The directory lists churches and missionaries according to the latest information received within the last 60 days. If you find inaccuracies, please send the corrections to the reporter in your area. If there is no reporter in your area please send the corrections directly to the office in Abilene. Please help us to help you and those who come to your area seeking the location of the church.

We would like to list all the full-time missionaries outside the U.S. and Canada. Please report any missionaries entering or leaving. This will help get a total of those serving in foreign places.
