SUMMER BIBLE
LECTURES

AUGUST 8-13

WELCOME, LECTURESHIP VISITORS

The entire Pepperdine College community welcomes you to the seventh annual Summer Bible Lectureship. We have anticipated your arrival, and hope that you will enjoy your stay with us. It is our desire that this week of spiritual enrichment and fellowship will be translated into more vigorous Christian service.

PLEASE REGISTER

In the lobby of the auditorium you will find the registration desk maintained as a free service by the Associated Women for Pepperdine. We cannot stress too much that it is necessary that you register. We must know your in-town address in case of emergency, and your home address will assist us in planning future lectureships.

A PROGRAM FOR YOU

The theme of this summer's lectureship, "The Christian Home," is meaningful to every member of the family. Challenging lectures, panels, and classes have been carefully planned. A new feature is the all-day elders' workshop on Tuesday. A special youth workshop has again been arranged for teenagers.

The lectureship begins at 8:00 a.m. and continues until late in the evening. Study the program carefully and take advantage of many spiritual opportunities. We welcome your suggestions so that our lectureships at Pepperdine College will improve from year to year.

OBSERVE PARKING REGULATIONS

City parking regulations adjacent to the campus are enforced daily by the police department. Please observe the posted parking regulations at all times. Other parking suggestions are:

- (1) Always lock your car.
- (2) Please observe campus parking regulations as posted.
- (3) Please do not double park, or block campus driveways.
- (4) A limited number of parking places are available on campus, most of these are in use by students. All-day parking is available on all adjacent residential streets, except where otherwise posted.

CHILD CARE CENTER

(Vermont Church Building)

The Associated Women for Pepperdine will provide care during the Lectureship in order that mothers may attend. Children will be cared for from 8:00 a.m. through 9:30 p.m. in the Vermont Church building. A planned program of films and supervised activities will be provided. A nominal fee of 75c per family per session will be charged for the morning and evening sessions, 50c per family for the afternoon session. Light refreshments will be served. The following suggestions are made in order that the children may be cared for in a better way:

(1) You are requested to pay when you bring your child. The child must be both signed in and out by the parent.

(2) The daily sessions are as follows:

1st session — 8:00 a.m. to 12:30 p.m.

2nd session — 2:00 p.m. to 3:00 p.m.

3rd session — 6:45 p.m. to 9:30 p.m.

However, there is one exception to the times for these sessions. Child care will be provided on Tuesday from 8:00 a.m. to 9:30 p.m. because of the AWP luncheon and the Bible Teachers' Dinner.

(3) Bring an ample supply of child's needs during his stay (bottles, diapers, training pants, etc.) with his name taped to the bottle, diaper bag, and other personal belongings. Bring a sack lunch for the child with his name on it if he is to stay during the noon hour.

(4) Come promptly to pick up your child after the sessions. With the exceptions noted above, the child care center closes each day at 3:15 p.m. and 9:30 p.m.

POINTS ABOUT PEPPERDINE

WHAT KIND OF COLLEGE?

Pepperdine is an independent liberal arts Christian College for men and women. It is guided by members of churches of Christ and stresses a five-point program of distinctive education—academic excellence, spiritual emphasis, individual initiative, competitive achievement, and patriotic citizenship. The education of the whole man, his physical, mental, social and spiritual life, is the unique mission of Pepperdine College.

WHY ATTEND A CHRISTIAN COLLEGE?

A good education calls for adequate development and discipline of the whole man. Two of the elements in this development have been well emphasized in public education, but the others are also essential. At Pepperdine, all are kept in proper balance, with the Bible serving as the foundation upon which other studies stand. That Pepperdine graduates do so well in graduate study and in their life's vocations is proof of the soundness of a Bible-centered education.
