(submitted to the Council by the Commission)

COM(82) 894 final

EXPLANATORY MEMORANDUM

SUBJECT : Proposed Council Regulation of derogating from Article 21
of Regulation (EEC) No 1035/72 on the common organization of the
market in fruit and vegetables

On 26 November 1982, the Council adopted, by written procedure, a resolution authorizing the delivery of Community apples withdrawn from the market to charity organizations with a view to their free distribution to the Polish population.

This resolution also stipulated that the costs of the operation would be borne by the charity organizations carrying out such operations.

This proposal for a regulation is designed to give legal form to a measure which the Council has already approved at political level.

Proposal for a
COUNCIL REGULATION (EEC)

derogating from Article 21 of Regulation (EEC) No 1035/72 on the common organization of the market in fruit and vegetables

THE COUNCIL OF THE EUROPEAN COMMUNITIES ,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables¹, as last amended by Regulation (EEC) No 1738/82², and in particular Article 35 thereof,

Having regard to the proposal from the Commission,

Whereas the Community dessert apple harvest was particularly heavy in 1982, so that very large amounts will probably have to be withdrawn from the market;

Whereas Article 21 of Regulation (EEC) No 1035/72 states what uses may be assigned to products withdrawn or brought in;

Whereas certain Member States have requested that apples withdrawn from the market should be made available for consignment to Poland through charitable organizations, to improve the supply situation for the population of that country;

. / .

¹ OJ No L 118, 20.5.1972, p. 1
² OJ No L 190, 1.7.1982, p. 7

Whereas such a measure is not provided for in Article 21 of Regulation (EEC) No 1035/72; whereas, however, because of the supply difficulties the Polish population has to contend with and because of the surplus of apples in the Community, it is appropriate that, exceptionally, a measure derogating from the said Article 21 should be adopted to authorize the Member States to deliver to charitable organizations apples withdrawn from the market, with a view to their free distribution in Poland,

HAS ADOPTED THIS REGULATION :

Article 1

1. Notwithstanding Article 21 of Regulation (EEC) No 1035/72, Member States shall be authorized during the 1982/83 marketing year to place at the disposal of charity organizations approved for this purpose, dessert apples of Community origin withdrawn from the market in accordance with the Regulation referred to above, with a view to their free distribution in Poland.
2. The cost of transporting the apples referred to in paragraph 1 from the intervention locations to the places at which they are delivered to their Polish consignees shall be borne by the charitable organizations carrying out these operations.
3. Apples consigned pursuant to paragraph 1 shall not qualify for the export refunds fixed for fruit and vegetables.

Article 2

This Regulation shall enter into force on the day of its publication in the Official Journal of the European Communities.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
