europe and Asia. We must pay high taxes to secure our defenses and fight off hunger for starving millions. Our resources in material and manpower are

being brought more and more into use. But how about our moral resources?

No, Mr. Editor, we cannot and will not vote for any candidate who advocates increased social activities while starvation, insecurity and casualty lists remain uppermost in our minds.

Candidates! Let's become realistic and try to conduct campus affairs in a sensible, adult manner and face the times, and forget these ostrich campaigns!

## College WAA Plans 3-Way Sport Day

Mills College and San Francisco State will be guests of the WAA at a Sports Day tomorrow, according to Sandy Waller, publicity manager for the organization.

Included in the day's events will be a swimming meet with Mills College and tennis matches with San Francisco State.

According to Nita Ruck, swimming manager, women students are needed to officiate for the event.

## Newmans Hold 'Record' Dance

An "Off the Record" dance will be held tonight at 8:30 o'clock in Newman hall by the Newman club, according to Father John Duryea, club adviser. Admission to the dance will be 25 cents per person. The affair will be open to the public.

Father Duryea also announced the recently-elected officers of the club. They are: Sal Glammona, president; Bob Keller, vice-president; Peg Marsh, recording secretary; Beverly Blakie, corresponding secretary; Fred Vertel, treasurer, and Terry Payton, sergeant-at-arms.

Ralph Cleland, San Jose State rightfielder, is a logger during the summer months.

## College Seeks Pastor To Give 52 Benediction

Nominations for a pastor who will present the benediction at baccalaureate services Sunday, June 8, are now being accepted by Dr. James C. DeVoss, executive dean.

"It has been customary to have a pastor who is a near relative of some graduating senior give the benediction," Donald Sevrens, senior class co-adviser, said yesterday. Nominations should give the name of the pastor, his denomination, his church and its town or address.

"It also is customary to choose that person who will come from the greatest distance," Sevrens added, "thus making it possible for some parent or relative to be here who might not otherwise attend."

## Campus Interviews on Cigarette Tests

No. 40...  
**THE WHALE**

"Wait 'til I come up for air!"

Poor guy was submerged in a veritable sea of cigarette tests! He didn't know whether he should "blow"—or just jettison the whole job! But he fathomed the matter when he suddenly realized that cigarette mildness can't be judged in one quick spout! Millions of smokers have found, too, there's a thorough cigarette test!

It's the sensible test . . . the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke — on a day-after-day, pack-after-pack basis. No snap judgments! Once you've tried Camels in your "T-Zone" (T for Throat, T for Taste), you'll see why . . .

## Drama Group Will Present First Musical

Tickets for the Drama department's first musical, "Lady in the Dark," will go on sale in the Speech office, Room 57, Monday. Price will be 90 cents general admission and 60 cents to ASB card holders, Mrs. Virginia Vogel, office secretary, announced recently.

"Lady in the Dark" is a musical play by Moss Hart. The music was written by Kurt Weill, and lyrics by Ira Gershwin. In the original Broadway production, Gertrude Lawrence played the leading role of Liza Elliott and was supported by Danny Kaye, Macdonald Carey and Victor Mature.

Undoubtedly the biggest production ever attempted by the Drama department, "Lady in the Dark" will open in the Little Theater on May 30 and run until June 4.

John Kerr, associate professor of speech, is the director of the show, and the leading role of Liza will be played by Anne Hoffing. Others in chief roles are Bill Coleman, Jack Byers, Stuart Schwalbe, Hugh Heller, Doug Murray, Carolyn King, Judith Levy and Joan McKibben.

### 'The Rebel Saint'

Members of the Radio Guild will present "The Rebel Saint" Sunday night at 6:30 o'clock over KEEN on Dramatime.

The cast includes Richard Risso, Bill Resch, Duane Weaver, Carol Larson, Mike Casey and Clyde Allen. The show is directed by Merle Rossman, and sound effects are done by Nick Andrews.

### Upper-Class Mixer Sign-up Next Week

Sign-up for the Junior-Senior Mixer to be held Thursday afternoon and evening, May 22, will be Monday and Tuesday in the Library arch, according to Jo Anne Moore, co-chairman of the event.

The mixer will be held at Club Almaden, about 12 miles south of San Jose on Almaden road, she said.

Tickets, which will cover the cost of food at the mixer, will be 25 cents per person. An additional admission rate of 30 cents per person will be charged at the gate.

All members of the two classes are urged to attend the mixer, which will include swimming, dancing and eating.

## GREEK CHIT CHAT

—by—  
DIANE PRICE

Hello again! Back with some more gab, and a lot this time, too. Plenty to chit chat about this time of the year, and so-o-o little room. And as for that guy who said in his T&P letter, "Who in the hell speaks Greek anyway?" show him for me, will you? He couldn't understand.

### CUES FROM THE DU'S

Shades of Johnnie Ray . . . Ralphie McCarthy, diminutive DU and a real western cowpoke, recently awed the Alpha Phis and his own brotherhood when he tenderly sang "Chocolate Ice Cream Cone" at a joint meeting. Rapid Ralph also plays the piano as no other can. He plays character. Explain? Well, for every type of person he has a special note. For example, a tiny little girl would be recorded as high C. Thusly, Ralphie can effectively describe a situation using the minimum number of words. Might be a good idea for some of the politicians to follow.

### LIVE ONES, TOO

Turtles, real live ones at that, invaded all the women's living groups Monday as a certain candidate for a certain office from a certain fraternity (initials PiKA) wanted to show that he is not low down, nor is he slow, just always on the move.

And speaking of turtles, four illustrious (they paid me to say that) members of Phi Sigma Kappa ran across a stray one at Stevens creek recently. The turtle was immediately adopted and named "Four Roses." The fraternity's chef has threatened to make turtle soup, but "Four Roses" still lives on.

### VIOLETS NEXT?

The SAEs have gone house painting—on their own house; that is. Members and pledges pitched in recently and gave the hovel of Sig Alpha a new coat. It must be spring fever when the SAEs dress up the house and leave Santa Cruz for a day. No kidding—it's really looking great, but why green trimming instead of violet? Maybe their next step will be planting violets around the yard.

Incidentally, if the boys don't rue the day the SAE lion came into existence, they never will. Who are the heartless creatures who repaint the animals every time hours of labor scrape off the previous coat?

### TC's SUNTAN MAN

Who's the guy over at the Theta Chi house who can get the best looking tan and keep it longer than anyone else? Ask that question and the answer undoubtedly will be Tom Adams, the fraternity's veep. Tom's also noted for those bright Hawaiian shirts that he admits he's mad for.

### UNENDING LENDING

Something always to be depended on for this column—pinnings, pinnings, and more of the same. It may be because it's spring and romance is in the air, or perhaps it's just that there are more fraternity pins floating around campus these days.

But whatever, it was a surprise to even his roommates when SAE Terry (the red head) Gray commissioned brother Ray Di Piazza to pass around the traditional box of cigars, announcing his pinning to Gamma Phi Ruth Eberling. Theta Chi Bill Oaks recently announced his pinning to Shirley Strom, as did Don Curry, also a TC brother, to Bonnie Engblom.

But the Kappa Alphas hold the record for this time, with five members of the fraternity deciding to hand over their pins. Pinned are Lloyd Bishop and Ann Untiedt, Dean Coverstone and DG pledge Connie Guilfoyle, Chet Kid and Barbara Stewart, Fred Postal and Judy Zent, and Jay Flood and KKG Marilee Ritchie.

Running a close second, however, are the PiKAs, with four of the Pikes taking the big step: Dick Lebedeff and Sylvia Bacheller, Jack Mansfield and Marv Jo Jones, Maurice Charlot and DG Nancy Adams, and Jack Avina and Claire McCallum.

Mary Clare O'Neill, president of the AOPi pledge class, passed candy kisses at her sorority house to announce that she's wearing the SAE pin of Stanford student Howard Ray. Also on Cupid's list are Kappa Lois Daum and Sigma Chi Russ Shank and AChiOs Ellen Bersinger and Janet Adams. Ellen is pinned to Sigma Nu Keith Endersby and Janet is pinned to former Theta Mu Sigma John Gasich.

Marilyn Magladry, Sigma Kappa, is wearing the Santa Clara ring of Dawson Wright. The Phi Sigs haven't let spring go by unnoticed either. Val Travaglino is pinned to Charlene Picetti of SFS, Chuck Sisney to Betty George of Mills, and John Wathen to Spartan coed Janice Rayner.

### A WORLD OF DIFFERENCE

My apologies, kids, and hope this betters things. There's a world of difference between a Theta and a Theta Chi, but somehow, and we like to think it was someone else's mistake, that very important Chi got lost in a pinning announcement in the last Greek column. So we repeat ourselves: THETA CHI Bob Pettet, now famous after his smash success in Revelries, is pinned to KKG Jan Yonce. Everything straight now?

### HE FELL, BUT GOOD

Tidbits from the Theta Xi house: Member Gene Secor fell through the roof of the chapter house recently while trying to escape from a water dousing by over-eager pledges. The hole was approximately four feet long, and it wasn't worth it. According to Gene, he got the water anyway. And the fraternity's president, Bob Billings, wanted his flat tire fixed the other night. The pledges decided that the only way to do the job was to take all four wheels off the car, so Bob's been walking lately. Somebody ought to tame those pledges.

### CROSSED WIRES

Confusion at the DG house since that new telephone was installed, we hear. Nobody's ever quite sure which phone is ringing, and the girls always are answering the wrong one. It makes for mix-ups.

## SAE, DU To Join For Beach Party

Members of Sigma Alpha Epsilon and Delta Upsilon are joining together tomorrow afternoon and evening for a joint beach party at Natural Arts Bridge in Santa Cruz.

Scheduled for the afternoon is general beachtime fun, with volleyball and swimming. In the evening there will be a picnic with food supplied by the girls.

## Peace Reigns After Tonight For ATO, SN

Have you noticed anything unusual about the looks of the campus these days? Have you, perhaps, wondered about the size and color of certain students' feet? Mysterious black and white footprints have caused some consternation about Washington square this week, but if you don't already know, here's the explanation.

It's a tradition on all campuses where both Sigma Nu and Alpha Tau Omega chapters are, to hold an annual rivalry between the "Black Feet" and the "White Feet." The Blacks are the ATOs, and the Whites are the Sigma Nus. The two houses go to war for two weeks, causing havoc and destruction on each other's property whenever they get the chance. The battle started here two weeks ago.

Alpha Tau Omega was the first to strike, hitting the SN encampment one morning at 5 a.m. Footprints were painted about the walls and floors, furniture was over-turned, pictures were removed from the walls, and warning notes were placed about indicating the further intentions of the Black Feet.

Sigma Nu retaliated the next night with two raids leaving white footprints scattered everywhere and ropes spider-webbing the house. They escaped undetected.

The general war, however, will reach its climax tonight when the two groups hold an Indian dance, dressed in their respective costumes, and sign a peace treaty until next year.

## Sigma Nu Elects Hirschman Prexy

Norm Hirschman was elected president of Sigma Nu fraternity at recent elections held at the fraternity's chapter house.

Other new officers are: Bucky Levin, vice president; Brian Quinn, recorder; Bob Ure, marshal; Cliff Majersik, sentinel; Bob Hitchborn, chaplain; John Lincoln, historian; and Gregg Snyder, treasurer.

The officers will be installed in June.

## 'Crescent Girl' To Be Named Tonight at LCA Spring Dance

Tonight at a formal dance at the Saratoga Foothill club, members of Lambda Chi Alpha fraternity will name and crown the winner and two attendants in the annual "Crescent Girl" contest. The girls will preside over the Pushcart Relays, scheduled for next Friday.

The six finalists and their sponsors are: Donna Atherton, Sigma Alpha Epsilon; Patty Burrows, Kappa Kappa Gamma; Marlene

Faber, Alpha Chi Omega; Connie Hart, Sigma Nu; Carolyn King, Phi Sigma Kappa; and Lois Kirchner, Gamma Phi Beta.

Eighteen girls originally were entered in the contest with twelve making the semi-finals. The six finalists will be presented with gifts at the dance.

## All-Day Party For Theta Chi Is on Sunday

Approximately 150 members and guests of Theta Chi fraternity will be looking forward to good weather this weekend as their annual all-day party at the Old Hearst Ranch gets underway, according to Jerry Morrison, publicity chairman.

The affair, says Joe Thornley, social chairman, will be the biggest event of the quarter. Starting off with swimming in the ranch pool, horseback riding and volleyball, the afternoon's activities will feature a golfing contest in which the fellows' girls will act as caddys.

Early in the evening, guests will enjoy a dinner prepared at the ranch house. Following this, there will be dancing the rest of the evening.

## Gamma Phi Purchases New Property Addition

Beta Theta chapter of Gamma Phi Beta has purchased the Olmstead property adjacent to the present house, giving the group approximately 300 feet frontage on San Antonio street.

The added property consists of a large white house at the corner of 10th and San Antonio and a smaller cottage between this house and the main sorority house on the corner of 11th and San Antonio streets.

An initiation banquet was given at Dinah's Shack at which time the new members were formally welcomed. Miss Viola Palmer, admissions officer and recently initiated member of Gamma Phi, was among those who spoke a few words of welcome.

President Barbara Janssen

acted as mistress of ceremonies. Janice Brothers presented the scholarship cup to Muriel Swenson for having received the highest grade point average among the pledges for the quarter. Connie Burke presented the outstanding pledge award to Carolyn Jansen.

Initiated were: Alice Forman, Joan Ayers, Shirley Baber, Anne Borkman, Peggy Connell, Corinne Cooley, Marie DePaoli, Gloria Dillon, Marlene Foster, Julie Friggault, Jeanne Gammill, Jean Goodloe, Barbara Graul, Thoralee Griffin, Judy Hale, Joan Harvey Carolyn Jansen, Shirley Kesterson, Lois Kirchner, Marilyn Miller, Jo Ann Morettini, Missy O'Neill, Carole Valencia, Pat Valentine and Sharon Winklebleck.

Tomorrow in Modesto**

With the exception of Herman Wyatt, who is in Los Angeles competing in the Coliseum Relays, 17 Spartan tracksters will leave the campus in the morning to travel to Modesto to compete in the annual California Relays.

The meet, which gets underway tomorrow night at 7:30, will sport some of the greatest track and field athletes in the world. A common estimate by experts on the number of men who will make the United States Olympic team from the California Relays is 14, including such men as Ollie Mattson, USF, and Rod Richard, UCLA, in the sprints; Dick Attlesley, ex-USC, and Craig Dixon, LAAC, in the hurdles; Sim Iness, USC, and Fortune Gordien, LAAC, in the discus; Bob Richards, ex-Illinois and Don Cooper, LAAC, in the pole vault; and George Rhoden, Morgan State, and Herb McKenley, ex-Illinois, in the 400-meter dash.

ex-Illinois, in the 400-meter dash. The Golden Raiders will combat this array of talent with stars of their own in the persons of Wyatt, high jumper who will fly from Los Angeles tomorrow morning; Bill Priddy, who copped first place in the collegiate division of the pole vault at the West Coast Relays last week by clearing 14 ft; Walt Burnett and Owen Moore, the two crack quarter milers; and sprinters Ivan Summers and Perry Peightal.

Bob McMullen, who is still recovering from exposure and hunger suffered when he was lost on a fishing expedition May 2, and Paul Jennings, who showed well at Fresno by taking a fourth spot in the 5,000-meter run, will enter the mile run. Jennings placed third in the collegiate division of this event behind Art Garcia of USC.

Jumping with Wyatt at Modesto will be Jim Tannahill, the hard-luck high jumper who has suffered lay-offs this season due to a pulled groin muscle, the flu, a wrenched knee and skin poisoning. Tannahill is again rounding in condition and has been jumping well in prac-

tice this week, according to Coach Bud Winter.

But with the recovery of Tannahill this week came the sad news that Paul Dennis, ace hurdler who has been out of competition all season with pulled leg muscles, suffered a re-injury of his leg just on the verge of recovery.

Also on the dark side was the injury of Ivan Summers, who between pulled leg muscles and the flu this season has clocked 21.7 and 21.5 for the 220. He re-injured his leg muscle Wednesday but still may be able to run in the open 100-yd. dash and a leg on the 440-yd. relay at Modesto, but probably not at his top speed.

Summers will be joined in the quarter mile relay by Peightal, who has clocked a 21.3 for the 220 this season, and two 10.0 century men, Joe Orochi and Don Gillespie.

The only other relay team which will be entered is the mile quartet composed of Burnett, Moore, Allyn Bartholomew and Bill Ste-

phens. Burnett and Moore in addition to the relay will enter a fast field in the open 400-meter dash.

George Nickel, who has been hitting close to 168' in practice all week may get into the thick of things in the discus.

Lang Stanley, ineligible half-miler will run unattached against a fast field in the 880. He has been suffering from a bad foot but will still be rated as a threat to win.

# Golden Raiders Clash With Potent Don Nine Tomorrow

The Spartan baseball team, which hasn't won a game since it beat San Diego Naval Training station 8-7 Apr. 30, clashes with the University of San Francisco Dons for the fourth time this season tomorrow at 2:30 o'clock at Municipal stadium.

Thus far, the Golden Raiders and Dons have played spirited baseball in their three game series, with the locals holding a two to one edge in victories.

The Spartans edged the San Franciscans 3-2 in 15 innings Mar. 29 when Clair Parkin pitched eight frames of shutout relief ball. On Apr. 26 the Dons howed again by a 3-2 count, but this time the 13t was played in San Francisco. Johnny Oldham fanned 16 in registering the last triumph against the Dons.

Oldham is slated to toe the slab for the Golden Raiders tomorrow afternoon against either Don Tholander, who dropped the first two games to San Jose, or Bob Pisani, who whipped the hometown nine last week. The Spartan sophomore southpaw has won five games while losing two, including the 6-1 loss to the Santa Clara Broncos Tuesday night.

Tomorrow's starting Spartan pitcher has an earned run average of 3.65 and has fanned 92 in 74 innings, one of the top strike-

out records among collegiate moundsmen in the Far West.

Coach Walt Williams will be able to call upon any member of his pitching staff in case Oldham

JOE BONFIGLIO ... may miss game

loses his control, as he did in the California and Santa Clara games. Ready to fire when called upon are Parkin (3-3), Pete Fazio (1-0), Freshman Doug Boehner (1-2) and southpaw Jim Collins (1-3).

The injury problem of the Spartan nine has been partially solved with Shortstop Cookie Camara returning to the lineup after a three-week layoff because of a badly sprained ankle. Bill Pitcher will be at the hot corner again with Ron-Palma leaving the third base position and moving to the

keystone sack.

Outfielder Joe Bonfiglio, who has been having trouble with the muscles in his legs of late, is a doubtful starter against the Dons.

The top slugger of the Golden Raider squad is in the top of condition and should lead the locals at the plate tomorrow. Left Fielder Andy Miller is leading all the regulars on the squad with a .348 mark. The swift outer gardener has batted across 23 runs in 23 games. He and Palma have been the only locals to hit home runs this season.

The only other San Jose slugger stroking over the .300 mark is Outfielder Ralph Cleland. He is hitting the ball at a .308 clip.

Other averages on the local nine include: Catcher Bob Poole, .279; Camara, .276; Bonfiglio, .274; Palma, .250; First Baseman Dick Brady, .234; Pitcher, .234; Catcher Harvey Del Buono, .234.

## Judoists Entered In Pacific Athletic Union Tournament

Fifteen Spartan judoists will travel to Berkeley Sunday to compete in the annual Senior Pacific Amateur Athletic Union tournament.

Golden Raiders who are scheduled to make the 50-mile trek to the meet are Lyle Hunt, Chris Bell, Pete Gornad, William J. Wells, Bill Thompson, Harp Didier, Win Dahl, Buck B. Ballard, Bob Frost, Robert E. McCorkle, Dave Andrews, Don Ewing, Charles George, Kenneth Fare and Richard Kohler.

Tom Dunlap, one of the local's top judo men, and Jim Foster will not make the trip. The talented Foster has an injured ankle.

Wednesday night at Berkeley the Golden Raiders and the University of California battled to a 1 to 1 tie. Hunt received the point for the Spartans by throwing his Bear opponent in 37 seconds. This meet marked the first dual match between the two schools in judo.

Spartans who represented the college against California were Hunt, Gornad, Thompson, Didier and George.

## Golfers Meet Fresno State

Four members of the Spartan golf team will meet a quartet of Fresno State linksmen this afternoon on the San Jose Country club course. Play begins at 1 o'clock.

In the last encounter between the two schools in golf, the locals swamped the Bulldogs 15½ to 2½ in the Raisin city.

Coach Walt McPherson probably will not use his best golfers against the Fresno contingent this afternoon. He probably will use the same foursome which downed St. Mary's Tuesday. That combination was Gordy Williams, Stan Gum, Gene Broderick and Art Christopher.

## Netmen Complete Season Tomorrow

Tomorrow afternoon the Golden Raider tennis team travels to meet the College of Pacific netters in a meet at Stockton.

The meet with the Tiger team will be the last for the Spartans this season. In the previous match between the two teams this year the locals triumphed 8-1 on the Spartan courts with Butch Krikorian pacing the win with a 6-3, 6-3 decision in his game.

# Ken Venturi, Priddy Are Athletes of Week

Ken Venturi and Bill Priddy shared Athlete-of-the-Week honors last week as both were chosen by the Spartan Daily sports desk as contributing the most to the school athletically.

Venturi has been outstanding of the Spartan golf squad throughout the year. He turned in two superb efforts last week as he shot a four-under-par 68 against Fresno State and a six-under-par 66 against the San Francisco Police.

Priddy has been showing signs of greatness in track meets all during the season. He has been narrowly missing the bar in the pole vault at heights ranging from 13 ft. 8 inches to 14 ft.

He turned in his finest performance last Saturday at the Fresno Relays when he cleared 14 ft. for the first time. He is the second collegiate pole vaulter to clear 14 ft. while in a Spartan uniform.

Both Venturi and Priddy are juniors and will be back next year. Venturi is from San Francisco and Priddy is a Bakersfield product.

Venturi was California Amateur champ last year and is highly ranked nationally. He stands a good chance of being on this year's Walker Cup team.

Priddy's 14 ft. leap can not be classified as an accident, by any means. The lanky vaulter competed in the rope climb on this year's Spartan gymnastic team in order to build up his arms for track season.

Priddy will compete in the Modesto Relays tomorrow where he may hit 14 ft. or better, again. Venturi may play today when the state golfers meet Fresno State here.

## USMC Lt. To Explain Course

Graduating senior men interested in the Marine's Officer Candidate course will have an opportunity to learn about the program when a representative of the Marine Corps holds interviews in the Student Union on May 20.

In a letter received by the Dean of Men's office, Lt. Karl D. Morrison, USMC officer procurement officer, stated that he would be on campus from 9 a.m. to 5 p.m. to explain to the seniors the four-month OCS course being made available to college graduates.

Among the exhibits at Camp Parks on Armed Forces Day open house tomorrow, will be one from the college, according to Lowell C. Pratt, director of public relations.

The exhibit is being planned and installed by members of the Rally committee.

## Vets Apply

Graduating veterans attending school under Public Law 346 must file an application before completion of their present program if they plan to continue their education, according to Glen E. Gut-tormsen, accounting officer.

# Why 2 gallons of the gasoline you buy today equal 3 gallons you bought in 1926

**1. We all know** that today's petroleum products are vastly superior to those of 26 years ago. But very few of us realize that two gallons of today's gasoline will actually do as much work as three gallons did 26 years ago. The tremendous improvement of petroleum products is largely due to one thing: the research being carried on by U.S. oil companies.

**2. In February** Union Oil opened the doors of its new \$8 million Research Center near Los Angeles. Here a staff of 300 will work on product improvement as well as petrochemical research — the development of the base chemicals for such products as synthetic rubber, detergents and plastics.

**4. These 30,000** U. S. oil companies — big and little — are all competing with each other. Consequently, the incentive to develop new and improved products or techniques is constantly with all of us. This incentive is the driving force behind our whole free, competitive American system.

**5. For it encourages** the introduction of new and better products to a greater degree than could ever exist under a governmental monopoly.\* As a result, the American people have the highest standard of living the human race has ever known.

\*As long, that is, as the government doesn't tax industry to the point where there's no incentive left for research and development.

**3. Over the last 61 years** the money we have spent per year on research has risen steadily from \$3 thousand to over \$3 million. Why? Not because we like to spend money or because someone told us we must. But to keep ahead of our competitors — all of whom are working on new and improved products too.
