Marlies M.E. Geurts

Integrated Pharmaceutical Care

Cooperation between pharmacist, general practitioner, and patient and the development of a pharmaceutical care plan.

Thesis Groningen University – With summary in English and Dutch.

The research presented in this thesis was financially supported by the Royal Dutch Pharmacists Association (KNMP) and PharmaPartners. An unconditional grant was obtained from the Foundation for the Study of Management in Pharmacy and Healthcare (Stichting Management voor Apothekers en voor de Gezondheidszorg – MAG) for the development of the web-based Pharmaceutical Care Plan application.
