

Index to Hawaii Medical Journal Volume 59, 2000

Compiled by Carolyn S.H. Ching and Judith A. Kearney of the Hawaii Medical Library

Keyword Index

- ADVANCE DIRECTIVES.** End of life preferences in Hawaii, 59(12):440
- AGED.** Postural hypertension in elderly men - the Honolulu Heart Program, 59(2):48
— Use of donepezil in elderly patients with Alzheimer's disease - a Hawaii based study, 59(2):57
- ALCOHOL DRINKING.** Alcohol use in Hawaii, 59(8):329
- ALGORITHMS.** Algorithms for the treatment of acute DVT, 59(4):147
- ALZHEIMER DISEASE.** Use of donepezil in elderly patients with Alzheimer's disease - a Hawaii based study, 59(2):57
- ANALGESICS.** Invasive techniques utilized in chronic pain management, 59(3):96
— Pain management: a synopsis, 59(3):99
- ANGIOPLASTY.** Venous angioplasty and stenting, 59(4):145
- ANGIOSCOPY.** The role of angioscopic valve repair for primary valve incompetence (PVI), 59(6):266
- ANTI-INFLAMMATORY AGENTS, STEROIDAL.** Dexamethasone use in adult meningococcal meningitis, 59(7):308
- ANTIBIOTICS, MACROLIDE.** Angioimmunoblastic T-cell lymphoma (AIL-TCL) following macrolide administration, 59(2):44
- ANTIDEPRESSIVE AGENTS.** The relationship between type of antidepressant and neurovegetative symptoms in adult unipolar nonpsychotic depression: an opinion survey, 59(10):389
- ANXIETY.** Healing touch, 59(3):94
- AREA HEALTH EDUCATION CENTERS.** The role of AHEC in medical education [Medical school hotline], 59(11):404
- ATTITUDE OF HEALTH PERSONNEL.** Attitudes of organ donation among Hawaii physicians, 59(11):407
— Differing attitudes between psychiatrists and primary care providers at the interface, 59(12):447
- ATTITUDE TO DEATH.** End of life preferences in Hawaii, 59(12):440
- AZITHROMYCIN.** Angioimmunoblastic T-cell lymphoma (AIL-TCL) following macrolide administration, 59(2):44
- BALLOON DILATATION.** Angioplasty and stenting of the obstructed iliac vein, 59(6):276
- BANDAGES.** Deep vein thrombosis in airline passengers - the incidence of deep vein thrombosis and the efficacy of elastic compression stockings, 59(4):162
— Mechanism of action of compression therapy for venous ulceration, 59(5):192
- BIPOLAR DISORDER.** Evaluation of late onset bipolar illness during menopause, 59(2):51
- BOOK REVIEWS.** Book review and commentary: Digital doctors by Marshall de Graffenreid Ruffin, Jr. [eDocs], 59(1):8
— Handbook of pain management [Book review], 59(3):85
- CANCER RESEARCH CENTER OF HAWAII.** The Cancer Research Center of Hawaii, University of Hawaii, 59(12):438
- CANNABIS.** Hawaii State Legislature - ACT 228, Medical Marijuana Law, 59(9):351
- CATHETERIZATION, PERIPHERAL.** Catheter-directed thrombolysis for symptomatic lower extremity deep vein thrombosis, 59(4):141
- CELL CYCLE.** The cell cycle, 59(7):300
- CHILD.** Diarrhea-associated hospitalizations among children in Hawaii, 59(9):362
- CHOLINESTERASE INHIBITORS.** Use of donepezil in elderly patients with Alzheimer's disease - a Hawaii based study, 59(2):57
- CLASSIFICATION.** An evaluation in Europe of the C of CEAP, 59(5):202
- CLINICAL COMPETENCE.** Clinical skills training at John A. Burns School of Medicine (JABSOM): teaching and learning the art, craft and science of clinical practice [Medical school hotline], 59(2):40
- COCCIDIOIDOMYCOSIS.** Unusual presentation of pulmonary coccidioidomycosis in a traveler [Case of the month], 59(6):238
- COMMUNITY HEALTH SERVICES.** Learning to implement the medical home in communities, 59(1):15
- COMPUTER-ASSISTED INSTRUCTION.** Technology-based delivery of PBL curricular elements at JABSOM [Medical school hotline], 59(6):240
- CONGRESSES.** 143rd HMA annual meeting, October 1999, Hilton Waikoloa, Big Island, 59(1):22
— Clinical topics: highlights of the HMA Scientific Session, 59(1):23
— Scenes from the 1999 HMA Meeting, Hilton Waikoloa, October 1999, 59(1):26
— Third Pacific Vascular Symposium on Venous Disease, November 2-6, 1999 [Program], 59(4):121
— Scenes from the Third Pacific Vascular Symposium [Photos], 59(4):123
— Faculty, 59(4):124
— Third Pacific Vascular Symposium on Venous Diseases, November 2-6, 1999 [Program], 59(5):187
— Faculty, 59(5):189
— Photos, 59(5):188
— Third Pacific Vascular Symposium on Venous Disease, November 2-6, 1999 [Program], 59(6):242
— Faculty, 59(6):244
— Highlights of the HMA Scientific Session, 59(12):435
- CORONARY ARTERY BYPASS.** Coronary artery bypass grafting performed with or without a bypass pump: early results, 59(2):54
- COVER ILLUSTRATIONS.** Paniolo, 59(1):3
— Hula, 59(2):39
— Pele, Hi'iaka and Lohiau, 59(3):83
— Iolani Barracks, 59(4):115
— Royal Hawaiian Hotel, 59(5):179
— Moana Hotel, 59(6):235
— BB 63 USS Missouri, 59(7):291
— Old plantation, 59(8):319
— Honolulu Academy of Arts, 59(9):347
— Bishop Museum, 59(10):375
— Iolani Palace, 59(11):403
— Bishop Planetarium, 59(12):431
- CROSS-CULTURAL COMPARISON.** Alcohol use in Hawaii, 59(8):329
- DELIVERY OF HEALTH CARE.** Special presentation to the State Legislature: Hawaii Coalition for Health, December 8, 1999, 59(2):62
- DENTAL HYGIENISTS.** Health education needs in Hawaii: social work, dental hygiene and nursing, 59(2):67
- DEPRESSIVE DISORDER.** The relationship between type of antidepressant and neurovegetative symptoms in adult unipolar nonpsychotic depression: an opinion survey, 59(10):389
- DEXAMETHASONE.** Dexamethasone use in adult meningococcal meningitis, 59(7):308
- DIABETES MELLITUS.** A review of the United Kingdom Prospective Diabetes Study (UKPDS) and a discussion of the implications for patient care, 59(7):295
- DIAGNOSIS.** Controversies in diagnosis - clinical evaluation in the office, 59(5):199
— Reliability of clinical diagnosis in varicose veins: a prospective comparison between clinical examination and Duplex ultrasound, 59(5):205
- DIARRHEA.** Diarrhea-associated hospitalizations among children in Hawaii, 59(9):362
- DIRECTORY.** Pain resources for the Hawaii practitioner, 59(3):101
— Faculty, 59(4):124
— Faculty, 59(6):244
- DRUG THERAPY.** A review of the United Kingdom Prospective Diabetes Study (UKPDS) and a discussion of the implications for patient care, 59(7):295
- EDITORIALS.** Peer review [Editorial], 59(1):4
— Chronic hepatitis C caused by a virus—fiction or for real? A response to an article published in the ABC News website [Special contribution], 59(1):5
— Special issue: American College of Physicians - American Society of Internal Medicine Hawaii Chapter [Editorial], 59(2):40
— Editorial, 59(3):84
— Pain as a paradigm [Special commentary], 59(3):85

- patient's need to control his pain. 1999 [classical article], 59(3):90
- Pacific Vascular Symposium on Venous Disease [Editorial], 59(4):116
- Guest editorial, 59(4):116
- Pacific Vascular Symposium on Venous Disease - part II [Editorial], 59(5):180
- Guest editorial, 59(5):180
- Pacific Vascular Symposium on Venous Disease - part III [Editorial], 59(6):236
- Guest editorial, 59(6):236
- Resumption of individual manuscripts [Editorial], 59(7):292
- Editorial, 59(8):320
- Editorial, 59(9):348
- Report to the Hawaii Medical Association annual meeting [Editorial], 59(10):376
- journal is alive and well [Editorial], 59(11):404
- Editorials, 59(12):432
- EDUCATION, MEDICAL.** Clinical skills training at John A. Burns School of Medicine (JABSOM): teaching and learning the art, craft and science of clinical practice [Medical school hotline], 59(2):40
- The role of the new cell and molecular biology graduate program in medical education [Medical school hotline], 59(3):87
- Genetics in the John A. Burns School of Medicine Curriculum: a nationally recognized need and an opportunity for curricular integration [Medical school hotline], 59(4):117
- Encoding specificity and problem-based learning (PBL) [Medical school hotline], 59(5):184
- role of family practice in medical school education [Medical school hotline], 59(7):292
- EDUCATION, PROFESSIONAL.** Health education needs in Hawaii: social work, dental hygiene and nursing, 59(2):67
- EHRLICHIOSIS.** Ehrlichiosis . . . in Hawaii? An unusual presentation [Case of the month], 59(5):182
- ENDOSCOPY.** Controversies in the treatment of venous ulcers: SEPSis?, 59(5):193
- Case of perforator incompetence - making SEPS better, 59(6):256
- EPIDEMIOLOGY.** Epidemiology of neural tube defects, Hawaii, 1986-1997, 59(8):323
- Alcohol use in Hawaii, 59(8):329
- Diarrhea-associated hospitalizations among children in Hawaii, 59(9):362
- ESCHERICHIA COLI INFECTIONS.** Emphysematous pyelonephritis, 59(8):336
- ETHICS, MEDICAL.** The first non-heart-beating organ donor in Hawaii - medical and ethical considerations, 59(9):353
- FAMILY PRACTICE.** The role of family practice in medical school education [Medical school hotline], 59(7):292
- GENETICS.** Genetics in the John A. Burns School of Medicine Curriculum: a nationally recognized need and an opportunity for curricular integration [Medical school hotline], 59(4):117
- HAWAII.** Hawaii State Legislature - ACT 228, Medical Marijuana Law, 59(9):351
- HAWAII COALITION FOR HEALTH.** Special presentation to the State Legislature: Hawaii Coalition for Health, December 8, 1999, 59(2):62
- HAWAII MEDICAL ASSOCIATION.** 143rd HMA annual meeting, October 1999, Hilton Waikoloa, Big Island, 59(1):22
- Clinical topics: highlights of the HMA Scientific Session, 59(1):23
- Scenes from the 1999 HMA Meeting, Hilton Waikoloa, October 1999, 59(1):26
- Highlights of the HMA Scientific Session, 59(12):435
- HAWAII MEDICAL JOURNAL.** Report to the Hawaii Medical Association annual meeting [Editorial], 59(10):376
- journal is alive and well [Editorial], 59(11):404
- Editorials, 59(12):432
- Index to the Hawaii Medical Journal, volume 59, 2000, 59(12):451
- HAWAII MEDICAL SERVICES ASSOCIATION.** Special presentation to the State Legislature: Hawaii Coalition for Health, December 8, 1999, 59(2):62
- Why we need laws to protect patients from their health plan, 59(2):69
- HEALTH CARE SECTOR.** Special presentation to the State Legislature: Hawaii Coalition for Health, December 8, 1999, 59(2):62
- HEPARIN.** Heparin and low-molecular weight heparin therapy for venous thromboembolism—will unfractionated heparin survive?, 59(4):132
- HEPATITIS C, CHRONIC.** Chronic hepatitis C caused by a virus—fiction or for real? A response to an article published in the ABC News website [Special contribution], 59(1):5
- HEPATITIS C-LIKE VIRUSES.** Chronic hepatitis C caused by a virus—fiction or for real? A response to an article published in the ABC News website [Special contribution], 59(1):5
- HONOLULU HEART PROGRAM.** Postural hypertension in elderly men - the Honolulu Heart Program, 59(2):48
- HOSPICE CARE.** Pain management and palliative care in hospice, 59(3):92
- End of life preferences in Hawaii, 59(12):440
- HOSPITALIZATION.** Diarrhea-associated hospitalizations among children in Hawaii, 59(9):362
- HYPERTENSION.** Postural hypertension in elderly men - the Honolulu Heart Program, 59(2):48
- review of the United Kingdom Prospective Diabetes Study (UKPDS) and a discussion of the implications for patient care, 59(7):295
- ILIAC VEIN.** Angioplasty and stenting of the obstructed iliac vein, 59(6):276
- IMMUNOBLASTIC LYMPHADENOPATHY.** Angioimmunoblastic T-cell lymphoma (AIL-TCL) following macrolide administration, 59(2):44
- IN MEMORIAM.** In memoriam, 59(8):321
- INCIDENCE.** The correlation between cancer incidence and kava consumption, 59(11):420
- INDANS.** Use of donepezil in elderly patients with Alzheimer's disease - a Hawaii based study, 59(2):57
- INDEX.** Index to the Hawaii Medical Journal, volume 59, 2000, 59(12):451
- INFLAMMATION.** The scientific evidence for early removal of the thrombus to improve outcome, 59(4):126
- INFORMED CONSENT.** Malpractice risk assessment among different approaches for informed consent, 59(9):357
- INSURANCE, HEALTH.** Special presentation to the State Legislature: Hawaii Coalition for Health, December 8, 1999, 59(2):62
- Why we need laws to protect patients from their health plan, 59(2):69
- INTERNSHIP AND RESIDENCY.** Learning to implement the medical home in communities, 59(1):15
- INTERPROFESSIONAL RELATIONS.** Differing attitudes between psychiatrists and primary care providers at the interface, 59(12):447
- JAPANESE.** Postural hypertension in elderly men - the Honolulu Heart Program, 59(2):48
- JOHN A BURNS SCHOOL OF MEDICINE.** Vision for the John A. Burns School of Medicine (JABSOM) [Medical school hotline], 59(1):6
- Clinical skills training at John A. Burns School of Medicine (JABSOM): teaching and learning the art, craft and science of clinical practice [Medical school hotline], 59(2):40
- role of the new cell and molecular biology graduate program in medical education [Medical school hotline], 59(3):87
- Genetics in the John A. Burns School of Medicine Curriculum: a nationally recognized need and an opportunity for curricular integration [Medical school hotline], 59(4):117
- Encoding specificity and problem-based learning (PBL) [Medical school hotline], 59(5):184
- Technology-based delivery of PBL curricular elements at JABSOM [Medical school hotline], 59(6):240
- role of family practice in medical school education [Medical school hotline], 59(7):292
- Department of Public Health Sciences and Epidemiology (DPHSE) [Medical school hotline], 59(8):321
- Student profile: Class of 2004, John A. Burns School of Medicine (JABSOM) [Medical school hotline], 59(9):349
- KAVA.** The correlation between cancer incidence and kava consumption, 59(11):420
- LEGISLATION, DRUG.** Hawaii State Legislature - ACT 228, Medical Marijuana Law, 59(9):351
- LETTERS TO THE EDITOR.** [re: article about John M. Zelko MD], 59(1):7
- [re: Special Hawaii Medical Journal issue for Thomas Whelan, Jr., MD], 59(5):183
- [re: Physicians' greatest enemy - complacency], 59(8):320
- LIABILITY, LEGAL.** Malpractice risk assessment among different approaches for informed consent, 59(9):357
- LUNG DISEASES, FUNGAL.** Unusual presentation of pulmonary coccidioidomycosis in a traveler [Case of the month], 59(6):238
- LYMPHOMA, T-CELL.** Angioimmunoblastic T-cell lymphoma (AIL-TCL) following macrolide administration, 59(2):44
- MANAGED CARE PROGRAMS.** Universal single payer health plan — answer to our dilemma?, 59(2):70
- MCCASLIN, LEE.** In memoriam, 59(8):321
- MEDICAID.** An update of Hawaii's QUEST medical plans' performance, using HEDIS measures, 1997-1998, 59(11):411
- MEDICAL ASSISTANCE.** Universal single payer health plan — answer to our dilemma?, 59(2):70
- MEDICAL INFORMATICS.** Book review and commentary: Digital doctors by Marshall de Graffenreid Ruffin, Jr. [eDocs], 59(1):8
- MEDICAL ONCOLOGY.** The Cancer Research Center of Hawaii, University of Hawaii, 59(12):438
- MENINGITIS, MENINGOCOCCAL.** Dexam-

- ethasone use in adult meningococcal meningitis, 59(7):308
- MENOPAUSE. Evaluation of late onset bipolar illness during menopause, 59(2):51
- MOLECULAR BIOLOGY. The role of the new cell and molecular biology graduate program in medical education [Medical school hotline], 59(3):87
- NEOPLASM REGRESSION, SPONTANEOUS. Complete spontaneous regression of cancer: four case reports, review of literature, and discussion of possible mechanisms involved, 59(10):379
- NEOPLASMS. correlation between cancer incidence and kava consumption, 59(11):420
- NEURAL TUBE DEFECTS. Epidemiology of neural tube defects, Hawaii, 1986-1997, 59(8):323
- NURSES. Health education needs in Hawaii: social work, dental hygiene and nursing, 59(2):67
- ORGAN TRANSPLANTATION. The first non-heart-beating organ donor in Hawaii - medical and ethical considerations, 59(9):353
- PACIFIC VASCULAR SYMPOSIUM (3RD : 1999 : KOHALA COAST, HAWAII). Third Pacific Vascular Symposium on Venous Disease, November 2-6, 1999 [Program], 59(4):121
— Scenes from the Third Pacific Vascular Symposium [Photos], 59(4):123
— Faculty, 59(4):124
— Guest editorial, 59(5):180
— Third Pacific Vascular Symposium on Venous Diseases, November 2-6, 1999, [Program], 59(5):187
— Faculty, 59(5):189
— Photos, 59(5):188
— Guest editorial, 59(6):236
— Third Pacific Vascular Symposium on Venous Disease, November 2-6, 1999 [Program], 59(6):242
— Faculty, 59(6):244
- PAIN. Pain as a paradigm [Special commentary], 59(3):85
— Handbook of pain management [Book review], 59(3):85
— patient's need to control his pain. 1999 [classical article], 59(3):90
— plan to improve pain management for dying patients, 59(3):91
— Pain management and palliative care in hospice, 59(3):92
— Healing touch, 59(3):94
— Invasive techniques utilized in chronic pain management, 59(3):96
— Pain management: a synopsis, 59(3):99
— Pain resources for the Hawaii practitioner, 59(3):101
— Pain glossary, 59(3):103
- PALLIATIVE CARE. Pain management and palliative care in hospice, 59(3):92
- PATIENT ADVOCACY. Why we need laws to protect patients from their health plan, 59(2):69
— patient's need to control his pain. 1999 [classical article], 59(3):90
- PEDIATRICS. Learning to implement the medical home in communities, 59(1):15
- PHLEBOGRAPHY. Invasive procedures: descending venogram, 59(5):211
- PHYSICIAN IMPAIRMENT. Healing thyself: medical professionals who face up to addictions. 2000 [classical article], 59(12):432
- PHYSICIAN'S ROLE. Learning to implement the medical home in communities, 59(1):15
- PHYSICIANS. Attitudes of organ donation among Hawaii physicians, 59(11):407
- PIPERIDINES. Use of donepezil in elderly patients with Alzheimer's disease - a Hawaii based study, 59(2):57
- PLETHYSMOGRAPHY. Observations on air plethysmography, 59(5):208
- POETRY. Poems, 59(12):437
- PORTRAITS. Scenes from the 1999 HMA Meeting, Hilton Waikoloa, October 1999, 59(1):26
— Scenes from the Third Pacific Vascular Symposium [Photos], 59(4):123
— Photos, 59(5):188
- POSTURE. Postural hypertension in elderly men - the Honolulu Heart Program, 59(2):48
- PRACTICE PATTERNS. Differing attitudes between psychiatrists and primary care providers at the interface, 59(12):447
- PREVALENCE. Postural hypertension in elderly men - the Honolulu Heart Program, 59(2):48
— Epidemiology of neural tube defects, Hawaii, 1986-1997, 59(8):323
- PRIMARY HEALTH CARE. Differing attitudes between psychiatrists and primary care providers at the interface, 59(12):447
- PROBLEM-BASED LEARNING. Encoding specificity and problem-based learning (PBL) [Medical school hotline], 59(5):184
— Technology-based delivery of PBL curricular elements at JABSOM [Medical school hotline], 59(6):240
- PROGRAM EVALUATION. An update of Hawaii's QUEST medical plans' performance, using HEDIS measures, 1997-1998, 59(11):411
- PSYCHIATRY. Differing attitudes between psychiatrists and primary care providers at the interface, 59(12):447
- PUBLIC HEALTH. The Department of Public Health Sciences and Epidemiology (DPHSE) [Medical school hotline], 59(8):321
- PYELONEPHRITIS. Emphysematous pyelonephritis, 59(8):336
- QUALITY OF HEALTH CARE. An update of Hawaii's QUEST medical plans' performance, using HEDIS measures, 1997-1998, 59(11):411
- QUEST PROGRAM (HAWAII). An update of Hawaii's QUEST medical plans' performance, using HEDIS measures, 1997-1998, 59(11):411
- RECURRENCE. Recurrent varices after surgery (REVAS), 59(5):214
- RESEARCH. Special presentation to the State Legislature: Hawaii Coalition for Health, December 8, 1999, 59(2):62
— Cancer Research Center of Hawaii, University of Hawaii, 59(12):438
- RISK ASSESSMENT. Malpractice risk assessment among different approaches for informed consent, 59(9):357
- SAPHENOUS VEIN. Saving the saphenous vein, 59(6):247
— venous ulcer, 59(6):258
- SCHOOLS, MEDICAL. Vision for the John A. Burns School of Medicine (JABSOM) [Medical school hotline], 59(1):6
— Special presentation to the State Legislature: Hawaii Coalition for Health, December 8, 1999, 59(2):62
- SCLEROTHERAPY. Ambulatory venous surgery versus sclerotherapy, 59(6):248
— Ultrasound guided sclerotherapy (USGS) for perforating veins (PV), 59(6):261
- SENSATION. Sensory impairment: a feature of chronic venous insufficiency, 59(5):203
- SINGLE-PAYER SYSTEM. Universal single payer health plan — answer to our dilemma?, 59(2):70
- SOCIAL WORK. Health education needs in Hawaii: social work, dental hygiene and nursing, 59(2):67
- SOCIETIES, MEDICAL. 143rd HMA annual meeting, October 1999, Hilton Waikoloa, Big Island, 59(1):22
- STENTS. Venous angioplasty and stenting, 59(4):145
— Angioplasty and stenting of the obstructed iliac vein, 59(6):276
- STRAUB FOUNDATION. Pacific Vascular Symposium on Venous Disease - part II [Editorial], 59(5):180
- STUDENTS, MEDICAL. Student profile: Class of 2004, John A. Burns School of Medicine (JABSOM) [Medical school hotline], 59(9):349
- SUBCLAVIAN VEIN. Could prolonged air travel be causally associated with subclavian vein thromboembolism?, 59(4):164
- SUBSTANCE-RELATED DISORDERS. Healing thyself: medical professionals who face up to addictions. 2000 [classical article], 59(12):432
- SUICIDE, ASSISTED. End of life preferences in Hawaii, 59(12):440
- TERMINAL CARE. A plan to improve pain management for dying patients, 59(3):91

Classified Notices

To place a classified notice:

HMA members.—Please send a signed and type-written ad to the HMA office. As a benefit of membership, HMA members may place a complimentary one-time classified ad in HMJ as space is available.

Nonmembers.—Please call 536-7702 for a non-member form. Rates are \$1.50 a word with a minimum of 20 words or \$30. Not commissionable. Payment must accompany written order.

Physician Wanted

BIG ISLAND OF HAWAII—Multi-specialty group practice seeking BC/BE OB/Gyn to service community of 35,000+; in breathtaking upcountry setting. Waimea is 15-20 minutes from beautiful uncrowded beaches and world class golf courses. Various start-up options available with partnership potential. Contact Linda (808) 885-9606 or fax (808) 885-9506. Aloha!

For Sale

GENERAL/OCCUPATIONAL MEDICINE PRACTICE ON MAUI—Flexible lease terms; fully furnished and equipped. Fax: (808) 373-3843.

WE COLLECT PAST DUE ACCOUNTS

Only 25%* fee for Health Care Firms!

Why give up more!

Wood & Tait
