Report of Superintendent of Schools

To the Superintending School Committee and Citizens of Isle au Haut:

I herewith submit my second annual report as Superintendent of Schools for the fiscal year ending February 2, 1945. The school census for the year 1944 was 10. The total enrollment was 9. The enrollment by grades was as follows: Sub-primary, 2; Second Grade, 2; Fourth Grade, 2; Fifth Grade, 2; Sixth Grade, 1.

Because of the illness of Miss Kent, we shall probably have to shorten our present school year by two weeks, as we do not want to run far into the summer. However, I feel that the children are sufficiently advanced in their studies so that no harm will result.
I wish to express my thanks and appreciation to the Sea Coast Mission for their help in securing the services of Mrs. Williams during the period of Miss Kent’s illness.

May I, at this time, extend my sincere thanks and appreciation to the committee, the teacher, and the people of Isle au Haut for your kindness and help given me during my second year as your superintendent.

To the inhabitants of the Town of Isle au Haut:

In accordance with the request of your municipal officers, we have examined the accounts of your town officials for the municipal year ended February 1, 1944.

In our opinion, based upon such examination, the accompanying exhibits and schedules fairly present the financial condition of your municipality as of that date, and summarize its fiscal transactions during the municipal year then ended.

Respectfully submitted,

COMMENTS

Cash
As far as could be ascertained, all monies received were recorded and promptly deposited, and all expenditures, authorized by approved warrants, were paid by check.

The cash balance of $2,467.27 at the close of the municipal year, was represented by bank balance of $2,457.64 reconciled with the statement of the Knox County Trust Co., and check on hand, as per detail on Schedule 1.

Property and Poll Taxes
The 1943 tax commitment was found to be in agreement with the records of the Assessors. The total commitment was accounted for by cash paid to the Treasurer, and one
abatement of $3.00. We feel that the Collector should be complimented upon such an excellent record. There is one tax of $5.97 uncollected for previous years. We annually audit about fifty towns in Eastern Maine, and we believe that your town has the best record of tax collections of any of the Towns we audit.

Excise Tax
The excise tax collections for 1943 were checked with the copies of the receipts. In the past, we note that it has been the custom to deposit with the Town Treasurer, collections for the current year. We would recommend that all excise tax collections received during the municipal year be deposited with the Treasurer at the close of books.

Net Surplus
Reference to Exhibit A indicates that as of the close of the municipal year there was a Net Surplus in the amount of $1,944.92, as compared with a Net Surplus of $1,512.75 shown the previous year. This represents a beneficial change of $432.17.

General
Without making a detailed audit of all transactions during the municipal year, we have examined or tested accounting records and other supporting evidence by methods and to the extent deemed appropriate.

The Withholding Taxes appeared to have been properly deducted and carried through the town books. Records covering individual withholdings are maintained by the Treasurer.

Dog licenses were checked with the Town Clerk and the amount of $21.90 paid to the State Treasurer was found to be in agreement with the records.

We found the records of the Selectmen, Treasurer, Collector and Clerk, in exceptionally fine condition.
