The ANNUAL SURVEY OF MASSACHUSETTS LAW makes its bow to the legal profession of the Commonwealth and seeks to occupy for our own local law the area occupied for the law in general by ambitious publications originating elsewhere and unfamiliar with our local ways and habits of thought. In these days of vast annual accretions to the body of the law, a survey of our own developments made by competent persons for our own use cannot fail to prove of immense value. Let us extend to the new publication a hearty welcome.
