CONGRESS VENUE AND TRAVELLING INFO

The Congress will be held at the Sala dei Notari of Palazzo dei Priori, Piazza IV Novembre, in the old town center of Perugia. For those who plan to reach Perugia by car, the most convenient option is to leave the highway at Perugia Madonna Alta and follow the indications to the Stadium and Minimetrò:

You will find a large free parking lot where you can leave your car and take the Minimetrò at the Pian di Massiano Station. You can purchase your ticket at the machine just before entering the Minimetrò (cash, Bancomat, credit cards are all accepted). Get off at the last station (Pincetto), just walk up via Oberdan and you will be in Piazza Matteotti and then Corso Vannucci.

For those travelling by train, once you get off at the Perugia FS railway station, you will easily find the Minimetrò station (Fontivegge, direction Pincetto) on the left.

Some flight connections to the Aeroporto Internazionale dell'Umbria - S. Francesco d'Assisi are also available from some Italian airports, even though they are only operated on seasonal basis. Our suggestion is to check the flights available in due time.
