THE DEVIL IN SILICON VALLEY

author Stephen Pitti

Reads from his book about the history of the Santa Clara Valley and its ethnic Mexican population. This sweeping history explores the growing Latino presence in the U.S. over the past two hundred years. It also debunks common myths about the Silicon Valley. *The Devil in Silicon Valley* shows how San José, Santa Clara, and other northern California locales played a critical role in the ongoing development of Latino politics.

Stephen J. Pitti is an Associate Professor at Yale University.

Thursday, April 24, 2008, 4:00-5:30 p.m.

Dr. Martin Luther King, Jr. Library
Cultural Heritage Center, 5th Floor
San José State University
