## Even

getting is graceless — it is receiving

like walking past flower shops taking all that they give

no thanking -receive it
it is free with no umbilicus
except grace

for in revenge
there is none
no grace is unforgivable

even generosity can be obese only take thinly as the flowershop gift

AFTER SEEING YOU LAST
I sat down & listened
to the sound of acanthus
played by the wind on glass,
found even my cat's fur
too rough to bear
on the fingertip

when the window broke at having just the proper pitch struck, I closed the shutters

even so, the wind blew through the cracks between my fingers & chilled the huge & langorous satisfaction that sat in the arch of my brow after seeing you last
