Volume 17, Number 6
Want to open up your circulation book area for chairs, study tables, and smoother traffic control? Compo stacks can do it for you. All the books in conventional stacks, floor plan “A,” can be held by Compo stacks in floor plan “B.”

It’s accomplished by unique Compo drawer-type design that lets you place books on three sides of each sliding shelf. You can actually handle 4 times more books in your existing wall space, yet every book is in easy reach.

Let Compo give your library new spaciousness. Write today for Hamilton Catalog AR-26 complete with planning suggestions.
