

## ERRATA

15.12.2005

**Jussi Heikkinen:**

THE CIRCULAR IMAGING BLOCK IN CLOSE-RANGE PHOTOGRAMMETRY  
ISBN 951-22-7966-5 (pdf)

**Page 50**, in third paragraph:

is

$6 \times n + 4$  plus  $m \times 3$  unknowns

**should be**

$6 \times n + 5$  plus  $m \times 3$  unknowns

**Page 52**, in the equation 30,

rotation matrix elements **are** result of  $R_\alpha R_{\omega\phi\kappa}$

and **should be** result of  $R_{\omega\phi\kappa} R_\alpha$  as depicted in APPENDIX I on page 125

**Page 97**, in first paragraph

is

$\beta = 0.2$

**should be**

$\beta = 0.8$

**Page 125**, in APPENDIX I equation

indexing is incorrect  $R_{i_{00}}$  for all rotation matrix elements

it **should be** from from  $R_{i_{00}}$  to  $R_{i_{22}}$

---
