Seniority shall be defined as the length of continuous service with the County of Niagara. Such service will include all approved leaves of absence.

Unpaid and disability leaves of absence will not interrupt continuous service. However, such leaves will be deducted from the amount of earned seniority. This definition of seniority will apply unless contrary to law in specific instances or unless it is contrary to other articles in this Agreement.

For the purpose of receiving benefits, seniority shall be defined as the length of continuous service with the County of Niagara. Such service will include all time employed as regular permanent part-time, as well as all types of approved leaves of absence.

For the purpose of layoff of employees, seniority shall be defined as the length of continuous service with the County of Niagara. However, service as a regular permanent part-time employee shall be pro-rated based on the number of hours worked by the regular permanent part-time employee as compared to the hours of work as a full-time employee. The formula used to

determine the number of years of full-time service of a regular permanent part-time employee shall be as follows: Annual number of hours worked by a regular permanent part-time employee divided by the annual number of hours worked by a full-time employee. Figure gained from this computation shall then be multiplied by the years of service an employee has as a regular permanent part-time employee. The resulting number of years of service shall be used to determine the number of years of service a part-time employee has for layoff, and/or added to the years of service of an employee who has since become a full-time employee.

Unpaid and disability leaves shall not interrupt continuous service. However, such leaves will be deducted from the amount of earned seniority. The above definitions shall apply unless it is contrary to other Articles in this Agreement or unless contrary to law in specific instances.

Except as expressly limited by other provisions of this Agreement, all of the authority, rights and responsibilities possessed by the County are retained by it, including, but not limited to, the right to determine the mission, purpose, objectives and policies of the County; to determine the facilities, methods, means and number of personnel for the conduct of the County programs; to administer the merit system, including the examination, selection, recruitment, hiring, appraisal, training, retention, promotion, assignment or transfer of employees pursuant to law; to direct, deploy and utilize the work force; to establish specifications for each class of positions and to classify or reclassify and to allocate or re-allocate the new or existing positions in accordance with law; and to discipline or discharge employees in accordance with law and the provisions of this Agreement.

The scheduling of work, the control and regulation of the use of all equipment and properties are the exclusive right and function of the County of Niagara.

The County of Niagara has retained the right to create and/or abolish positions within the County, to determine the needs of each department and/or operation of the County, to determine the number of employees required for any and all services provided by the County.

It is acknowledged that the County of Niagara has retained the right to contract out work and/or sub-contract services of the County after negotiating the impact with the Union.

ARTICLE 3 NO STRIKE PLEDGE

SECTION 1: PROVISION

Pursuant to the provision of Subdivision 3 (b) of Section 207 of the Public Employees Fair Employment Law, the Union affirms:

If any provision of this Agreement shall be found to be contrary to law, then such provision shall be unenforceable, but all other provisions shall continue in full force and effect.

Should a provision of this Agreement be found to be contrary to law, the parties agree to meet and negotiate necessary replacement provision(s).

SECTION 2: RULES AND REGULATIONS

The Agreement shall supersede any rules, regulations or practices of the employer which shall be contrary to or incompatible with its terms.

ARTICLE 5
DURATION OF AGREEMENT

This Agreement shall be effective January 1, **2012**, and shall continue in full force and effect until December 31, **2019**.

ARTICLE 6
UNION RIGHTS

SECTION 1: DUES DEDUCTION (SUBMISSION)

The employer shall deduct bi-weekly from the wages of each employee and remit monthly to the Civil Service Employees Association, Inc., 143 Washington Avenue, Albany, New York 12210, or to designated agent, regular membership dues and/or insurance premiums for those employees authorizing such deductions.

SECTION 2: LISTING OF EMPLOYEES

The employer, within thirty (30) days after the ratification of this Agreement, will furnish CSEA a complete list of names, home addresses, Social Security numbers, work locations and position titles of all employees in the negotiating unit covered by this Agreement, and will, within thirty (30) days after the end of each pay period, furnish the CSEA a copy of the Report of Personnel Change in Title or Salary listing names, home addresses, work locations and position titles of newly hired, reinstated, transferred and terminated employees.

SECTION 3: DUES DEDUCTION (HOLD HARMLESS)

CSEA having been recognized as the exclusive representative for all employees included in the collective bargaining unit as set forth in Article 1 of this Agreement shall be entitled to have monies deducted from the wages or salaries of employees of the aforementioned bargaining unit who are not members of CSEA in an amount equivalent to the annual dues levied by CSEA for full-time and part-time employees who are members. The fiscal or dispersing officer shall deduct

and transmit the amount of monies as determined by the employment status (part-time or full-time) of the employee(s) who is not a member and as established by CSEA to the CSEA in the same form and manner that the fiscal or dispersing officer is now transmitting the dues paid by employees who are members.

All fees deducted shall be sent to the address set forth in Section "1" of this Article. The fees shall be accompanied by a list indicating the names and addresses of those employees who are not members of CSEA.

The Association shall hold harmless the employer and its officials from any claims, suits or other forms of liability that may arise as a result of the employer's action in deduction of dues, etc., as provided under this Article. However, the Association shall not be liable to hold the employer and its officers harmless for errors made by any of the employer's officials which may arise due to the aforementioned official's negligence. Any such claims, losses or damages shall be the sole responsibility of the employer and/or its officials.

SECTION 4: JOB TITLES

It is agreed that disputes concerning any new titles created by the County following ratification of this Agreement as to representation and coverage under Agency Shop will be discussed in a Labor-Management meeting. The same procedure shall be followed with existing titles which may have been omitted due to an oversight. If a dispute should arise, said dispute shall be resolved through the Public Employment Relations Board.

SECTION 5: DRESS CODE

CSEA agrees to negotiate in good faith relative to a County-wide dress code policy. The parties shall meet not less than once per month until a dress code is negotiated. Following three (3) months of fruitless negotiations, the parties will each submit their last, best offer to a mutually agreed neutral party, who shall be charged with selecting the most appropriate policy. No testimony shall be provided and the matter shall be submitted to the neutral party on a stipulated record. Last-best offer shall contain permissible and impermissible clothing, footwear, clothing accessories, as well as remedies for failure to abide by the policy. No further compensation shall be owing to CSEA or covered employees.

ARTICLE 7 UNION REPRESENTATION

The certified grievance representatives, with notice to their immediate superior and permission thereof during their working hours without loss of time or pay, shall investigate and present grievances to the employer, providing such actions do not interfere with the operations of the County department. Only one certified grievance representative in a department may engage in such investigations of grievances and the maximum time allowed per day shall be one (1) hour, unless more time is needed to reasonably conclude or pursue the matter.

The heads of departments or authorized designee shall not arbitrarily withhold permission for the certified grievance representative to engage in such investigation or presentation of a grievance. The certified grievance representatives shall not abuse this right to investigate or present a grievance.

- a. The President of the Association, or a designated representative, shall be permitted, upon request, to inspect the Civil Service eligibility list during regular office hours in the Civil Service Department.
- b. A representative of the Association shall be allowed to discuss the Association's role as bargaining agent with new employees. Permission to contact new employees must be received from the representative's supervisor or authorized designee and such permission will not be unreasonably withheld.
- c. County and/or Civil Service job descriptions shall be available to bargaining unit employees upon request.
- d. The CSEA will have the right to designate an insurance representative to visit individual CSEA members for the purpose of explaining group insurance or for adjusting claims. Such representatives shall contact the department head or his/her authorized designee or his/her authorized designee and mutually agree to a time to explain such benefits so that no inordinate interruption of work will result.
- e. Association officers and delegates shall be granted yearly up to twenty-six (26) days off each for purposes of attending business meetings. Said officers and delegates shall not be paid by the County, but shall, at the employee's option, have the right to have such leave charged to his/her accrued vacation, personal, or compensatory leave credits. Sick leave may not be charged for the purpose of attending any of the meeting(s) above.
- f. Union Business Leave: The Union President can use one (1) paid day per week in which to conduct union business. If the Union President is in a paid leave status, his/her designee will receive the same benefit. Time spent in joint labor management meeting, arbitration hearing, disciplinary hearings, counselings, or contract negotiations shall not be charged against the paid leave time stated above.
- g. The Union shall provide the Human Resources Department with a written list of certified grievance representatives and/or building representatives, and shall advise the Human Resources Department of any changes, in writing.

ARTICLE 8 GRIEVANCE PROCEDURES

Whereas, the establishment and maintenance of a harmonious and cooperative relationship between the Employer and Employee is essential to the operation of the County, it is the purpose of this procedure to secure, at the lowest possible administrative level, equitable solutions to alleged grievances through procedures under which employees may present grievances and by which the Employer and the Employees are afforded adequate opportunity to dispose of differences without the necessity of time consuming and costly proceedings before administrative agencies or in the courts.

SECTION 1: DEFINITIONS

GRIEVANCE: A complaint by any employee or group of employees in the negotiating unit regarding an alleged violation, misinterpretation or misapplication of the terms of this Agreement.

GRIEVANT: The person or group of persons in the negotiating unit submitting the grievance.

REPRESENTATIVE OF DEPARTMENT HEAD OR HIS/HER AUTHORIZED DESIGNEE:
The individual charged with the duty of rendering a decision at a particular stage of this grievance procedure.

REPRESENTATIVE OF HIS/HER CHOICE: An individual employee, attorney, union officer or certified grievance representative, designated by the grievant, may represent the grievant at Stages One and Stage Two of the Grievance Procedure.

WORKING DAYS: Shall be defined, for purposes of this Article, as Monday through Friday.

SECTION 2: SPECIFIC CONDITIONS

- a. A member of the Unit shall present a grievance through a certified grievance representative or elected union officer in accordance with the provisions of this Article. The first presentation of the grievance shall occur within twenty (20) working days of the occurrence of the alleged violation, misinterpretation or misapplication of the terms of this Agreement, and must be presented in writing containing a brief statement of the nature of the grievance and the specific provision(s) of this Agreement alleged to have been violated.
- b. Every grievant shall have the right to be represented at any stage of the grievance procedure by a Union certified grievance representative.

All communications regarding the grievance shall be sent to the Unit President and certified grievance representative, as well as to the grievant.
- c. The failure of the department head or his/her authorized designee at any stage to communicate a decision within the designated time limits shall permit the grievant to proceed to the next stage of the grievance procedure.
- d. The failure of the grievant to appeal a decision to the next stage of the grievance procedure, within the appropriate time limit, shall constitute a withdrawal of the grievance and shall bar further action thereon.
- e. The grievant may withdraw the grievance at any time by giving written notice to the relevant department head, the Human Resources Department and the Union President, Chief Grievance Representative and Labor Relations Specialist.
- f. If the Association, on behalf of its collective membership, is the grievant, the grievance procedures will be initiated at the first stage, in writing, containing a brief statement of the nature of the grievance and the specific provisions of this Agreement alleged to have been violated.
- g. Time spent in any capacity in the presentation of a grievance shall not be charged against leave time.
- h. Hearings and conferences held under these procedures shall be conducted at a time and place which shall afford a fair and reasonable opportunity for all parties

to attend. Said hearings shall be scheduled so as to avoid interference with the operation of the County department concerned.

- i. Charges preferred pursuant to the Civil Service Law by a department head or his/her authorized designee shall not be grounds for a grievance and this Article shall not apply to such a situation.

SECTION 3: PROCEDURAL STEPS

All grievances arising out of an alleged violation, misinterpretation or misapplication of the terms of this Agreement shall be presented and adjusted in the following manner:

- a. **STAGE ONE:** A grievant shall discuss a grievance in good faith with the department head or his/her authorized designee, either directly, or through a representative, with the objective of resolving the matter informally. If the grievance is not resolved informally, it shall be reduced to writing and presented to the department head or designee, within twenty (20) working days of the occurrence of the grievance, containing a brief statement of the nature of the grievance and the specific provision(s) of this Agreement alleged to have been violated. Within five (5) working days after presentation of the written grievance, the department head or his/her designee shall respond, in writing, to the grievant, The Union President, Chief Grievance Representative, the Labor Relations Specialist or officer involved.
- b. **STAGE TWO:** The grievant or the Union may appeal the Stage One decision within ten (10) working days after receipt of the Stage One decision by submitting a written appeal to the Human Resources Department. The written appeal shall include the original grievance and the Stage One decision, and shall also set forth specifically the nature of the grievance, the facts relating thereto, and the grievant's reason(s) for rejection of the decision rendered at Stage One. Within five (5) working days of receipt of the appeal, the Human Resources Director, or his/her designee, shall hold an informal hearing with the grievant, Union representative, and department head or their designee. The Human Resources Director or designee shall render a decision, in writing, to the grievant within five (5) working days after conclusion of the informal hearing.
- c. **STAGE THREE:** In the event the Union does not accept, in whole or in part, the decision at Stage Two, the unresolved issue(s) shall be submitted to an Arbitrator within thirty-five (35) days of receipt of the Stage Two decision, by the filing of a Demand for Arbitration pursuant to the rules of the Public Employment Relations Board. Any Arbitrator appointed to hear the dispute shall consider only the disputed issues submitted by joint statement of the parties, and such Arbitrator shall have no power to add to, subtract from, modify or amend any of the provisions of this Agreement, or to issue any award limiting or interfering with the operation of any applicable provision of law, or inconsistent with, or contrary to, any such provisions of law. The Arbitrator shall be selected by the parties from a list of Arbitrators provided by the New York State Public Employment Relations Board. The Arbitrator's decision shall be in writing and shall set forth the findings of fact and conclusions and order which shall be final and binding on all the parties. When the Association is a party to or a representative or counsel to the grievant, the cost of the services of the Mediator and Arbitrator, including expenses, shall be borne equally by the Association and the County.

SECTION 4: LABOR MANAGEMENT MEETING

Nothing in this grievance procedure shall prohibit the Human Resources Department and the Union from meeting informally and directly to resolve a grievance rather than following the grievance procedure set forth above, but only if both parties agree to so meet. A written decision on the grievance shall be given to the grievant and the Unit President, the Chief Grievance Representative, the Labor Relations Specialist and the involved department head or his/her authorized designee, within five (5) working days after the conclusion of the informal meeting. Should the informal meeting fail to resolve the grievance, the Union shall proceed to Stage Three of the grievance procedure.

ARTICLE 9 DISCHARGE AND DISCIPLINE

SECTION 1: EXERCISE OF RIGHTS

Should there be cause for disciplinary action or discharge of an employee covered by this agreement, said employee, upon request, shall be granted a fair hearing at which said employee, if he/she chooses, may be represented by a union officer or certified grievance representative at which time the charges against him/her shall be set forth.

When an employee is the subject of discipline the employer will serve charges and specifications upon the employee in writing, in person or by certified mail. The employee shall have ten (10) working days to respond in writing to said charges and specifications.

A copy of said charges and specifications shall be served upon the union at the same time as the employee in writing, in person or by certified mail.

The employee may elect to accept the discipline set forth in the charges and specifications or he/she may elect to have the matter heard before an arbitrator as set forth in Section 3 of Article 8 of the Agreement. The decision of the arbitrator shall be final and binding.

SECTION 2: DISCIPLINARY ACTION

Each of the following constitutes cause for disciplinary action: fraud in securing employment; incompetence; inefficiency; neglect of duty; insubordination; dishonesty; drunkenness on duty; intemperance; addiction to the use of drugs or narcotics; absence without permission; conviction of a felony or misdemeanor involving moral turpitude; immorality; discourteous treatment of the public or other employees; misuse of County property; willful disobedience; or any other failure of good behavior or acts, during working hours, which are incompatible with or inimical to the public service.

SECTION 3: DEPARTMENT HEAD RESPONSIBILITY

The department head or his/her authorized designee shall promptly notify the Union President in writing of any and all action taken pursuant to this Article and the reasons therefore.

ARTICLE 10
ABSENCES AND LEAVES

All absences (including tardiness) in any department must be noted for use in relation to the employee's individual record and must be charged against the proper time credit reserves as indicated below. A summary of absences shall be posted monthly in each department so that all employees may examine that record.

A copy of the notice given to the Niagara County Personnel Officer by an appointing authority relative to a leave of absence of any employee or a notice of re-employment or reinstatement shall also be filed with the Human Resources Department of the County.

SECTION 1: SICK LEAVE - GENERALLY

- a. Sick leave provided in this Section 1 may be utilized by an employee if desired in any instance in which the employee by reason of physical and/or mental illness or injury is disabled, incapacitated and/or unable to perform the duties of the position. The employer has the right in any instance to request a statement from a medical doctor for any sick leave absence which exceeds five (5) consecutive working days.
- b. Sick leave may be utilized by an employee if desired in any instance of sickness in the immediate family. Immediate family shall be defined to be the employee's spouse, children, step-children and a parent residing in the household of the employee. The department head or his/her authorized designee may request a physician's statement of illness from an employee if family illness causes an absence of the employee in excess of three (3) consecutive work days.
- c. Sick leave may also be used by an employee for medical and dental visits in accordance with the guidelines established in this Section 1.
- d. For purposes of accrual of sick leave, an employee will be considered to have one (1) month of service if he/she is on the active payroll for more than one-half (1/2) of the work days in any given month. If an employee is not on the active payroll for more than one-half (1/2) of the work days in any given month, the employee does not get credit for that month of employment toward sick leave accrual.

Employees shall be allowed sick leave credits at the rate of one (1) working day per month in service, which shall be cumulative up to 185 days maximum. After this maximum is reached, no more sick leave credits may be earned by the employee except to the extent necessary to replace any credits that have been used.

Calculations of sick leave shall be based on a year beginning January 1. Sick leave may be used in one (1) hour increments, except for the one (1) hour at the beginning of each shift. Sick leave at the beginning of a shift must be used in half-day increments unless the employee has the prior approval of the department head or his/her authorized designee. Such prior approval shall not be unreasonably withheld in the event of verifiable doctor or dental visits. Sick leave credit cannot be earned for the period of time an employee is on leave of absence without pay, under disciplinary suspension, or under disciplinary punishment involving loss of work time, or for employees while on disability. For the calculation of sick leave credits, the time recorded on the payroll at the full rate of pay shall be considered as time "served" by the employee.

In order that absence, because of personal illness may be charged to accumulated sick leave, it must be reported by the employee, to the immediate supervisor, on the first working day of such absence and within one-half (1/2) hour of starting time. Absence for illness on Saturday shall not be charged unless Saturday is designated as a working day for the employee.

Medical and dental visits are limited to sixteen (16) hours per calendar year. Visits are limited to a maximum of two (2) hours in duration and each employee shall be charged with a minimum of two (2) hours, except that if the medical or dental visits are scheduled either at the beginning or the end of the workday, the employee may use leave time in a one (1) hour increment. The employee must provide documentation of the medical or dental visit to the department head or his/her designee upon the employee's return to work.

Transfer of Credits: Credits shall be transferred with the employee from one department to another. However, if said transfer results in a change of bargaining unit, benefits previously accrued shall be transferred and the use of the previous accruals and the accrual of new benefit credits will be governed solely by the new collective bargaining agreement covering said employee.

POSTING SICK LEAVE: Department head or his/her authorized designees will post in a place accessible to employees, on a monthly basis, a record of sick leave, which will not contain employees social security numbers, a copy of which will be forwarded monthly to the Niagara County Personnel Officer and the Human Resources Department.

 4. Employees, at their option, may use accumulated sick time during the waiting period. Sick time must be used in half-day increments while the employee is receiving benefits from this plan.

5. Vacation leave that is unused at the end of a calendar year due to an employee on disability will convert to sick leave. Requests to carry over vacation time will be pursuant to **Article 13, Section 1** of this agreement.
 6. Employees will not earn vacation, sick leave nor personal leave credits while receiving just disability benefits. Employees will earn one-half (1/2) a vacation day and one-half (1/2) sick leave day while receiving disability benefits, if they are on the active payroll for more than one-half (1/2) of the work days in any given month. The employee will be considered to have no interruption of service while receiving benefits.

In the event that there is a premium increase to the County that exceeds twenty five (25%) percent in any year, the parties agree to negotiate cost containment alternatives to lower the County premium, which may include an increase in the waiting period, or a requirement to use a greater amount of leave accruals prior to becoming eligible for the benefit.

If the County does not pay the employee on the first pay day, the County, without fail, shall pay the employee on the second pay day following the payroll period in which the overtime was worked.
- d. An employee may refuse overtime as long as said refusal does not work a hardship on the department concerned as determined by the department head or his/her authorized designee. If an employee refuses the overtime, the hours refused shall be charged as time worked, for the purpose of overtime equalization.

Employees electing compensatory time in lieu of pay may accumulate a maximum of 240 hours. The above call-in provision shall be effective between the end of the employee's regular shift on a work day until the beginning of the employee's next regular shift on the next work day. The call-in provisions as stated above renew themselves each time an employee is called into work. If an employee works beyond the call-in time set forth herein, the employee shall continue to be paid for all such hours or part thereof worked at the straight time or overtime rate whichever is applicable.

SECTION 18: PAY RATES

The County will provide two (2) weeks notice of its intent to implement and/or change any such time keeping system. Any system that is implemented shall be uniformly applied to all bargaining unit members.

ARTICLE 16 HEALTHCARE BENEFITS

SECTION 1: GENERAL PROVISIONS

The County agrees to make available a comprehensive healthcare plan, including prescription drug, medical, surgical (other than elective cosmetic) and hospitalization coverage. Provisions of the Niagara County Healthcare Plan (the "Plan") are specifically detailed in a Summary Plan Document ("SPD"), which shall include benefits and services that at minimum are equivalent to those outlined in the Matrix attached as Appendix A. The significant benefit items as listed in Appendix A will be changed only by agreement of the parties, unless changes are mandated by statute or regulation, or by unilateral action by the carrier, in which event the plan will be amended to reflect the revision. Should any such change be required the Union shall receive prior notice of no less than 10 working days. The health insurance carrier (the "Carrier") and/or third party administrator (the "TPA") will be determined by a competitive bid process, such process to be held no sooner than every 2 (two) years. Niagara County may award its healthcare benefits contract only to a reputable insurance carrier or third party administrator as those terms are defined by acceptable industry guidelines and standards.

There shall be established a Joint Labor/Management Committee (the "Joint Committee") to review periodically (no later than quarterly) the administration of the Plan. The Joint Committee shall consist of representatives of each of the Unions participating in the Plan and management members of the County's Risk, Human Resources, Budget, and related offices. The Committee shall have the power to recommend a change in the administration of Niagara County's Healthcare Program and/or address issues that arise with healthcare administration prior to a formal grievance. The Joint Committee shall participate in the development of standards and specifications for any bid or quote used to select a new third party administrator or healthcare provider. Individual Unions and/or the Committee may recommend other third party administrators to be considered. The Joint Committee shall participate in the evaluation of bids or quotes received. The Joint Committee shall make its recommendations to the County for a new TPA or Carriers and rank other TPA's or Carriers who bid. The selection of a TPA or Carrier by the County shall be from among those options ranked by the Committee and shall be based on all available information and shall be in the best interest of the members and the County taxpayers.

During the term of the Agreement, should the County or the Joint Committee find that another Carrier or TPA could provide comparable coverage at a lower cost, the matter will be submitted to the Joint Committee for review and consideration. Any recommendation would be submitted to the County for approval.

The County may change from the Plan set forth herein to an equivalent plan offered by another provider, but only if the benefits, deductibles, co-pays and out of pockets are equal to or better than the basic benefit items described in Appendix A.

First Choice (Catholic Health Plan) is an option for eligible employees as long as said plan is available. If First Choice is more costly than County base plan, the difference will be paid by the employee.

CSEA, as a significant partner and largest union-employee represented group, and the County agree to work collaboratively through the Joint Labor Management Healthcare Committee to implement agreed-upon wellness initiatives aimed at maximizing preventive healthcare and reducing plan costs.

SECTION 2: ELIGIBILITY

All employees covered by this agreement have the option of participating in the Plan, subject to the eligibility requirements detailed in the SPD. Such participation and plan enrollment requires certain administrative responsibilities by the employee as set by the Niagara County Office of Risk & Insurance Services, such as completing and returning open enrollment forms and plan applications by set deadlines and giving prompt notice of status changes of the plan participant(s) or dependents (ex. marriage, divorce, birth or adoption of child, child reaching majority age, address change).

If a covered County employee is married to another covered County employee, the employees are eligible for one (1) family plan or two (2) single plans where appropriate. If a covered County employee has coverage through the employer of a spouse or other means, he/she will be eligible for Niagara County coverage through coordination of benefits on a non-duplication basis. The covered employee must advise the Niagara County Office of Risk & Insurance Services, upon open enrollment or qualifying event, of the existence and name of the alternate carrier in order to allow coordination of benefits administration. All such coordination will

follow industry standards for payment, including the birthday rule, and Plan design and coordination rules as detailed in the SPD.

SECTION 3: EMPLOYEE CONTRIBUTION

The County will contribute all or a significant portion of the cost of the monthly premiums or "in lieu of" premium for each option available under the Niagara County Healthcare Plan, depending on the Plan option chosen by the employee.

Active employees, except those with accrual dates prior to March 1, 2002, on the date of the ratification (1/19/2016 and included on the list produced by Human Resources on 3/28/2016) of this agreement will contribute the following to the cost of the Healthcare Plan option chosen by the employee:

Year	Contribution
2012 – 2015	No change
2016 (effective 1/1/2016)	\$100 per month family; \$55 per month single
2017 (effective 1/1/2017)	\$120 per month family; \$60 per month single
2018 (effective 1/1/2018)	\$140 per month family; \$65 per month single
2019 (effective 1/1/2019)	10% of the applicable premium

Employees hired subsequent to ratification (1/19/2016) shall contribute 10% of the applicable premium or “in lieu of” premium.

The participating employee will pay the applicable balance of the monthly premium, if any, through payroll deductions.

Should the employee elect not to join the health plan within thirty (30) days of eligibility, it is understood that this election may be made on any succeeding open enrollment date.

The employee may choose the healthcare plan option under this Article that the employee determines provides the best coverage and protection for their needs.

SECTION 4: HEALTHCARE WAIVER

A maximum benefit) (the "Waiver) consisting of \$500 for a full year waiver of single coverage, or \$1000 for a full year waiver of family coverage shall be extended to active members of the bargaining unit who are eligible for coverage provided by the County. Payments shall be made biannually in two equal installments in July and January, following each six months of waived insurance. See Appendix C (Healthcare Waiver) of this Agreement.

To be entitled to the payment referenced above, the unit member must produce proof of health insurance coverage from another source at the time of application.

Re-entry shall be governed by the rules of the Plan provided for in this agreement. Where an employee has opted out of the County's Plan and health insurance coverage from another source becomes unavailable because of the death of a spouse, divorce, layoff, plant closing, or other such reason beyond the employee's control, the employee and his/her dependents will be eligible to be reinstated in the County's health insurance plan.

Written notice must be provided to the Department of Risk & Insurance Services by the employee within 30 days of the event which qualifies such employee for re-entry into the plan. Thereafter, re-entry into the employer's plan shall be accomplished as soon as possible. If both spouses are employed by the County, and either elects healthcare coverage, in no event will the waiver be paid to either party. If both spouses are employed by the County, and neither elects healthcare coverage, both are eligible for the waiver under single coverage for each or family coverage for one.

SECTION 5: HEALTH REIMBURSEMENT ACCOUNTS

The County shall establish and fund Health Reimbursement Accounts (HRAs) as allowed by law for employees for the purpose of defraying the out-of-pocket costs of healthcare associated with lower cost Plan options. The amounts of such HRAs will be as follows:

CORE PLAN - \$220 / \$440
 VALUE PLAN - \$425 / \$850

Rollover of HRA monies will be allowed up to the date of retirement or other termination of employment. HRA funds must be expended on eligible expenses within one year of said retirement or other termination of employment.

SECTION 6: FLEXIBLE SPENDING ACCOUNTS

The County shall maintain and pay administration costs only of employee flexible spending accounts ("FSAs"). Employees may fund, through annual election at open enrollment, as FSA with pretax dollars up to the maximum allowable by the Internal Revenue Services. The FSA allows employees to set aside pretax dollars for the following: the employee's portion of the cost of qualified benefit coverages (insurance premiums); qualified out-of-pocket healthcare, dental, vision or hearing expenses that are not covered under the employee's existing healthcare coverage or insurance plans; and qualified work-related child or adult day care expenses.

Eligible employees must follow proper enrollment, annual election, and claims submission procedures as delineated by the FSA administrator and the Office of Risk & Insurance Services, in accordance with the Internal Revenue Code.

Effective January 1 of each year of this agreement, the County shall deposit funds into a Flex 125 account to be used for vision or dental expenses only, as allowed by law. Effective January 1, 2015 the amount is \$350 and effective January 1 of each subsequent year of the agreement, the Flex 125 account shall be increased by an amount equal to the US ALL URBAN Index (USCPI-U) for the 12 month period from the prior October through September of that year.

SECTION 7: RETIREES

There shall be no change to the current contribution schedule for employees hired prior to ratification of this agreement (1/19/2016). Those employees shall be eligible for Niagara County Healthcare Plan coverage upon retirement from continuous full-time service as follows:

County Service	Employee	County

Retirement shall be defined as retirement under the New York State Retirement System.

All prior retirees will maintain healthcare coverage based on the contract in force at the time of retirement. Eligibility for the spouse of a retiree is limited to the retiree's legal spouse at the time of retirement.

It is required, that as an ongoing condition of eligibility for medical insurance through the Niagara County Healthcare Plan, that **an eligible** retired employee and/or the surviving spouse of a retired employee **who becomes Medicare eligible through age or disability, with the exception of end-stage renal disease, must enroll in a Medicare Advantage NPPO insured plan, as long as available, or similar plan offered through Niagara County.**

Niagara County retirees, but not their spouses, will be reimbursed biannually for Medicare Part B premiums. **There will be no reimbursement for cost of Medicare Part B premium for employees hired subsequent to the ratification (1/19/2016) of this agreement.**

The County shall provide the 1/60th plan retroactive to 1938. Commencing April 1, 1971, the County adopted Plan 75-G, with its Riders 41-J and 60-B. The County adopted Plan 75-I for all bargaining unit members in Tiers 1 and 2 of the New York State Retirement System.

ARTICLE 21 LAYOFF PROCEDURE NON-COMPETITIVE AND LABOR CLASS

SECTION 1: SENIORITY DEFINITION

Seniority shall be defined as the length of continuous service with the County.

SECTION 2: LAYOFF

However, before any permanent incumbent is laid off in any department or institution, in a given job classification, all temporary, provisional, or probationary employees in that department or institution, in that job classification, shall be laid off first in that order. Having laid off all these employees, the employee with the least seniority in the job classification shall be the first to be laid off until the total number of employees required to decrease forces shall be established. Having exhausted seniority in the current title, the laid off employee shall exercise seniority to displace an employee with lesser seniority in lower rated job titles in a direct line of promotion or demotion or in other job titles previously held. The laid off employee will be placed on a recall list for any positions for recall for a period of up to four (4) years.

SECTION 7: BUMPING PRIVILEGE

Recall rights for employees on layoff will exist for four (4) years from the date of last layoff.

SECTION 10: LAYOFF NOTICE

Any and all members of this Bargaining Unit may avail themselves of the existing deferred compensation plan currently in effect in Niagara County. Niagara County agrees to make any and all adjustments to payroll to allow participation of Bargaining Unit members in the available plan.

Flexible Spending Accounts shall be treated as identified in Article 16, Section 6 of this agreement.

ARTICLE 25
PERSONNEL FILES

Personnel files for the County shall contain only information relating to an employee's attendance and work performance.

The County and the Union recognize the importance of personnel records to both the employee and the County. The County and the Union agree that nothing of a derogatory nature will be entered in an employee's personnel record file unless a written copy is given to the employee, and the employee will be allowed to respond in writing and such written response will be attached to the material in the file. Information concerning an employee's work performance

and/or attendance which is on file in an employee's personnel file will be made available to an employee on a three (3) day request (one request per month) and the department head or his/her authorized designee will issue a written statement that the material shown to the employee constitutes the entire material requested.

ARTICLE 26
REASONABLE SUSPICION DRUG AND/OR
ALCOHOL TESTING POLICY

ALCOHOL AND DRUG TESTING REQUIREMENTS

In accordance with this agreement, all employees covered by this bargaining unit are now subject only to reasonable suspicion testing for drugs and alcohol. The drugs that will be subject to this testing are Marijuana, Cocaine, Amphetamines, Opiates (including heroin) and Phencyclidine (PCP).

Testing will only be ordered if a trained Department head or his/her authorized designee has reasonable suspicion that an employee has engaged in prohibited use of drugs and/or alcohol.

Employees' alcohol and drug test results and records will be maintained under strict confidentiality by Niagara County, the drug testing laboratory, the alcohol testing facility, and the medical review officer. The results cannot be released to any party except a substance abuse professional without the written consent of the employee. Statistical records and reports will be maintained by Niagara County and the alcohol and drug testing provider. Records concerning an employee's treatment for alcoholism, or drug related problems shall remain separate from other personnel files.

Refusing to submit to an alcohol or illegal drug test may result in disciplinary action. Any violation of this agreement by a covered employee may be grounds for disciplinary action in a progressive manner.

No employee shall use, distribute, dispense, possess or manufacture any illegal drugs on a job site or county property while on duty or while in a County owned vehicle, a vehicle leased for County business, or a privately owned vehicle being used for county business during the employee's work hours.

The Director of Human Resources or his/her designee shall arrange for training of all Department head or his/her authorized designees who may be utilized to determine "reasonable suspicion".

DEPARTMENT HEAD OR HIS/HER AUTHORIZED DESIGNEE RESPONSIBILITIES

Department head or his/her authorized designees are responsible for participating in a certified training program approved by the EAP Administrator to include the following:

1. Department head or his/her authorized designees are responsible for determining, through direct observation, whether an employee is capable of performing his/her assigned duties. Symptoms of being under the influence of alcohol and drugs include incoherent or belligerent speech, smell of alcohol, difficulty working, or erratic or unusual behavior uncommon to the employee will constitute reasonable suspicion.

The Director of Human Resources shall ensure that all employees covered by this agreement receive a copy of this County policy and educational materials that explain the requirements of the drug and alcohol testing procedures prior to the start of alcohol and illegal substance testing. Union Representatives shall also be notified of the distribution of this information.

2. Employees who are suspected of being unfit for duty may not remain at the workplace. Such incidents and situations as described in #1 should be witnessed and documented in writing immediately. Clearly, an employee who is impaired should not be allowed to drive home from the workplace. (see #4 for further direction).
3. Employees who are suspected of being unfit for duty as a result of alcohol or drug use may be directed for reasonable suspicion based drug and/or alcohol testing.
4. After reasonable suspicion testing issues have been resolved, the employee may arrange transportation home with a member of his/her family or a friend of the employee or in a taxi at the employee's expense. If all other alternatives are exhausted, a Department head or his/her authorized designee may allow an employee to be driven home in a County vehicle.
5. The fact that an employee, allegedly under the influence of alcohol or drugs, was not allowed to remain at work is not considered a disciplinary suspension. The employee will be paid for the day in full without charge to accruals. After removal is achieved the Department head or his/her authorized designee will review whether disciplinary charges and suspension or other administrative actions are appropriate. Each situation will be evaluated on a case-by-case basis.

COUNTY RESPONSIBILITIES

It is the Policy of Niagara County that:

1. A drug and alcohol free workplace be maintained through the efforts and personal examples of management.
2. All employees and Department head or his/her authorized designees understand its Drug-Free Workplace policies and Drug Testing Procedures. Niagara County will also train Department head or his/her authorized designees how to recognize behaviors that indicate reasonable suspicion for requesting drug and/or alcohol tests.
3. The County of Niagara or its agents will not harass its employees with regard to this policy. Copies of any documentation relating to this policy will be made available to the union upon the written request of the employee affected.

GENERAL PROVISIONS

Testing will be performed by an outside agency, in order that impartiality and confidentiality are ensured. Both the drug and alcohol tests will be conducted by certified professionals. In both instances, confirmation tests will be conducted should the initial test prove positive. In the case

of alcohol testing, all testing shall be done by breathalyzer, and/or blood test. In the case of the drug test, specimen collection may be observed if the testing agency deems it necessary, and all specimens will be separated into two (2) samples. If the initial sample is positive, then the employee has the right to request that the split sample be tested at a laboratory of his/her choosing (within 72 hours of being notified by the Medical Review Officer), at the employee's expense. However, if the results of the second test show the initial test results to be a false positive, the County will assume the cost of the second test and the employee will be reimbursed for any work time lost based on action taken on the first sample results. The County shall pay all costs associated with the administration of the alcohol tests.

All time spent administering testing, including travel time, will be paid at the employee's regular rate of pay, or at their overtime rate if applicable. Employees will be on payroll up to the time that a positive test has occurred.

POSITIVE TEST RESULTS

If the employee tests positive, they will be provided with information available for an Employee Assistance Program.

For a first occasion, in lieu of discipline, an employee who tests positive under this agreement may volunteer to submit to an evaluation through EAP which will screen the employee and may make a determination if treatment will be necessary. If additional treatment is necessary periodic reports on the employee's progress and/or compliance will be made to the County. Failure by the employee to comply with the rehabilitation program could result in disciplinary action.

Positive test results for an employee shall be defined as refusal to take a drug or alcohol test, refusal to give a sample, or positive test results as determined by testing and confirmation. The following lists the consequential actions concomitant with positive results:

NIAGARA COUNTY HEALTH DEPARTMENT
REIMBURSEMENT AGREEMENT WITH INFUSION THERAPY TEAM
NURSES AND SUPERVISORS

Supervisors and Infusion Therapy Nurses carrying a pager will receive reimbursement at the rate of \$1.00 for each hour of assigned on-call time. Calculate the actual hours the pager is carried each day or part of day according to the schedule.

Phone Calls: Overtime will be reimbursed for actual time worked with a minimum of one-half (1/2) hour per call when phone calls are taken or made in different half hours. Several calls may be transacted in the same half hour, giving a total of one-half (1/2) hour worked. For each one-half (1/2) hour of time worked, one-half (1/2) hour of pager pay will be deducted.

Previously planned visits will be portal to portal after working hours. If Nurses are "called out" after working hours on weekdays, a minimum of two (2) hours will be granted. If called out between 11:00 P.M. and 6:00-A.M. on weekdays, an additional two (2) hours sleep time will be granted the next day.

On weekends, the Infusion Therapy Nurses will receive the same reimbursement as regular nursing staff working weekends with the minimum of four (4) hours for the planned visits and four (4) hours extra if "called out."

Any hours gained on the weekend will be subtracted from the \$48.00 weekend pager pay.

EXAMPLE: If Infusion Therapy Nurse did not make any calls and carried the pager on the weekend, earnings would be \$48.00.

If Infusion Therapy Nurse made two (2) separate calls on the weekend, this would be deductible from the \$48.00 ($48 - 8 = 40$). Earnings would be \$40.00.

All hours worked shall be paid in accordance with the appropriate contract language.

HEALTHCARE BENEFITS WAIVER

NO COUNTY-PROVIDED HEALTH INSURANCE FOR YOU OR
YOUR FAMILY MEMBERS WILL BE CONTINUED UNDER
THE EFFECTIVE TERMS OF THIS WAIVER.

I hereby for myself, my heirs, executors, and administrators, waive my rights to County-provided health insurance coverage pursuant to the collective bargaining agreement between Niagara County and the CSEA.

I understand the RISK inherent in electing Healthcare Benefits Waiver Option and assume any and all responsibility for said RISK to myself, my heirs, executors, and administrators.

I release any and all rights and claims I may have against Niagara County and/or the CSEA, and their respective representatives as a result of my waiver of healthcare coverage to which I was previously entitled.

I understand that if I drop healthcare coverage before the first of any month, I will be credited with a full month for purposes of the waiver. I will thereafter receive 1/12th of the appropriate waiver sum for each month I waive health insurance.

I understand that once this withdrawal of healthcare benefits coverage is in effect, I may not re-enter any County provided insurance plan until the next open period occurs, except as may otherwise be provided in the collective bargaining agreement.

I state that my spouse is not an employee of Niagara County.

I have read the above waiver and, upon my reading, fully understand its contents.
