

C/C-SiC Sandwich Structures for Lightweight and Thermally Stable Components in Satellites and Industrial Applications

Bernhard Heidenreich¹, Nicole Gottschalk², Yves Klett², Dietmar Koch¹

¹ DLR, Institute of Structures and Design, Stuttgart, Germany

² University of Stuttgart, Institute of Aircraft Design, Stuttgart, Germany

9th International Conference on High Temperature Ceramic Matrix Composites (HTCMC-9)

June 26 – 30, 2016

Toronto

Wissen für Morgen
