

Carol Taylor Is Guest Artist In Final Concert Series Tonight

'Lilies Of The Field' Comedy Riot To Be Staged Next Week

Gillis Is Holding Rehearsals for Productions on March 9, 10

With a brand of comedy that has not been equaled in the history of comedies at San Jose State, John Hastings Turner's "Lilies of the Field," will be presented under the sponsorship of the Speech Arts department on March 9 and 10.

For the first time this year a cast is composed, with the exception of a few minor characters, of members of San Jose Players. This fact, coupled with the quality of the comedy, assures a production that surpasses all others of the present season in entertainment value.

In the "Lilies of the Field," his two daughters, Hugh Gillis has cast Eva Beryl Tree and Pauline Blanks, members of Players, and who appeared in innumerable plays both on and off campus.

Jack Glycer and Marjorie Collis, who stole the show in "Anna Christie," are to appear in the "Lilies of the Field," the English pop, and Mrs. Rooke Walters, the beautiful mother-in-law.

Katheryn Epps and Victor O'Hara will be seen in the roles of the wife of the Vicar and Barnabas Haddon.

Other members of the cast are: Edith Boasso, Frank Hamilton, George Lepitich, and Virginia Ralston.

Tickets for "Lilies of the Field" will be put on sale next week, but reservations should be made at once to insure good seats for the production.

E. M.'s and Junior High Group Will Hold Joint Meeting on March 1

At the general elementary and junior high group will meet in Room 1 of the Home-Making Building, Wednesday, March 1, at 7 p. m.

Miss Marguerite Shannon, vice principal of the Herbert Hoover High School, will be the speaker of the evening.

Miss Shannon has had wide experience as an elementary teacher and principal and a junior high teacher, counsellor, and vice principal. Her talk will be of practical interest to those planning to enter both general elementary and junior high school fields.

A social time will be a part of the evening's program.

Mrs. Cecile B. Hall, of the education department is adviser of the group.

America's 'Singing Actress' To Give Initial Performance In Morris Daily Auditorium

Carol Taylor, renowned artist, who will perform here tonight in the final of the series of College Concerts.

Large Crowd Expected To Enjoy Concert at College Tonight

This evening at 8:00 o'clock, Carol Taylor, America's Singing Actress, makes her appearance at San Jose State in the final concert series of the year. The admission to students is the small sum of 50c, and to outsiders, \$1. With these nominal fees, a capacity audience is expected to jam Morris Daley Auditorium.

State is much more fortunate than they at first realized in being able to secure such a renowned artist. She has appeared throughout Europe and America before, but this is her first appearance on the Pacific Coast. At Fresno State, where she sang recently, the papers heralded her concert as the best that had ever been presented here. Here are some excerpts of the music critics of Fresno:

"The coming of Carol Taylor to the Fresno State College afforded a most delightful and refreshing program to all who were privileged to hear her. With charming modesty for one possessing such artistic technique, Carol Taylor won her audience in the opening group of numbers.

"The selections were far from commonplace or hackneyed and her interpretations were greatly reinforced by her winning personality, appropriate costuming and rare finesse in action."

Her accompanist, Mr. Raymond McFeeters, himself a famous pianist, will add to the program even more entertainment of the highest class.

Inasmuch as this is the first time in the history of the Concert Series of State that we have been fortunate enough to secure a Singing Actress, a capacity audience is expected in Morris Daley Auditorium.

Remember the date, Tuesday evening, February 28. It is advisable to secure your tickets early if you want a good seat. Those who do not attend will be extremely sorry, like they were when they missed the last series presentation—the Vienna Boys Choir.

Rose Terlin To Speak Before Globe Trotters Meeting at Noon Today

Tuesday, February 28, in Room 1 of the Home-making Building, from 12 to 1 o'clock, there will be a meeting of the Globe Trotters.

Rose Terlin, a graduate student of the University of California, will speak on "The Adventurous Life." She also has done a great deal of thinking about what resources religion has to bring about economic change. Is an active member of the League for Industrial Democracy, a nation-wide organization of college students and others who feel that we must work for economic equality.

Paul Blanchard, who addressed the Freshman Class on February 16 and made a big hit, is a special lecturer for the L. I. D.

International Relations Club Has Open House

The guest night meeting of the Iota Rho Chi (International Relations Club) was held February 8th, at the home of Mrs. Frederick Curtis, 200 North 13th Street. The Sino-Japanese situation was the main topic of discussion, skits by various members of the club forming the entertainment.

Alva Miller presided as master of ceremonies in presenting the guests, who were: Janet Hartmann, Frances Ayres, Mildred Hartsok and Gail Baldwin.

Home-Making Club Will Have Dinner Soon

The Home-Making department is making plans for their annual winter quarter dinner, to be held on Monday, March 6. As the main social event of the year, it will be held off campus.

Chinatown is the place selected, and a depression price of thirty-five cents will be charged. Tickets will not be on sale until about a week before the event, but all Home-Making majors, minors, and technicals are asked to keep the date in mind.

Ed. Howard, manager of the College Co-operative Store, was operated on for appendicitis yesterday. Ed has been suffering with attacks of appendicitis for some time, and yesterday morning an acute attack made an immediate operation necessary.

San Jose Rugby Team Plays 3 to 3 Tie With California Bear Squad

A game of Rugby, in which both teams, the University of California and the San Jose American Legion, thought defence was the best offense, was enacted Saturday afternoon at Reed Field. The final score was 3 to 3.

Defense did prove the best for the Golden Bear team, scoring their only touchdown when McCormick, a forward, intercepted a San Jose pass and galloped twenty yards to the score.

With the addition of Toby McClachlen, Joe Langtange, and Roseveare to their ranks, the San Jose team turned in their best game of the season. Jack Wool scored for San Jose when he ran 40 yards down the sidelines, over the final line. Both teams failed to convert.

Erna Epperson Will Head Lambda Omega Beta

At a recent meeting of Lambda Omega Beta, the newly organized local chapter of Kappa Phi, the following officers were elected:

President, Erna Epperson; vice president, Mildred Jackson; corresponding secretary and treasurer, Virginia Leibhart, publicity and art, Inez Philbrick; chaplain and religious chairman, Charlotte Rhines; social chairman, Pat Pace; membership and invitations, Katherine Hooker and Florence Rhoten; program and music chairman, Veva Nichols.

Refreshments were served and plans were made for a semi-formal reception to be held in the near future.

Women's Club Will Be Scene Of Junior Prom Friday Night

Bids on Sale for \$1.50 By Committee; No Corsage Is New Rule

Next Friday night, the Junior class will bring to a climax a quarter and a half of interesting and enthusiastic class activities when they give their long looked forward to annual Junior Prom.

Selecting the Women's Club as the setting for the dance, the committee, under the co-chairmanship of Pearl Bohnett and Carl Palmer, have been working on extensive plans for the past month, in an effort to offer those attending a new peak of interest and originality. Blue and silver are being used extensively in the decoration and in bids. The bids, which went on sale last week at \$1.50 each, are commanding particular comments on their uniqueness.

As a special economy measure, the class adopted the present popular idea of abolishing corsages. This very sensible plan has met with much approval, as most students find even the \$1.50 bid for a formal dance a severe strain on the pocket book without the additional expense of buying a corsage for the "one and only."

From the rumors circulating about the campus the dance is going to be one formal that all Spartan-minded students do not intend to miss. And the dance will be well worth attending. The gracious setting of the Women's Club the economy measures and the always consistently excellent music of Paul Cox's dance orchestra are going to make this grand social splurge of the Junior Class one that will long remembered by not only members of the class who have put much time and effort on it, but by members of the State College student body who attend.

If you intend to buy a bid, and almost everyone plans to at least try to get one, the few "outside" bids may be bought for \$1.50 each. Get them promptly, don't wait until the last moment. Get in the social swing! Go to the Junior Prom!

Jane Elliot Elected to Head Allenian Sorority

Teachers Working Without Pay Is Discussed

"Teachers working without pay until they faint from undernourishment," were described to a conference of educators from seven Eastern States which was held at Teachers College, at Columbia University.

It was also mentioned that children paid one dollar a week to replace adult workers is an example of the problems added by the economic depression to the burden of educators.

The conference was called by Dean of Teachers College, William F. Russell, to consider "plans for education during the depression."

Frank G. Pickell, superintendent of schools of Montclair, N. J., reported that "hundreds of teachers in parts of southern New Jersey had received no pay this year. He said, "they are dropping every day from undernourishment."

The general secretary of the National Child Labor Committee of New York, Courtenay Dinwiddie, said there was "less opportunity for graduates of schools to get jobs in which any sort of educational training is useful."

"Instead there is tremendous exploitation of these young people for cheap labor," he claimed.

Oxford Hall Is Raided by Green Shirts

The Oxford Union Hall was raided the other night by green-shirted fascists who tore from the minute book the pages containing a motion adopted last week "that this house will in no circumstances fight for its king and country." That almost caused a riot in Oxford, England.

Two six-footers led a group of about 20 fascist undergraduates which burst open the doors to interrupt the meeting. While some grouped around them, others seized the minute book from the chairman's rostrum and tore out the sheets. This done, they reformed and marched out.

Each honor guest was presented by the sorority with a wrist bouquet of old-fashioned flowers in quaint colors.

Stanford Men Want Their Women Beautiful

Apparently Stanford University men don't care whether their women have brains or not, so long as they are beautiful. This fact was brought out recently when a group of Stanford "roughs" stated in public that for a girl of tender years 80 per cent beauty and 20 per cent brains was the requirement. When women are 30, the men desire them to be 50 per cent pretty, and 15 per cent each of brains and physical coquetry, and 10 per cent generosity.

Spartans Split Chico Series

Concannon's Shot Wins First Contest By a 46-44 Score

Lead Changes Often In Wild Battle as Locals Gain First Win

By Adam Vagts

Battling fiercely every inch of the way, a cyclonic Spartan basketball team overcame an early lead, to humble the invading Chico Wildcats in a free scoring contest, 46 to 44. It was San Jose's initial conference victory of the season.

It looked like an old story to Spartan supporters, who witnessed a fast breaking Chico attack in the early minutes to take a 9-2 lead. Here San Jose called time out and came back to break through for four successive baskets. Countryman sent two beautiful shots through the hoop and Downs followed with two more.

Lead at Half

With the score knotted up at 12 all, not more than three markers separated the two teams for the remainder of the game. With Countryman, Downs and George scoring, the Spartans ran their total up alternately with Chico sandwiching buckets in between, to lead, 19-17, at the intermission.

Score See-Saws

Jenks stepped into the "hole" for a set-up as the half opened, and it was 19 all. Countryman and George made it 22-19. Lafbrecht, 22-21, and again 22-23. Morgan, Chico center, dumped a long one and Chico led 25-22. Rea followed in. Downs and Liebrandt scored while Lambrecht and Jenks evened up matters, 28 to 28. Mathieson substituted for Rea and sank one. Irwin entered the game for Chico and rang up seven points, while Downs and Countryman tied it again at 38 up.

Concannon Comes Through

Here Coach McDonald executed a piece of rare strategy. Tueller and Concannon were injected in place of the fast firing forward line. Lambrecht, Wildcat ace, once more slipped in for a shot, and the score was Chico 41, San Jose 39. Tueller dumped his favorite one-hand throw and the crowd was in a frenzy. Barber and Gibson each made good free throws, 42-42. There was one minute and 40 seconds to go. Irwin tallied on a high shot from out in the corner, and once more the Ackerites were ahead, 44-42. Concannon intercepted a pass and caged a neat shot to send San Jose rooters into the air. With the timer's gun in the air, Concannon sank a shot from out beyond the foul circle and the game was in the bag, 46 to 44.

The entire team played an inspired game, and brilliant shooting by both teams, kept spectators on edge. Downs scored 12 points and Countryman 11. Lambrecht and Morgan led the visitors' scoring.

Swimmers vs.
Cal. Tonight

PAGE FOUR

SAN JOSE, CALIF., TUESDAY, FEBRUARY 28, 1933

Varsity Swimming Team Will Meet Bears Tonight

Once more our varsity swim team steps into the limelight, for, according to Coach Charles Walker, tonight they will travel to Berkeley, where they will tangle with the University of California's varsity in the latter's splendid new pool. This will be the Bear's first meet of the year, but that doesn't mean they won't be good. Representing them on the springboard will be the well-known diving sensation, Rucker, who holds the title of P. C. A. A. U. Jr. Champion. It will be a good event when he runs up against our own diver, Holt.

Then they have a breast-stroke artist, one Langworthy, who is no slouch. Due to Harold Hauser, State's foremost breast-stroker, injuring his ankle last week, and making his condition doubtful, things look bad for this event.

The 440 yard event will be introduced, and this will be the first time State has competed in this distance. Of these men, Plat, Draper, Holt, and Lynn, two of them will represent State in this swim.

Draper is being groomed for long distance for next quarter, but will probably uphold the dash for the remainder of this one.

Bill MacQuarrie has been going great guns in the dashes and bears watching.

Cal will enter its Frosh team and State its ineligibles, but neither will be given credit for placing. It's too bad, as State would most likely cinch the meet if the ineligibles counted. Bruce has been improving under Coach Walker's careful training and has cut his 100 to around 58 seconds.

What Coach Art Acker said to his Chico Wildcats after the game Friday night must have had plenty of effect, for the Northern California team came back with a vengeance to end the series up "even-steven" by a count of 35 to 24.

With the exception of the first minutes when San Jose sank a free throw, Chico led throughout the entire contest, leaving the floor at half-time with a 10-15 edge.

Soon after Lambrecht broke the ice for the invaders, it became apparent that Chico was properly "hot." Field goals in rapid suc-

College of Pacific cagers had the Far Western Conference crown presented to them "hands down" when the California Aggies upset Nevada U at Davis, 45 to 37, to drop the Wolfpack a notch in conference standings.

Nevada's unexpected loss cleared the way for Pacific's unchallenged leadership and avoided what would have been a much disputed tie because of Nevada's forfeit win from Fresno in a split series.

The Tigers lost only one game, that to Nevada. The Wolves dropped one to Pacific and one to the California Aggies, while the Davis Farm team dropped two to Pacific and one to Nevada. Chico lost all games but the one win over the Spartans in a split bill. San Jose ends up in fourth place due to two technical wins over Fresno and one victory over Chico.

While the final standings await a conference meeting in May, it is almost certain that all Fresno games will be ruled out. Five out of the six conference schools voted Secrist and Rambo ineligible by "telephone vote" already, and it's hard to rule a player once called out, safe, this ruling will probably stand. At least, officials will not have to vote a conference champion with Pacific having her title in the clear.

Glenn Harper Is "Iron Man" of Winning Team; Taylor Stars

Winning 8 first places, 4 seconds, 4 thirds, and 5 fourth positions, the Sophomore class team, entered as the "dark horses," scored 11 more points than the

highly favored Junior team, to win the inter-class track meet held Friday afternoon and Saturday morning. The final score of the teams were, Sophs 65; Juniors, 54; Frosh, 24; Seniors, 10.

There was some question raised as to whether Harry Murphy was a Soph or a Junior. Murphy scored 11 points for the Soph class, taking first places in the high jump and high hurdles, and a fourth place in the low hurdles. The Juniors thought that he was one of their members in units and should be running for their class. A final check in the Registrar's office definitely proved that he was a Soph.

The efforts of Glenn Harper were highly instrumental in the registering of a Soph victory. Harper swept through to victories in both the one and two mile runs, and took a second position in the half, scoring a total of 13 points for his class.

The best time of the day was turned in in the 100 yard dash, when Doug Taylor, wearing the Junior class colors, covered the distance in 9.8. Lou Salvato looked good for so early in the season, following Taylor to the tape. Salvato is a Junior.

Taylor was individual high scorer for the Juniors, scoring 10 points by taking first places in both the dashes. He also ran with Clemo, Kelley, Hubbard, to win the relay.
