**Peer Reviewed Research Without Borders**

## Welcome to Stockholm University Press

Stockholm University Press is an open access publisher of peer-reviewed academic journals and books. We aim to make journals and books affordable, and to enable the widest possible dissemination so that researchers around the world can find and access the information they need without barriers.

In partnership with our authors and series editors, we publish in the

...e effective and easy due to design which will be going to improving their work and ... or on their studies.

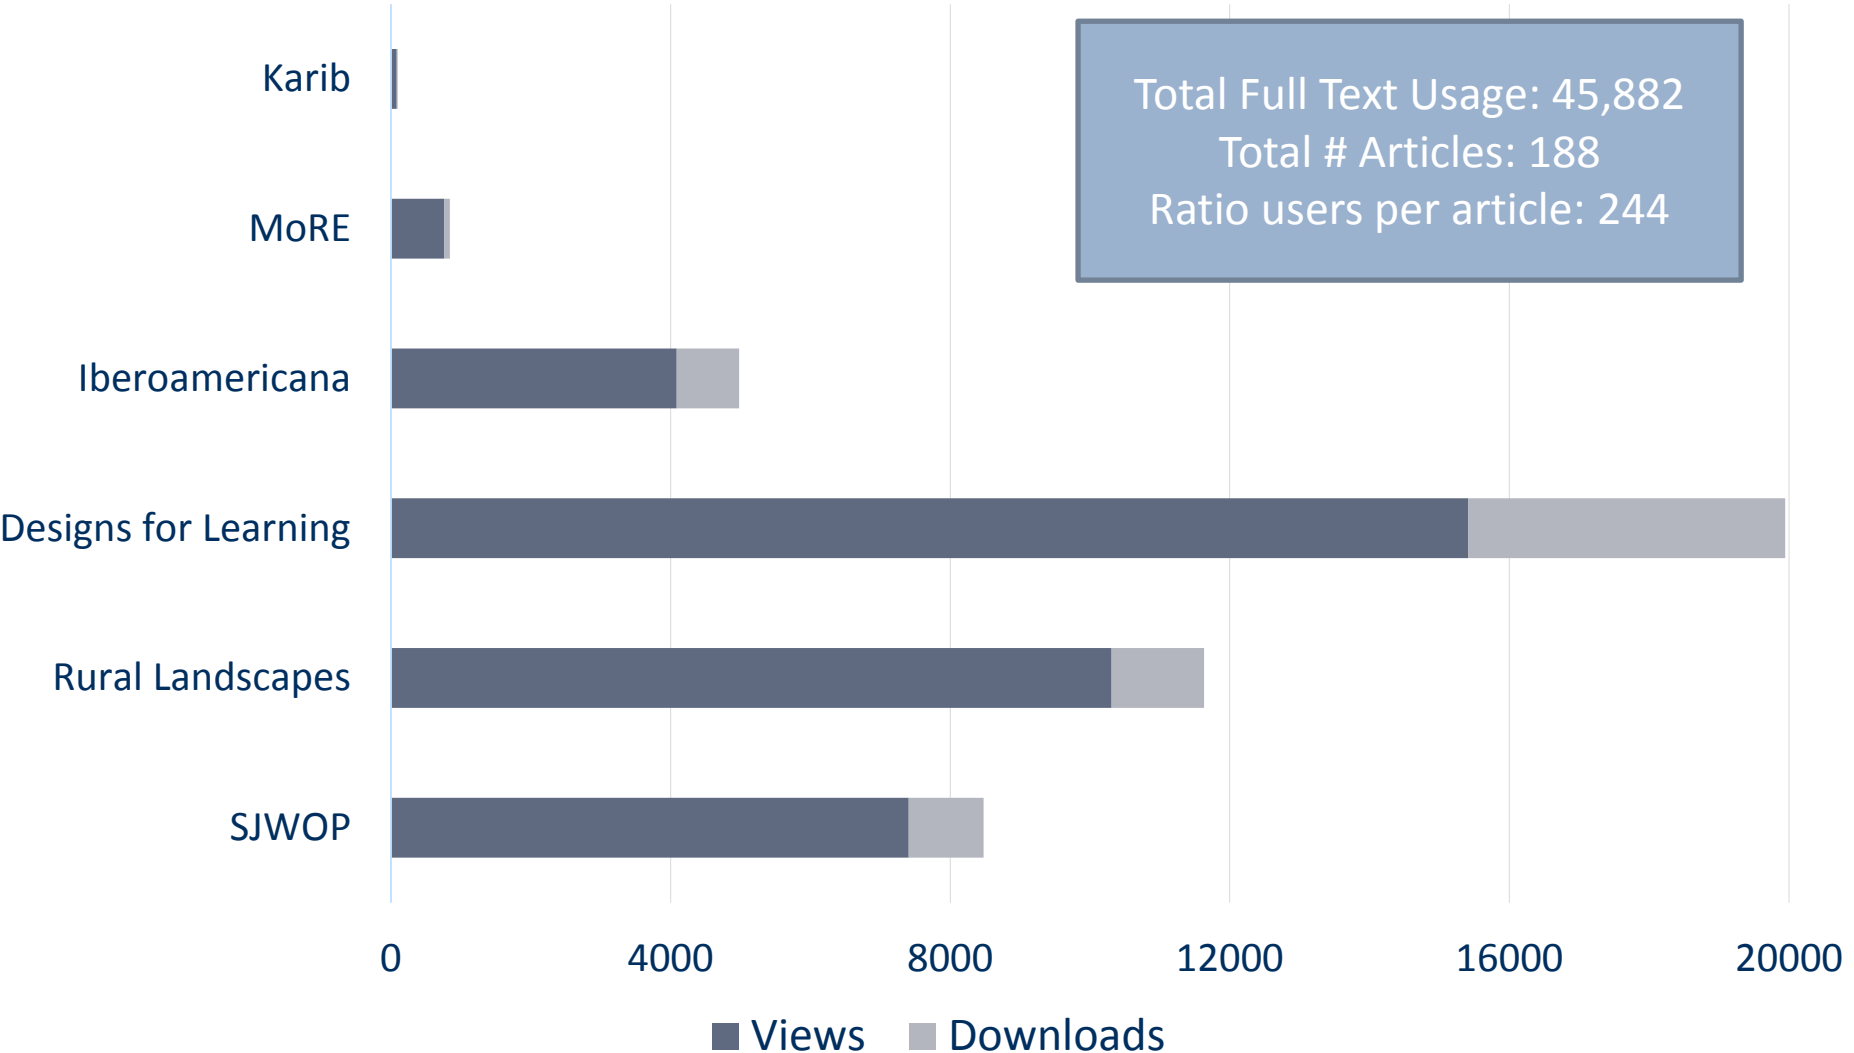

This journal has been awarded the [Directory of Open Access Journals](#) seal of approval.

# Journal Readership 2015–Mar 2017

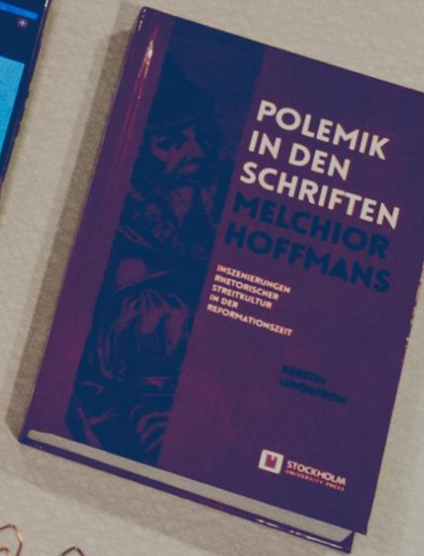

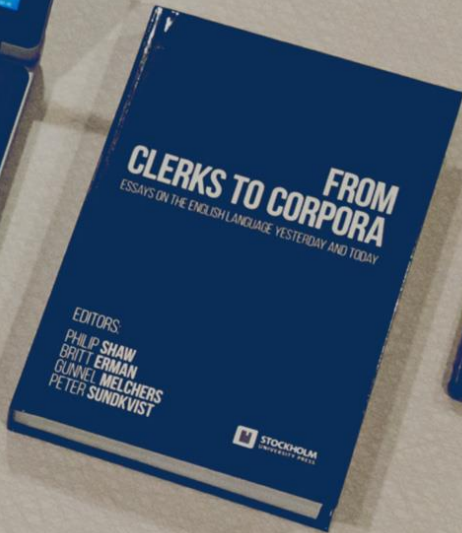

- Accumulated data since start date

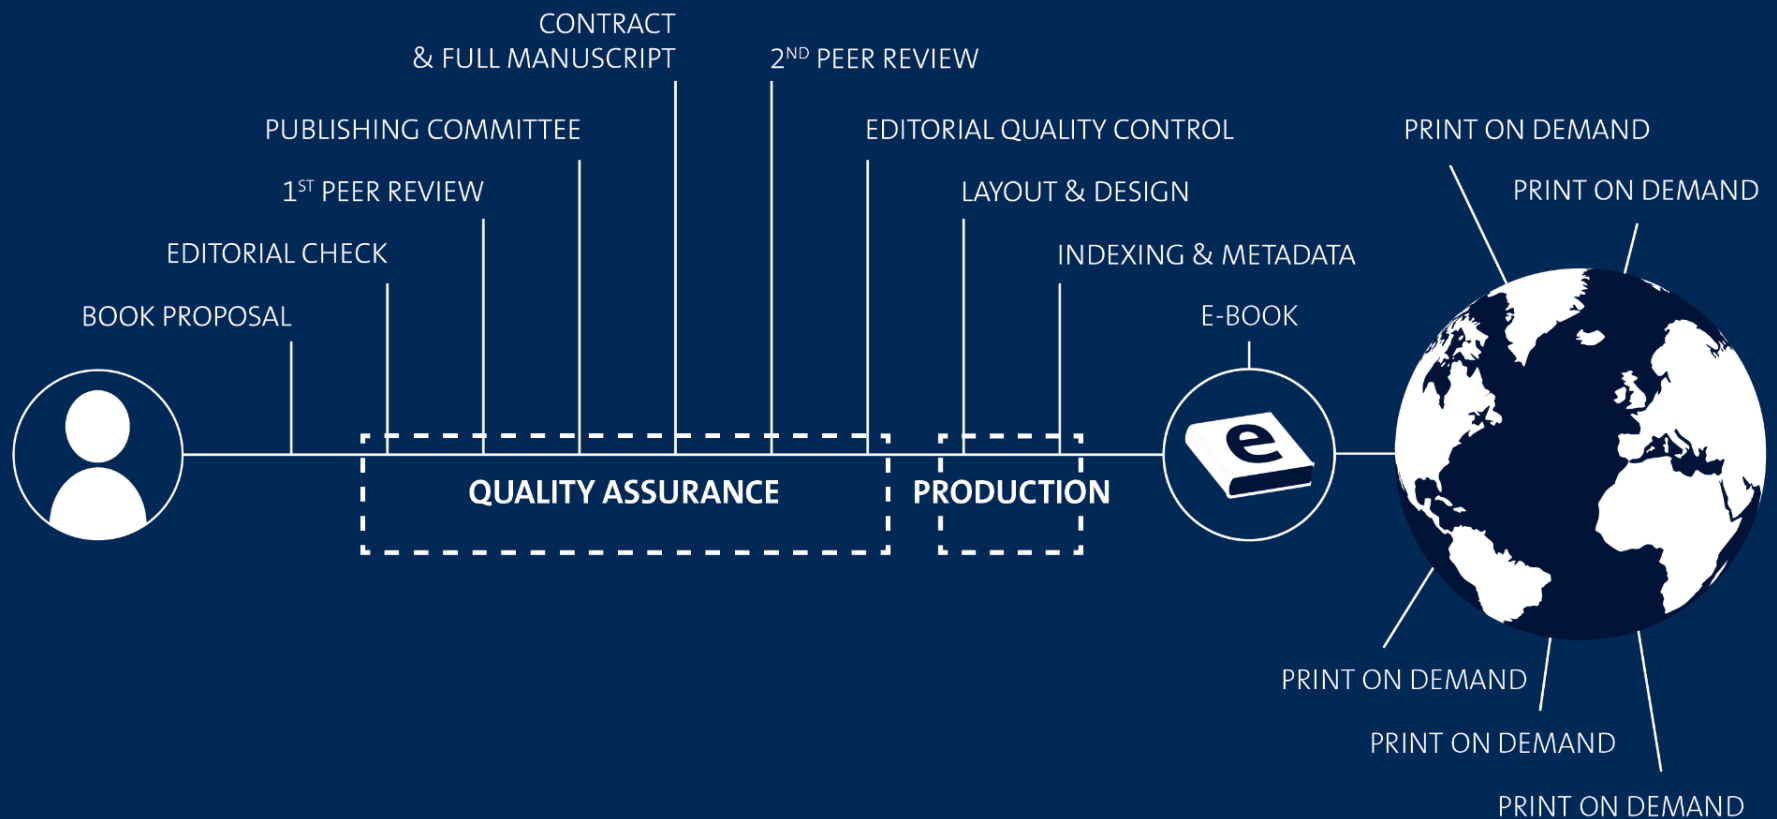

Total Full Text Usage: 45,882  
Total # Articles: 188  
Ratio users per article: 244

# Book Project Structure

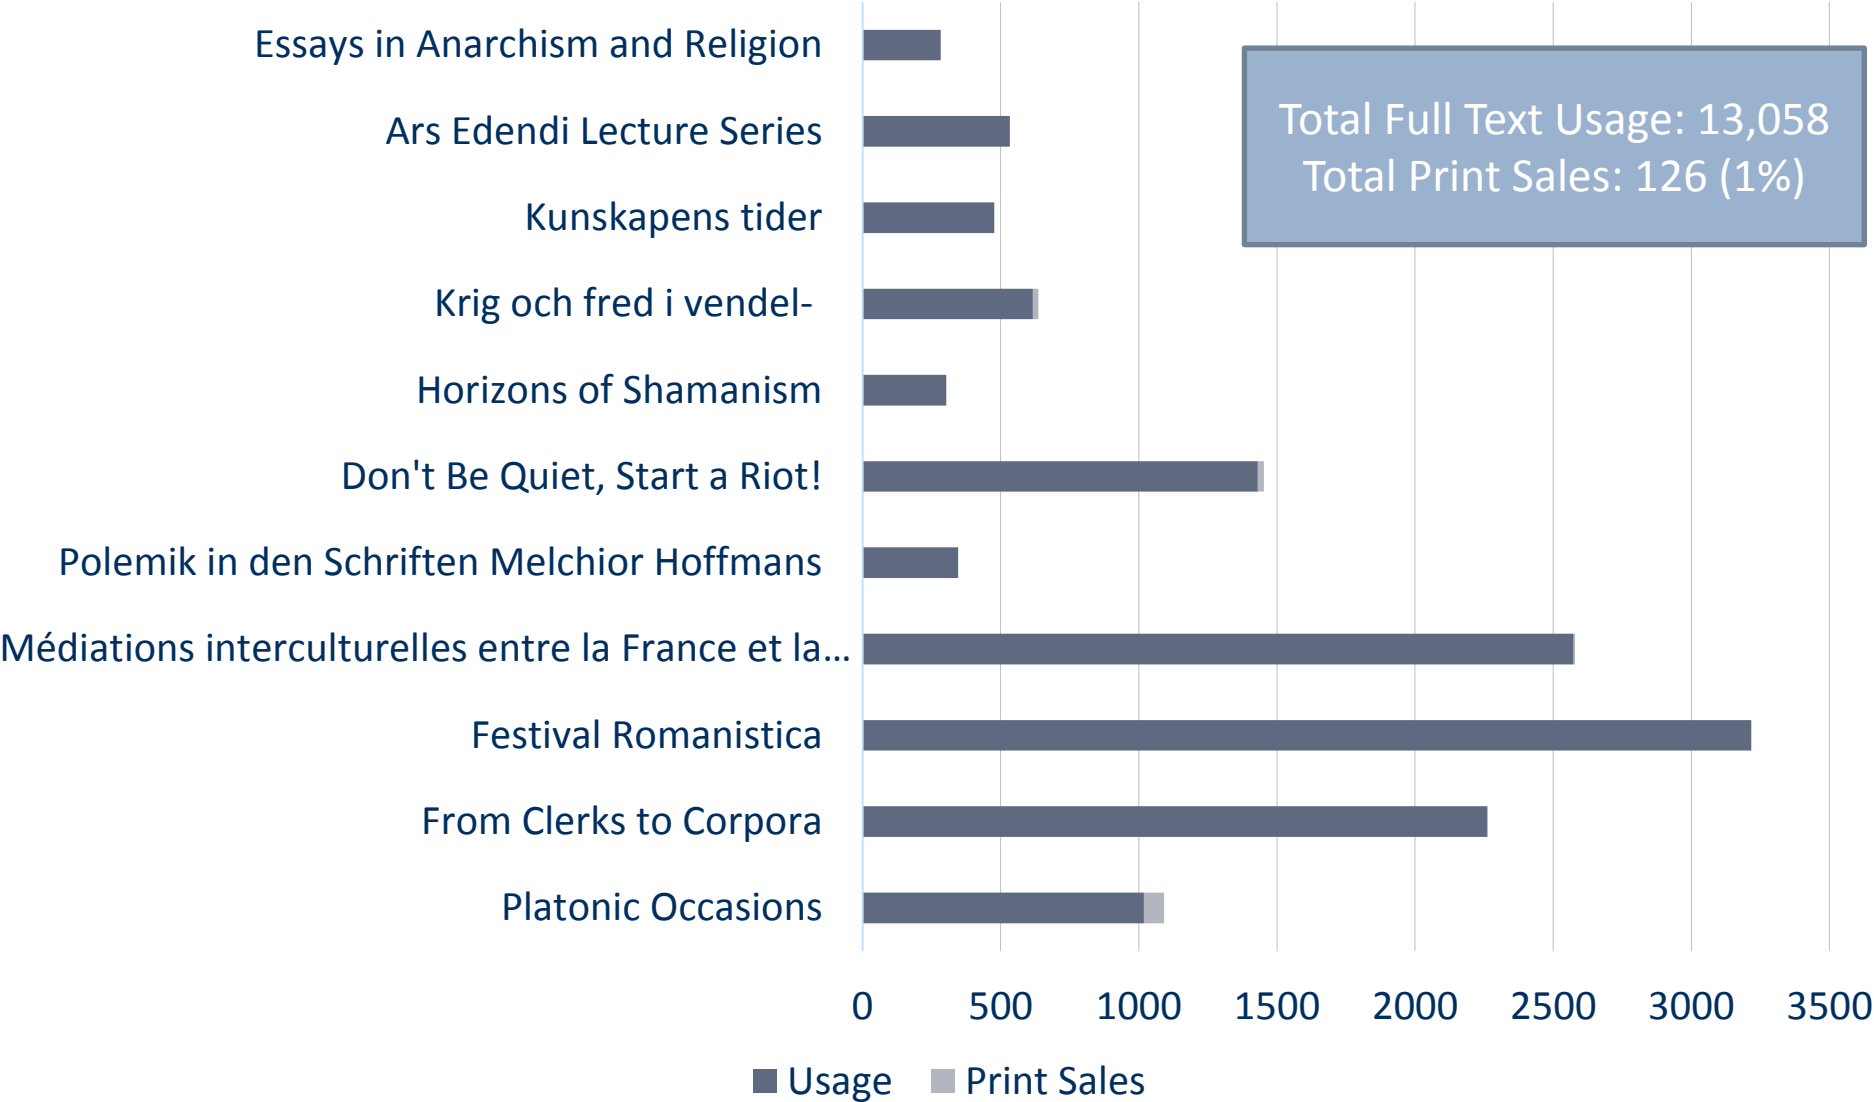

# Book Usage 2015– Mar 2017

- accumulated from publication date

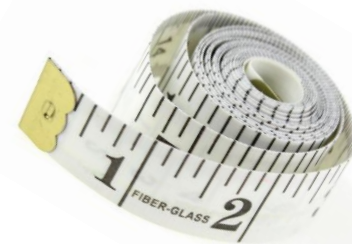

Total Full Text Usage: 13,058  
Total Print Sales: 126 (1%)

## Key Drivers for the Press

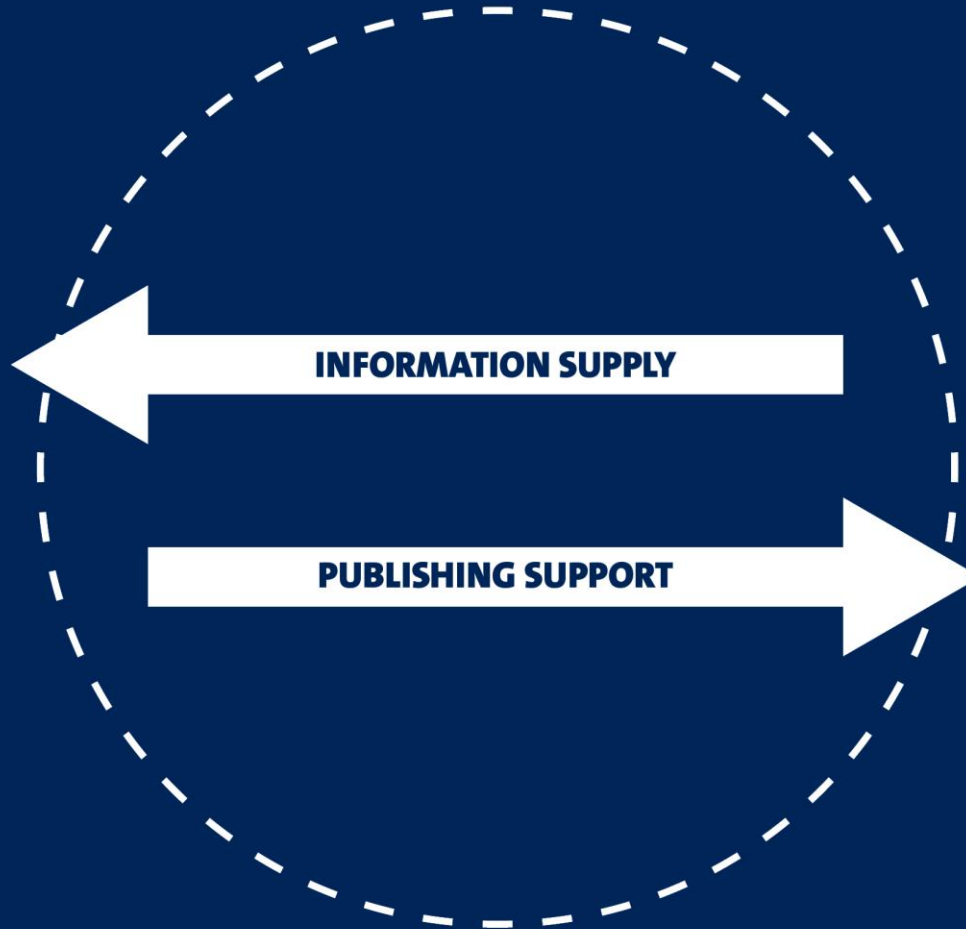

- Robust model for **quality assessment**
- A **non-profit** approach to publishing – research first
- Easy access to **open scholarly communication tools**
- A **local** publishing partner with a **global** reach
- Creating **impact** with new & traditional metrics combined
- Supporting local scholarship by **sharing knowledge**

**The Individual**  
Researcher, teacher, student

**Stockholm  
University Library**

**The World**

# Dissertation publishing

- Support to publish dissertation online & print
- Assisting PhD students to manage themselves
- Open Access is recommended
- Providing templates & contract w. good printer
- Assisting ca. 120 PhD students per semester

# Publishing support

- 
- **Advice for researchers to make informed decisions**
    - Best practice
    - Legal issues
    - Recommending Open
    - Optimise for search engines (metadata)
    - Recommending the use DOI/permanent link
  - **Creating templates**
  - **Keeping track and evaluation**

# Common Questions

- The cost of publishing?
  - GBP 300 per journal article (likely to change in 2018)
  - Approx. GBP 3,250 for a standard book (200 pages, 10 images)
- Who makes decisions?
  - The Publishing Committee, based on recommendations from the editorial boards
- Which subject areas do you cover?
  - All the areas where there's a demand for reasonably priced OA publishing
  - An Editorial Board for the subject area or the journal is also needed
- What dissemination channels do you use?
  - OAPEN for online books
  - Amazon (INT) & Bokinfo (SWE) for Print-on-Demand books
  - Subject area databases & Search Engine Optimisation for journals (takes time to fulfil criteria)
- Stamps of approval? The press is so far approved by DOAJ, the Norwegian Register for Scientific Publishers (Level 1) & The Danish Bibliometric Indicator as a reliable publishing partner.
- What organisations are you members of/contribute to?
  - OASPA, AEUP, ALPSP, OAPEN, DOAJ, Ubiquity Partner Network, CrossRef & COPE (the last two via Ubiquity Press)

# Supporting Communicative Practices
