

Discussion Group P07: Improving Mean Time Between Pump Failures

Leaders:

- John P. Joseph II (Rotating Equipment Systems, LLC)
- Bill Litton (Magellan Midstream Partners LP)
- Morg Bruck (HMIC, LLC)
- Dave Depaolis (Flowserve)

Suggested Topics:

- Mechanical/Metallurgical design requirements for pump components
- Design and installation for pump baseplates
- Proper hydraulic fit of pumps
- Mechanical alignment targets/procedures
- Pump repair criteria
