

# ***The Encyclopaedia of Literature in African Languages***

**Professor Ursula Baumgardt & Marie Lorin**  
*(National Institute of Oriental Languages and Civilisations, Paris)*

**5pm, Monday 5 March 2012**

**McDonald Institute Seminar Room**  
**Downing Site, Cambridge**

The *Encyclopaedia of Literature in African Languages (ELLAF)* project focuses on oral and written literature in African languages. The project will create a website presenting and analysing literary texts in African languages, making a wide range of these written or oral texts in Sub-Saharan African and Malagasy languages available to enthusiasts, students and specialists from around the world.
