In the article titled “Large Gliadin Peptides Detected in the Pancreas of NOD and Healthy Mice following Oral Administration” [1], there was an error in the peptide sequences in Section 2.1. Gliadin Peptides, which should be corrected as follows:

The sequences H-LQLQPFPPQPELPYPQPELPYPQPE-LPYPQPQPF-OHY and H-LGQQQPFPPQQPYQPQPF-OHY should be corrected to H-LQLQPFPPQPELPYPQPELPYP-QPELPYPQPQPF-OH and H-LGQQQPFPPQQPYQPQPF-OH.
