# welcome to the 29th annual Pepperdine Lectureship...

Dear Friends:

Welcome! We always look to this time each year with anticipation—a time of warm fellowship and sharing.

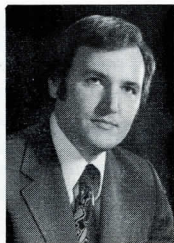

In the theme of this year's Lectureship—"God's Work in Our Day"—we have endeavored to develop an outstanding program in the areas of evangelism, family relations, fellowship, personal growth, and youth. Much time and effort has gone into preparing this program by the University, the speakers and teachers, and you that have come to share this time with us. God bless us all and inspire us to greater things in our Christian endeavors.

The Lectureship begins on Monday evening at 7:30 P.M. Daily classes begin at 9:00 A.M. on Tuesday morning and continue until late evening each day through Thursday. Carefully study your program and take advantage of the spiritual feast offered you. Your ideas and suggestions concerning the Lectureship will be appreciated, and will enable us to prepare a better program for you in the future.

Lectureship Committee
