The night almost fancy ourselves
in a southern clime too, with
our mild spring-like weather
& soft rains - have we made an
exchange with you? perhaps you
are having a taste of N.E. weather

A few days ago we had a
foretaste of pleasures to come
in the glimpse we had, thro' Mrs.
John How's courtesy, of your lovely
boy & improved window, in
company with two other statuettes,
each in their own snug retreat.
How wonderfully well they are
packed!

Tho' people are constantly pre-
dicting sickness because of our open
winter, we have no cause to complain
but are thankful for continued good
health in all our homes & trust
all is well with you & Addie -
A loving good-bye from
Carrie.
