# **Guided Peer Support Groups for Psychosis**

*A randomized controlled trial*

Uitgave in de RGOc-reeks, nummer 18

The work described in this thesis was performed at the University Center for Psychiatry, University Medical Center Groningen, University of Groningen, The Netherlands, in collaboration with:

- Adhesie, Deventer
- GGz Friesland, Leeuwarden
- Parnassia Psychiatric Institute, Den Haag

The research projects were supported by The Netherlands Organisation for Health Research and Development (ZonMw), the Rob Giel Research *center* (RGOc), the Roos Foundation and the Afdeling Psychosen at the University Center for Psychiatry.

Cover design: Pablo ter Borg, Groningen

Cover illustration: Heleen van der Tuin, Groningen ([www.heleenvdtuin.nl](http://www.heleenvdtuin.nl)).

It symbolizes the meaning of peer support groups by offering participants a home and some sunshine by telling their stories to peers in a group context.
