

Integrative Medicine Grand Rounds

presents

Basic Concepts in Stem Cells

Anthony J. Bazzan, MD, ABIHM

Presenter:

Anthony J. Bazzan, MD, ABIHM

Dr. Anthony Bazzan is a leading physician at the Myrna Brind Center of Integrative Medicine and co-author of the popular press book, *The Great Life Makeover* (Harper-Collins). He is board certified in Internal Medicine and Geriatric Medicine, and is a national expert on integrative treatments for menopause, andropause, bone health, and cancer survivorship. Dr. Bazzan is involved with numerous innovative clinical trials in a variety of diverse patient groups.

Overall Goals and Objectives:

1. Identify recent advances in integrative medical care and discuss their application to clinical practice.
2. Describe the latest data on complementary and alternative medical therapies that could improve patient outcomes.
3. Discuss core integrative medicine topics that patients frequently ask physicians about.

Jefferson Medical College of Thomas Jefferson University is accredited by the ACCME to provide continuing medical education for physicians. Jefferson Medical College designates this live activity for a maximum of 1 AMA PRA Category Credit(s). Physicians should only claim credit commensurate with the extent of their participation in the activity.

March 4, 2014 8:00 – 9:00 am

925 Chestnut Street, 2nd Floor Conference Room
