Promotoren: prof.dr. W.P. Vandertop  
prof.dr. X.O. Breakefield  
Co-promotoren: dr. T. Wurdinger  
dr. D.P. Noske

*To Eddie and Julia, the joy of my life*

*Nieces and Nephews are the children that we borrow,  
Intending not to raise but merely love,  
Ever watchful from our open window,  
Caring deeply at a slight remove.  
Everywhere you go, my love will follow,  
Still part of you wherever you may live.*
