Kipnis, MSI, Daniel G.; Duinkerken, MSI, Kelsey; and Copeland, LIBT, James, "Jefferson Digital Commons quarterly report: April-June 2017" (2017). *Jefferson Digital Commons Reports*. Paper 19. <http://jdc.jefferson.edu/jdcreports/19>

This Article is brought to you for free and open access by the Jefferson Digital Commons. The Jefferson Digital Commons is a service of Thomas Jefferson University's [Center for Teaching and Learning \(CTL\)](#). The Commons is a showcase for Jefferson books and journals, peer-reviewed scholarly publications, unique historical collections from the University archives, and teaching tools. The Jefferson Digital Commons allows researchers and interested readers anywhere in the world to learn about and keep up to date with Jefferson scholarship. This article has been accepted for inclusion in Jefferson Digital Commons Reports by an authorized administrator of the Jefferson Digital Commons. For more information, please contact: JeffersonDigitalCommons@jefferson.edu.

Jefferson Digital Commons Quarterly Report: April-June 2017

The Jefferson Digital Commons had another very busy quarter with assets being deposited from across the enterprise.

- Total number of assets deposited this quarter: 371
- Total downloads for this quarter: 113,261(April 10, 2017 highest download count: 1,763)
- 7,500 different institutions accessed content in the JDC
- Asset with the most downloads this quarter: [2017 issue of Inside Out](#)
- Countries visiting the JDC this quarter: 196

Readership map April-June 2017

Below are highlighted assets that were added to the inventory along with more feedback from researchers that continue to arrive from around the globe on the impact of works found in the JDC.

If you would like to have content deposited please contact: dan.kipnis@jefferson.edu, kelsey.duinkerken@jefferson.edu or verbitd@philau.edu

Assorted highlighted materials added to the JDC April-June 2017:

9th Annual Faculty Days

- [Design is Not Just for Designers! Use Design Thinking & Interprofessional Hackathon Design Events to Innovate Your Curriculum or Clinical Practice](#)

Article:

- Sonoelastography of the Common Flexor Tendon of the Elbow with Histologic Agreement: A Cadaveric Study

- Molecular Profiling of Resected Pancreatic Cancer: the Potentia Personalizing Adjuvant Therapy
- Drug Discovery in Pancreatic Cancer: "The Power of the Pathway Approach"

What People are Saying About the JDC:

Country: US

Role: faculty

Resource URL: <http://jdc.jefferson.edu/medfp/153/>

Comments: For teaching purpose

Name: Betty Patricia Harrell

Country: US

Role: researcher

Resource URL: <https://core.ac.uk/download/pdf/46965911.pdf>

Comments: Too many volumes as I researcher Bricker, William Henry for genealogy I became fascinated by the sciences of the early 1900's and could not stop...Thank you putting them online for free.

Name: Leticia Ghelman

Country: BR (Brazil)

Role: student

Resource URL: <http://jdc.jefferson.edu/fmfp/7/>

Comments: I am a student at Universidade Estacio de Sa- Rio de Janeiro, Brazil, College of Nutrition. We are writing a paper about Nutrition Literacy and would love to have access to the NLS. It would really help us in the development of our work, which is being conducted at a local government family practice. Thank you in advance,

Name: Alam

Country: AE (United Arab Emirates)

Role: student

Comments: Good work

Referring Page: http://jdc.jefferson.edu/mphcapstone_presentation/143/

Country: US

Role: physician, member of antibiotic stewardship comm

Resource URL:

Comments: good info on use of bandemia in clinical practice

<http://jdc.jefferson.edu/cgi/viewcontent.cgi?article=1103&context=medfp>

Name: Lauren Wiseman

Country: US

Role: Non-profit Regional HIE

Resource URL: http://jdc.jefferson.edu/cgi/viewcontent.cgi?article=1002&context=ms_hqs

Comments: We are seeking information on medication reconciliation with HIE as we strive to provide valuable use cases for our participants.

Name: B. J. Strickland

Country: US

Role: genealogist

Resource URL: http://jdc.jefferson.edu/jmc_catalogs/50/

Comments: Thank you for making this Annual Announcement available. I am in the middle of doing genealogical research on my family. This 1861-1862 Jefferson Medical College annual announcement has my great grandfather's name, Dr. James S. Washington, on the graduate list. This piece of personal history is very rewarding. Thanks again.
