Subject: RE: [Congress site feedback] Deposit of conference paper in institutional repository

Hello Miggie

It is absolutely fine to add to your OA institutional repository. We are building our own repository for WLIC papers so it is not necessary to send a link/metadata.

We appreciate you asking first!

kind regards,

Louis

Subject: [Congress site feedback] Deposit of conference paper in institutional repository

Miggie Pickton sent a message using the contact form at <http://conference.ifla.org/contact>.

Please can you let me know whether I may deposit a full text copy of my IFLA

2012 paper in my university's open access institutional repository? I am happy to provide a link from both the metadata and the paper to the IFLA website and to acknowledge IFLA.

Thank you

Miggie Pickton
