Distinguished Scholarship Awards Committee

Revised award description and criteria

Approved by the Academic Senate on November 17, 2015

Award Description:

The Academic Senate Distinguished Scholarship Awards Committee invites nominations for the Distinguished Scholarship Award. Each year, three awards are presented, each accompanied by a monetary prize.

These awards recognize achievement in scholarship and creative activity across the entire range of disciplines represented at Cal Poly. They honor work conducted primarily at Cal Poly and celebrate both exemplary specific accomplishments and outstanding bodies of achievement.

Faculty, students, staff, and alumni may submit nominations. Faculty members may nominate themselves. All nominations must be submitted using the online nomination form.

Eligibility:

All nominees must be current members of the Cal Poly faculty (i.e. members of collective bargaining unit 3) and must be active at Cal Poly for at least one quarter during the academic year in which they are nominated (for example, faculty who are on leave for an entire academic year will not be eligible for that year). Faculty members at all ranks are eligible as long as they have completed at least three years of full-time service or its equivalent at Cal Poly.

Selection Criteria:

Because this award is intended to recognize the full range of scholarship and creative activity possible at Cal Poly, the criteria listed below are necessarily incomplete. Moreover, it is expected that the work of any given nominee will meet some, but not necessarily all, of these criteria.

1. Quality of the creative or scholarly work as evidenced by any of the following:
 - Extensive peer recognition of the work as substantial, seminal, and scholarly
 - Contributions to improvements in the human condition and quality of life
 - Use of the ideas, techniques, and creative work by industry, practitioners, and others

2. Importance of the scholarly work to students as evidenced by any of the following:
 - Influence of the nominee's scholarly and creative work on student learning
 - Effectiveness in furthering scholarship and creative activity among students
 - Quality and significance of related senior projects, theses, and other student work
 - Influence of the work on curriculum improvement and enhanced student learning experiences

3. Importance of the scholarly work to Cal Poly as evidenced by any of the following:
 - Enhancement of the reputation of Cal Poly or its academic units
 - Significance of grants and contracts received
 - Mentoring and facilitating the professional development of other faculty and staff
 - Recognition from industry, professional and academic organizations, and other institutions

Distinguished Scholarship Awards Committee:

The Distinguished Scholarship Awards Committee includes at least one voting General Faculty from each College and from Professional Consultative Services. General Faculty representatives should include former recipients of the Distinguished Scholarship Award. *Ex officio* members consist of a representative appointed by the Provost from the Office of Research and two ASI representatives – one undergraduate and one graduate student. The *ex officio* members are voting members, as per VIII.B. of the Bylaws of the Academic Senate.
