Which side are you on? Ruma Chopra discusses colonial resistance to the American Revolution

Dr. Ruma Chopra's book, *Choosing Sides: Loyalists in Revolutionary America*, details arguments given by America's original colonists, including slaves and Native Americans, against the formation of the United States. Even hundreds of years into America's existence, these arguments are echoed and championed both within and beyond our borders. Dr. Chopra is an Associate Professor in the Department of History at SJSU.
