FROM THE DIRECTOR

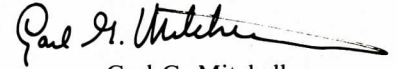

Welcome to the 36th annual Bible Lectureship. During this time we will be sharing with you as you select from the many topics, teachers and speakers affirming that "It's Great to be a Christian!"

Please register at Lectureship Central. After registering, you will be directed to the Housing Reception Center where you will be assigned a room and pick up your key and linens.

Be sure to read the Daily News Bulletin and note special items and possible changes in the program. These will be located in

the Exhibit Hall, Lectureship Central and Firestone Fieldhouse. There will also be evaluation forms at these locations. We would appreciate your helping us plan even more meaningful programs in the future with your suggestions and evaluations.

Thank you for coming! Our prayers are that you will go home feeling spiritually renewed in your personal relation to Christ and in your work in the local congregation.

THE W.W. PACE AWARD

Brother Pace, an early California preacher, arrived from Texas in 1918. In 1965, Pepperdine University awarded him the Christian Service Award. At the time of his death, brother Pace was completing his 50th year of full-time ministry. It is in honor of this ministry that in 1973 Pepperdine established the W.W. Pace Ministerial Award.

A number of fine young people have been assisted financially from the Pace Award. Help Christian students come to Pepperdine by contributing to this fund. It is an excellent investment in the future of the Church.

Dear Christian

On behalf of all of us at the University, I welcome you to our Malibu campus for the thirty-sixth annual Bible Lectureship. We hope you will be spiritually enriched by the lessons and the fellowship.

The relationship of the University to the Churches of Christ is the most important element in our distinctive educational mission. We are dedicated to maintaining and strengthening this relationship. We are thankful for the many preachers, missionaries, and other faithful Christians who have gone out from this institution. The annual Bible Lectureship provides an opportunity for us who work here to join with members of the body of Christ from places far and near in expressing our common faith, hope, and love.
