This map displays degree requirements, courses, faculty information, clubs & organizations, and Library resources associated with American Studies across the seven Claremont Colleges (7Cs) for the 2013-14 academic year. It was compiled using public information drawn from Colleges websites, course schedules and catalogs, and the Claremont Colleges Library website. **These maps should be understood as a snapshot of the consortium in time, and not representative of current information beyond 2013-14.**

This project was completed as part of an IMLS Sparks! Ignition grant in 2013-14.

Media Studies Major

Required courses

A senior seminar: MS 190 JF

Elective courses

Senior Exercise consists of a final senior seminar jointly taught during the fall semester by faculty from each of the participating colleges. This senior exercise is to bring together the various aspects of their course of study, producing an experiential learning project of their own design. Students are to develop proposals for a senior exercise project. These proposals will be reviewed by the Media Studies faculty and selected students will go on to complete an independent project under the supervision of two members of the Media Studies faculty or appropriate affiliated faculty members from The Claremont Colleges. The Senior Project course will count toward the four electives required for the major.
