### Notice to Subscribers.

Beginning with the first issue of Volume IV the price of THE OHIO NATURALIST will be one dollar per volume instead of fifty cents as heretofore. At the present price the editors can not publish nearly all of the desirable material offered. At the increased subscription the management hope not only to publish more papers but to be able to publish longer papers and thus make the NATURALIST of more value to those interested in special subjects. The new price applies to subscribers not members of the Biological Club of the Ohio State University.
