PERMISSIONS

<http://www.elsevier.com/about/company-information/policies/sharing#acceptedmanuscript>

[Accepted manuscript](#)

Authors can share their accepted manuscript:

[...]

After the embargo period

- via non-commercial hosting platforms such as their institutional repository
- via commercial sites with which Elsevier has an agreement

In all cases accepted manuscripts should:

- link to the formal publication via its DOI
- bear a CC-BY-NC-ND license – this is easy to do, [click here](#) to find out how
- if aggregated with other manuscripts, for example in a repository or other site, be shared in alignment with our [hosting policy](#)
- not be added to or enhanced in any way to appear more like, or to substitute for, the published journal article

28 June, 2017
