*Vergeet je niet te leven
dacht ik laatst
de tijd hield stil
een adempauze even*

*en als je nu eens zonder haast
buiten de tijd om wil
slagbomen neergelaten
dolgedraaide wijzerplaten*

*Onder je door of langs je heen
ze laat voor wat ze zijn en dan
meer lucht en ogen van*

*het goede aardse zien
een beetje ruimte worden en misschien
iets meer gericht alleen*
