zwangerschap is heel gewoon  
maar zo gecompliceerd  
alle raderen moeten passen  
voor ons aller doel  
een gezond en levend kind  
en moeder

voor Ids, Louw en Brecht

# Table of contents

## General introduction and objectives of the thesis

Chapter 1: The immunology of successful pregnancy 13

### Part I: Normal pregnancy

Chapter 2: Cytokine production in natural killer cells and lymphocytes in pregnant women compared with women in the follicular phase of the ovarian cycle 47

Chapter 3: Endotoxin-induced cytokine production of monocytes of third trimester pregnant women compared with women in the follicular phase of the menstrual cycle 61

Chapter 4: Longitudinal study of cytokine production in T cells, NK cells and monocytes during normal pregnancy 73

### Part II: Preeclampsia

Chapter 5: Preeclampsia - an overview 99

Chapter 6: Cytokine production by monocytes, NK cells and lymphocytes is different in preeclamptic patients as compared with normal pregnant women 131
