VICE PRESIDENT OF ACADEMIC AFFAIRS**

**FROM: ANDREA WILSON
SGA SECRETARY**

Dear Dr. Haynes,

Resolution 93-6-F, Syllabus Availability, was passed at our November 2, 1993 meeting. We realize that many departments already have a syllabi file for students to view or at least require professors to turn in syllabi at the beginning of each semester; however, we want to make a formal request to those that do not.

We request that departments let students have access to these syllabi if they want to view them. This will give students an outlet in determining what sections and what professors to take for classes.

Please contact me at the SGA office with any information on syllabus information that you may have. I am also sending a copy of the Resolution to all department heads. Thank you for your time and consideration of our Resolution.
