PROGRAM

## WELCOME, LECTURESHIP VISITORS

The entire Pepperdine College community stretches forth a hand of greeting to you. We look forward each year to the time of warm fellowship that characterizes our Spring Bible Lectureship. We happily serve as your meeting place.

The theme of this year's lectureship—"New Testament Christianity: the Message for Modern man"—should be meaningful to every lectureship guest. So much preparation has been made by the teachers and speakers, by the college, and by you who have included this event in your busy year. God bless us all that this week of spiritual quest will bear fruit in more vigorous Christian service.

### PLEASE REGISTER

In the lobby of the auditorium you will find the registration table maintained as a free service by the Associated Women of Pepperdine. We cannot stress too much that it is necessary that you register. We must know your in-town address in case of emergency, and your home address will assist us in planning future lectureships.

### A PROGRAM FOR YOU

The lectureship begins at 8:00 a.m. and continues until late in the evening. Study the program carefully and take advantage of the many spiritual opportunities. Give us your suggestions so that our lectureships at Pepperdine will improve from year to year.

We welcome your presence at the 22nd annual Pepperdine Bible Lectureship. Our wish is for your comfort and spiritual enrichment on our campus.

Jack Scott  
Lectureship Director

## GROWING IN FAVOR—WITH GOD AND MAN

Growth is not always easy to measure in its fullness. There are some observable signs at Pepperdine that are worthy of attention. A few are offered for your consideration.

Among our students, we are providing the highest type academic program for more than five times as many young people from churches of Christ as a decade ago. The College seeks to serve an ever increasing number of such young people in the decades ahead.

Daily assembly with its special devotional periods is one of the most important features of life at Pepperdine College. In addition to the required periods, students often attend devotionals in the dormitories and in other designated places on the campus.

All students study the Bible as a part of the general requirements of the strong, fully accredited, academic program. Courses in both Old Testament and New Testament are required of all students.

In the year just concluded, \$200,000 in scholarships were granted to enable more young people to share in the benefits of Christian education. The College is eager to increase this amount, and is happy to receive applications from qualified students. Outstanding junior college transfers are reminded that they may also apply.

Many effective preachers, especially a large number serving in California and the West, are graduates of Pepperdine College. The College is better staffed and equipped than ever to offer a challenging program to more young people planning to devote full time to church work.

Forty or more Pepperdine staff members preach either regularly or by appointment. Many other members of the faculty and staff serve as elders, deacons, teachers, and workers in local congregations. A great number of former students and faculty members are serving as missionaries around the world. Emphasis on missionary preparation is growing. Sev-

eral members of the Pepperdine faculty have served in overseas work.

Lectureships, workshops, and training classes provide Christians throughout the West with stimulating opportunities for study and fellowship.

Pepperdine College seeks to foster the highest ideals of Christian morality and behavior among the students. Campus regulations and policies are directed and administered to that end. The College is grateful for the presence of many fine students who help provide a Christian environment and whose examples is an encouragement to those who are growing in their appreciation of Bible truth. Students who are continuously and seriously out of harmony with the ideas of the College may be advised to withdraw.

Pepperdine's close cooperation with individual members of churches of Christ is evidenced by the thousands who make annual contributions to this unique work. The College is urgently and consistently seeking to increase this number. Pepperdine College is one of three five-year colleges supported by individual members of churches of Christ. It is the only one of these graduate institutions in a great metropolitan center and stands in an unusual position to serve the graduates of eighteen other sister colleges. As the population in California doubles, it becomes more important to serve the nation through Christian education in the largest state.

Let us work together that the greatest service may be offered to the maximum number of young people. Your personal support through prayer and your participation through contributions of time and money will make the difference as we meet the challenge of the growth for the future. Will you help in making our future even brighter than the past?

## WELCOME TO THE SHRINE AUDITORIUM SERVICE, 1965

This service will climax a season of fellowship and study by West Coast Christians. Two distinct objectives are before us as we prepare for this meeting:

*First*, by gathering with 6,500 other Christians, we may participate in a period of worship which will inspire us to greater service. In this way, we will be impressed by the strength and unity of Christians in the West.

*Second*, our appreciation for Christian education at Pepperdine, will be deepened. This appreciation will cause us to pledge our regular financial support.

These are noble purposes. We join hands, grateful that we may work to accomplish these goals.

The Pepperdine family welcomes every guest.

Don Gardner  
Attendance Chairman

Born in Chattanooga, Tennessee, Carl Spain began his preaching in 1934. His undergraduate education was received at David Lipscomb College and Abilene Christian College. He recently received his doctor's degree from Southwestern Baptist Seminary.

Summer Bible Lectureship  
August 7-12, 1965**

**CONFRONTING MORAL ISSUES**

Recently Governor George Romney of Michigan stated: "Our greatest danger is the decline in religious conviction and moral character. This is more serious to our future than the external threats we face." What is the Christian message for our times as evidence mounts of dishonesty in business, sexual immorality, corruption in government, and materialism throughout society? The 1965 Summer Lectureship will address itself to these problems through major addresses, informative panels, and a rich variety of classes. Keynoting this lectureship at the opening fellowship dinner will be Willard Collins of Nashville, Tennessee. Mark these dates on your 1965 calendar as a "spiritual must."
