**Institute of Metabolic Science**

Slides given as part of the “Improving the research process: discussing an ‘open research’ policy” event held on the 8<sup>th</sup> of June 2016.

# Mandatory data management inspections?

## Five year vision

Five years from now easy access to data will be the norm and not doing RDM well will be tantamount to **research malpractice.**

# Directions for Research Data Management in UK Universities

March 2015
