The members of the Knights of Colombus had a short but very pleasant holiday on Sunday morning when they set out to attend the Memorial Services of the Windsor Council. Fourteen students made up the party, which first attended Mass and received Holy Communion at St.Anne's Church, Walkerville. They then returned to the K. of C. home in Windsor. A light breakfast was partaken of, following which the Memorial Services were held. The delegation decided to walk back to A.C. and under the watchful eyes of Schneider, Mc.Mullen and Blonde they marched back in military style.

ASSUMPTION LOSES FINAL GAME OF SEASON .

Saturday witnessed the close of the 1922 Football season for the Purple and White. Although the College by a score of I6 C met defeat nevertheless the game was a battle royal. A.C. were on the one yard line once but failed to count. At times the squad showed tactics of real foot-ball skill and some what baffled their opponents. But when the goal line was approached the tacklers vanished. The Mic-Macs scored a touchdown in the second quarter and afield goal in the third, while the fimal period netted them another seven points. Beginning the second half Fairbanks,Mic-Macs fullback,received a serious injury to his leg, and on his departure from the gridiron Assumption seened invisible. In four minutes they had gone from mid-field to the one yard line, but a fumble prevented scoring. This was their final chance to score.

Tai-Kuns DE FEATED WARRIORS 3-0.

On a frozen snowy field Sunday, the Tai-Kuns battled the Warrior s in a scoreless tie until the last five minutes of the play, Although the Tai-Kuns made first downs almost at will they failed when a touchwas available, being five yards from the goal, three times with first down and goal. St. Antoine furnished the necessary skill to defeat the Warriors by making a twenty-five yard field goal in the last five minutes of play.

BASKET-BALL.

Our football season is over and the basketball era has arrived. Although we have lost in football as far as the score is concerned nevertheless Assumption was never found lacking in that never say die spirit. We have a wonderfully good basketball team and every student can well feel proud of it. Our team is going out to win, not to give the opposition a good fight but to win! Now if each student will show the proper college spirit, learn the college yells and then cheer our team accordingly, there is no doubt but what we will win every game on our schedule.
