

# Simoni, Murdock, Pinkham Are Winners In Student Elections

## Capacity Crowd Expected To See 'Lilies of the Field'

### Student Body Is Expected To Take Advantage of Free Production

Tonight and tomorrow night "Lilies of the Field," a rioting, rickacking comedy, will be presented to the student body free of charge. A silver offering will be taken to help defray the necessary expenses, but that need not scare out those who have not money to put in the collection. All students and faculty are perfectly welcome to come and sit your sides with laughter. The cast includes some of the leading talent at State, and perhaps the best assemblage of individual stars this year.

Last in the leading role is the young Jim Fitzgerald, who will portray the part of the Rev. John. His wife is Katherine. Their daughters are Pauline and Eva Beryl Tree. The mother of Ann will be taken by Margery Collis. Victor O'Neill impersonate Barnaby Hadson. The maid at the vicarage, will be taken by Mabel Ralston. Richard Glycer will take the part of Byron Ropes. Walter's servant will be played by Frank Hamilton. The Monica Flans is taken by Edith Boasso; and last, but not least by any means, is Lady Susan, portrayed by Grace Lepthor. Imagine such a congregation of stars all in one play. The production is supreme, the play unsurpassable in its comedy aspects, and the plot is one that the audience will find themselves trying to work out before the play is over.

## Girls' Luncheon Club Meeting Planned

The weekly meeting of the Girls' Luncheon Club will be held in room one of the Home-coming building, Thursday, March 9, from twelve o'clock until one.

This is the last meeting of the year, and an election of officers for the next quarter will be held. Members of the club are working on a play, entitled "Mother's Day," which will be presented Wednesday evening at the Y. W. C. building, which meets in School hall at 7:30 o'clock.

Cast for this play is as follows:  
Mother Earth's Daughters:  
Gladys Neely  
Lillian Ray  
Gay Coovert  
Mary Lockhead  
Ada Root  
Jeanne French  
Lillian Ray

## Achievement Test Is Scheduled Saturday

On Saturday, March 11, the Thorndyke Achievement Test will be given to all Junior College students who plan to enter Stanford. Also the graduates from San Jose Hi who intend to enter Stanford as Freshmen will take the achievement test. Entry into Stanford is based almost entirely upon the score made in this test.

The examination will begin at 9:00 a. m., and all students are requested to be there on the dot.

## Oratorio 'Elijah' To Be Presented Next Tuesday, March 14

Next Tuesday evening the oratorio "Elijah" will be presented to the student body in Morris Dailey auditorium. The huge chorus consists of 340 voices, 5 soloists, and 35 picked pieces from the symphony orchestra.

The soloists consist of the outstanding talent in school. Winifred Fisher, or radio audition fame, sings the soprano solos. Wilma Williamson, popular campus performer, sings the contralto numbers. Gerry Erwin, highly experienced soloist, and director of the glee club, portrays the tenor role. The baritone will be taken by Kenneth Davis, a comparative new-comer to the local campus. Joel Carter, one of the most outstanding singers in San Jose, will have the bass part. With this fine array of talent, the success of the production is assured.

The production is the first of its type that has ever been attempted on the San Jose State campus. Mr. Otterstein is the general director, being assisted by Miss Thompson and Miss Manning. It is free to the public, so those who wish to obtain a seat should come very early.

## U. C. L. A. Introduces Own Scrip for Holiday

Of interest to us is the recent novelty adapted by the students of the University of California at Los Angeles when they began making and using their own "money."  
"Shinplasters" bearing the inscription, "Associated Students Emergency Scrip," was used in denominations of 5, 10 and 25 cents. These can be traded for checks, and the scrips are negotiable at the University cafeteria and book store.

## SIMONI IS RE-ELECTED CHAIRMAN OF STUDENT AFFAIRS FOR QUARTER

Complete election returns as turned in by Carl Palmer and his election board staff are as follows:

**Forensics Manager:**  
Charles Pinkham—381 votes.  
**Music Representative:**  
Jack Murdock—240 votes—Elected.

**Carl Welz—220 votes.**  
**Student Affairs Chairman:**  
Dario Simoni—290 votes—Elected.

**Owen Ulph—193 votes.**  
Although Charles Pinkham was elected without any opposition, the same was not true of the other offices. Both Murdock and Simoni were pressed by worthy opponents, and less than one hundred votes separated the two leaders from their respective political foes as the final vote was tallied.

## MR. WM. ERLENDSON DIRECTS A CAPELLA CHOIR IN BROADCAST

This evening the A Capella choir, under the direction of Mr. Erlendson, will present a half hour's program over the National Broadcasting Station KPO, in San Francisco. They will begin the series of songs at 9:30 p. m. This is the first time this year that any music organization has appeared over the radio, and the first time for several quarters that they have appeared in the N. B. C. network.

The choir will journey to San Francisco by a special double-decker bus, leaving from in front of the Seventh street entrance, at 7 o'clock.

Mr. Erlendson is to be highly commended on his securing this engagement, and all those who wish to hear a truly professional presentation of a group of songs by our own State talent, should not fail to tune in on KPO this evening at 9:30, and enjoy a full half-hour of real music.

## Jules Bouret Elected President of Society

Jules Bouret is elected president of Iota Delta Phi, French honor society, in an election held last Monday night in the home of Mrs. Lucille McKeown. The other officers elected are: Leona Pitzer, vice president; Jean Smith, secretary; Leonard Rising, treasurer; Vivian Leek, reporter; and Pauline Guida, historian.  
New pledges were also announced at the meeting. The four pledges are Lois Wool, Edward Phelps, Barbara Topham, and Elena Cipolla.

## Final Student Body Dance Of Winter Quarter Will Be Held Saturday; Men's Gym

## Publications Board Names Times Editor At Wednesday Meet

By Dick Sanders

At a special meeting of the Publication Board yesterday, Clarence Naas, present editor of the College Times, was unanimously voted Editor for the ensuing quarter.

Naas took over the reigns of command from Jimmie Fitzgerald at the beginning of the Winter quarter, and so systematized the daily issuance of the publication that for the first time in Times history the paper has never failed to be in circulation by the scheduled hour of issuance. Coupled with this regularity has been inaugurated the policy of leaving the forms open until morning so that last minute news, such as basketball game scores, can make the paper the morning after the game. Under his hand the daily feature has rapidly matured.

Clarence Naas is one of the most highly trained newspapermen at State. Thoroughly familiar with the shop end of the work, being a printer by trade, he has a long record of journalistic successes behind him; editor of the High School Herald when it was voted the best in the State, and several editorial jobs on the Times, including twice managing editor, the most influential job next to editor.

Naas is entering his third year of varsity tennis competition, is a member of the Spartan Knights and Sigma Gamma Omega fraternities. (Continued on Page Two)

## Pre-Medical Club Is Addressed by Dr. Graun

"The Different Types of Mental Cases" was the interesting subject of a talk given by Dr. Richard Graun, who was presented by the Pre-Med Club Wednesday afternoon in their regular meeting.

Dr. Graun is an authority on the subject that was discussed, having studied it in the East. The students of psychology found the presentation particularly interesting.

The discussion was based upon actual cases on which Dr. Graun has worked and experimented.

The new hour, four o'clock, instead of five o'clock Wednesday afternoon, should enable still more people to attend these meetings which afford such excellent opportunities to hear well-known speakers.

## Sammy Ziegler's Popular Campus Orchestra Is Obtained by Simoni

Dario Simoni, student affairs chairman for the past quarter, will bring the winter's quarter of successful student functions to a close with the presentation of a student body dance this Saturday night in the Men's Gymnasium.

Sammy Ziegler's popular campus orchestra, has been obtained by Simoni to furnish the dance music. Ziegler's orchestra has gained an increasing popularity during the past quarter for their co-operation and willingness to aid the student affairs committee whenever possible.

This coming student body dance will terminate the activity of the present student affairs committee. Under their regime State College has enjoyed numerous dances of a varied and interesting nature.

For those students who have liked the more formal type of dance, Simoni has offered several regular student body dances in the Men's Gymnasium, and for those who preferred a more informal type of dance, he and his committee sponsored the many post-game dances which gained so much popularity during the past basketball season.

The decorations for the dance this Saturday night will be, as usual, of colored lights. Punch will be served during the intermission, the usual student-body card regulation will be observed for admittance.

## Patricia Pace Named Head of Co-Ed Capers

Pat Pace will head the direction of Co-ed Capers, to be given April 7th, in the place of Marba Van Sickle, who is absent from college on account of illness.

The individual organizations will hold their rehearsals independently instead of rehearsing together in the auditorium.

Marian Barnes, popular co-ed, will be the official mistress of ceremonies for Co-ed Capers.

On account of the depression and the banking holidays the admission tickets have been reduced in price to 25 cents for any seat in the house.

On Registration day stickers will be passed out with the slogan, "2033 or Bust." These may be placed on binders or cars.

If any organization needs assistance or advice, Dr. Kaucher will see society representatives in her office.

## Just Among Ourselves

Met with the Assembly Committee on Ways and Means Monday night and helped to present the cause of the Colleges.

More and more I am impressed with the sincerity of the majority of our legislators. They are working day and night literally in an attempt to balance the budget. They are showered with petitions, personal letters, and telegrams. Special interests pulling and hauling. We're not the only ones worried. Those legislators are in just as difficult a situation.

A certain city in the state has been most active in demanding tax reduction. When, however, a bill was presented recently to close the College in that city, the citizens went wild. Special representatives were sent to Sacramento to plead for the College on the ground that it was the city's only real business. Legislators had a laugh, and asked many most disconcerting questions. Just like our Muckraker. Good stuff until it strikes us.

At this moment, my guess will be that there will be no increase in student fees with the possible exception that out-of-state students may have to pay a part of the cost.

There will, I believe, be a rather sharp reduction in faculty salaries, how much, no one knows. We have insisted that whatever cut is made must be uniform for all state employees.

I'll guess, also, that we shall retain the store. There may be some minor restrictions, but they will not interfere with our real objective.

It was such a delight to come home from that strained situation to the quiet of the campus and attend the symphony concert. Somehow or other, I am growing to like music more and more. Actually looked forward all day to a pleasant evening. It was a grand triumph for Jean Stirling as well as for Mr. Otterstein and his 100 helpers. Heard someone behind me say, "And she's just one of the students." Just. Mr. Miller and his shot gun did valiant service also. I knew they used trap drummers in orchestras, but I never heard of their using a trap shooter before. Only sorry I couldn't hear the whole program again.

We were worried when that tree dropped across the front driveway recently. Looked all right last summer, but the roots were badly decayed. Glad we're keeping the cars out this quarter. Wonderful that no one was injured. We have been pretty fortunate about accidents, fires, explosions, etc., but one never knows. We're having the doubtful trees tested now. Going to take the bad ones down before they do some real damage. Have put a good deal of work on those frosted pepper trees, and believe we have been able to save them. Mr. Jacobs, our tree expert in the Science Department, tells me that such pruning actually improves a pepper tree.

## Depression Prices Will Prevail at Banquet

Pre-depression food at depression prices is to be an important provision in affairs of these bank-closed days; so the Women's Athletic Association is featuring a banquet Friday, March 10, in the Women's Gym at five-thirty p. m.

The general admission is 15 cents, and this paid, you can pay for the meal later. If any one is financially embarrassed (and it isn't so embarrassing these days) please sign up in the gym by four o'clock Thursday, and make arrangements to pay your 50 cent dinner charge at some later date. Your I. O. U. will be accepted without security.

This is really to be a basketball banquet, but all girls are welcome. This is an excellent opportunity to get acquainted socially, sportingly, and pleasantly.

There has recently been much discussion on the part of the constitution regarding awards; so a special discussion and talks on this subject will make the matter more clear and settle the controversy.

These W. A. A. banquets are noted for their good food, good crowds and fine times.

The general chairman for the banquet is Isabel Kohler, and she is actively aided by June Becker, Pat Pace, and various committees.

The time is Friday night; the place, the Women's Gym; the time, 5:30 p. m.

Following the dinner there will be a swimming party in the pool.

## DR. GEORGE FREELAND ANNOUNCES QUARTER'S TEACHER APPOINTMENTS

The following students have been approved for student teaching:

Group I—Wallace Murray, Lenore Wraens, Bertha Schroyer, Alice Dorris, Enes Prati, Mildred Bernard, R. V. Barney, Josephine Brown, Dorothy O'Brien, Jean Boynton, Wm. P. Johnson, Vera Snow, Priscilla M. Keegan.

Group II—Alma Knowles, J. Clark McGinnis, Jessie Grant.

Group III—Thelma Holmes, Margaret Baird, Elizabeth Pritchard.

Group IV—Aronne Francis, Marjorie Ballagh, Alberta Roark, Spence Amick, Pauline Carman.

Group V—Hope Allario, Louise Rosenhahn, Walter Hill, Dorothy Wade, Doris Beatty, Alberta Lloyd, Bertha Wissner, Charlotte Howard.

Group VI—Suzette Dornberger, Claire Summers, Ruth Graham, Violet Gay, Jessie M. Stirling, Clyde Thurston, Arthur Wagner, Claire Coolidge, Eleanor Bickel, Helen Bing, Enlah Hook, Wilma Tognazzini, Elizabeth Ryder.

Group VII—Mae Carlson, Beryl Harris, Avis Kingston.

If the following people have not seen Mrs. Rayner already they should do so without fail by two o'clock this afternoon. Call at Room 161, Education department.

Group I—Constance Mazin, Mildred Moler, Roberta Loh, Donna Shirley, Angeline Aho, Lyolla Casey.

Group II—Marian Wheeler, Jessie McGinnis, Marjorie Humphrey.

Group III—Gerald Erwin, Laina Vasche, Lorothy Klint, Esther Ehrhardt.

Group IV—Harriette Burke.

Group V—Joseph M. Jacobsen, Marie Mothorn, Susan Tallman, Ermalee Main, Ardis A. Eagan, Betty Gill.

Group VI—Herbert Miller, Lois Larry, Margaret Combs, Lore Miller, Lovetta Gusk, Hazel Kirk, Wm. D. Landels, Harriet M. Cautland, Adah Mae Rhodes.

Group VII—Evelyn Boehne, Alice Grohl, Ruth Riddle.

## Hostess and Dancing Classes Plan Dance

Thursday, March 16th, the students of Miss Dimmick's Hostess Course and Mrs. Wilson's Social Dancing Class, will have a formal dinner dance at O'Brien's Pompeian Court. This affair will take the place of a final examination for both classes. The purpose of the dinner dance is to apply what the students have learned during the quarter.

## EFFORTS TO INVESTIGATE "SCHOOL LOBBY" LOST

An effort to launch a senatorial investigation of the so-called "school lobby" fell through today when seven of the senators let loose a blast of opposition that doomed the movement before it got well started.

A resolution authorizing the Inman senatorial investigating committee to concentrate on the school lobby and ascertain where money was raised and where and how spent, was introduced by Senator R. R. Ingels.

## Tea Room Management Is New State Course

Tea Room Management is a new course which will be offered next quarter. Miss Mignon will conduct the class, which is for girls only. The proposed course will cover the entire field of Tea Room Management. All girls who are interested in this course are asked to see Miss Mignon immediately, as the class will not be scheduled unless sufficient students register.

## Marion Fruhling Is New Hiking Club Head

Marion Fruhling was elected chairman of the executive committee of the Hiking Club at a business meeting held in connection with last Sunday's hike. Other members of the committee, which will have charge of the club's activities during the spring quarter, are Pat Pace, retiring chairman, Mary MacKaye, Ruby Peck, Ed Welz, Art Martin, Bill Owen and Harry Zeiber.

About seventy were in attendance, including State students and faculty, members of the Sierra Club, Stanford students, and members of the hiking section of the American Association of University Women.

The next hike scheduled by the college group is set for April 9th. During the vacation, however, there are two trips arranged by the Sierra Club to which students and faculty are invited. On March 19th, leaving the Seventh street entrance at 9:30 a. m., there is the trip known as "the annual blossom trip" from Glen Una along the ridge to Los Gatos. On Saturday, March 25th, there is an overnight trip with camp established at the Lions Den, an evening in the observatory at Mount Hamilton, and a hike on Sunday into the hills east of Alum Rock Park.

## Clarence Naas Is Re-elected Editor

(Continued from Page One)

nities, and an officer of the Press Club.

Faculty leaders of the school and shop have made the following statements about Naas and the Times.

**Dr. MacQuarrie:** "It's a grand little paper and the best way I know to judge its popularity is by the enthusiasm with which it is picked up and scanned and students seem more interested this quarter than ever before. The change in form has helped a lot, made it easier to read in class anyway. Naas has been outstanding in the showing of a marvelous interest in the welfare of the college."

**Vice President Minssen:** "I have had Naas in my classes and have watched him and I firmly believe that he is not only an excellent leader, but what is more, has, rather than personal aspirations and a desire for publicity, an unbiased interest in the welfare of the student body and the school. This is expressed through his policies in the Times."

**Neil Thomas:** "I have seen editors come and go, and while they have been all fine young men and women, I believe that Clarence Naas is one of the outstanding of the group in that he has co-operated with my office in every way possible, and has endeavored to put out a real, newsy, newspaper of campus activities. Mr. Naas has taken his job very seriously and many times has felt hurt when certain campus groups thought they were being mistreated. Good luck and success in the future, Clarence."

"From the standpoint of the mechanical side of the 'College Times,'" said T. M. Wright, of the Wright-Eley Company, "things have never run more smoothly and with less friction than during the past semester, under the editorship of Mr. Naas. There has been the finest co-operation in all departments, and the paper has come out on time every issue. He has his staff well organized, and it has been a pleasure to the mechanical staff to be associated with the editor and his assistants."

## Loren Miller Presides Over Joint Meeting

Loren Miller presided at the combined General Elementary and Junior High meeting held last Wednesday, March 1.

Miss Marguerite Shannon, vice principal of Herbert Hoover Junior High, discussed the problems of organization in a junior high school. She emphasized the value of the home room and urged students who plan to teach in junior high to participate in such organizations as the dramatic club and the verse speaking choir.

Spence Amick, Wallace Murray, and Mary Lou Carmichael gave talks on their experiences in student teaching. A number of very humorous incidents were given.

The latter part of the evening was devoted to social affairs.

Miss Marion Oldham was in charge of the entertainment.

Adeline McWilliams and Alice Alexander were in charge of the refreshments.

The chairman for the next quarter is Margaret Roberts.

Soph A's will play Soph B's for the championship of the Gold and White League at 7 o'clock tonight.

## Salinas College Y. M. Will Visit S. J. Group

The Salinas College Y. M. C. A. is to have a joint meeting with the State College Y organization at the City Y Thursday.

The program will consist of swimming, a basketball game, ping pong, and other diversions.

The Salinas Y is a new organization, and they are coming down to get ideas from us and see how we run the State College Y.

It is hoped that all members will turn out Thursday, as a good time is planned for everyone.

ful trees tested now. Going to take the bad ones down before they do some real damage. Have put a good deal of work on those frosted pepper trees, and believe we have been able to save them. # Don't you get Pipe Hungry once in a while?

MAYBE it's back to Nature. Maybe it's something else. I don't know just what it is, but somehow or other I've just got to slip out in the woods and sit down on a log. I always take the old pipe along. Thinking somehow seems easier when you are smoking a pipe. I can fill up my pipe with Granger, and somehow just seem to see things clearer than at any other time.

"Don't know what it is about Granger, but it must be made for pipes—real pipe tobacco.

"Somehow, there's a flavor and aroma about Granger I never found in any other tobacco. When I pack my old pipe tight and good with these big Granger flakes, it's about the coolest smoke I ever enjoyed. It makes me downright pipe hungry every time I look at the package." Some years ago we made a painstaking,

©1933 LIGGETT & MYERS TOBACCO CO.

TEN CENTS

The Granger pouch keeps the tobacco fresh

scientific study to find out, if we could, the kind of tobacco best suited for pipes. Down in the Blue Grass regions of Kentucky, we found a tobacco called White Burley. There is a grade of this tobacco between the kind used for chewing and the varieties suitable for cigarettes that is best suited for pipes. This tobacco is used in Granger.

Wellman. It gives Granger a fragrance and mellowness that pipe smokers like, and makes it burn to a clean, dry ash. Granger never gums a pipe.

Granger has not been on sale very long, but it has come to be popular, and there is this much about it: We have yet to know of a man who started smoking it, who didn't keep on. Folks seem to like it.

This tobacco is prepared by a method worked out many years ago by Mr. J. N. Liggitt & Myers Tobacco Co.

## S.J. State-Menlo In Track Meet Saturday

### Locals Favored To Take Opening Meet From Jaysee Team

#### Varsity Team Is Strong On Track and Weak In Field Events

Coach Erwin Blesh and his Spartan track and field artists will make their 1933 debut Saturday morning at Phelan Field at 10 o'clock, against the Menlo Junior College. The 1933 edition of the team has hopes of regaining the lost Far Western Conference crown.

The Menlo team will offer little competition this year. It is a one man team, the one man being Anderson who devotes his time to broad jumping, high jumping, and pole vaulting, being exceptionally good in them all.

San Jose's outstanding field man, Frank Cunningham, will not compete in this meet, but will be ready to toss his pet javelin far against the University of San Francisco next Saturday.

Coach Blesh will enter the following men Saturday:

100 yard dash—Salvato, Taylor, and Robinson.

220 yard dash—Salvato, Taylor, and Robinson.

440 yard dash—Hubbard, Arjo, and Murdock.

880 yard run—Clemo, Harper, Orem, and Francis.

1 mile run—Harper, Clemo, and Chappell.

120 high hurdles—Murphy, Knight, and Wittenberg.

220 low hurdles—Knight, and Wittenberg.

Relay—To be picked from Taylor, Hubbard, Arjo, Murdock, Duncan, Orem, Francis.

Shot put—Marshall, Hubbard, McFetries, Wolfe and Morton.

Discus—McFetries, Marquis, and Arnold.

High jump—Murphy, Marquis, Wittenberg, Arnold, and Stevens.

Broad jump—Taylor, and Shehtanian.

Pole vault—Prouty and Stevens.

Javelin—Sundquist, Wolfe, and maybe Hubbard.

### SPARTAN BASEBALL TEAM LOSES GAME WITH CALIFORNIA BEAR VARSITY BY 7 TO 0 SCORE

Coach Bill Hubbard's baseball varsity dropped their game with the California Bears at Edwards diamond, Tuesday afternoon, by a 7-0 score, but looked like a good ball club while doing it. The game, despite the score, was not overly one-sided, both teams being held down except for a bad third inning, when the Bears collected four runs.

California started off with one run in the first inning, when Hall-over reached second on Filice's overthrow, and scored on a hit by Relles. The second inning

### SPRING FOOTBALL PLANS OUTLINED BY COACH DUD DE GROOT IN OWN SERIES

By Dud DeGroot

Spring football—the first in the history of San Jose State College—gets under way Wednesday afternoon, March 29th, at 4:00 p. m. Thereafter practice will be held regularly three times a week—Monday, Wednesday and Friday—throughout the spring quarter.

Listed on the schedule as P. E. 74, "Fundamentals of Football" practice will be conducted upon a dual basis. For those majoring or minoring in P. E. two units of credit will be granted and the course will fulfill the requirements for one of the "Fundamental" courses of instruction. For prospective team candidates and all others, with the exception of the group mentioned above, the course will carry the usual 1/2 unit which is granted for all activity classes.

The first four or five weeks of the course will be devoted almost exclusively to a study of the fundamentals involved in team play—line work, backfield work, passing, punting, place-kicking, blocking, tackling, etc. The balance of the quarter will be devoted to team play and scrimmage.

At the end of the first period a day will be devoted to individual competition in the various events taught. This will be a gala occasion and the student body and townspeople will be invited to witness the competitions for the championships in the various events. The last week of practice will be devoted entirely to team competition, which will feature quarter-back drill, punting, passing and later-passing attack. The emphasis here will be directed toward the selection of a picked squad of 25 or 30 men who will be invited to return to school on September 10, 1933, to prepare for the Stanford game, which is to be played in the Stanford stadium September 23rd, five days after the opening of the fall quarter.

(Watch the next issue of the Times for another article on Spring Practice by Dud DeGroot.)

found the Bears blanked. Blethen singled for State, was sacrificed to second by Bishop, but died on the keystone sack. Then came the bad third inning. On four hits, a walk, and two wild pitches by Blethen, the Cal nine scored four runs, three of which were unearned. Blacow singled with two out for State. DeSelle relieved Blethen in the box, and held the Bears scoreless until the seventh, when Kyle drew a pass, and scored after reaching third when a throw to the plate was wide. Another unearned run for the

### OFFICIAL SQUAD PICKED

Official All-Conference Basketball Squad selected by Far Western Conference coaches:

Forwards: Hoene, Pac., Bledsoe, Nev.

Center: Odale, Pac.

Guards: Russell, Pac.; Jensen, Cal. Aggie.

Only man from San Jose for honorable mention, Downs.

### Intra-Mural

By Dick Bertrandias

#### GAMES TONIGHT

##### SPARTAN LEAGUE—NORTH COURT

Thursday, March 9  
8 p. m. Junior D vs Soph C—Bishop.  
9 p. m. Faculty vs Senior C—Valim.

##### GOLD & WHITE LEAGUE—South Court

Thursday, March 9  
7 p. m. Soph A vs Soph B  
8 p. m. Senior B vs Frosh X—Clemo  
9 p. m. Post-Grad vs Frosh C—Kazarian

Once again you are reminded of the intra-mural gymnastic meet that is to be held on Monday, the 13th. And the deadline for signing up for this is set for this Friday. See Coach Charlie Walker today if you are interested.

And the intra-mural basketball is reaching the final stages, with but a few more games left to be played.

Not only do the Sophs walk off with the swimming meet, but in the Gold and White league there are two Soph teams battling it out for first place. We don't know which one will come out on top, but whichever it is, they should be conceded a good chance when they meet the Frosh B team of the Spartan league, for grand honors. Give the Sophs a hand.

And we find this boy Marske dropping 26 points the other night to tie with Rice for high scoring honors in the intra-mural series.

Bears. The eighth inning found another free score for California when Relles singled to center and the ball hopped away from Blethen for a homer.

California connected for nine hits, with State getting six bingles. Rouse and Keough, the two first-string Cal' pitchers, pitched a good brand of ball and although State hit the ball hard, were unable to find the holes.

The box score:

S. J. State	AB	R	H
Filice, 3b	3	0	0
Blacow, cf-1f	4	0	2
Carlson, ss	4	0	0
Lindner, 1b	4	0	1
Blethen, p-cf	4	0	2
Bishop, rf	3	0	0
Pura, lf	2	0	0
Hardman, c	3	0	1
Thurber, 2b	2	0	0
Hague, 2b	1	0	0
DeSelle, p	1	0	0
Simoni, p	1	0	0
Whitaker, c	0	0	0
California	32	0	6
Hollover, ss	5	1	0
Relles, 3b	4	2	3
Sparling, lf	4	1	0
Kyle, cf	3	1	0

### Frosh and Alameda High Track Teams In Meet Tomorrow

#### Babes Will Attempt To Turn In Second Win of Season Here

The Spartan Babes track team will go into their second meet of the season Friday afternoon against the Alameda High School. The meet is scheduled at Phelan Field at 3 o'clock.

Winning their first meet last Saturday from the combined forces of McClymonds, Livermore, and Hayward High Schools, the charges of Coach Bill Hubbard will be battling to score their second win.

The Alameda High School aggregation is said to be quite strong and will give the yearlings a good run.

Woods, an unknown 880 runner, who showed so well last Saturday, will bear watching. Woods brought smiles of contentment to the faces of Coaches Hubbard and Blesh when he showed rare form in the race Saturday. He has a wonderful stride but is in need of considerable coaching and conditioning.

Threlkel, who ran one of the sweetest races of the day last Saturday, is entered in the 440. In the last meet Threlkel enabled his teammate Gompertz to win the event when he set a fast pace all the way around, forcing the opposition runner to run wide all the way. Gompertz laying behind came up and took the lead and won the race in the last 70 yards.

The field performers, who won the first meet for the Frosh and who will be depended on to win many more meets, are in first-class condition.

100 yard dash—Miller, Parker, and Paul.

220 yard dash—Miller, Parker, and Paul.

440 yard dash—Gompertz and Threlkel.

880 yard run—Woods and Leslie.

Mile run—Leslie and Langhart.

120 high hurdles—Hayes and Rapose.

220 low hurdles—Hayes and Parker.

Relay—Not decided.

Shot put—Raymond, Marshall, and Biddle.

Discus—Raymond, Biddle, and Marshall.

High jump—Mathers, and Kincaide.

Broad jump—Watson, Kincaide, and Bauguess.

Pole vault—Watson, Hickman, Davis, and Bauguess.

### Spartan Spasms

By Murdock and Bishop

Leading the Menlo track team against the locals Saturday will be that lad named Anderson who caused so much trouble for Coach McDonald's cagers in the basketball game earlier in the year. Mr. Anderson broad jumped high jumps, and pole vaulted among other accomplishments doing a good job of each.

Saturday's track meet with Menlo will reveal just how strong the local team is and just how much chance they have of taking the University of San Francisco a week hence. Many of the boys on the squad who saw the meet at Stanford last Saturday expressed the opinion that Coach Blesh's charge might turn in a win over Charlie Hunter's Dons.

The half mile race in the F. U. meet ought to be a roaring battle. Doug Knowlton of the Dons turned in a swiftness of 1:58.1 against Stanford last week, which, considering that the race was run on the fast Stanford oval with the advantage of straightaway, is equivalent to about 2:01 on the softer local cinderpath. Spartan 880 men have been running between 2:00 and 2:03 consistently in spite of adverse conditions, and ought to be ready to challenge the S. F. U. ace next week.

Menlo is minus the most of the stars that made them a formidable outfit in their class last year. Two members of that year team bid fair to be on the road to fame. Gordon "Slingshot" Dunn, weightman par excellence, was the sensation of the Long Beach Relays last Saturday while Art Rice, sprinter, acquitted himself nobly for Stanford against S. F. U. This year, however, with the exception of Anderson, the Jaysee boys have little in the way of outstanding performers.

The first chucker to face the Spartan bat-wielders at the new Edwards diamond Tuesday was Warren Rouse. Perhaps some of you who remember the Montgomery Ward team of the Junior American Legion league will remember young Rouse. He pitched the mail order team of the national championship, and he showed that he has plenty of stuff Tuesday.

Two creditable performances were turned in by Sacramento J. C. track men in their time trials last week. Mangers, state altitude conqueror, turned in a valiant 12 feet 6 1/2 inches, and just barely missed scaling 13 feet. Binn went out 23 ft. 6 in. in the broad jump, a plenty nice lead for this time of year. State will meet the Panthers April 1.

George Relles, former Sacramento star and a promising backfield man on Bill Ingram's Bear pigskin toters of last season, is some man on the diamond as well. Relles connected for three hits Tuesday afternoon.

Now we find out that Mac is giving his racquet wielders a session or two in gymnastic training before the varsity season starts. Don't cry, boys, it's good for the old muscles—or so they tell me.
