The 15th Annual Conference of the Victorian Interdisciplinary Studies Association of the Western United States (Visawus) will be held in Honolulu, Hawaii, October 28-30.

Conference theme: Oceania and the East in the Victorian Imagination

The conference will focus on the complex relationships between the Victorians and the East, including India and China, Malay and the East Indies, Australia and New Zealand, and the South Sea Islands. This international conference will bring together specialists in Asian and Victorian art history, literature, gender studies, science, history, literature, politics, and biographical studies, among others, to explore how the Victorians perceived the East and how the Victorians were perceived in the East. We invite paper proposals on political, cultural, social, religious, artistic, scientific, economic, agrarian, and other aspects of this rich interaction.

Submissions: Deadline for abstracts to be emailed to Richard Fulton at fulton@HAWAII.EDU is March 19, 2010.
