DROP PERIOD WITH A REFUND

(Change of Registration)

Students who cancel their registration before the first class session are entitled to a full tuition refund. All program registration, application, late, materials, and field supervision fees are nonrefundable. After the first class, students who inform the program of their intention to withdraw will receive a prorated refund of tuition. The refund for courses, the practicum internship, and the supervised teaching internship will be based on the number of classes attended each session. Students must submit withdrawal requests in writing at the site, or by fax or mail to the program office, to ensure that the office has documentation of the request. Refunds will be based on the date of receipt of the request.

Students may not withdraw from courses on or after the last class meeting, and are considered active participants in all courses for which a registration has been accepted unless a written withdrawal request has been received in Student Services.

100% refund:

Written notice of a change of registration submitted before the start of the first class meeting

50% refund:

Written notice of a change of registration submitted before the start of the second class meeting

25% refund:

Written notice of a change of registration submitted before the start of the fifth class meeting

No refunds will be made after the end of the fifth class meeting of the session.

Students will receive a full refund of tuition payments and registration and application fees paid:

- if they do not meet minimum admissions requirements
- for a cancelled course or workshop
- involuntary call to active military duty
- documented death of the student or a member of his or her immediate family (parent, spouse, child, sibling)
- severe illness of the student (as approved by the institution and confirmed in writing by a physician) that precludes completion of the term
- exceptional circumstances approved by the president or his designee

Refunds will be made within 30 days after the effective date of the student's withdrawal. Unless withdrawal procedures have been completed within the stated deadline, students are assumed to be active and responsible for tuition payments that may apply to their signed registration forms, whether or not an initial payment has been submitted.

WITHDRAWAL POLICY

A student may be administratively withdrawn if the first class meeting is not attended. Students may withdraw from a course before the seventh week of an eight-week course. A withdrawal form must be received and stamped in the Program Office before that deadline.

No withdrawals will be permitted after the specified withdrawal period. A student who stops attending will receive a grade of A through F based on the required course work, unless he or she has filed a completed withdrawal form or has been administratively withdrawn. **Withdrawals will not be accepted on or after the final class meeting.**

TUITION PAYMENT

Upon registration, preparations must already be arranged for tuition payment. The student must be prepared to pay tuition at the beginning of the term with one of the approved payment methods confirmed by Nova Southeastern University. Approved payment options include check, money order, credit cards, third party direct billing plans, and authorized financial aid. Failure to complete paperwork necessary for any of the aforementioned will result in a nonrefundable fee assessed to your student account.

All tuition and fees must be paid within 30 days after the start of the term. Any delay in excess of 30 days will result in an assessment of a nonrefundable \$50 late payment charge. In addition, holds may be placed on your student account that will prohibit additional registrations and the release of grades and/or transcripts. Please note students who are not officially registered for classes are not entitled to receive any instructional services. Furthermore, students who have unsatisfied term balances who continue to attend classes for which they are not officially registered will not be permitted to retroactively register for those classes. For more information, please contact the Bursar's Office at 800-541-6682, ext. 5200 or (954) 262-5200.
