WELCOME

YOU are a welcome guest on the Pepperdine campus for the 1958 Vacation Lectureship. In other words, we're very glad that many of you arranged your vacations to be at Pepperdine for the first of what we think will be a great many of this new kind of lectureship.

You will find the campus a friendly place. Any of the "regulars" here—faculty and students—will gladly answer your questions. Although summer school classes will be in session during the lectureship, you are welcome to visit any department of the College.

If this is your first time in Southern California, you are going to find it difficult to believe the delightful climate is real. But it is, and when the cool breeze begins to come in off the ocean about mid-afternoon, you'll find a light jacket or sweater quite comfortable.

Of course, while you're in the Los Angeles area, you must visit a few of the famous places of interest. There will be information when you register for the Lectureship on Disneyland, Marineland, Catalina Island, and Griffith Observatory, among others.

Elsewhere in this program, you'll find information on housing and dining arrangements.

Again may I express our pleasure that you are with us for this rich spiritual fare which, I'm sure, will make this vacation long-remembered for you.

JOSEPH W. WHITE

Director of Lectureships

REGISTRATION

It is important that you register when you first arrive. You may get your room then, any questions you have will be answered, and, in the event of an emergency call for you, you can be easily located. The registration desk is located in front of the Dining Hall.

HOUSING

During the Lectureship men and boys will stay in the Boys' Dormitory, while women, girls and small children will be assigned to the Girls' Dormitory. If, for some reason, you were not able to bring your own, the College has arranged for you to rent towels, sheets and blankets to make your visit comfortable.

The \$10 fee you paid at Registration will take care of your entire family's housing during the Lectureship. This is true even with the separate arrangements given above. If you arrive early, the dormitories will be open Sunday afternoon, August 10, at 2 p.m. so that you may get settled before the program begins Monday morning.

MEALS

You will find the College Dining Hall a reasonable and pleasant place to eat during your stay on the campus. Serving hours and prices are:

Breakfast	7:00-8:30 a.m.	\$.70
Lunch	11:30-1:30 p.m.	.90
Dinner	5:30-6:30 p.m.	1.25

Although no children's portions are served, you may buy anything on the menu a la carte for your family. The Cafeteria does not serve a Sunday evening meal; those of you who arrive Sunday afternoon may wish to sample the excellent food of some of our neighborhood restaurants.

CLASSROOMS

Since respective class attendance will determine location, classroom assignments will be made the first night of classes, Monday.

VACATION BIBLE SCHOOL CLASSES FOR CHILDREN

Many of you who brought your children will be pleased to learn a Vacation Bible School for all ages will be held for the Lectureship period. This will make your vacation spiritually profitable for them, too. Classes and room assignments will be posted at the Registration area.

SPECIAL EVENTS

As a highlight of the 1958 Vacation Lectureship, a Fellowship Dinner for all will be held at 5 p.m., Tuesday, in the College Dining Hall. Melvin Weldon, minister of the 35th and McDonald congregation in Richmond, and formerly of Barstow, will be the speaker.
